Nabil J. Lopez was appointed as our Chief Financial Officer, Principal Financial Officer and Chief Accounting Officer, Secretary and member of the Board of Directors on November 4, 2015. The Board chose Mr. Lopez for these positions because of Mr. Lopez’s previous experience with the Company as the Senior Vice President and Controller since September 2012. In addition, Mr. Lopez has extensive years of experience in accounting, regulatory compliance and corporate governance. From 2009 to 2012, Mr. Lopez was employed at Zale Corporation (“Zale”) as Director of Financial Reporting. (NASDAQ: CRFT), a national manufacturer and supplier of ceiling fans, decorative lighting and luxury outdoor furniture, where Mr. Scudder led negotiations of the sale of Craftmade to a strategic buyer in late 2011. Mr. Scudder holds a B.B.A in Finance from University of Central Oklahoma and a Master of Business Administration from Southern Methodist University. Family Relationships

There are no family relationships among our directors, our executive officers or our key employees.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and officers and persons who beneficially own more than ten percent of our common stock to file with the SEC reports of beneficial ownership on Forms 3 and changes in beneficial ownership of our common stock and other equity securities on Forms 4 or Forms 5. SEC regulations require all officers, directors and greater than 10% stockholders to furnish us with copies of all Section 16(a) forms they file.

Based solely upon a review of Forms 3 and 4 and amendments thereto furnished to us during, and Forms 5 and amendments thereto furnished to us with respect to, Fiscal 2015, and any written representations from reporting persons that no Form 5 is required, the following table sets forth information regarding each person who, at any time during Fiscal 2015, was a director, officer or beneficial owner of more than 10% of our common stock who failed to file on a timely basis, as disclosed in the above forms, reports required by Section 16(a) of the Exchange Act during Fiscal 2015:

Board Composition

During 2015, two executive officers resigned from their respective roles. James D. Clem tendered his resignation as Chairman of the Board, President and Chief Executive Officer effective on September 15, 2015. On the same day, Matthew M. Peakes was elected to the position of the Chairman of the Board, President and Chief Executive Officer. Nabil J. Lopez was elected to the Board and to the role of the Company's Chief Financial Officer and Secretary upon the resignation of C. Brett Burford from these positions on November 4, 2015. Prior to this election, Nabil J. Lopez served as the Company's Senior Vice President and Controller.

All three of our independent directors elected at our last annual stockholders meeting held on June 10, 2015 resigned. On August 4, 2015, Bruce A. Quinnell tendered his resignation as Lead Independent Director and Chairman of the Compliance, Governance and Nominating Committee to the Board of Directors of DGSE and the other committees of the Board on which he served. On August 6, 2015, Dennis A. McGill tendered his resignation as a member of the Board of Directors of DGSE and Chairman of the Audit Committee to the Board of Directors of DGSE and the other committees of the Board on which he served. On September 4, 2015, David S. Rector tendered his resignation as a member of the Board and Chairman of the Compensation Committee to the Board and the other committees of the Board on which he served. The resignation of all three of our independent directors caused us to be temporarily out of compliance with the continued listing requirements of the NYSE MKT, which require that 50% of the members of the Board are independent and that the audit committee of the Board be comprised of at least two members, all of whom are independent. On October 9, 2015 and October 14, 2015, we elected J. Marcus Scudder and Douglas J. Lattner, respectively, to the Board. The NYSE MKT sent us letter on October 15, 2015 confirming that, based on the addition of two new independent directors, we had resolved the continued listing deficiencies and were then in compliance with the NYSE MKT's continued listing standards. On January 6, 2016, we elected Michael J. Noel to serve as a member of the Board.

Our Board is currently composed of five directors. Our Board has determined that current board members Douglas J. Lattner, J. Marcus Scudder and Michael J. Noel are "independent" under the standards of the SEC and the NYSE MKT. Under applicable SEC and NYSE MKT rules, the existence of certain "related person" transactions above certain thresholds between a director and us are required to be disclosed and preclude a finding by our Board that the director is independent. In addition to transactions required to be disclosed under SEC rules, our Board considered certain other relationships in making its independence determinations, and determined in each case that such other relationships did not impair the director's ability to exercise independent judgment on our behalf.

