ANNEX A

For the reasons stated in Part III to this Form 12b-25, the Company's Form 10-K for the year ended December 31, 2009 cannot be filed by the prescribed date of 5:30 p.m. EST on March 31, 2010. The Company's net loss, before other revenue and expenses, for the year ended December 31, 2008 was approximately \$934,448 as reported in the Company's Form 10-K for the year ended December 31, 2008. However, in 2009 the Company began a new line of business with the development and acquisition of applications for handheld personal electronic devices such as the iPhone, iPod Touch and Blackberry and the consolidated financial statements for the years ended December 31, 2008 and 2009 as reported in the Company's Form 10-K for the year ended December 31, 2009 will reflect its then existing business as well as this new line of business. The consolidated net loss, before extraordinary items, for the years ended December 31, 2008 and 2009 have not been determined at this time because the year-end financial statements have not been completed but the year 2009 loss is expected to be less than the year 2008 loss.
