QUESTIONS AND ANSWERS

Q. Why did I receive an “Important Notice Regarding the Availability of Proxy Materials”?

In accordance with Securities and Exchange Commission rules, instead of mailing a printed copy of our proxy materials, we may send an “Important Notice Regarding the Availability of Proxy Materials” to stockholders. All stockholders will have the ability to access the proxy materials on a website referred to in the notice or to request a printed set of these materials at no charge. You will not receive a printed copy of the proxy materials unless you specifically request one from us. Instead, the notice instructs you as to how you may access and review all of the important information contained in the proxy materials via the Internet and submit your vote via the Internet.

Q. What is the purpose of the Annual Meeting?

At the Annual Meeting, our stockholders will act upon the matters outlined in the Notice of Annual Meeting of Stockholders accompanying this proxy statement, including (i) elect six directors for a term of one year, (ii) ratify the appointment of CohnReznick LLP as our independent registered public accounting firm for the year ending December 31, 2014, (iii) approve an amendment to our Certificate of Incorporation to decrease our authorized share capital by 350,000,000 shares from 500,000,000 to 150,000,000, and (iv) transact any other business that may properly come before the 2014 Annual Meeting or any adjournment thereof.

Q. Who is entitled to vote at our Annual Meeting?

The record holders of our Common Stock at the close of business on the record date, April 9, 2014, may vote at the Annual Meeting. Each share of Common Stock is entitled to one vote. There were 37,624,407 shares of Common Stock outstanding on the record date and entitled to vote at the Annual Meeting. A list of stockholders entitled to vote at the Annual Meeting, including the address of and number of shares held by each stockholder of record, will be available for your inspection beginning May 24, 2014, at our offices located at 3 Columbus Circle, New York, New York 10019, between the hours of 10:00 a.m. and 5:00 p.m., local time, each business day.

Q. How do I vote?

You may vote in person at the Annual Meeting, by use of a proxy card if you receive a printed copy of our proxy materials, via Internet as directed in our “Important Notice Regarding the Availability of Proxy Materials,” or by telephone as indicated in the proxy card.

Q. *What is a proxy?*

A. A proxy is a person you appoint to vote your shares on your behalf. If you are unable to attend the Annual Meeting, our Board of Directors is seeking your appointment of a proxy so that your shares may be voted. If you vote by proxy, you will be designating Michael S. Weiss, our Executive Chairman, Interim Chief Executive Officer and President, and Sean A. Power, our Chief Financial Officer, Treasurer and Corporate Secretary, as your proxies. Mr. Weiss and/or Mr. Power may act on your behalf and have the authority to appoint a substitute to act as your proxy.

Q. *How will my shares be voted if I vote by proxy?*

Your proxy will be voted according to the instructions you provide. **If you complete and submit your proxy but do not otherwise provide instructions on how to vote your shares, your shares will be voted (i) “FOR” the individuals nominated to serve as members of our Board of Directors, (ii) “FOR” the ratification of CohnReznick LLP as our independent registered public accounting firm for the year ending December 31, 2014, and (iii) “FOR” the approval of an amendment to our Certificate of Incorporation to decrease our authorized share capital by 350,000,000 shares from 500,000,000 to 150,000,000.** Presently, our Board does not know of any other matter that may come before the Annual Meeting. However, your proxies are authorized to vote on your behalf, using their discretion, on any other business that properly comes before the Annual Meeting.

Q. *How do I revoke my proxy?*

A. You may revoke your proxy at any time before your shares are voted at the Annual Meeting by:

· delivering written notice to our Corporate Secretary, Sean A. Power, at our address above;

· submitting a later dated proxy card or voting again via the Internet as described in the “Important Notice Regarding the Availability of Proxy Materials”; or

· attending the Annual Meeting and voting in person.

Q. *Is my vote confidential?*

A. Yes. All votes remain confidential, unless you provide otherwise.

Q. *How are votes counted?*

Before the Annual Meeting, our Board of Directors will appoint one or more inspectors of election for the meeting. A. The inspector(s) will determine the number of shares represented at the meeting, the existence of a quorum and the validity and effect of proxies. The inspector(s) will also receive, count, and tabulate ballots and votes and determine the results of the voting on each matter that comes before the Annual Meeting.