Our directors are elected at an annual meeting of our shareholders by the holders of shares entitled to vote in the election of directors, except in the case of vacancy, which can be filled by an affirmative vote of a majority of the remaining directors. Each director is elected to serve until the annual meeting of shareholders following his election or until he chooses to resign from his position.

Board Meetings

Our Board meets as often as necessary to perform its duties and responsibilities. During Fiscal 2015, the Board met ten times in person or telephonically. All members of our Board were present at and participated in all meetings. In addition, our Board acted by written consent one time. Management also regularly conferred with directors between meetings regarding our affairs.

Audit Committee

The Audit Committee, established in accordance with Section 3(a)(58)(A) of the Exchange Act, consisting of all three independent directors of our Board, is chaired by J. Marcus Scrudder, who is also an “audit committee financial expert,” as that term is defined in Item 407(d)(5)(ii) of Regulation S-K, promulgated under the Securities Act. Mr. Scrudder is “independent,” as defined by the listing standards of the Exchange. The other members of the Audit Committee are Douglas J. Lattner and Michael J. Noel. The Audit Committee is primarily tasked with overseeing our financial reporting process, evaluation of independent auditors and, where appropriate, exercising its duty to replace our independent auditors. Management is responsible for preparing our financial statements, and the independent auditors are responsible for auditing those financial statements. During Fiscal 2015, the Audit Committee met five times in person or telephonically.

In addition to their regular activities, the Audit Committee is available to meet with the independent auditors, the Chief Executive Officer or the Chief Financial Officer whenever a special situation arises and meets as often as necessary to perform its duties and responsibilities. The charter for the Audit Committee is available under the “Investors” menu of our corporate website at www.DGSECompanies.com. We certify that we have adopted a formal written audit committee charter and that the Audit Committee reviews and reassesses the adequacy of the charter annually.

Audit Committee Report

The Audit Committee has reviewed and discussed the audited financial statements with management and Whitley Penn LLP (“Whitley Penn”), our independent registered accounting firm, and all matters required to be discussed by the American Institute of Certified Public Accountants, Professional Standards, Vol. 1, AU Section 380, as adopted by the Public Company Accounting Oversight Board (“PCAOB”) in Rule 3200T.

The Audit Committee has received written disclosures and the letter from Whitley Penn required by applicable rules of the PCAOB regarding Whitley Penn’s communications with the Audit Committee concerning independence, and the Audit Committee has discussed with Whitley Penn its independence.

Based on the review and discussions noted in the preceding two paragraphs, the Audit Committee recommended to the Board that the audited financial statements for the year ended December 31, 2015 and 2014 be included in our annual report on Form 10-K with the SEC.

The Audit Committee acts pursuant to our Audit Committee Charter. Each of the members of the Audit Committee qualifies as an independent director under the current listing standards of the Exchange.

Compensation Committee

On August 31, 2012, the Board approved the creation of a Compensation Committee comprised of our independent directors. The Compensation Committee is chaired by Douglas J. Lattner and is primarily concerned with reviewing, approving and determining the compensation of our executive officers to ensure that we employ ethical compensation standards and that our executive officers are fairly compensated based upon their performance and contribution to us. The Compensation Committee meets as often as necessary to perform its duties and responsibilities. During Fiscal 2015, the Compensation Committee met two times in person or telephonically. We have adopted a formal written Compensation Committee Charter, and the Audit Committee reviews and reassesses the adequacy of the charter annually. The charter for the Compensation Committee is available under the “Investors” menu of our corporate website at www.DGSECompanies.com.

