To the shareholders of the Company

Dear Sir or Madam,

CONNECTED AND DISCLOSEABLE TRANSACTION

IN RELATION TO AIRCRAFT FINANCE LEASE

1. INTRODUCTION

Reference is made to (i) the Aircraft Purchase Announcements; (ii) the Finance Lease Announcement; and (iii) the notice of EGM dated 28 November 2014.

LETTER FROM THE BOARD

On 14 November 2014, the Company entered into the Finance Lease Framework Agreement with CES Lease Company, pursuant to which CES Lease Company agreed to provide finance leasing to the Company in relation to the 14 Aircraft in accordance with the terms and conditions of the Finance Lease Framework Agreement and the relevant implementation agreements.

CES Lease Company is a non-wholly owned subsidiary of CEA Holding, which in turn is the controlling shareholder of the Company. Each of CES Lease Company and the Lessor(s), which are wholly-owned subsidiaries of CES Lease Company, is thus a connected person of the Company. Therefore, the Aircraft Finance Lease constitutes a connected transaction of the Company under Chapter 14A of the Listing Rules.

As the relevant applicable percentage ratios set out in the Listing Rules in respect of the Aircraft Finance Lease exceed 5% but are less than 25%, the Aircraft Finance Lease: (a) is subject to the reporting, announcement and Independent Shareholders' approval requirements under Chapter 14A of the Listing Rules; and (b) constitutes a discloseable transaction under Chapter 14 of the Listing Rules.

The EGM will be held on 15 January 2015. The purpose of this circular is to give Shareholders information on matters to be dealt with at the EGM, which includes the approval of the Aircraft Finance Lease.

2. THE FINANCE LEASE FRAMEWORK AGREEMENT

The major terms of the Finance Lease Framework Agreement are set out as follows:

Date : 14 November 2014

Lessor(s) : Wholly-owned subsidiaries of CES Lease Company to be incorporated for the purpose of the Aircraft Finance Lease

Lessee : The Company

Financier: CDB Shanghai (i.e. China Development Bank, Shanghai Branch)

To the best knowledge, information and belief of the Directors having made all reasonable enquiry, CDB Shanghai and its ultimate beneficial owner(s) are third parties independent of the Company and connected persons (as defined in the Listing Rules) of the Company, and are not connected persons of the Company.

LETTER FROM THE BOARD

The 14 Aircraft, comprising a total of six Airbus A319 aircraft, three Boeing B737-700 aircraft and five Boeing B737-800.

Aircraft under the Aircraft Finance Lease

The aircraft basic price of the 14 Aircraft in aggregate is approximately USD1,216 million (equivalent to approximately RMB7,478 million) based on the relevant price catalog in 2014, and approximately USD973 million (equivalent to approximately RMB5,984 million) based on the relevant price catalog applied in the respective year in which the respective aircraft purchase agreement for each of the 14 Aircraft was signed.

Lease term : 10 years, commencing on the Delivery Date of each of the 14 Aircraft.

Principal amount of the Aircraft Finance Lease : 90% of the total consideration for the purchase of the 14 Aircraft.

Rental fee/Interest payment Under the Aircraft Finance Lease, the applicable interest rate will be 6-month USD LIBOR plus 1% to 3%, which is the same as the interest rate negotiated and determined between the Company and CDB Shanghai.

The rental fee is the repayment of the principal amount and the interest under the Aircraft Finance Lease.

Based on the present LIBOR, for a 120 month lease term, the total amount of the rental fees for the 14 Aircraft payable by the Company to the Lessor(s) is not expected to be more than USD900 million (which is equivalent to approximately RMB5.5 billion).

The rental fee is payable semi-annually in arrears, commencing on the Delivery Date of each of the 14 Aircraft and concluding on the date of the 20th payment for such Aircraft.