Abstentions and votes withheld, and shares represented by proxies reflecting abstentions or votes withheld, will be treated as present for purposes of determining the existence of a quorum at the Annual Meeting. They will not be considered as votes “for” or “against” any matter for which the stockholder has indicated their intention to abstain or withhold their vote. Broker or nominee non-votes, which occur when shares held in “street name” by brokers or nominees who indicate that they do not have discretionary authority to vote on a particular matter, will not be considered as votes “for” or “against” that particular matter. Broker and nominee non-votes will be treated as present for purposes of determining the existence of a quorum, and may be entitled to vote on certain matters at the Annual Meeting.

Q. *What constitutes a quorum at the Annual Meeting?*

In accordance with Delaware law (the law under which we are incorporated) and our Amended and Restated Bylaws, the presence at the Annual Meeting, by proxy or in person, of the holders of a majority of the outstanding shares of the capital stock entitled to vote at the Annual Meeting constitutes a quorum, thereby permitting the stockholders to conduct business at the Annual Meeting. Abstentions, votes withheld, and broker or nominee non-votes will be included in the calculation of the number of shares considered present at the Annual Meeting for purposes of determining the existence of a quorum.

If a quorum is not present at the Annual Meeting, a majority of the stockholders present in person and by proxy may adjourn the meeting to another date. If an adjournment is for more than 30 days or a new record date is fixed for the adjourned meeting by our Board, we will provide notice of the adjourned meeting to each stockholder of record entitled to vote at the adjourned meeting. At any adjourned meeting at which a quorum is present, any business may be transacted that might have been transacted at the originally called meeting.

Q. What vote is required to elect our directors for a one-year term?

The affirmative vote of a plurality of the votes of the shares present, in person or by proxy, at the Annual Meeting is required for the election of each of the nominees for director. “Plurality” means that the nominees receiving the largest number of votes up to the number of directors to be elected at the Annual Meeting will be duly elected as directors. Abstentions, votes withheld, and broker or nominee non-votes will not affect the outcome of director elections.

Q. What vote is required to ratify CohnReznick LLP as our independent registered public accounting firm for the year ending December 31, 2014?

A. The affirmative vote of a majority of the shares present, in person or by proxy, and entitled to vote at the Annual Meeting is required to approve the ratification of CohnReznick LLP as our independent registered public accounting firm for the year ending December 31, 2014. Abstentions will have the same effect as a negative vote. However, broker or nominee non-votes, and shares represented by proxies reflecting broker or nominee non-votes, will not have the effect of a vote against this proposal as they are not considered to be present and entitled to vote on this matter.

Q. What vote is required to approve an amendment to our Certificate of Incorporation to decrease our authorized share capital by 350,000,000 shares from 500,000,000 to 150,000,000?

A. The affirmative vote of a majority of the issued and outstanding shares as of the Record Date, and entitled to vote at the Annual Meeting is required to approve an amendment to our Certificate of Incorporation to decrease our authorized share capital by 350,000,000 shares from 500,000,000 to 150,000,000. Abstentions will have the same effect as a negative vote. However, broker or nominee non-votes, and shares represented by proxies reflecting broker or nominee non-votes, will not have the effect of a vote against this proposal as they are not considered to be present and entitled to vote on this matter.

Q. What percentage of our outstanding common stock do our directors and executive officers own?

As of April 9, 2014, our directors and executive officers owned, or have the right to acquire, approximately 23.1% of our outstanding Common Stock. See the discussion under the heading “Stock Ownership of Our Directors, Executive Officers, and 5% Beneficial Owners” on page 22 for more details.

Q. Who was our independent public accountant for the year ending December 31, 2013? Will they be represented at the Annual Meeting?

A. CohnReznick LLP is the independent registered public accounting firm that audited our financial statements for the year ending December 31, 2013. We expect a representative of CohnReznick LLP to be present at the Annual Meeting. The representative will have an opportunity to make a statement and will be available to answer your questions.

