Dear Stockholders:

We are pleased to invite you to attend our 2013 Annual Meeting of Stockholders to be held on December 5, 2013 at 9:00 a.m. PST in our corporate offices located at 20050 SW 112th Avenue, Tualatin, Oregon 97062. The Board of Directors has fixed the close of business on October 16, 2013 as the record date for the determination of Stockholders entitled to receive notice of, and to vote at, the 2013 Annual Meeting. For your convenience, we are also pleased to offer a live webcast of our 2012 Annual Meeting to allow you to view the meeting on the Investor Relations section of our web site at www.cuiglobal.com.

Details of the business to be conducted are described in the Notice of Internet Availability of Proxy Materials (the "Notice") you received in the mail and in this proxy statement. We have also made available a copy of our 2012 Annual Report to Stockholders with this proxy statement. We encourage you to read our Annual Report. It includes our audited financial statements and provides information about our business and products.

In addition to the proxy statement and the 2012 Annual Report, you might also review our recent press releases, which demonstrate the exciting and successful year we have had thus far in 2013. Among our other accomplishments, we have:

- Completed equity raises with net proceeds to the Company in excess of \$45,000,000;
- Acquired Orbital Gas Systems Ltd., an independent specialist natural gas and energy control and instrumentation solutions provider in the United Kingdom;
- Reported our first profitable quarter as well as increased revenues which were up than 80% quarter-over-quarter and year-over-year in the Second Quarter (the Second Quarter of 2013 included Orbital-UK and its associated accretive revenues);
- Paid down an additional \$2,000,000 in long term debt obligations and
- Experienced a historic backlog of open sales orders throughout the Second Quarter and into the Third Quarter.

We have elected to provide access to our proxy materials over the internet under the Securities and Exchange Commission's "notice and access" rules. Our management is constantly focused on improving the ways people connect with information and believes that providing our proxy materials over the internet increases the ability of our

stockholders to connect with the information they need, while reducing the environmental impact of our 2013 Annual Meeting. If you want more information about the 2013 Annual Meeting, please see the Questions and Answers section of the proxy statement under the heading General Information or visit the Stockholders Meeting section of our Investor Relations website.

Your vote is important. Whether or not you plan to attend the 2013 Annual Meeting, we hope you will vote as soon as possible. You may vote over the internet, as well as by telephone or, if you requested to receive printed proxy materials, by mailing a proxy card or voting instructions. Please review the instructions on each of your voting options described in this proxy statement as well as in the Notice you received in the mail.

Thank you for your ongoing support of CUI Global. We look forward to seeing you at our 2013 Annual Meeting.

Sincerely,

William J. Clough

Proxy Statement

Introduction

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of CUI Global, Inc. (the "Company") for use at the Annual Meeting of Stockholders to be held on Thursday, December 5, 2013, at 9:00 a.m. PST in our corporate offices located at 20050 SW 112th Avenue, Tualatin, Oregon 97062 and for any postponements or adjournments thereof. Please vote your shares of CUI Global, Inc. common stock. Your vote at the Annual Meeting is important to us. Whether or not you plan to attend the Annual Meeting, we encourage you to read this proxy statement and submit your proxy or voting instructions as soon as possible. For specific instructions on how to vote your shares, please refer to the instructions on the Notice of Internet Availability of Proxy Materials (the "Notice") you received in the mail, the section entitled General Information about the Annual Meeting beginning below in this proxy statement or, if you requested to receive printed proxy materials, your enclosed proxy card. The Proxy Statement and the accompanying materials are being made available to the stockholders on or about October 26, 2013.

WE URGE YOU TO VOTE AS SOON AS POSSIBLE, EVEN IF YOU ARE CURRENTLY INTENDING TO ATTEND THE MEETING. THIS WILL NOT PREVENT YOU FROM VOTING IN PERSON, BUT WILL ASSURE THAT YOUR VOTE IS COUNTED IF YOU ARE UNABLE TO ATTEND THE MEETING. IT IS IMPORTANT THAT YOUR SHARES ARE REPRESENTED AT THE MEETING IN PERSON OR BY PROXY; IF YOU DO NOT EXPECT TO ATTEND THE MEETING, PLEASE COMPLETE, DATE, SIGN AND RETURN THE PROXY CARD (WHICH WILL BE MADE AVAILABLE TO YOU SEPARATELY) OR PROVIDE VOTING INSTRUCTIONS BY TELEPHONE OR VIA THE INTERNET.

General Information about the Annual Meeting

Q: Why am I receiving these materials?

A: Our Board of Directors has made these materials available to you on the internet or, upon your request, delivered printed proxy materials to you, in connection with the solicitation of proxies for use at the CUI Global Annual Meeting of Stockholders, which will take place on Thursday, December 5, 2013, at 9:00 a.m. PST in our corporate offices located at 20050 SW 112th Avenue, Tualatin, Oregon 97062. As a stockholder, you are invited to attend the Annual Meeting and you are requested to vote on the items of business described in this proxy statement.

Q: What information is contained in this proxy statement?

A: The information in this proxy statement relates to the proposals to be voted on at the Annual Meeting, the voting process, the compensation award process of our directors and most highly paid executive officers, corporate governance and information on our Board of Directors and certain other required information.

Q: Why did I receive a notice in the mail regarding the internet availability of proxy materials instead of a full set of proxy materials?

A: In accordance with rules adopted by the Securities and Exchange Commission (the “SEC”), we may furnish proxy materials, including this proxy statement and our 2012 Annual Report on Form 10-K, to our stockholders by providing access to such documents on the internet instead of mailing printed copies. Most stockholders will not receive printed copies of the proxy materials unless they request them. Instead, the Notice, which was mailed to most of our stockholders, will instruct you as to how you may access and review all of the proxy materials on the internet. The Notice also instructs you as to how you may submit your proxy on the internet. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions in the Notice for requesting such materials.

Q: I share an address with another stockholder and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

A: We have adopted a procedure called “householding” which the SEC has approved. Under this procedure, we deliver a single copy of the Notice and, if applicable, the proxy materials and the 2012 Annual Report to Stockholders to multiple stockholders who share the same address unless we received contrary instructions from one or more of the stockholders. This procedure reduces environmental impact as well as our printing costs, mailing costs and fees. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written request, we will promptly deliver a separate copy of the Notice and, if applicable, the proxy materials and the Annual Report to Stockholders to any stockholder at a shared address to which we delivered a single copy of any of these documents. To receive a separate copy of the Notice and, if applicable, these proxy materials or the Annual Report to Stockholders, stockholders may telephone, write or email us as follows: (503) 612-2300; 20050 SW 112th Avenue, Tualatin, Oregon 97062; investors@CUIGlobal.com.

