Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangement of Certain Officers

On April 14, 2011, the Board of Directors (“Board”) of Sonic Foundry, Inc. (the “Company”) appointed Michael Janowiak to serve as a member of the Company’s Board of Directors. The appointment of Mr. Janowiak filled a vacancy on the Board that was created by a decrease in the number of current directors, as discussed in the Company’s Form 8-K dated April 4, 2011. The Board intends for Mr. Janowiak to serve as an additional independent director for the Company, increasing the total number of independent directors so that the Company can regain compliance with the majority independent board requirements set forth in Nasdaq Listing Rule 5605(6)(1). Mr. Janowiak will serve as a director for a term expiring in the year 2012.

Mr. Janowiak is a Principal at Pinnacle Investments, a boutique private equity and financial consulting group. Mr. Janowiak has 26 years of experience in the information industry, with focus on education, training, research publications, and trade conferences for professionals in the communications and semiconductor sectors. Mr. Janowiak was President of the International Engineering Consortium (IEC)’s online learning and publishing group, where in concert with academia and companies such as Microsoft he led product development at the cutting edge of online training and education. Mr. Janowiak was a co-founder and Principal of Professional Education International (PEI) – a group that led conference planning and market research for IEC all over the world, including USA, Canada, England, France, Brazil, Germany, Korea, Japan, and China. Mr. Janowiak founded the publishing, research report, and online learning divisions of IEC, which grew from inception to major stand-alone revenue generating entities within the larger business. Mr. Janowiak served on the Board of Directors of Mercury Air Group from September 2002 until September 2005, the Advisory Board of the Midtown Foundation since January 2001, as Industry Advisor to the Illinois Institute of Technology since January 1999, as the Subsidiary Director of CIB Marine Bancshares since November 2001, as member of Liquio Corporation since August 2002, and as member of the Advisory Board of Idynta Systems since December 2001. Mr. Janowiak also was co-founder and president of HRDRive, Inc., which is the North American subsidiary of SMR technologies, a publicly traded, human resources software company based in Kuala Lumpur, Malaysia and Chennai, India. There was no arrangement or understanding between Mr. Janowiak, on the one hand, and any other person, on the other hand, pursuant to which Mr. Janowiak was selected as director.
