Email from David A. Kriegman to TTGSI Customers

Dear [customer]:

As an important customer, I am sending you this note to inform you of an exciting development at our company. As you know, TechTeam Government Solutions, Inc. is a wholly-owned subsidiary of TechTeam Global. TechTeam Global has announced that they have entered into a definitive agreement to sell TechTeam Government Solutions, Inc. to Jacobs Engineering, one of the world's largest and most diverse providers of technical, professional, and construction services. The sale of TTGSI is subject to approval of the stockholders of TechTeam Global. If approved by stockholders, we anticipate that the sale will close in the third quarter of 2010.

This sale is beneficial to TechTeam Government Solutions, our employees, and our customers. We will be a part of Jacobs Technology, a division of Jacobs Engineering that is focused on providing technology services to the U.S. Government. Its mission, customer base, processes, and culture closing align with those of TechTeam Government Solutions. Jacobs Technology is a \$1B subsidiary of the \$11B Jacobs Engineering Group Inc. As part of a large government services provider, we will have access to additional resources to support both customers and employees. As an operating unit within a larger and more focused government contractor, I can assure you that our driving force remains a commitment to quality work and customer success. As the General Manager of this business unit, I pledge my personal commitment to provide the talent and resources to support you in whatever way is necessary to ensure your success.

I look forward to meeting with you to explain more about Jacobs Technology and how this merger will benefit our customers and employees.

Sincerely,

David A. Kriegman