On the date of payment of each rental fee, the Company deposits the rental fee only in the Lessor(s)' permitted bank account with CDB Shanghai. CDB Shanghai maintains strict control and supervision over the said bank account and will automatically debit the rental fee (the amount of which is equal to the principal and interest of the Bank Loans) from the said bank account to its own account on the same day or the next day of the date of payment of each rental fee.

LETTER FROM THE BOARD

The principal amount and the interest rate under the Bank Loans are negotiated and determined between the Company and CDB Shanghai.

Under the Aircraft Finance Lease, CDB Shanghai will provide Bank Loans to the Lessor(s), the principal amount of the Bank Loans will be equivalent to the principal amount of the finance lease of the 14 Aircraft. On the Delivery Date of the First Two Aircraft, CDB Shanghai will provide financing to the Company for the purchase of the First Two Aircraft. On the Delivery Date of each of the Remaining 12 Aircraft, CDB Shanghai will pay the loan amount to the Aircraft Manufacturer(s) directly.

Bank Loans :

The principal amount, interest rate and amounts, and loan term under the Bank Loans are respectively identical to the principal amount, interest rate and amounts, and lease term under the Aircraft Finance Lease.

The material rights and obligations (including the right to obtain delivery of aircraft, the obligation to pay consideration, etc.) of the Company as a purchaser under the relevant aircraft sale and purchase agreement(s) are transferred to the Lessor(s), and the 14 Aircraft are mortgaged to CDB Shanghai as security for the Bank Loans.

Handling fee :

The respective handling fee for each of the 14 Aircraft shall be paid by the Company in one lump sum prior to the commencement of the respective Delivery Date. The Lessor(s) are entitled to a total handling fee for the 14 Aircraft of no more than RMB40 million.

Buy-back :

Upon the expiry of the lease term of each of the 14 Aircraft, the Company is entitled to purchase such Aircraft back from the Lessor(s) at a nominal purchase price of USD100 for such Aircraft.

Effectiveness and conditions :

The Finance Lease Framework Agreement is effective upon execution by the parties and approval of the Finance Lease Framework Agreement and the transactions contemplated thereunder by the Independent Shareholders at the EGM.

LETTER FROM THE BOARD

Other arrangements Pursuant to the relevant agreements between the Company and Airbus SAS, the First Two Aircraft are scheduled to be delivered to the Company in November 2014. The Company will arrange for payment of the aircraft purchase price of the First Two Aircraft to Airbus SAS by bank loans provided by CDB Shanghai. After the approval of the Aircraft Finance Lease by Independent Shareholders at the EGM, the Company will enter into sale and purchase agreements with the Lessor(s) in respect of each of the First Two Aircraft at a consideration of 90% of the aircraft purchase price of the First Two Aircraft between the Company and Airbus SAS. Save as set out above, the terms and conditions of the Aircraft Finance Lease of the First Two Aircraft shall be the same as that of the Remaining 12 Aircraft.

To implement the Aircraft Finance Lease, separate written agreements will be entered into between the Company, CES Lease Company, the Lessor(s) and CDB Shanghai etc. (as appropriate), including but not limited to:

Implementation agreements

- (i) the sale and purchase agreement(s) to be entered into between the Company and the Lessor(s) in respect of each of the First Two Aircraft;
 - (ii) the purchase agreement assignment(s) to be entered into between the Company, the Lessor(s) and/or CDB Shanghai etc. in respect of each of the Remaining 12 Aircraft;
 - (iii) the finance lease agreement(s) to be entered into between the Company and the Lessor(s) in respect of each of the 14 Aircraft;
 - (iv) the tripartite lease agreement assignments(s) to be entered into between the Company, the Lessor(s) and CDB Shanghai in respect of each of the 14 Aircraft; and
 - (v) the loan agreement to be entered into between the Lessor(s) and CDB Shanghai in respect of each of the 14 Aircraft,
- the terms of which are in all material respects consistent with the binding principles, guidelines, terms and conditions contained in the Finance Lease Framework Agreement.

