Item 1.01 Entry Into a Material Definitive Agreement.

On October 19, 2012, Cleveland BioLabs, Inc. (the “Company”) entered into an underwriting agreement (the “Underwriting Agreement”) with Oppenheimer & Co. Inc., as representative of the several underwriters (the “Underwriters”) named in Schedule I of the Underwriting Agreement, related to a public offering of 7,500,000 units at a price of \$2.00 per unit (the “Offering”), with each unit consisting of one share of the Company’s common stock, par value \$0.005 per share (the “Common Stock”), and one warrant to purchase 0.5 of a share of Common Stock at an exercise price of \$3.00 per whole share (the “Warrants”). The shares of Common Stock and the Warrants issued in the Offering will be issued separately. Under the terms of the Underwriting Agreement, the Company has also granted the Underwriters an option, exercisable for 30 days, to purchase up to an additional 1,125,000 shares of Common Stock (with an over-allotment price of \$1.995 per share) and/or additional Warrants to purchase up to 562,500 shares of Common Stock (with an over-allotment price of \$0.0094 for each Warrant to purchase a whole share) to cover over-allotments, if any.

The net proceeds are expected to be approximately \$13.8 million, after deducting the underwriting discounts and commissions and estimated expenses payable by the Company. The Offering is expected to close on October 24, 2012, subject to the satisfaction of customary closing conditions.

The Underwriting Agreement contains customary representations, warranties, and agreements by the Company, and customary conditions to closing, indemnification obligations of the Company and the Underwriters, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties, and termination provisions.

The Warrants will be exercisable immediately upon issuance and will expire on the five year anniversary of issuance, which is anticipated to be October 24, 2017. The number of shares issuable upon exercise of the Warrants and/or the exercise price of the Warrants will be adjustable in the event of stock splits, stock dividends, combinations of shares and similar recapitalization transactions. In the event of certain fundamental transactions, the holders of the Warrants will be entitled to receive, in lieu of shares of Common Stock and at the holders’ option, cash in an amount equal to the value of the remaining unexercised portion of the Warrant on the date of the transaction determined using a Black-Scholes option pricing model. The Warrants are being issued pursuant to a Warrant Agreement to be entered into between the Company and Continental Stock Transfer & Trust Company. The Warrants will not be listed on The NASDAQ Capital Market or any other securities exchange.

Oppenheimer & Co. Inc. is acting as the sole bookrunner for the Offering and Cantor Fitzgerald & Co. and Ladenburg Thalmann & Co. Inc. are acting as co-managers. Burrill Merchant Banking is acting as the financial advisor in connection with the Offering.