Stockholders who hold shares in street name (as described below) may contact their brokerage firm, bank, broker-dealer or other similar organization to request information about householding.

Q: How do I get electronic access to the proxy materials?

A: The Notice will provide you with instructions regarding how to:

- View our proxy materials for the Annual Meeting on our internet website, www.CUIGlobal.com and
- Instruct us to send our future proxy materials to you electronically by email.

Choosing to receive your future proxy materials by email will save us the cost of printing and mailing documents to you and will reduce the impact on the environment of printing and mailing these materials. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

Q: Is the Annual Meeting going to be webcast?

A: For your convenience, we are pleased to offer a live webcast of our Annual Meeting on the Investor Relations section of our web site at www.CUIGlobal.com.

Q: Can I participate in the question-and-answer portion of the Annual Meeting without attending the Annual Meeting?

A: No. The live webcast will be only visual and audio; there will be no opportunity to participate in the question-and-answer portion of the Annual Meeting unless you are present at the meeting.

Q: What items of business will be voted on at the 2013 Annual Meeting?

A: The items of business scheduled to be voted on at the Annual Meeting are:

The election of three directors to hold office until the 2014 Annual Meeting of Stockholders or until their respective successors have been duly elected and qualified;

Ratification of the appointment of Liggett, Vogt & Webb, P.A. as the Company's Independent Auditor for the year ending December 31, 2013;

- Advisory approval of the company's executive compensation (Say-on-Pay);
- Advisory vote on the frequency of a shareholder vote on executive compensation (Say-on-Frequency);
- Approve the amended Restated Articles of Incorporation to compile prior amendments into a single document.

We will also consider any other business that properly comes before the Annual Meeting.

Q: How can I vote my shares in person at the Annual Meeting?

A: Shares held in your name as the stockholder of record may be voted by you in person at the Annual Meeting. Shares held beneficially in street name may be voted by you in person at the Annual Meeting only if you obtain a legal proxy from the broker, bank, trustee or nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions as described herein so that your vote will be counted if you later decide not to attend the meeting.

Q: How shall I sign my name on the proxy card?

A: The following general rules for signing proxy cards may be of assistance to you and avoid the time and expense to CUI Global in validating your vote if you fail to sign your proxy card properly.

· **Individual Accounts:** Sign your name exactly as it appears in the registration on the proxy card.

Joint Accounts: Either party may sign, but the name of the party signing should conform exactly to a name shown in the registration on the proxy card.

All Other Accounts: The capacity of the individual signing the proxy card should be indicated unless it is reflected in the form of registration.

Q: How can I vote my shares without attending the Annual Meeting?

A: Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the Annual Meeting. If you are a stockholder of record, you may vote by proxy. You can vote by proxy over the internet by following the instructions provided in the Notice or, if you requested to receive printed proxy materials, you can also vote by mail or telephone pursuant to instructions provided on the proxy card. If you hold shares beneficially in street name, you may also vote by proxy over the internet by following the instructions provided in the Notice or, if you requested to receive printed proxy materials, you can also vote by telephone or mail by following the voting instruction card provided to you by your broker, bank, trustee or

nominee.

6

Q: May I change my vote?

A: You may change your vote at any time prior to the taking of the vote at the Annual Meeting. If you are the stockholder of record, you may change your vote by: (1) granting a new proxy bearing a later date (which automatically revokes the earlier proxy) using any of the methods described above (and until the applicable deadline for each method), (2) providing a written notice of revocation to CUI Global's Corporate Secretary at CUI Global Inc., 20050 SW 112th Avenue, Tualatin, Oregon 97062 prior to your shares being voted or (3) attending the Annual Meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, bank, trustee or nominee following the instructions they provided or, if you have obtained a legal proxy from your broker, bank, trustee or nominee giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within CUI Global or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the votes and (3) to facilitate a successful proxy solicitation. Occasionally, stockholders provide on their proxy card written comments, which are then forwarded to CUI Global management.

Q: How many shares must be present or represented to conduct business at the Annual Meeting?

A: The presence at the Annual Meeting, in person or by proxy, of the holders of one third of the aggregate voting power of the common stock outstanding on the record date will constitute a quorum. Each share of common stock is entitled to one vote. As of the Record Date for this Annual Meeting, 20,564,163 shares of common stock were outstanding and entitled to vote at the Annual Meeting. Both abstentions and broker non-votes (described below) are counted for the purpose of determining the presence of a quorum. Unless otherwise indicated, all references herein to percentages of outstanding shares of stock are based on such numbers of shares outstanding. Shares entitled to vote are referred to hereafter as "Voting Shares".

Q: What shares can I vote?

A: Each share of CUI Global common stock issued and outstanding as of the close of business on the Record Date for the Annual Meeting is entitled to be voted on all items being voted on at the Annual Meeting. You may vote all shares owned by you as of the Record Date, including: (1) shares held directly in your name as the stockholder of record and (2) shares held for you as the beneficial owner in street name through a broker, bank, trustee or other nominee. As of the Record Date, we had 20,564,163 shares of common stock issued and outstanding.

Q: How many votes am I entitled to per share?

A: Each holder of shares of common stock is entitled to one vote for each share held as of the Record Date.

Q: What is the Record Date?

A: Record Date, in the context of voting at the Annual Meeting, is the date on which our stock ledger is closed for the purpose of determining which shareholders officially own voting shares in order to be entitled to vote at the Annual Meeting. The Record Date for the 2013 Annual Meeting of Shareholders is October 16, 2013.

Q: How may I vote?

A: Regarding the election of directors, you may vote “FOR” all or some of the nominees or your vote may be “WITHHELD” with respect to one or more of the nominees.

Regarding:

Ratification of the appointment of Liggett, Vogt & Webb, P.A. as the Company's Independent Auditor for the year ending December 31, 2013,

Advisory approval of the company's executive compensation (Say-on-Pay) and

Approval of the amended Restated Articles of Incorporation to compile prior amendments into a single document,

you may vote "FOR" or "AGAINST" or "ABSTAIN" on these proposals.

Regarding the advisory vote on the frequency of a shareholder vote on executive compensation (Say-on-Frequency), you may vote "EVERY YEAR", "EVERY OTHER YEAR", or "EVERY THREE YEARS", or "ABSTAIN".

Q: What vote is required to approve each item?

A: Election of Directors

The affirmative vote "FOR" of a simple majority of the votes cast at the Annual Meeting is required for the election of each director. A properly executed proxy marked "WITHHOLD" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated or the other items to be voted on; although, it will be counted for purposes of determining whether there is a quorum. Voting Shares represented by properly executed proxies for which no instruction is given will be voted "FOR" election of the nominee for director.