LETTER FROM THE BOARD

3. INFORMATION ABOUT THE PARTIES

The Company is principally engaged in the business of civil aviation.

CES Lease Company is principally engaged in the provision of finance leasing and other leasing services, purchase of domestic and foreign finance lease assets, handling salvage value and maintenance of finance lease assets, and provision of advisory services and guarantee etc. for finance lease transactions.

CDB Shanghai is principally engaged in banking services.

4. REASONS FOR ENTERING INTO THE AIRCRAFT FINANCE LEASE AND BENEFITS EXPECTED TO ACCRUE TO THE COMPANY

The principal amount and the interest rate under the Aircraft Finance Lease in relation to the 14 Aircraft are negotiated and determined between the Company and CDB Shanghai. The principal amount of the Aircraft Finance Lease in relation to the 14 Aircraft is 90% of the total consideration for the purchase of the 14 Aircraft. The applicable interest rate will be 6-month USD LIBOR plus 1% to 3%.

As disclosed above, the applicable interest rate under the Aircraft Finance Lease (being 6-month USD LIBOR plus 1% to 3%) is the same as the interest rate negotiated and determined between the Company and CDB Shanghai. Such applicable interest rate is within the interest rate range for the USD denominated long-term bank borrowings of the Group for the year 2013 and also accords with prevailing financing market conditions. The Company had invited financing proposals from foreign and domestic banks in respect of various aircraft to be introduced in 2014 and 2015, and received various financing proposals in this regard. After considering various factors (including interest rates, aggregate lending capacity and other terms and conditions), the Directors consider that the interest rate and other terms and conditions proposed by CDB Shanghai was one of the most attractive, and therefore, decided to co-operate with CDB Shanghai for the Aircraft Finance Lease in relation to the 14 Aircraft.

In order to further reduce aggregate financing costs, the Company proposes to use a finance lease structure in the PRC domestic bonded zone to introduce the 14 Aircraft, the principal amount and the interest rate remaining unchanged.

The Company invited handling fee quotations for the Aircraft Finance Lease in relation to the 14 Aircraft from domestic finance lease companies. After evaluating the various quotations received from such finance lease companies, the handling fee quotation of CES Lease Company has significant pricing competitive advantages as compared to the handling fee quotations of the other finance lease companies. The total handling fee for the 14 Aircraft shall not exceed RMB40 million. Further, CES Lease Company intends to incorporate wholly- owned subsidiaries in the China (Shanghai) Pilot Free Trade Zone or the Tianjin Dongjiang Bonded Zone of the PRC for the purpose of acting as the Lessor(s) in the Aircraft Finance Lease. By utilising a finance lease structure in the PRC domestic bonded zone with CES Lease Company, the Company will reduce its financing costs by approximately USD13 million (equivalent to approximately RMB79.95 million) after deducting the handling fee payable to CES Lease Company. Therefore, the Company eventually selected CES Lease Company to provide finance leasing services to the Company for the introduction of the 14 Aircraft.

- 12 -

LETTER FROM THE BOARD

By utilising a finance lease structure in the PRC domestic bonded zone with CES Lease Company to introduce the 14 Aircraft, CES Lease Company can provide value added tax invoices for the interest payments under the Aircraft Finance Lease to the Company, and therefore, the Company can use it to deduct value added tax. Moreover, the handling fee charged by CES Lease Company under the Aircraft Finance Lease is far less than the deductible value added tax in respect of the interest payments, thereby reducing the Company's aggregate financing costs in introducing the 14 Aircraft.

Based on the above, the Directors believe that the terms and conditions of the Aircraft Finance Lease are agreed after arm's length negotiations between the parties.

5. LISTING RULES IMPLICATIONS

CES Lease Company is a non-wholly owned subsidiary of CEA Holding, which in turn is the controlling shareholder of the Company. Each of CES Lease Company and the Lessor(s), which are wholly-owned subsidiaries of CES Lease Company, is thus a connected person of the Company. Therefore, the Aircraft Finance Lease constitutes a connected transaction of the Company under Chapter 14A of the Listing Rules.