Compliance, Governance, and Nominating Committee

On January 17, 2013, the Board approved the creation of a Nominating and Corporate Governance Committee comprised of our independent directors, and on February 20, 2015, the Board approved a resolution which changed the name of this committee to the Compliance, Governance, and Nominating Committee, and also delegated certain additional responsibilities to the committee. The Compliance, Governance, and Nominating Committee is chaired by Michael J. Noel and is primarily concerned with matters relating to the Company's director nominations process and procedures, developing and maintaining the Company's corporate governance policies, monitoring the Company's compliance with its code of conduct and ethics, and any related matters required by the federal securities laws. The Compliance, Governance, and Nominating Committee meets as often as necessary to perform its duties and responsibilities. During Fiscal 2015, the Compliance, Governance, and Nominating Committee met once. We have adopted a formal written Compliance, Governance, and Nominating Committee Charter, and the Compliance, Governance, and Nominating Committee reviews and reassesses the adequacy of the charter annually. The charter for the Compliance, Governance and Nominating Committee is available under the "Investors" menu on our corporate website at www.DGSECompanies.com.

Leadership

Pursuant to our bylaws, the Chairman of our Board shall be and is our Chief Executive Officer. On June 11, 2014, the Board passed a resolution to create the role of Lead Independent Director. The independent directors elected J. Marcus Scudder to fill that role. The Lead Independent Director consults with the Chairman in setting the schedule and agenda for Board meetings, coordinates and moderates executive sessions of the independent directors, acts as a liaison between the independent directors and the Chairman, and assists the Board and officers in providing oversight for the Company's governance guidelines and policies. As noted above, Mr. Scudder also serves as chairman of the Audit Committee.

Pursuant to our bylaws, the Chairman of our Board and Chief Executive Officer presides, when present, at all meetings of the shareholders and at all meetings of our Board. The Chairman of our Board and Chief Executive Officer generally supervises over our affairs, has general and active control of all of our business and sees that all orders and resolutions of our Board and our shareholders are carried into effect. We have determined this leadership structure appropriate given the need for a centralized model of oversight.

Risk Oversight

Like other companies, we face a variety of risks, including investment risk, liquidity risk, and operational risk. Our Board believes an effective risk management system should: (i) timely identify the material risks that we face; (ii) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or the relevant committee of our Board of Directors; (iii) implement appropriate and responsive risk management strategies consistent with our risk profile; and, (iv) integrate risk management into decision-making. Our Board is tasked with overseeing risk oversight, and periodically meets with management and advisors regarding the adequacy and effectiveness of our risk management processes and to analyze the most likely areas of future risk for us. In addition to the formal compliance program, our Board encourages management to promote a corporate culture that incorporates risk management into our corporate strategy and day-to-day business operations.

Code of Business Conduct & Ethics and Related Party Transaction Policy

We have adopted a Code of Business Conduct and Ethics that applies to our directors, officers and employees, as well as a Related Person Transaction Policy, that applies to our directors (and director nominees), executive officers (or persons performing similar functions), and certain of our family members, affiliates, associates and/or related persons, as well as stockholders owning at least 5% of our Common Stock. The latest copies of our Code of Business Conduct and Ethics, and Related Person Transaction Policy are available under the “Investors” menu on our corporate website at www.DGSECompanies.com. Any transactions between us and our officers, directors, principal shareholders, or other affiliates have been on terms no less favorable to us than the Board believes could be obtained from unaffiliated third parties on an arms-length basis. We intend to disclose future amendments to these policies, or waivers of such provisions, at the same location on our website and also in public filings.

Shareholder Communication

Shareholders may send communications to our Board, individual directors or officers through our Investor Relations Department, Attn: Mr. Nabil J. Lopez, Chief Financial Officer and Secretary, c/o DGSE Companies, Inc., 15850 Dallas Parkway, Suite 140, Dallas, TX 75248, by phone at 972-587-4021, or via email at investorrelations@dgse.com.

Mr. Lopez will forward all shareholder communications that, in his judgment, are appropriate for consideration by members of our Board. Comments or questions regarding our accounting, internal controls or auditing matters will be referred to members of the Audit Committee. Comments or questions regarding the nomination of directors and other corporate governance matters will be referred to our Compliance, Governance, and Nominating Committee.