A: Ratification of Liggett, Vogt & Webb, P.A. as our independent registered public accounting firm, advisory approval of executive compensation and approval of the Restated Articles of Incorporation

The affirmative vote "FOR" of a simple majority of the votes cast at the Annual Meeting is required for the ratification of the appointment of Liggett, Vogt & Webb, P.A. as our independent registered public accounting firm, the advisory approval of the company's executive compensation (Say-on-Pay) and approval of the amended Restated Articles of Incorporation to compile prior amendments into a single document. A properly executed proxy marked "ABSTAIN" with regard to these issues to be voted on will not be voted with respect to the items to be voted on; although, it will be counted for purposes of determining whether there is a quorum. Voting Shares represented by properly executed proxies for which no instruction is given will be voted "FOR" these issues.

A. Advisory vote on the frequency of a shareholder vote on executive compensation (Say-on-Frequency),

The choice receiving the greatest number of votes will determine the period of time considered to be approved by shareholders, on an advisory basis (Say-on-Frequency). The choices are: "EVERY YEAR", "EVERY OTHER YEAR", or "EVERY THREE YEARS", or "ABSTAIN".

You may cast your vote for your preferred voting frequency (Say-on-Frequency) by selecting the option of holding an advisory vote on executive compensation “EVERY THREE YEARS”, “EVERY TWO YEARS”, “EVERY ONE YEAR,” or you may “ABSTAIN.” The choice receiving the greatest number of votes will determine the period of time considered to be approved by shareholders, on an advisory basis. Similar to the effect of your vote for Say-on-Pay, while we intend to carefully consider the voting results of this proposal, the final vote is advisory in nature, therefore, not binding on us, our board or the Compensation Committee.

A properly executed proxy marked “ABSTAIN” with regard to this issue will be counted for purposes of determining whether there is a quorum. Voting Shares represented by properly executed proxies for which no instruction is given will be voted for “EVERY THREE YEARS”.

Q: What is the effect of the proposal to ratify the Audit Committee’s appointment of Liggett, Vogt and Webb, P.A. as our independent registered public accounting firm?

A: Selection of our independent registered public accounting firm is not required to be submitted to a vote of stockholders. The Sarbanes-Oxley Act of 2002 requires the Audit Committee of our Board of Directors to be directly responsible for the appointment, compensation and oversight of the audit work of the independent registered public accounting firm. However, the Board of Directors has elected to submit the selection of Liggett, Vogt and Webb, P.A. as our independent registered public accounting firm to stockholders for ratification as a matter of corporate practice. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether to retain Liggett, Vogt and Webb, P.A., and may retain that firm or another firm without resubmitting the matter to our stockholders. Even if the appointment is ratified, the Audit Committee may, at its discretion, appoint a different independent registered public accounting firm at any time during the year.

Q: Is cumulative voting permitted for the election of directors?

A: No. You may not cumulate your votes for the election of directors.

Q: What is cumulative voting?

A: A system of voting in which each voter is given as many votes as there are positions to be filled and allowed to cast those votes for one candidate or distribute them in any way among the candidates.

Q: What happens if additional matters are presented at the Annual Meeting?

A: Other than:

1. Election of three directors to hold office until the 2014 Annual Meeting of Stockholders or until their respective successors have been duly elected and qualified;
2. Ratification of the appointment of Webb & Company, P.A. as the Company’s Independent Auditor for the year ending December 31, 2013;
3. Advisory approval of the company’s executive compensation (Say-on-Pay);
4. Advisory vote on the frequency of a shareholder vote on executive compensation (Say-on-Frequency); and
5. Approve the amended Restated Articles of Incorporation to compile prior amendments into a single document.

As described in this proxy statement, we are not aware of any other business to be acted upon at the Annual Meeting. If you submit a signed proxy, the persons named as proxy will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: Many CUI Global stockholders hold their shares as a beneficial owner through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered, with respect to those shares, the *stockholder of record*, and the Notice was sent directly to you by CUI Global. As the *stockholder of record*, you have the right to grant your voting proxy directly to CUI Global or to vote in person at the Annual Meeting. If you requested to receive printed proxy materials, CUI Global has enclosed or sent a proxy card for you to use. You may also vote on the internet or by telephone, as described in the Notice and below under the heading “How can I vote my shares without attending the Annual Meeting?”

Beneficial Owner

If your shares are held in an account at a brokerage firm, bank, broker-dealer, trust or other similar organization, like the majority of our stockholders, you are considered the *beneficial owner* of shares held *in street name*, and the Notice was forwarded to you by that organization. As the beneficial owner, you have the right to direct your broker, bank, trustee or nominee how to vote your shares and you are also invited to attend the Annual Meeting.

Since a beneficial owner is not the *stockholder of record*, you may not vote your shares in person at the Annual Meeting unless you obtain a “legal proxy” from the broker, bank, trustee or nominee that holds your shares giving you the right to vote the shares at the meeting. If you do not wish to vote in person or you will not be attending the Annual Meeting, you may vote by proxy. You may vote by proxy over the internet or by telephone, as described in the Notice and below under the heading “How can I vote my shares without attending the Annual Meeting?”

If you hold your shares in “street name” through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such “broker non-votes” will, however, be counted in determining whether there is a quorum.

Q: Who will bear the cost of soliciting votes for the Annual Meeting?

A: CUI Global will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. If you choose to access the proxy materials and/or vote over the internet, you are responsible for internet access charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities.

Q: Where can I find the voting results of the Annual Meeting?

A: We intend to announce preliminary voting results at the Annual Meeting and publish final results in our Annual Report on Form 10-K for the year ending December 31, 2013. We also plan to disclose the vote results on our website at www.CUIGlobal.com as soon as possible after the Annual Meeting.

Proposals to be Considered

PROPOSAL I

Election of Directors

Issued and outstanding shares of our Common Stock are entitled to one vote per share for each Director for a one year term or until his successor has been elected and qualified, or his earlier resignation or removal. Cumulative voting is not permitted.

Unless stated to be voted otherwise, each proxy will be voted for the election of the nominees named. The nominees have consented to serve as director if elected. If any nominee becomes unavailable for election before the Annual Meeting of Shareholders, the Board of Directors may name a substitute nominee and proxies will be voted for such substitute nominee unless an instruction to the contrary is written on the proxy card.

Information about Director Nominees

Board of Directors Independence

The board of directors has determined that each of the director nominees standing for election has no relationship that, in the opinion of the board of directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Additionally, each of the three director nominees standing for election is an “independent director” as defined by Rule 5605(a)(2) of The Nasdaq Stock Market (“Nasdaq”). In determining the independence of our directors, the board of directors has adopted independence standards that mirror exactly the criteria specified by applicable laws and regulations of the SEC and the Rules of The Nasdaq Stock Market. In determining the independence of our directors, the board of directors considered all transactions in which CUI Global and any director had any interest, including those discussed below under “Certain Relationships and Related Transactions”.