As the relevant applicable percentage ratios set out in the Listing Rules in respect of the Aircraft Finance Lease exceed 5% but are less than 25%, the Aircraft Finance Lease: (a) is subject to the reporting, announcement and Independent Shareholders' approval requirements under Chapter 14A of the Listing Rules; and (b) constitutes a discloseable transaction under Chapter 14 of the Listing Rules.

The resolution regarding the Aircraft Finance Lease had been passed by the Board on 14 November 2014. As Mr. Liu Shaoyong (a Director and the chairman of the Company), Mr. Xu Zhao (a Director) and Mr. Gu Jiadan (a Director) are members of the senior management of CEA Holding, they may be regarded as having a material interest in the Aircraft Finance Lease. As such, they have abstained from voting at the meeting of the Board convened for the purpose of approving the Finance Lease Framework Agreement and the transactions contemplated thereunder. Save as aforesaid, none of the Directors has any material interests in the Aircraft Finance Lease.

6. EGM & RECOMMENDATION

EGM

The Company will convene the EGM at Four Seasons Hall, 2/F, Shanghai International Airport Hotel (No. 368 Yingbin One Road, Shanghai, the PRC at 9:30 am, on Thursday, 15 January 2015 to approve, among other things, the ordinary resolution in respect of the Finance Lease Framework Agreement and the transactions contemplated thereunder. Please refer to the notice of EGM despatched to the Shareholders on 28 November 2014 for details.

LETTER FROM THE BOARD

CEA Holding and its associates will abstain from voting on the ordinary resolution approving the Finance Lease Framework Agreement and the transactions contemplated thereunder at the EGM.

The Independent Board Committee has been formed to advise the Independent Shareholders in respect of the Finance Lease Framework Agreement and the transactions contemplated thereunder. The Independent Financial Adviser has been appointed to advise the Independent Board Committee and the Independent Shareholders on the same.

Recommendation

Based on the relevant information disclosed herein, the Directors are of the opinion that the Aircraft Finance Lease is on normal commercial terms, and that the terms of the Aircraft Finance Lease are fair and reasonable and in the interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend the Independent Shareholders to vote in favour of the relevant resolution to be proposed at the EGM.

Your attention is drawn to the letter from the Independent Board Committee set out on pages 16 to 17 of this circular which contains its recommendation to the Independent Shareholders regarding the Aircraft Finance Lease, and the letter of advice from the Independent Financial Adviser set out on pages 18 to 23 of this circular containing its advice to the Independent Board Committee and the Independent Shareholders on the same. The Independent Shareholders are advised to read the aforesaid letters before deciding as to how to vote on the resolution approving the Finance Lease Framework Agreement and the transactions contemplated thereunder.

Voting

As CEA Holding is the controlling Shareholder holding directly and indirectly approximately 64.35% of the Company's issued share capital as at the Latest Practicable Date, each member of the CEA Holding Group is therefore a connected person of the Company. As such, CEA Holding and its associate(s), if any, will at the EGM abstain from voting on the ordinary resolution approving the Finance Lease Framework Agreement and the transactions contemplated thereunder, which will be taken on a poll as required under the Listing Rules. To the extent that the Directors are aware having made all reasonable enquiries, as at the Latest Practicable Date:

- (i) there was no voting trust or other agreement, arrangement or understanding (other than an outright sale) entered into by or binding upon CEA Holding;

CEA Holding was not subject to any obligation or entitlement whereby it had or might have temporarily or (ii) permanently passed control over the exercise of the voting right in respect of its shares in the Company to a third party, whether generally or on a case-by-case basis; and

it was not expected that there would be any discrepancy between CEA Holding's beneficial shareholding interest in (iii) the Company as disclosed in this circular and the number of shares in the Company in respect of which it would control or would be entitled to exercise control over the voting right at the EGM.