ITEM 11. EXECUTIVE COMPENSATION

Our Board is responsible for establishing and administering our executive compensation and employee benefit programs in the context of our overall goals and objectives. This Board duty has been delegated to the Compensation Committee of our Board of Directors (the “Compensation Committee”) in accordance with the Compensation Committee’s Charter. The Compensation Committee reviews the executive compensation program at least annually and approves appropriate modifications to executive officer compensation, including specific amounts and types of compensation. The Compensation Committee is responsible for establishing the compensation of the CEO and CFO. The Compensation Committee establishes the annual compensation of the non-employee directors and oversees our equity compensation plans, including the administration of our stock-based compensation plans.

The objectives of our compensation program are to: (i) provide a competitive, comprehensive compensation package to attract, retain and motivate highly talented personnel at all levels of our organization; and, (ii) provide incentives and rewards for implementing and accomplishing our short-term and long-term strategic and operational goals and objectives. Therefore, we strive to structure compensation packages that are competitive within the industry, while maintaining and promoting our interests, as well as the interests of our shareholders.

We believe that specific levels of executive compensation should reflect the responsibilities of each position within our Company, the relative value of the position and the competition for quality, key personnel in our industry. Our executive compensation program includes three primary components:

Base salary. Base salary is the guaranteed element of an executive's annual cash compensation. The level of base salary reflects the Compensation Committee's assessment of the employee's long-term performance, his or her skill set and the market value of that skill set.

Annual cash bonus opportunities. Performance-based incentive cash bonuses are intended to reward executives for achieving specific financial and operational goals both at a corporate and an individual level.

Long-term incentive awards. Long-term incentives are provided through grants of stock options and restricted stock units intended to encourage our executives to take steps that they believe are necessary to ensure our long-term success, and to align their interests with our other shareholders.

Advice of Compensation Consultant

In 2012, prior to the formation of our Compensation Committee, our Board, performing the function of a compensation committee, retained an independent compensation consultant, Paradox Compensation Advisors ("Paradox"), to analyze our executive compensation program as compared to our peers. Paradox also advised the Compensation Committee regarding appropriate elements of a competitive executive compensation structure, including fixed and at-risk elements, short-term and long-term incentives, and cash and equity components. Paradox reported the results of its analysis of our total executive compensation packages for positions held by members of our executive leadership team, as well as specific components of those packages, as compared to executives holding similar positions at similarly-sized companies and/or labor market peers in related industries.

In February 2015, as part of a set of corporate governance reforms that the Board implemented, the Compensation Committee recommended and the Board approved an Executive Compensation Policy. As part of this policy the Compensation Committee is required to retain an independent compensation consultant at least once every three years

to review the Company's compensation philosophy and plan to ensure that the criteria, factors, and policies and procedures for determining compensation comport with current best practices. Such consultant shall make recommendations to the Compensation Committee and/or the entire Board regarding any appropriate actions to better align executive and director compensation with shareholder interests and long-term value creation. Accordingly, the Compensation Committee engaged a consultant to review the policy in 2016.

Outstanding Equity Awards at Fiscal Year End

In January 2014, the Compensation Committee granted 112,000 RSUs to the Company's officers and certain key employees. Each RSU is convertible into one share of Common Stock, par value \$0.01, of the Company without additional payment pursuant to the terms of the Restricted Stock Unit Award Agreement, dated January 23, 2014, between the Issuer and each recipient (the "RSU Award Agreement"). One-fourth (or 28,000) of the RSUs vested and were exercisable as of the date of the grant, and an additional one-fourth of the RSUs (calculated using the total number of RSUs at the time of grant) vest and will be exercisable on each subsequent anniversary of the date of grant until 100 percent of the RSUs have vested, subject to the each recipients continued status as an employee on each such date and other terms and conditions of set forth in the RSU Award Agreement. Upon termination of service of the recipient to the Company, other than by reason of death or disability, any RSUs that have not vested will be forfeited and the award of such units shall terminate.