Thomas A. Price, Director, age 69 (Seat 2)

Mr. Price was first elected to the Board of Directors at the 2008 Annual Meeting of Shareholders and has served as a director continuously since that time.

Mr. Price has more than 30 years of business and operational management experience. He is the founder of Tom Price Dealership Group, a leading auto dealership with eleven franchises at six locations across California. Mr. Price developed the multi-brand San Francisco Auto Repair Center and a conference facility in Larkspur, California. Currently, Mr. Price is the owner of nine car dealerships in Northern California. He was Chairman of the Lexus National Dealer Advisory Board and charter member of the J.D. Power Dealer Roundtable. The Price Family Dealerships are major sponsors of Special Olympics of Marin, Dedication to Special Education, CASA/Advocates for Children, Marin Breast Cancer Council and the Golden Gate Shootout.

Thomas A. Price is nominated for election to the Board of Directors at the 2013 Annual Meeting of Stockholders.

Sean P. Rooney, Director, age 42 (Seat 4)

Mr. Rooney was first elected to the Board of Directors at the 2008 Annual Meeting of Shareholders and has served as a director continuously since that time.

Mr. Rooney brings to the CUI Global board nearly 20 years of financial management experience. He currently serves as Senior Director of Investments for Oppenheimer & Co. Inc., a leading full service investment banking, securities and wealth management firm. Prior to joining Oppenheimer, he served in a similar capacity at Maxim Group, a boutique investment bank in New York, and Investec Ernst & Company, an international specialist bank headquartered in South Africa and the U.K. Through his many years of experience, Mr. Rooney has built a vast network of industry resources and contacts.

Mr. Rooney graduated from C. W. Post University in 1993 with a Bachelors of Arts degree in Business Administration. Mr. Rooney currently manages a clientele of high net worth investors, institutions and foundations.

Sean P. Rooney is nominated for election to the Board of Directors at the 2013 Annual Meeting of Stockholders.

Corey A. Lambrecht, Director, age 44 (Seat 6)

Mr. Lambrecht was first elected to the Board of Directors at the 2008 Annual Meeting of Shareholders and has served as a director continuously since that time.

Mr. Lambrecht is a 14+ year public company executive with experience in strategic acquisitions, new business development, pioneering consumer products, corporate licensing and interactive technology services. Mr. Lambrecht currently serves as the President of Earth911, Inc. and is a current director of Guardian 8 Holdings and Carbon Credits International. He previously served as Director of Sales for Leveraged Marketing Associates, a worldwide leader in licensed brand extension strategies. While Executive Vice President for Smith & Wesson Holding Corporation he was responsible for Smith & Wesson Licensing, Advanced Technologies and Interactive Marketing divisions. He was the former President of A For Effort (sold to Freesoftwareclub.com), an interactive database marketing company specializing in online content (advergaming) for clients such as the National Hockey League. Mr. Lambrecht's prior experience also includes Pre-IPO founder for Premium Cigars International and VP Sales/Marketing for ProductExpress.com.

Corey A. Lambrecht is nominated for election to the Board of Directors at the 2013 Annual Meeting of Stockholders.

Vote Required

The election of each director nominee requires the affirmative vote "FOR" of a majority of the shares present in person or by proxy at the Annual Meeting.

The Board of Directors recommends that Stockholders vote “FOR” election of the nominees for director named above.

PROPOSAL II

Ratification of the Appointment of Liggett, Vogt & Webb, P.A. as the Company’s

Independent Auditor for the Year Ending December 31, 2013

The Audit Committee has selected Liggett, Vogt and Webb, P.A. to serve as independent registered public accountants for the fiscal year ending December 31, 2013. The board is submitting the appointment of independent registered public accountants to the shareholders for ratification at the Annual Meeting.

Webb & Company, P.A. has been our auditor since 2007. On October 22, 2012 Webb & Company, P.A. added two additional partners and changed the name of the firm to Liggett, Vogt and Webb, P.A. Liggett, Vogt and Webb, P.A. has advised the Company that it has no direct or indirect financial interest in the Company. Representatives of Liggett, Vogt and Webb, P.A. are expected to be available by teleconference at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions. Shareholder ratification of the appointment of Liggett, Vogt and Webb, P.A. as the Company's independent registered public accountants is not required by the Company's Restated Articles of Incorporation, bylaws or otherwise; however, the Board of Directors is submitting the selection of Liggett, Vogt and Webb, P.A. to the shareholders for ratification as a matter of good corporate practice. If the shareholders fail to ratify the selection, the Audit Committee will review its future selection of an independent registered public accounting firm in light of that vote result. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent registered public accountants at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders.

Vote Required

Ratification of the appointment of Liggett, Vogt and Webb, P.A. as the Company's independent registered public accountants for the fiscal year ending December 31, 2013 requires the affirmative vote of a majority of the shares present in person or by proxy at the Annual Meeting and voting for the proposal.

The Board of Directors recommends a vote "FOR" the ratification of the appointment of Liggett, Vogt and Webb, P.A. as the independent registered public accountants of the Company for the fiscal year ending December 31, 2013.

PROPOSAL III

Advisory Approval of the Company's

Executive Compensation

(Say-on-Pay)

This proposal gives our shareholders the opportunity to vote to approve or not approve, on an advisory basis, the compensation of our named executive officers. This vote is not intended to address any particular component of any compensation package, but rather the overall compensation of our named executive officers and our compensation philosophy, policies and practices, as disclosed under the "Executive Compensation" section of this Proxy Statement. We are providing this vote as required by Section 14A of the Securities Exchange Act of 1934, as amended. Accordingly, we are asking our shareholders to vote to approve, on an advisory basis, the compensation of the

Company's named executive officers, as disclosed in this Proxy Statement under the heading entitled "Executive Compensation."

The Company's compensation packages for its executive officers are designed to enable the Company to recruit, retain and motivate its officers, to synchronize executive compensation with the Company's performance, to motivate executive officers to achieve the Company's business objectives, to provide performance incentives and minimize undue risk to the Company. The Board of Directors believes that the Company's approach to compensating its executive officers, as described in this Proxy Statement, effectively accomplishes these objectives.

Vote Required

The Say-on-Pay proposal is advisory and non-binding. The approval or disapproval of this proposal by shareholders will not require the Board of Directors or the Compensation Committee to take any action regarding the Company's executive compensation practices. The final decision on the compensation and benefits of the Company's executive officers and on whether, and if so, how, to address shareholder disapproval remains with the board and the Compensation Committee. Although the Say-on-Pay resolution is non-binding, the Board of Directors will review and consider the voting results when making future executive compensation decisions. Our executive compensation will be approved, on an advisory basis, if the votes cast by shareholders in favor of advisory approval exceed those votes cast in opposition of advisory approval.