Q. How can I obtain a copy of our annual report on Form 10-K?

A. We have filed our annual report on Form 10-K for the year ended December 31, 2013, with the Securities and Exchange Commission (“SEC”). The annual report on Form 10-K is also included in the 2013 Annual Report to Stockholders. **You may obtain, free of charge, a copy of our annual report on Form 10-K, including financial statements and exhibits, by writing to our corporate secretary, Sean A. Power, or by email at info@tgtxinc.com. Upon request, we will also furnish any exhibits to the annual report on Form 10-K as filed with the SEC.**

CORPORATE GOVERNANCE

Our Board of Directors

Our amended and restated bylaws provide that the Board shall consist of one or more members, as determined from time to time by resolution of the Board. Currently, our Board consists of six members. The following individuals are being nominated to serve on our Board (See “Proposal 1 – Election of Directors; Nominees”):

Name	Age	Position	Director Since
Michael S. Weiss	48	Executive Chairman, Interim Chief Executive Officer and President	2011
Neil Herskowitz	57	Director	2004
Laurence N. Charney	67	Director	2012
William J. Kennedy	69	Director	2012
Mark Schoenebaum, M.D.	41	Director	2012
Yann Echelard	50	Director	2012

The Board does not have a formal policy regarding the separation of the roles of Chief Executive Officer and Executive Chairman, as the Board believes that it is in the best interests of the Company to make that determination based on the direction of the Company and the current membership of the Board. The Board has determined that having a director who is an executive officer serve as the Chairman is in the best interest of the Company’s stockholders at this time.

TG has a risk management program overseen by Michael S. Weiss, our Executive Chairman, Interim Chief Executive Officer and President. Mr. Weiss identifies material risks and prioritizes them for our Board. Our Board regularly reviews information regarding our credit, liquidity, and operations, as well as the risks associated with each.

The following biographies set forth the names of our director nominees, their ages, the year in which they first became directors, their positions with us, their principal occupations and employers for at least the past five years, any other directorships held by them during the past five years in companies that are subject to the reporting requirements of the Securities Exchange Act of 1934 (the “Exchange Act”), or any company registered as an investment company under the Investment Company Act of 1940, as well as additional information, all of which we believe sets forth each director nominee’s qualifications to serve on the Board. There is no family relationship between and among any of our executive officers or directors. There are no arrangements or understandings between any of our executive officers or directors and any other person pursuant to which any of them are elected as an officer or director, except as disclosed below.

On December 29, 2011, Opus Point Partners, LLC, (“Opus”), TG Biologics, Inc. (“TG Biologics”) and the Company (and collectively with Opus and TG Biologics, the “Parties”) entered into an Exchange Transaction Agreement (the “Agreement”). On August 2, 2012, the Parties executed an amendment to the Agreement (“Amendment No. 1”) which set the number of members of the board of directors of the Company (the “Board of Directors”) at six, which cannot be increased further without the consent of Opus. Amendment No. 1 also grants Opus the right to nominate three of the six members of the Board of Directors until the later of (x) two years from the Closing Date of the Agreement (as defined therein), or (y) the date on which Opus beneficially owns less than 10% of the Company’s common stock as calculated pursuant to the rules and regulations under Section 13 of the Securities Exchange Act of 1934, as amended. Accordingly, Opus has nominated Mr. Charney, Dr. Kennedy, and Dr. Schoenebaum to the Company’s Board of Directors.

In connection with the Securities Exchange Agreement between the Company and LFB Biotechnologies (“LFB Group”) dated November 9, 2012, LFB Group maintains the right to nominate one member to the Company’s Board of Directors. LFB has nominated the Dr. Echelard as its appointee to the Company’s Board of Directors.