Each of CES Lease Company and the Lessor(s) (being the wholly-owned subsidiary(ies) of CES Lease Company) is thus a connected person of the Company. Therefore, the Aircraft Finance Lease constitutes a connected transaction for the Company under Chapter 14A of the Listing Rules. The Aircraft Finance Lease is subject to the approval of the Independent Shareholders by way of poll at the EGM. Details regarding the EGM are set out in the Circular. CEA Holding and its associates shall abstain from voting in respect of the Aircraft Finance Lease at the EGM.

We, Shenyin Wanguo Capital (H.K.) Limited, have been appointed by the Company as the independent financial adviser to advise you on the Aircraft Finance Lease, details of which are set out in the Circular. In this letter, we will make recommendations to you as to whether the Aircraft Finance Lease is on normal commercial terms or better, in the ordinary and usual course of business of the Group, the terms of which are fair and reasonable and in the interests of the Company and the Shareholders as a whole as well as to advise the Independent Shareholders on how to vote at the EGM in respect of the Aircraft Finance Lease.

The Independent Board Committee, comprising all of the four independent non-executive Directors, namely Mr. Sandy Ke-Yaw LIU, Mr. JI Weidong, Mr. LI Ruoshan and Mr. MA Weihua, has been established to advise the Independent Shareholders, taking into account our recommendations, as to whether the terms of the Aircraft Finance Lease are fair and reasonable and whether the Aircraft Finance Lease is in the interests of the Company and the Shareholders as a whole as well as to advise the Independent Shareholders on how to vote at the EGM in respect of the Aircraft Finance Lease. The advice of the Independent Board Committee as regards the Aircraft Finance Lease is contained in its letter included in the Circular.

LETTER FROM SHENYIN WANGUO

We, Shenyin Wanguo Capital (H.K.) Limited, acted as the independent financial adviser in respect of the Non-Exempt Continuing Connected Transactions (as defined in our letter of advice included in the circular of the Company dated 25 September 2013) during the two years preceding the date hereof. In this connection, we received a one-off professional fee from the Company for the services rendered by us. We are not aware of any of the circumstances set out in Rule 13.84 of the Listing Rules, that would affect our independence to advise you on the Aircraft Finance Lease, existed as at the Latest Practicable Date.

BASIS OF OUR OPINION

In formulating our opinion, we have relied on the information and statements supplied, opinions and representations expressed by the Company and the Directors and have assumed that all such information and statements supplied, opinions and representations expressed to us were true, accurate and complete in all material aspects at the time they were provided and continue to be true up to the date of the EGM. We have also sought and obtained confirmation from the Company that no material facts have been omitted from the information and statements supplied as well as opinions and representations expressed to us.

We consider that we have been provided with sufficient information to enable us to reach our advice and recommendations as set out in this letter and to justify our reliance on the accuracy of such information. We have no reason to suspect that any material facts or information (which are known to the Company) have been omitted or withheld from the information or statements supplied, or opinions or representations expressed to us nor to doubt the truth and accuracy of the information and statements supplied, or the reasonableness of the opinions and representations expressed to us. We have not, however, carried out any independent verification on the information provided to us by the Company and the Directors, nor have we conducted an independent in-depth investigation into the business or affairs or future prospects of the Group.

PRINCIPAL FACTORS AND REASONS CONSIDERED

We have taken into account the following principal factors and reasons in arriving at our recommendations with regard to the Aircraft Finance Lease:

The Finance Lease Framework Agreement

On 14 November 2014, the Company entered into the Finance Lease Framework Agreement with CES Lease Company pursuant to which CES Lease Company has agreed to provide the Aircraft Finance Lease to the Company in financing its purchase of the 14 Aircraft.