The following table sets forth information concerning outstanding RSUs that have not vested for each name executive officer as of the end of Fiscal 2015:

Beginning in January 2016, the Compensation Committee recommended that independent directors be paid cash compensation of \$28,000 per year, to be paid in \$7,000 quarterly increments due on the last day of each quarter. In addition, the Compensation Committee recommended that independent directors be issued 40,680 RSUs per annum in equity awards that vest ratably over a one year period at the end of each quarter. Similar to the RSUs granted to management and certain employees, if the independent directors terminate their service with the Company, other than by death or disability, any RSUs that have not vested will be forfeited and the award will terminate. The full Board subsequently approved these recommendations.

Our directors receive Board meeting fees of \$3,000 per year and committee fees of \$5,000 per year, to be paid in \$2,000 quarterly increments due on the last day of each quarter. In addition to the quarterly payments, we reimburse our directors for their reasonable expenses incurred while attending meetings of our Board and its Committees or conducting other company business. We do not provide any health insurance, retirement or other benefit programs to our independent directors.

Our employee directors receive no separate compensation for their services as directors.

The following table sets forth the total compensation paid to our directors (other than directors who are Named Executive Officers and whose compensation is described above under the heading Summary Compensation Table) for their service on our Board and committees of the Board during Fiscal 2015.

Equity Compensation Plan Information

On June 21, 2004, our shareholders approved the adoption of the 2004 Stock Option Plan (the “2004 Plan”) which reserved 1,700,000 shares of our Common Stock for issuance upon exercise of options to purchase our Common Stock. We granted options to purchase an aggregate of 1,459,634 shares of our Common Stock under the 2004 Plan to certain of our officers, directors, key employees and certain other individuals who provided us with goods and services. Each option vested on either January 1, 2004 or immediately upon issuance thereafter. The exercise price of each option issued pursuant to the 2004 Plan is equal to the market value of our Common Stock on the date of grant, as determined by the closing bid price for our Common Stock on the Exchange on the date of grant or, if no trading occurred on the date of grant, on the last day prior to the date of grant on which our securities were listed and traded on the Exchange. Of the options issued under the 2004 Plan, as of December 31, 2015, 845,634 have been exercised, 599,000 have expired, and 15,000 remain outstanding. No further issuances can be made pursuant to the 2004 Plan.

On June 27, 2006, our shareholders approved the adoption of the 2006 Equity Incentive Plan (the “2006 Plan”), which reserved 750,000 shares for issuance upon exercise of options to purchase our Common Stock or other stock awards. We subsequently granted options to purchase 150,000 shares of our Common Stock pursuant to the 2006 Plan, of which 100,000 have been exercised, 40,000 have expired, and 10,000 remain outstanding as of December 31, 2015. Subsequent to December 31, 2015, the remaining 10,000 options to purchase our Common Stock has expired.

In January 2014, we granted 112,000 Restricted Stock Units (“RSUs”) to management and key employees, subject to the 2006 Plan. Under the terms of the RSU Award Agreements from January 2014, 25% of these RSUs vested immediately, with the remaining 75% to vest ratably over the next three years, pending each recipient’s continued employment by DGSE. On September 24, 2014, the Board awarded the three independent directors a total of 42,600 RSUs as compensation for their Board service. 100% of these RSUs will vest as of the earlier of the one year anniversary of their award, or on the day prior to DGSE’s 2015 Annual Meeting of Stockholders. The Company issued 42,600 shares of DGSE’s common stock to the independent directors on June 9, 2015 related to the September 2014 grant. On December 10, 2014, the Board awarded DGSE’s former Chief Executive Officer, James D. Clem, 75,000 RSUs as part of his compensation package. 100% of these RSUs vested immediately, and pursuant to this vesting, 75,000 shares of DGSE common stock were issued to Mr. Clem on December 18, 2014. On February 18, 2015, the Company issued 15,000 shares of DGSE’s common stock to management and key employees pursuant to the RSU Award Agreement.

As a result of these grants, as of December 31, 2015, there were 475,400 shares available for future grants under the 2006 Plan.