TG adheres to the corporate governance standards adopted by The Nasdaq Stock Market ("Nasdaq"). Nasdaq rules require our Board to make an affirmative determination as to the independence of each director. Consistent with these rules, our Board undertook its annual review of director independence on March 3, 2014. During the review, our Board considered relationships and transactions during 2013 and during the past three fiscal years between each director or any member of his immediate family, on the one hand, and the Company and our subsidiaries and affiliates, on the other hand. The purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent. Based on this review, our Board determined that Neil Herskowitz, Laurence Charney, William Kennedy, and Mark Schoenebaum are independent under the criteria established by Nasdaq and our Board.

Michael S. Weiss, 48, has served as TG's Executive Chairman, Interim Chief Executive Officer and President since December 2011. From 1994 to 2010, he progressed through various positions of increasing responsibility at Genzyme Transgenics Corporation and at GTC Biotherapeutics, including Vice President of Research and Development. In 1998, he led the scientific team that first performed goat somatic cell nuclear transfer (cloning). This close collaboration led to the acquisition of GTC Biotherapeutics, Inc. by LFB in December 2010.

During 2013, our Board held four meetings and took three actions by unanimous written consent. During 2013, each incumbent director standing for election attended at least 75% of the meetings of the Board of Directors and the meetings of those committees on which each incumbent director served, in each case during the period that such person was a director. The permanent committees established by our Board of Directors are the Audit Committee and the Compensation Committee, descriptions of which are set forth in more detail below. Our directors are expected to attend each Annual Meeting of Stockholders, and it is our expectation that all of the directors standing for election will attend this year's Annual Meeting. Last year, all of our directors attended the 2013 Annual Meeting of Stockholders, except for Dr. Mark Schoenebaum.

Communicating with the Board of Directors

Our Board has established a process by which stockholders can send communications to the Board. You may communicate with the Board as a group, or to specific directors, by writing to Sean A. Power, our Corporate Secretary, at our offices located at 3 Columbus Circle, 15th Floor, New York, New York 10019. The Corporate Secretary will review all such correspondence and regularly forward to the Board a summary of all correspondence and copies of all correspondence that deals with the functions of the Board or committees thereof or that otherwise requires their attention. Directors may at any time review a log of all correspondence we receive that is addressed to members of our Board and request copies of any such correspondence. Concerns relating to accounting, internal

controls, or auditing matters may be communicated in this manner, or may be submitted on an anonymous basis via e-mail at info@tgtxinc.com. These concerns will be immediately brought to the attention of our Audit Committee and resolved in accordance with procedures established by our Audit Committee.

Audit Committee

The Audit Committee currently consists of Laurence N. Charney (Chairman), William Kennedy and Neil Herskowitz.

The Audit Committee held five meetings during the fiscal year ended December 31, 2013. The duties and responsibilities of the Audit Committee are set forth in the Charter of the Audit Committee which was recently reviewed by our Audit Committee. Our Audit Committee determined that no revisions needed to be made to the charter at this time. A copy of the Charter of the Audit Committee is available on our website, located at www.tgtherapeutics.com. Among other things, the duties and responsibilities of the Audit Committee include reviewing and monitoring our financial statements and internal accounting procedures, the selection of our independent registered public accounting firm and consulting with and reviewing the services provided by our independent registered public accounting firm. Our Audit Committee has sole discretion over the retention, compensation, evaluation and oversight of our independent registered public accounting firm.

The SEC and Nasdaq have established rules and regulations regarding the composition of audit committees and the qualifications of audit committee members. Our Board of Directors has examined the composition of our Audit Committee and the qualifications of our Audit Committee members in light of the current rules and regulations governing audit committees. Based upon this examination, our Board of Directors has determined that each member of our Audit Committee is independent and is otherwise qualified to be a member of our Audit Committee in accordance with the rules of the SEC and Nasdaq.

Additionally, the SEC requires that at least one member of the Audit Committee have a “heightened” level of financial and accounting sophistication. Such a person is known as the “audit committee financial expert” under the SEC’s rules. Our Board has determined that Mr. Charney is an “audit committee financial expert,” as the SEC defines that term, and is an independent member of our Board of Directors and our Audit Committee. Please see Mr. Charney’s biography on page 10 for a description of his relevant experience.

The report of the Audit Committee can be found on page 12 of this proxy statement.