The Board of Directors recommends a vote "FOR" Advisory Approval of the Company's Executive Compensation (Say-on-Pay)

PROPOSAL IV

Advisory Vote on the

Frequency of a Shareholder Vote on Executive Compensation

(Say-on-Frequency)

The following proposal gives our shareholders the opportunity to vote, on an advisory basis, on the frequency with which we include in our Proxy Statement an advisory vote to approve or not approve the compensation of our named executive officers. By voting on this proposal, shareholders may indicate whether they prefer that we seek such an advisory vote every one, two or three years. After careful consideration of this proposal, our board determined that an advisory vote on executive compensation that occurs every three years is the most appropriate option for the Company, therefore, recommends that shareholders vote for future advisory votes on executive compensation to occur every three years. In reaching its recommendation, our board has determined that an advisory vote every three years would permit our compensation programs to be evaluated on a long-term basis and would allow the Company to engage a compensation expert only every three years, which the board believes is an appropriate use of Company funds, given the Company's size. Further, our board believes that a well-structured and meaningful compensation program should include plans that increase shareholder value over the long-term and do not focus on short-term awards and that the effectiveness of such plans cannot be adequately evaluated on an annual or biennial basis.

Vote Required

You may cast your vote on your preferred voting frequency by selecting the option of holding an advisory vote on executive compensation “EVERY THREE YEARS”, “EVERY TWO YEARS”, “EVERY ONE YEAR,” or you may “ABSTAIN.” Similar to the effect of your vote for Proposal III, while we intend to carefully consider the voting results of this proposal, the final vote is advisory in nature, therefore, not binding on us, our board or the Compensation Committee. Our board and the Compensation Committee value the opinions of our shareholders and will consider the outcome of this vote when making future decisions on the frequency with which we will hold an advisory vote on executive compensation. The choice receiving the greatest number of votes will determine the period of time considered to be approved, on an advisory basis, by our shareholders.

The Board of Directors recommends a vote “FOR” voting “EVERY THREE YEARS” on the advisory of frequency of the advisory approval of executive compensation.

PROPOSAL V

Approve the Amended Restated Articles of Incorporation to

Compile Prior Amendments into a Single Document

CUI Global, Inc. was initially incorporated on April 21, 1998. Throughout the following years the initial Articles of Incorporation was revised eighteen times in various ways including such matters as changing the corporate name, changing the number of authorized shares of stock and providing for three issuances of preferred stock. These various revisions and changes have created a lengthy and difficult to read and understand document. It is in the best interest of the Company that all of the revisions be compiled into a single, streamlined document that includes all of the revisions throughout the years. A copy of the proposed Restated Articles of Incorporation is attached as an exhibit to this Proxy Statement. This compilation of the initial Articles of Incorporation and all subsequent amendments and revisions contains no changes that have not heretofore been approved by the shareholders of this Company. The applicable state statutes of Colorado, the state in which CUI Global is incorporated, require that any changes or revisions to Articles of Incorporation shall be approved by the shareholders of the Company.

Vote Required

Approval of the Amended Restated Articles of Incorporation to Compile Prior Amendments into a Single Document requires the affirmative vote of a majority of the shares present in person or by proxy at the Annual Meeting and voting for the proposal.

The Board of Directors recommends a vote “FOR” Approval of the Amended Restated Articles of Incorporation to Compile Prior Amendments into a Single Document

Other Business

Management does not presently know of any matter that may be presented for action at this Annual Meeting other than as set forth herein. However, if any other matters properly come before this Annual Meeting, it is the intention of the persons named in the proxies solicited by management to exercise their discretionary authority to vote the shares represented by all effective proxies on such matters in accordance with their best judgment.

Corporate Governance and Board of Directors Matters

We are committed to maintaining the highest standards of business conduct and corporate governance, which we believe are essential to running our business efficiently, serving our stockholders well and maintaining our integrity in the marketplace. We have adopted a Corporate Code of Ethics and Business Conduct, a code of business conduct and ethics for employees, directors and officers (including our principal executive officer and principal financial and accounting officer). We have also adopted the following governance guides: Charter of the Audit Committee, Charter of the Compensation Committee, policy for Director Independence, Nominating Committee guide and, most recently adopted, Disclosure Controls and Procedures, all of which, in conjunction with our certificate of incorporation and bylaws, form the framework for our corporate governance. These corporate governance documents are available on the internet and our website at www.CUIGlobal.com.

Our Corporate Governance Practices

We have always believed in strong and effective corporate governance procedures and practices. In that spirit, we have summarized several of our corporate governance practices below.

The Board of Director's Role in Risk Oversight

The Board of Directors and its committees have an important role in the Company's risk oversight, management and assessment process. The board regularly reviews with management the Company's financial and business strategies which include a discussion of relevant material risks as appropriate. The board discusses with the Company's outside general counsel, as appropriate, its risk oversight and assessment as well as any material risks to the Company. In addition, the board delegates risk management responsibilities to the Audit Committee and Compensation Committee, which committees are each all comprised of independent directors. The Audit Committee, as part of its charter, oversees the Company's risk oversight, management and assessment of the Company and oversees and assesses the risks associated with the corporate governance and ethics of the Company. Risk considerations are a material aspect of the Compensation Committee. The Compensation Committee is responsible for overseeing the management of risks relating to executive compensation. In addition, the Compensation Committee also, as appropriate, assesses the risks relating to the Company's overall compensation programs. While the Audit Committee and Compensation Committee oversee the management of the risk areas identified above, the entire board is regularly informed through committee reports about such risks. This enables the board and its committees to coordinate the risk management, assessment and oversight roles.

Adopting Governance Guidelines

Our Board of Directors has adopted a set of corporate governance guidelines to establish a framework within which it will conduct its business and to guide management in its running of your Company. The governance guidelines can be found on our website at www.CUIGlobal.com and are summarized below.

Monitoring Board Effectiveness

It is important that our Board of Directors and its committees are performing effectively and in the best interest of the Company and its stockholders. The Board of Directors and each committee are responsible for annually assessing their effectiveness in fulfilling their obligations.

Conducting Formal Independent Director Sessions

On a regular basis, at the conclusion of regularly scheduled board meeting, the independent directors are encouraged to meet privately, without our management or any non-independent directors.

Hiring Outside Advisors

The board and each of its committees may retain outside advisors and consultants of their choosing at our expense, without management's consent.