The following table summarizes options to purchase shares of Common Stock, and RSUs, outstanding as of December 31, 2015:

Plan Category	Number of securities to be issued upon exercise of options	Weighted average exercise price of outstanding options	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a))
Equity compensation plans approved by security holders	29,000 (1)	3.70	(2) 475,400

Equity compensation plans not approved by security holders	None	-	None
	29,000	3.70	475,400

(1) Includes 4,000 RSUs that were not vested as of December 31, 2015.

Weighted average exercise price does not include 4,000 RSUs issued to employees, management and directors of DGSE as incentive compensation for their continued services. Pursuant to the terms of individual Restricted Stock (2)Unit Award Agreements, such RSUs will vest over time, contingent upon the continued service to DGSE by the recipient. Each vested RSU may be converted into one share of common stock, par value \$0.01, of DGSE without additional consideration (other than such conversion and reduction in the number of RSUs held).

On March 24, 2016, the Board awarded the three independent directors a total of 122,040 RSUs as compensation for their Board service. One-fourth (or 30,510) of the RSUs vested and were issued on March 31, 2016. The remaining RSUs will vest ratably and will be exercisable at the end of every quarter (June 30, September 30 and December 31) during the year ending December 31, 2016, subject to the continued status as a director on each such date and other terms and conditions of set forth in the RSU Award Agreement, dated March 24, 2016. Each vested RSU is convertible into one share of our Common Stock, par value \$0.01, without additional consideration. Upon termination of service of the independent director, other than by reason of death or disability, any RSUs that have not vested will be forfeited and the award of such units shall terminate.

The following table sets forth the beneficial ownership each stockholder known by us to own beneficially more than five (5) percent of our outstanding shares of Common Stock. Common Stock beneficially owned and percentage ownership as of April 15, 2016 was based on 12,328,956 shares outstanding.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

From time to time, we engage in business transactions with our controlling shareholder, NTR and other related parties. Set forth below in the section entitled “Related Party Transactions” is a summary of such transactions.

Relationship with Elemetal, LLC.

Elemetal is a global precious metals conglomerate based in Dallas, Texas. Its principal holdings include: Elemetal Refining, LLC (formerly known as OPM Metals or OPM), the Ohio-based, largest American-owned refiner of “good delivery” gold and silver; Elemetal Direct, a Texas-based wholesale dealer of precious metals; Elemetal Capital, LLC, a leading market maker in the bullion and precious metals industries; Provident Precious Metals LLC, an online retailer of bullion and precious metal products; and Elemetal Recycling, LLC (formerly known as Echo Environmental), a Texas-based firm focusing on electronic waste recycling and precious metal recovery.

Through a series of transactions beginning in 2010, NTR Metals, LLC (“NTR”) became the largest shareholder of our Common Stock. In April 2012, NTR announced its merger with OPM, the largest American-owned refiner of “good delivery” gold and silver. The combined company was originally called Global Metals Holdings, LLC, and has since been rechristened as Elemetal. In January 2013, NTR announced it would contribute 4,393,142 of its shares of our Common Stock to Elemetal, in exchange for ownership units in Elemetal. NTR also agreed to contribute its option to buy 5,000,000 additional shares of DGSE.

In addition to being our largest shareholder, Elemetal is our primary supplier for bullion products and is our primary refiner of recyclable precious metal.

Related Party Transactions

DGSE has a corporate policy governing the identification, review, consideration and approval or ratification of transactions with related persons, as that term is defined in the Instructions to Item 404(a) of Regulation S-K, promulgated under the Securities Act (“Related Party”). Under this policy, all Related Party transactions are identified and approved prior to consummation of the transaction to ensure they are consistent with DGSE’s best interests and the best interests of its stockholders. Among other factors, DGSE’s Board considers the size and duration of the transaction, the nature and interest of the of the Related Party in the transaction, whether the transaction may involve a conflict of interest and if the transaction is on terms that are at least as favorable to DGSE as would be available in a comparable transaction with an unaffiliated third party. DGSE’s Board reviews all Related Party transactions at least annually to determine if it is in DGSE’s best interests and the best interests of DGSE’s stockholders to continue, modify, or terminate any of the Related Party transactions. DGSE’s Related Person Transaction Policy is available for review in its entirety under the “Investors” menu of the Company’s corporate relations website at www.DGSECompanies.com.