Compensation Committee

The Compensation Committee held one meeting during the fiscal year ended December 31, 2013. The Compensation Committee currently consists of all independent members of our Board of Directors, with Mr. Herskowitz as chairman. The duties and responsibilities of the Compensation Committee are set forth in the Charter of the Compensation Committee. A copy of the Charter of the Compensation Committee is available on our website, located at www.tgtherapeutics.com. As discussed in its charter, among other things, the duties and responsibilities of the Compensation Committee include evaluating the performance of the Chief Executive Officer and our Chief Financial Officer, determining the overall compensation of the Chief Executive Officer and our Chief Financial Officer and administering all executive compensation programs, including, but not limited to, our incentive and equity-based plans. The Compensation Committee evaluates the performance of the Chief Executive Officer and our Chief Financial Officer on an annual basis and reviews and approves on an annual basis all compensation programs and awards relating to such officers. The Compensation Committee applies discretion in the determination of individual executive compensation packages to ensure compliance with the Company’s compensation philosophy. The Chief Executive Officer makes recommendations to the Compensation Committee with respect to the compensation packages for officers other than himself. The Compensation Committee may delegate its authority to grant awards to certain employees, and within specified parameters under the Company’s Amended and Restated 2012 Incentive Plan, to a special committee consisting of one or more directors who may but need not be officers of the Company. As of April 23, 2014, however, the Compensation Committee had not delegated any such authority. The Board may engage a compensation consultant to conduct a review of its executive compensation programs in 2014. The Committee did not engage a compensation consultant in 2013.

Nasdaq has established rules and regulations regarding the composition of compensation committees and the qualifications of compensation committee members. Our Board of Directors has examined the composition of our Compensation Committee and the qualifications of our Compensation Committee members in light of the current rules and regulations governing compensation committees. Based upon this examination, our Board of Directors has determined that each member of our Compensation Committee is independent and is otherwise qualified to be a member of our Compensation Committee in accordance with such rules.

Nominating Process

We do not currently have a nominating committee or any other committee serving a similar function. Director nominations are approved by a vote of a majority of our independent directors as required under the Nasdaq rules and regulations. Although we do not have a written charter in place to select director nominees, our Board of Directors has adopted resolutions regarding the director nomination process. Our policy describing our director nomination process is available on our website, located at www.tgtherapeutics.com. We believe that the current process in place functions effectively to select director nominees who will be valuable members of our Board of Directors.

Our independent directors identify potential nominees to serve as directors through a variety of business contacts, including current executive officers, directors, community leaders and stockholders. The independent directors may, to the extent they deem appropriate, retain a professional search firm and other advisors to identify potential nominees.

Our independent directors will also consider candidates recommended by stockholders for nomination to our Board. A stockholder who wishes to recommend a candidate for nomination to our Board must submit such recommendation to our Corporate Secretary, Sean A. Power, at our offices located at 3 Columbus Circle, 15th Floor, New York, New York 10019. Any recommendation must be received not less than 60 calendar days nor more than 90 calendar days before the anniversary date of the previous year's annual meeting. All stockholder recommendations of candidates for nomination for election to our Board must be in writing and must set forth the following: (i) the candidate's name, age, business address, and other contact information, (ii) the number of shares of Common Stock and Series A Preferred Stock beneficially owned by the candidate, (iii) a complete description of the candidate's qualifications, experience, background and affiliations, as would be required to be disclosed in the proxy statement pursuant to Schedule 14A under the Exchange Act, (iv) a sworn or certified statement by the candidate in which he or she consents to being named in the proxy statement as a nominee and to serve as director if elected, and (v) the name and address of the stockholder(s) of record making such a recommendation.