Avoiding Conflicts of Interest

We expect our directors, executives and employees to conduct themselves with the highest degree of integrity, ethics and honesty. Our credibility and reputation depend upon the good judgment, ethical standards and personal integrity of each director, executive and employee. In order to provide assurances to the Company and its stockholders, we have implemented standards of business conduct which provide clear conflict of interest guidelines to its employees and directors, as well as an explanation of reporting and investigatory procedures.

Providing Transparency

We believe that it is important that stockholders understand our governance practices. In order to help ensure transparency of our practices, we have posted information regarding our corporate governance procedures on our website at www.CUIGlobal.com.

Accuracy of All Public Disclosure

It is the Company's policy that all public disclosure made by the Company should be accurate and complete, fairly present, in all material respects, the Company's financial condition and results of operations, and be made on a timely basis as required by applicable laws and securities exchange requirements. In order to oversee this policy, a Disclosure Committee Charter has been adopted by the Chief Executive Officer and Chief Financial Officer and ratified by our Audit Committee. directed to a member of the board may so specify and the communication will be forwarded as appropriate.

Standards of Business Conduct

The Board of Directors has adopted a Code of Ethics and Business Conduct for all of our employees and directors, including the Company's principal executive and senior financial officers. You can obtain a copy of these documents on our website at www.CUIGlobal.com or by making a written request to the Company at CUI Global, Inc., 20050 SW 112th Avenue, Tualatin, Oregon 97062, phone (503) 612-2300. We will disclose any amendments to the Code of Ethics and Business Conduct or waiver of a provision therefrom on our website at www.CUIGlobal.com.

Ensuring Auditor Independence

We have taken a number of steps to ensure the continued independence of our independent registered public accounting firm. That firm reports directly to the Audit Committee, which also has the ability to pre-approve or reject any non-audit services proposed to be conducted by our independent registered public accounting firm.

Committees of the Board and Meetings

Presently, our Board of Directors consists of six directors. Four of our six directors are “independent” as defined in Rule 5605(a)(2) of The Nasdaq Stock Market. Our Board of Directors has the following standing committees: Audit Committee, Nominating Committee, Compensation Committee and Disclosure Committee. The Audit Committee has:

In accordance with the requirements of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated thereunder, the Audit Committee has adopted an informal approval policy that it believes will result in an effective and efficient procedure to pre-approve services performed by the independent registered public accounting firm.

Nominating Committee

The nominating committee consists of all of the members of the Board of Directors who are "independent directors" within the meaning of Rule 5605(a)(2) of The Nasdaq Stock Market. The nominating committee is responsible for the evaluation of nominees for election as director, the nomination of director candidates for election by the stockholders and evaluation of sitting directors. The board has developed a formal policy for the identification and evaluation of nominees, *Charter of the Nominating Committee of the Board of Directors*, which can be reviewed on our website at www.CUIGlobal.com. In general, when the board determines that expansion of the board or replacement of a director is necessary or appropriate, the nominating committee will review, through candidate interviews with members of the board and management, consultation with the candidate's associates and through other means, a candidate's honesty, integrity, reputation in and commitment to the community, judgment, personality and thinking style, willingness to invest in the Company, residence, willingness to devote the necessary time, potential conflicts of interest, independence, understanding of financial statements and issues, and the willingness and ability to engage in meaningful and constructive discussion regarding Company issues. The committee reviews any special expertise, for example, that qualifies a person as an audit committee financial expert, membership or influence in a particular geographic or business target market, or other relevant business experience. To date the Company has not paid any fee to any third party to identify or evaluate, or to assist it in identifying or evaluating, potential director candidates.

The nominating committee considers director candidates nominated by stockholders during such times as the Company is actively considering obtaining new directors. Candidates recommended by stockholders will be evaluated based on the same criteria described above. Stockholders desiring to suggest a candidate for consideration should send a letter to the Company's secretary and include: (a) a statement that the writer is a shareholder (providing evidence if the person's shares are held in street name) and is proposing a candidate for consideration; (b) the name and contact information for the candidate; (c) a statement of the candidate's business and educational experience; (d) information regarding the candidate's qualifications to be director, including but not limited to an evaluation of the factors discussed above which the board would consider in evaluating a candidate; (e) information regarding any relationship or understanding between the proposing shareholder and the candidate; (f) information regarding potential conflicts of interest and (g) a statement that the candidate is willing to be considered and willing to serve as director if nominated and elected. Because of the small size of the Company and the limited need to seek additional directors, there is no assurance that all shareholder proposed candidates will be fully considered, that all candidates will be considered equally or that the proponent of any candidate or the proposed candidate will be contacted by the Company or the board and no undertaking to do so is implied by the willingness to consider candidates proposed by stockholders.

Disclosure Committee

We have formed a Disclosure Committee, which has been adopted by our CEO and CFO (“Principal Officers”) and ratified by our Audit Committee. The Disclosure Committee assists our Principal Officers in fulfilling their responsibility for oversight of the accuracy, completeness and timeliness of our public disclosures including, but not limited to our SEC filings, press releases, correspondence disseminated to security holders, presentations to analysts and release of financial information or earnings guidance to security holders or the investment community. You may review the full text of our Disclosure Committee Charter on our website, www.CUIGlobal.com, under the link, governance.

Compensation Discussion and Analysis

Executive Compensation

General Philosophy

Our compensation philosophy is based on the premise of attracting, retaining and motivating exceptional leaders, setting high goals, working toward the common objectives of meeting the expectations of customers and stockholders and rewarding outstanding performance. Following this philosophy, in determining executive compensation, we consider all relevant factors, such as the competition for talent, our desire to link pay with performance, the use of equity to align executive interests with those of our stockholders, individual contributions, teamwork and performance, each executive's total compensation package and internal pay equity. We strive to accomplish these objectives by compensating all employees with total compensation packages consisting of a combination of competitive base salary and incentive compensation.

Pay for Performance

At the core of our compensation philosophy is our strong belief that pay should be directly linked to performance. We believe in a pay for performance culture that places a significant portion of executive officer total compensation as contingent upon, or variable with, individual performance, Company performance and achievement of strategic goals including increasing shareholder value.

The performance based compensation for our executives may be in the form of (i) annual cash incentives to promote achievement of, and accountability for, shorter term performance plans and strategic goals and (ii) equity grants, designed to align the long-term interests of our executive officers with those of our shareholders, by creating a strong and direct link between executive compensation and shareholder return over a multiple year performance cycle. Long term incentive equity awards are granted in restricted stock or stock options. These awards generally vest over a two to four year period. This opportunity for share ownership was provided in order to provide incentive and retain key employees and align their interests with our long term strategic goals.