– 19 –

LETTER FROM SHENYIN WANGUO

Set out below are the principal terms of the Finance Lease Framework Agreement:

| | |
|------------------|--|
| Principal amount | 90% of the total consideration for the purchase of the 14 Aircraft |
| Interest | 6-month USD LIBOR plus 1% to 3% |
| Rental fee | means the principal amount repayments and interest payments, which the Directors have expected to be no more than USD900 million (approximately RMB5.5 billion) in total over the entire term of the Aircraft Finance Lease i.e. 10 years commencing on the Delivery Date of each of the 14 Aircraft. The rental fee is payable semi-annually in arrears |
| Handling fee | not more than RMB40 million in total in respect of the Aircraft Finance Lease for the 14 Aircraft |
| Buy-back | upon the expiry of the lease term of each of the 14 Aircraft, the Company is entitled to purchase such aircraft back from the Lessor(s) at a nominal purchase price of USD100 for such aircraft |

The Lessor(s) are referred to the wholly-owned subsidiaries of CES Lease Company to be incorporated in the China (Shanghai) Pilot Free Trade Zone or the Tianjin Dongjiang Bonded Zone of the PRC for the purposes of the Aircraft Finance Lease. The Directors have advised that the value added tax invoices issued in respect of the interests charged can be used for tax deduction purposes.

As the financier, CDB Shanghai provides the Bank Loans to the Lessor(s) in respect of the Aircraft Finance Lease on the following principal terms:

- (i) the principal amount, interest rate and amounts, and loan term under the Bank Loans are respectively identical to the principal amount, interest rate and amounts, and lease term under the Aircraft Finance Lease; and

(ii) the material rights and obligations (including the right to obtain delivery of the aircraft(s), the obligation to pay the consideration(s), etc.) of the Company as purchaser under the relevant aircraft sale and purchase agreement(s) are transferred to the Lessor(s), and the 14 Aircraft are mortgaged to CDB Shanghai as security for the Bank Loans.

In other words, the Aircraft Finance Lease is backed by the Bank Loans on terms (other than the handling fee) based on arm's length negotiations between the Company and CDB Shanghai (an independent third party). We discussed with the Company and reviewed quotations from CDB Shanghai and other banks. We concur that CDB Shanghai has offered relatively more competitive terms including lower interest rate than other banks.

LETTER FROM SHENYIN WANGUO

In accordance with the Finance Lease Framework Agreement, the Lessor(s) are entitled to a handling fee of not more than RMB40 million in total payable by the Company in respect of the Aircraft Finance Lease for the 14 Aircraft. As disclosed in the letter from the Board included in the Circular, the Company evaluated various quotations from domestic finance lease companies including CES Lease Company in regard to the handling fee. CES Lease Company was selected by the Company primarily due to its significant pricing competitive advantages over the others. We reviewed such quotations and concur that the handling fee was agreed with CES Lease Company on terms that are more favourable than those offered by other independent finance lease companies.

Since the principal terms of the Aircraft Finance Lease are structured to be identical to the terms of the Bank Loans which are found to be relatively more competitive than those offered by other banks and the handling fee to which the Lessor(s) are entitled is more favourable to the Company than those offered by other independent third parties, we consider that the terms of the Aircraft Finance Lease are fair and reasonable.

Financial information of the Group

| | 30 June 2014 RMB billion | 31 December 2013 RMB billion |
|-------------------------|--------------------------------------|--|
| Non-current assets | 137.8 | 127.5 |
| Current assets | 15.1 | 12.6 |
| Total assets | 152.9 | 140.1 |
| Current liabilities | 54.2 | 53.1 |
| Non-current liabilities | 70.2 | 58.4 |
| Total liabilities | 124.4 | 111.5 |
| Net assets | 28.5 | 28.6 |

Set out below are the assets and liabilities of the Group extracted from its 2014 interim report:

As at 30 June 2014, the total net book value of aircraft, engines and flight equipment amounted to approximately RMB87.4 billion which was included in the non-current assets of the Group. Furthermore, as at 30 June 2014, the total obligations under finance leases amounted to approximately RMB28.3 billion which were included in the current and non-current liabilities of the Group.