We believe that our Board as a whole should encompass a range of talent, skill, and expertise enabling it to provide sound guidance with respect to our operations and interests. Our independent directors evaluate all candidates to our Board by reviewing their biographical information and qualifications. If the independent directors determine that a candidate is qualified to serve on our Board, such candidate is interviewed by at least one of the independent directors and our Chief Executive Officer. Other members of the Board also have an opportunity to interview qualified candidates. The independent directors then determine, based on the background information and the information obtained in the interviews, whether to recommend to the Board that the candidate be nominated for approval by the stockholders to fill a directorship. With respect to an incumbent director whom the independent directors are considering as a potential nominee for re-election, the independent directors review and consider the incumbent director's service during his or her term, including the number of meetings attended, level of participation, and overall contribution to the Board. The manner in which the independent directors evaluate a potential nominee will not differ based on whether the candidate is recommended by our directors or stockholders.

We consider the following qualifications, among others, when making a determination as to whether a person should be nominated to our Board: the independence of the director nominee; the nominee's character and integrity; financial literacy; level of education and business experience, including experience relating to biopharmaceutical companies; whether the nominee has sufficient time to devote to our Board; and the nominee's commitment to represent the long-term interests of our stockholders. We review candidates in the context of the current composition of the Board and the evolving needs of our business. We believe that each of the current members of our Board (who are also our director nominees) has the requisite business, biopharmaceutical, financial or managerial experience to serve as a member of the Board, as described above in their biographies under the heading "Our Board of Directors." We also believe that each of the current members of our Board has other key attributes that are important to an effective board, including integrity, high ethical standards, sound judgment, analytical skills, and the commitment to devote significant time and energy to service on the Board and its committees.

We do not have a formal policy in place with regard to diversity in considering candidates for our Board, but the Board strives to nominate candidates with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills and expertise to oversee our business.

INDEPENDENT registered public accounting firm FEES AND OTHER MATTERS

CohnReznick LLP, the independent registered public accounting firm that audited our financial statements for the years ended December 31, 2013, and 2012 has served as our independent registered public accounting firm since 2002. We expect a representative of CohnReznick LLP to be present at the Annual Meeting. The representative will have an opportunity to make a statement and will be available to answer your questions.

Our Board has asked the stockholders to ratify the selection of CohnReznick LLP as our independent registered public accounting firm. See “Proposal Two: Ratification of Appointment of CohnReznick LLP as Our Independent Registered Public Accounting Firm” on page 25 of this proxy statement. The Board has reviewed the fees described below and concluded that the payment of such fees is compatible with maintaining CohnReznick LLP’s independence. All proposed engagements of CohnReznick LLP, whether for audit services, audit-related services, tax services, or permissible non-audit services, were pre-approved by our Audit Committee.

Audit Fees

For the fiscal years ended December 31, 2013 and 2012, CohnReznick LLP billed us an aggregate of approximately \$159,329 and \$144,384, respectively, in fees for the professional services rendered in connection with the audits of our annual financial statements included in our Annual Reports on Form 10-K for those two fiscal years, the review of our financial statements included in our Quarterly Reports on Form 10-Q during those two fiscal years, and other services provided in connection with registration statements.

Audit-Related Fees

During the fiscal years ended December 31, 2013 and 2012, we were not billed by CohnReznick LLP for any fees for audit-related services reasonably related to the performance of the audits and reviews for those two fiscal years, in addition to the fees described above under the heading “Audit Fees.”

Tax Fees

During the fiscal years ended December 31, 2013 and 2012, we were not billed by CohnReznick LLP for any fees for professional services rendered for tax compliance, tax advice, and tax planning services.

All Other Fees

During the fiscal years ended December 31, 2013 and 2012, we were not billed by CohnReznick LLP for any fees for services, other than those described above, rendered to us and our affiliates for those two fiscal years.

Pre-Approval of Services

Our Audit Committee has established a policy setting forth the procedures under which services provided by our independent registered public accounting firm will be pre-approved by our Audit Committee. The potential services that might be provided by our independent registered public accounting firm fall into two categories:

Services that are permitted, including the audit of our annual financial statements, the review of our quarterly financial statements, related attestations, benefit plan audits and similar audit reports, financial and other due diligence on acquisitions, and federal, state, and non-US tax services; and

Services that may be permitted, subject to individual pre-approval, including compliance and internal-control reviews, indirect tax services such as transfer pricing and customs and duties, and forensic auditing.