Base Compensation to be Competitive within Industry

A key component of an executive's total compensation base salary is designed to compensate executives commensurate with their respective level of experience, scope of responsibilities, sustained individual performance and future potential. The goal has been to provide for base salaries that are sufficiently competitive with other similar-sized companies, both regionally and nationally, in order to attract and retain talented leaders.

Compensation Setting Process

Management's Role in the Compensation Setting Process.

Management plays a significant role in the compensation-setting process. The most significant aspects of management's role are:

- Assisting in establishing business performance goals and objectives;
- Evaluating employee and Company performance;
- CEO recommending compensation levels and awards for executive officers;
- Implementing the board approved compensation plans; and
- Assistance in preparing agenda and materials for the Committee meetings.

The Chief Executive Officer generally attends the Committee meetings; however, the Committee also regularly meets in executive session. The Chief Executive Officer makes recommendations with respect to financial and corporate goals and objectives and makes non CEO executive compensation recommendations to the Compensation Committee based on Company performance, individual performance and the peer group compensation market analysis. The Compensation Committee considers and deliberates on this information and in turn makes recommendations to the Board of Directors, for the board's determination and approval of the executives' and other members of senior management's compensation, including base compensation, short-term cash incentives and long-term equity incentives. The Chief Executive Officer's performance and compensation is reviewed, evaluated and established separately by the Compensation Committee and ratified and approved by the Board of Directors.

Setting Compensation Levels

To evaluate our total compensation is competitive and provides appropriate rewards to attract and retain talented leaders, as discussed above, we may rely on analyses of peer companies performed by independent compensation consultants and on other industry and occupation specific survey data available to us. Our general benchmark is to establish both base salary and total compensation for the executive officers at or near the compensation of peer group

data, recognizing that a significant portion of executive officer total compensation should be contingent upon, or variable with, achievement of individual and Company performance objectives and strategic goals, as well as being variable with stockholder value. Further, while the objective for base salary is at that of peer group data, executives' base salaries are designed to reward core competencies and contributions to the Company and may be increased above this general benchmark based on (i) the individual's increased contribution over the preceding year; (ii) the individual's increased responsibilities over the preceding year; and (iii) any increase in median competitive pay levels.

Setting Performance Objectives

The Company's business plans and strategic objectives are generally presented by management annually to the Board of Directors. The board engages in an active discussion concerning the financial targets, the appropriateness of the strategic objectives and the difficulty in achieving the same. In establishing the compensation plan, our Compensation Committee then utilizes the primary financial objectives from the adopted business plan and operating cash flow as the primary targets for determining the executive officers' short-term cash incentives and long term equity incentive compensation. The Committee also establishes additional non-financial performance goals and objectives, the achievement of which is required for funding of a significant portion, approximately twenty five percent, of the executive officers' incentive compensation. In 2012, these non-financial performance goals and objectives included achieving accurate financial reporting and timely SEC filings; demonstrating full compliance and superior performance in the Company's environmental, health and safety practices; performing appropriate remediation activities under Sarbanes-Oxley Act of 2002 Section 404 and achieving successful testing of and compliance with the requirements of the Sarbanes-Oxley Act and general and administrative expense management. In addition, the executive team was charged with positioning the Company for up-listing to a national stock exchange and an equity raise in early 2012. Said funding to be used to enhance the Company's balance sheet; pay down corporate debt; increase the Company's ability to rapidly bring its new products to market; and other appropriate matters.

Annual Evaluation

The Chief Executive Officer recommends the actual incentive award amounts for all other executives based on actual Company performance relative to the targets set as well as on individual performance and recommends the executives' base salaries levels for the coming year. The Compensation Committee considers these recommendations generally at the end of each fiscal year in determining its recommendations to the Board of Directors for the final short-term cash incentive and long-term equity award amounts for each executive and for the executive's base salary levels. The actual incentive amounts awarded to each executive are ultimately subject to the discretion of the Compensation Committee and the Board of Directors.

Special Evaluation

Additional equity-based awards may be also granted to executives, as well as other employees, upon commencement of employment, for promotions or special performance recognition or for retention purposes, based on the recommendation of the Chief Executive Officer. In determining whether to recommend additional grants to an executive, the Chief Executive Officer typically considers the individual's performance and any planned change in functional responsibility.

Elements of Executive Compensation

Total Compensation

Total compensation for our executives consists of three elements: (i) base salary; (ii) incentive cash award based on achieving specific performance targets as measured by cash flow and other objectives and (iii) equity incentive award, which is also performance based and paid out over a future period in the form of restricted stock or stock purchase options. Base salaries are the value upon which both the incentive compensation percentage targets are measured against. For evaluation and comparison of overall compensation of the executives and to assist it in making its compensation decisions, the Compensation Committee reviews an executive compensation summary, which sets forth for each executive: current compensation and current equity ownership holdings as well as the projected value of each and all such compensation elements, including distributions and dividends therefrom.

Base Salaries

Base salaries are designed to compensate executives commensurate with their respective level of experience, scope of responsibilities and to reward sustained individual performance and future potential. The goal has been to provide for base salaries that are sufficiently competitive with other similar-sized companies, both regionally and nationally, in order to attract and retain talented leaders.

Incentive Compensation

Incentive compensation is intended to align compensation with business objectives and performance and enable the Company to attract, retain and reward high quality executive officers whose contributions are critical to short and long-term success of the Company. The executives' incentive awards are based upon three key performance metrics: (i) the Company's EBIDTA; (ii) achievement of agreed-upon strategic and corporate performance goals; and (iii) existing Employment Agreement.

The strategic and corporate performance goals are not intended to be a specific agreed-upon goal, but rather a general objective. Management and the board of directors discuss these factors and set objectives that are dynamic and change periodically. In setting these periodic goals, the board of directors discusses with management the nature of the objective and management's proposed method of achieving the goal. These goals change throughout the operational process because of changing dynamics such as economic conditions, current success of marketing, availability of materials, availability of funding and overall momentum toward achieving the goal.

Incentive Plan Compensation

Incentive awards are paid out in cash, restricted common stock or option awards. The incentive award targets for the executives are established at the beginning of the year, generally, as a percentage of their base salary and the actual awards are determined at the following year's annual board of directors meetings based on actual Company performance relative to established goals and objectives, as well as on evaluation of the executive's relevant departmental and individual performance during the past year. In many instances the award of restricted common stock vests over a four year term in equal periodic tranches. The award of restricted common stock purchased through options generally, although not in every instance, vests immediately upon exercise of the option and generally has a validity of up to ten years and a per share purchase price of no less than the fair market value of our common stock on the date of grant. The awards are intended to serve as a means of incentive compensation for performance.