The Directors have advised that the Group monitors its capital on the basis of its debt ratio, which is calculated as total liabilities divided by total assets. As at 30 June 2014, the debt ratio of the Group was 81.36%.

LETTER FROM SHENYIN WANGUO

Financial effects of the Aircraft Finance Lease on the Group

(i) Gearing

We consider that the Aircraft Finance Lease facilitates the Company to finance its purchase of the 14 Aircraft without utilising its cash reserve and other resources at once. It is expected that the Aircraft Finance Lease will be reflected as an on balance sheet item in the financial statements of the Group due to its capital nature. Pursuant to the Finance Lease Framework Agreement, 90% of the total consideration for the purchase of the 14 Aircraft will be financed by the Aircraft Finance Lease. Nonetheless, the Aircraft Finance Lease is considered to have an insignificant impact on the Group's debt ratio, which is calculated as total liabilities divided by total assets, due to the Group's relatively substantial assets (approximately RMB152.9 billion as at 30 June 2014) and liabilities (approximately RMB124.4 billion as at 30 June 2014) as compared to the total rental fee of not more than USD900 million (approximately RMB5.5 billion) under the Aircraft Finance Lease.

(ii) Earnings

The Directors have advised that the interest expense under the Aircraft Finance Lease is tax deductible and the net saving derived from such tax deduction offset by the handling fee is estimated to be approximately USD13 million (approximately RMB79.95 million). The Directors have further advised that such tax deduction is not available should the Company directly borrow from CDB Shanghai. Given the circumstances and taking into account the fairness and reasonableness of the terms of the Aircraft Finance Lease as discussed in the sub-section headed "The Finance Lease Framework Agreement" in this letter, we consider that the inevitable reduction in the earnings of the Group as a result of the interest expense and the handling fee is acceptable.

DISCUSSION AND ANALYSIS

As at 30 June 2014, the Group had a fleet structure comprising 485 aircraft in total, of which, 318 were either self-owned or under finance lease, and the majority of others were under operating lease. In our view, the Aircraft Finance Lease facilitates the Company to finance its purchase of the 14 Aircraft without utilising its cash reserve and other resources at once, which has an insignificant impact on the Group's debt ratio, calculated as total liabilities divided by total assets, as discussed in the sub-section headed "Financial effects of the Aircraft Finance Lease on the Group".

The Company has explored the possibility to make a direct borrowing arrangement with CDB Shanghai (an independent third party). The Directors have advised that the Lessor(s) which are to be incorporated in the China (Shanghai) Pilot Free Trade Zone or the Tianjin Dongjiang Bonded Zone of the PRC can issue value added tax invoices in respect of the interests charged for tax deduction purposes. The interests charged by CDB Shanghai are however not tax deductible. Therefore, the Company will not be able to enjoy the tax benefit if it takes out the Bank Loans instead of the Aircraft Finance Lease.

LETTER FROM SHENYIN WANGUO

Our view

In light of the tax saving of approximately USD13 million (approximately RMB79.95 million) derived from such tax deduction offset by the handling fee and taking into account the fairness and reasonableness of the terms of the Aircraft Finance Lease as discussed in the sub-section headed “The Finance Lease Framework Agreement” in this letter, we consider that the Aircraft Finance Lease is in the interests of the Company and the Shareholders as a whole.

OPINION

Having taken into account the principal factors and reasons set out above, we are of the view that the Aircraft Finance Lease, which is in the ordinary and usual course of business of the Group, is on normal commercial terms, and the terms of the Aircraft Finance Lease are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

Accordingly, we recommend the Independent Board Committee to advise, and we ourselves advise, the Independent Shareholders to vote in favour of the ordinary resolution to be proposed at the EGM to approve the Finance Lease Framework Agreement and the transactions contemplated thereunder.

Yours faithfully, for and

on behalf of

Shenyin Wanguo Capital (H.K.) Limited