Services that our independent registered public accounting firm may not legally provide include such services as bookkeeping, certain human resources services, internal audit outsourcing, and investment or investment banking advice.

All proposed engagements of our independent registered public accounting firm, whether for audit services or permissible non-audit services, are pre-approved by the Audit Committee. We jointly prepare a schedule with our independent registered public accounting firm that outlines services which we reasonably expect we will need from our independent registered public accounting firm, and categorize them according to the classifications described above. Each service identified is reviewed and approved or rejected by the Audit Committee.

Report of THE Audit Committee

In monitoring the preparation of our financial statements, the Audit Committee met with both management and CohnReznick LLP, our independent registered public accounting firm during the year ended December 31, 2013, to review and discuss all financial statements prior to their issuance and to discuss any and all significant accounting issues. Management and our independent registered public accounting firm advised the Audit Committee that each of the financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee's review included a discussion of the matters required to be discussed pursuant to Public Company Accounting Oversight Board (United States) Auditing Standard 16 (Communication with Audit Committees). Auditing Standard 16 requires our independent registered public accounting firm to discuss with the Audit Committee, among other things, the following:

- Methods used to account for significant or unusual transactions;

• The effect of any accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;

• The process used by management to formulate sensitive accounting estimates and the basis for the independent registered public accounting firm's conclusion regarding the reasonableness of any such estimates; and

• Any disagreements with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures necessary in the financial statements.

The Audit Committee has discussed the independence of CohnReznick LLP, our independent registered public accounting firm for the year ended December 31, 2013, including the written disclosures made by CohnReznick LLP to the Audit Committee, as required PCAOB Rule 3526, "Communication with Audit Committees Concerning Independence." PCAOB Rule 3526 requires the independent registered public accounting firm to (i) disclose in writing all relationships that, in the independent registered public accounting firm's professional opinion, may reasonably be thought to bear on independence, (ii) confirm their perceived independence, and (iii) engage in a discussion of independence with the Audit Committee.

Finally, the Audit Committee continues to monitor the scope and adequacy of our internal controls and other procedures, including any and all proposals for adequate staffing and for strengthening internal procedures and controls where appropriate and necessary.

Edgar Filing: TG THERAPEUTICS, INC. - Form PRE 14A

On the basis of these reviews and discussions, the Audit Committee recommended to the Board that it approve the inclusion of our audited financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, for filing with the SEC.

PROPOSAL ONE

ELECTION OF DIRECTORS; NOMINEES

Our Amended and Restated Bylaws provide that the Board shall consist of one or more members, as determined from time to time by resolution of the Board. Our Board currently consists of six members. Our six current directors have been nominated for re-election at the Annual Meeting. The nominated directors are: Michael S. Weiss, Neil Herskowitz, Laurence N. Charney, William J. Kennedy, Mark Schoenebaum M.D., and Yann Echelard. For information about each of the nominees and our Board generally, please see “Corporate Governance-Our Board of Directors” beginning on page 5. If elected, the nominees will hold office until the next annual meeting and until a respective successor is elected and has been qualified, or until such director resigns or is removed from office. Management expects that each of the nominees will be available for election, but if any of them is unable to serve at the time the election occurs, your proxy will be voted for the election of another nominee to be designated by a majority of the independent directors serving on our Board.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE ELECTION OF ALL OF THE NOMINEES FOR DIRECTOR. IF A CHOICE IS SPECIFIED ON THE PROXY BY THE STOCKHOLDER, THE SHARES WILL BE VOTED AS SPECIFIED. IF NO SPECIFICATION IS MADE, THE SHARES WILL BE VOTED “FOR” ALL OF THE NOMINEES. THE AFFIRMATIVE VOTE OF THE HOLDERS OF A PLURALITY OF THE SHARES OF COMPANY COMMON STOCK REPRESENTED AND ENTITLED TO VOTE AT THE ANNUAL MEETING AT WHICH A QUORUM IS PRESENT IS REQUIRED FOR THE ELECTION OF THE NOMINEES.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF COHNREZNICK LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board is submitting the selection of CohnReznick LLP as our independent registered public accounting firm to the stockholders for ratification at our Annual Meeting. Stockholder ratification of our independent registered public accounting firm is not required by our Amended and Restated Bylaws or otherwise. If CohnReznick LLP is not ratified as our independent registered public accounting firm by a majority of the shares present or represented by proxy, the Audit Committee will review its future selection of independent registered public accounting firm. CohnReznick LLP will still serve as our independent registered public accounting firm for the year ending December 31, 2014, if it is not ratified by our stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” RATIFICATION OF THE APPOINTMENT OF COHNREZNICK LLP AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2014. THE AFFIRMATIVE VOTE OF THE MAJORITY OF SHARES PRESENT IN PERSON OR REPRESENTED BY PROXY AT THE MEETING AND ENTITLED TO VOTE ON THE SUBJECT MATTER IS REQUIRED FOR THE RATIFICATION OF THE APPOINTMENT OF COHNREZNICK LLP.