Our wholly owned subsidiary, CUI, Inc., maintains a 401(k) plan. The Company has a 401(k) retirement savings plan that allows employees to contribute to the plan after they have completed 3 months of service and are 21 years of age. In addition, our wholly owned subsidiary, Orbital Gas Systems, Ltd., operates a defined contribution retirement benefit plan for employees who have

been employed with the company at least 12 months and who chose to enroll in the plan. Orbital Gas Systems, Ltd. contributes to its plan the equivalent of 5% of the employee's salary and the employee has the option to contribute pre-tax earnings.

Transactions with Related Persons, Promoters and

Certain Control Persons

Except as set forth herein, none of the Company's directors or officers nor any person who beneficially owns, directly or indirectly, shares carrying more than 5% of the voting rights attached to its outstanding shares, nor any immediate family member of any of the foregoing persons, since the beginning of fiscal year 2010, has any material interest, direct or indirect, in any transaction or in any presently proposed transaction where the amount involved exceeds \$120,000 which has or will materially affect the Company.

International Electronic Devices, LLC and Other Affiliate Related Matters

Effective May 16, 2008 the Company formed a wholly owned subsidiary into which CUI, Inc., an Oregon corporation, merged all of its assets. The funding for this acquisition was provided by a bank note, a seller's note and a convertible seller's note. Matthew McKenzie, President of CUI, Inc., and Daniel Ford, CFO, each were partial owners in CUI, Inc. prior to the acquisition and they each, along with James McKenzie, are shareholders in International Electronic Devices, LLC ('IED'). The seller's convertible note was satisfied in 2010.

The acquisition of CUI, Inc. utilized a \$14,000,000 seller's promissory note issued by CUI, Inc. (formerly Waytronx Holding, Inc.) to IED, seller of assets in the transaction, payable monthly over three years at \$30,000 per month including 1.7% annual simple interest with a balloon payment at the thirty sixth monthly payment, no prepayment penalty, annual success fee of 2.3% payable within three years, and right of first refusal to the note payees relating to any private capital raising transactions of CUI Global during the term of the note. Effective September 1, 2010, the Company and the holder of the \$14,000,000 promissory note agreed to reduce the note principal by \$1,588,063 and accrued interest by \$724,729 and to restructure the interest rate and payment terms. The forgiveness of debt and accrued interest of \$2,312,792 was recognized as a contribution of additional paid in capital. With this amendment, the Company agreed to pay \$1,500,000 of the principal balance during the fourth quarter of 2010 and an additional \$487,208 of the principal balance during the first quarter of 2011. The new terms set the interest rate at 6% per annum with monthly interest payments and a May 15, 2018 balloon payment.

During 2012 and 2011, \$3,468,221 and \$1,110,809, respectively, in principal and interest payments were made in relation to the promissory notes issued to IED. The 2012 payment utilized \$3,000,000 from the equity sale proceeds for the repayment of principal. The 2011 payment included a note receivable balance of \$192,508 held by CUI Global that was conveyed to IED and applied towards the promissory note balance in accordance with a settlement agreement.

In May 2013, the Company paid down \$2,000,000 of principal with proceeds received from the equity sales completed in 2013. In conjunction with the \$2,000,000 repayment of principal toward the note balance, the maturity date of the note was extended to May 15, 2020 and the interest was reduced to 5% per annum, payable monthly, with the principal due as a balloon payment at the maturity date.

Leased Office and Warehouse

As an integrated part of the CUI asset acquisition, the CUI Global, Inc. corporate offices were relocated to the CUI location at 20050 SW 112th Avenue, Tualatin, Oregon 97062. CUI and CUI Global occupy the 61,380 square feet of offices and warehouse premises under a ten year, non-cancelable lease agreement beginning September 1, 2006 with Barakel, LLC (a related party) at a base monthly rent subject to periodic base payment increases plus real property taxes, utilities, insurance and common area maintenance charges. During the year ended December 31, 2012, the monthly base rent was \$40,250 in accordance with the lease schedule. During the period January 1 through August 31, 2011, the monthly base rent was \$40,000 and increased in accordance with the lease schedule to \$40,250 for the period September 1 through December 31, 2011. Barakel, LLC is controlled by James McKenzie, majority owner of CUI, Inc. prior to acquisition and father of Matt McKenzie, and Matt McKenzie, COO and Director of the Company.

Matters Relating to the Bank Note

The \$6,000,000 bank note utilized in the acquisition of CUI Inc., as noted above, was secured by personal guarantees in the form of Letters of Credit in favor of the Commerce Bank of Oregon ("Commerce Bank"). In consideration for posting the Letters of Credit, the Company issued to each individual who supplied a Letter of Credit, warrants to

purchase, within three years at a per share price of \$0.30, one CUI Global common share for every thirty dollars (\$30) of the Letter of Credit. The warrants became fully vested at the second anniversary date. A former officer of the Company, Clifford Melby, received a 10,000 share warrant which was exercised August 17, 2010; a former director, John Rouse, received a 10,000 share warrant which was exercised December 16, 2010; a director, Colton Melby (through an entity in which Colton Melby controls the investment decisions), received a 13,333 share warrant which was exercised August 18, 2010; a director, Thomas A. Price, received a 23,333 share warrant which was exercised April 19, 2011; a former owner of 10% of the voting rights attached to our outstanding shares, Kjell H. Qvale Survivors Trust, received a 133,333 share warrant which was exercised May 13, 2011; and a 10,000 share warrant was issued to an individual investor, which was exercised May 4, 2011.

In August 2010, the Company received \$2,000,000 in equity investment for which the Company issued 631,314 shares of common stock at \$3.168 per share. The \$2,000,000 received was used to pay down the \$6,000,000 bank loan with Commerce Bank, bringing the net loan balance to \$4,000,000. The 631,314 shares of common stock were issued as follows: 284,091 to an investor, 126,263 to an entity controlled by a director, Colton Melby, 126,263 to a director, Thomas A. Price, and 94,697 to a former officer of the Company.

- (a) The material facts as to the director’s relationship or interest and as to the conflicting interest transaction are disclosed or are known to the board of directors of the committee, and the board of directors or committee in good faith authorizes, approves, or ratifies the conflicting interest transaction by the affirmative vote of a majority of the disinterested directors, even though the disinterested directors are less than a quorum; or
- (b) The material facts as to the director’s relationship or interest and as to the conflicting interest transaction are disclosed or are known to the shareholders entitled to vote thereon, and the conflicting interest transaction is specifically authorized, approved, or ratified in good faith by a vote of the shareholders; or
- (c) The conflicting interest transaction is fair as to the corporation.

3. **Common or Interested Directors.** Common or interested directors may be counted in determining the presences of a quorum at a meeting of the board of directors or of a committee which authorizes, approves or ratifies the conflicting interest transaction.