PROPOSAL THREE

TO APPROVE an amendment to our Certificate of Incorporation to decrease our authorized share capital by 350,000,000 shares from 500,000,000 to 150,000,000

The Board of Directors has determined that it would be advisable and in our best interests to amend Article Fourth of our Amended and Restated Certificate of Incorporation, or the Charter, to decrease the authorized capital common stock of the Company by 350,000,000 shares from 500,000,000 shares to 150,000,000 shares. A copy of the proposed amendment to the Charter is attached to this Proxy Statement as Exhibit A (referred to as the “Proposed Amendment” herein).

The Board of Directors believes that the Proposed Amendment is in the best interest of the stockholders and the Company, as the decrease in the authorized capital stock of the Company should provide significant savings in Delaware state franchise taxes.

If the Proposed Amendment is approved by the stockholders, it will become effective upon filing and recording of a Certificate of Amendment as required by the Delaware General Corporation Law.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE AMENDMENT OF OUR CERTIFICATE OF INCORPORATION TO DECREASE OUR AUTHORIZED SHARE CAPITAL BY 350,000,000 SHARES FROM 500,000,000 TO 150,000,000. The adoption of the Proposed Amendment requires the affirmative vote of not less than a majority of the votes entitled to be cast by all shares of Common Stock issued and outstanding on the Record Date.

Our Amended and Restated Bylaws require stockholders to provide advance notice to the Company of any stockholder director nomination(s) and any other matter a stockholder wishes to present for action at an annual meeting of stockholders (other than matters to be included in our proxy statement, which are discussed in the previous paragraph). In order to properly bring business before an annual meeting, our Amended and Restated Bylaws require, among other things, that the stockholder submit written notice thereof complying with our Amended and Restated Bylaws to Sean A. Power, our Corporate Secretary, at the above address, not less than 60 days nor more than 90 days prior to the anniversary of the preceding year’s annual meeting. Therefore, the Company must receive notice of a stockholder proposal submitted other than pursuant to Rule 14a-8 (as discussed above) no sooner than March 7, 2015, and no later than April 6, 2015. If a stockholder fails to provide timely notice of a proposal to be presented at our 2015 Annual Meeting of Stockholders, the proxy designated by our Board will have discretionary authority to vote on any such proposal that may come before the meeting.

Other Matters

Our Board does not know of any other matters that may come before the meeting. However, if any other matters are properly presented to the meeting, it is the intention of the person named in the accompanying proxy card to vote, or otherwise act, in accordance with their judgment on such matters.

Solicitation of Proxies

We will bear the cost of solicitation of proxies. In addition to the solicitation of proxies by mail, our officers and employees may solicit proxies in person or by telephone. We may reimburse brokers or persons holding stock in their names, or in the names of their nominees, for their expenses in sending proxies and proxy material to beneficial owners.

Incorporation of Information by Reference

RESOLVED, that the Corporation’s Amended and Restated Certificate of Incorporation be amended by deleting Article FOURTH in its entirety and by substituting in lieu thereof the following:

“FOURTH: A. The Corporation is authorized to issue two classes of stock designated “Common Stock” and “Preferred Stock,” respectively.