Elemetal is DGSE’s largest shareholder. Elemetal and its affiliates are also DGSE’s primary refiner and bullion trading partner. In Fiscal 2015, 24% of sales and 26% of purchases were transactions with Elemetal, and in the same period of Fiscal 2014, these transactions represented 23% of DGSE’s sales and 26% of DGSE’s purchases. As of December 31, 2015, the Company was obligated to pay \$4,176,037 to Elemetal as a trade payable, and had a \$169,136 receivable from Elemetal. As of December 31, 2014, the Company was obligated to pay \$3,721,144 to Elemetal as a trade payable, and had a \$34,343 receivable from Elemetal. For the year ended December 31, 2015 and 2014, the Company paid Elemetal \$187,888 and \$182,723, respectively, in interest on the Company’s outstanding payable.

On July 19, 2012, the Company entered into the Loan Agreement with NTR, pursuant to which NTR agreed to provide the Company with a guidance line of revolving credit in an amount up to \$7,500,000. The Loan Agreement anticipated termination—at which point all amounts outstanding thereunder would be due and payable—upon the earlier of: (i) August 1, 2014; (ii) the date that is twelve months after DGSE receives notice from NTR demanding the repayment of the Obligations; (iii) the date the Obligations are accelerated in accordance with the terms of the Loan Agreement; or, (iv) the date on which the commitment terminates under the Loan Agreement. In connection with the Loan Agreement, DGSE granted a security interest in the respective personal property of each of its subsidiaries. The loan carries an interest rate of two percent (2%) per annum for all funds borrowed pursuant to the Loan Agreement. Proceeds received by DGSE pursuant to the terms of the Loan Agreement were used for repayment of all outstanding financial obligations incurred in connection with that certain Loan Agreement, dated as of December 22, 2005, between DGSE and Texas Capital Bank, N.A., and additional proceeds are expected were used as working capital in the ordinary course of business. On February 25, 2014, we entered into a one-year extension of the Loan Agreement with NTR, extending the termination date to August 1, 2015, and on February 4, 2015, we entered into an additional two-year extension, extending the termination date to August 1, 2017, unless earlier terminated as described above. All other terms of the agreement remain the same. As of December 31, 2015 and 2014, the outstanding balance of the NTR loan was \$2,303,359. In the year ended December 31, 2015 and 2014, the Company paid NTR \$45,810 and \$46,019, respectively, in interest on the Company's line of credit.

In April 2013, DGSE moved its principal corporate offices to office space at 15850 Dallas Parkway, Suite 140, Dallas, Texas. This property is owned by an affiliate of Elemetal and also serves as their headquarters. DGSE leases space in the building subject to a lease that expired in December 2015. The Company continues to pay this lease on a month-to-month basis with no increase in the rent. For the year ended December 31, 2015 and 2014, the Company recognized rent expense of \$50,500 and \$52,500, respectively, related to this lease.

In the fourth quarter of Fiscal 2013, the Company established a wholly owned subsidiary named Carbon Fund One, LLC to act as the general partner (the "General Partner") for Carbon Fund One, LP (the "Fund"), which was established at the same time. The Fund was an investment fund specializing in the buying and selling of gemstones. The General Partner receives a one percent ownership interest of the Fund, and is paid 2% carried interest on assets under management by the Fund, and 20% of net earnings before distributions to the limited partners. The Fund was intended to provide an investment vehicle for individuals interested in investment opportunities in diamonds and gemstones, and provide incremental value to the Company's shareholders by utilizing the Company's expertise, infrastructure, and retail and wholesale customer base, to generate additional profit through earnings from its role as General Partner. Ultimately DGSE's management made the decision to end its involvement in the Fund, and the General Partner has wound down the Fund's activities and liquidated all remaining inventory. The Fund transacted business with the Company from time to time, including buying gemstones from and selling gemstones to the Company. In Fiscal 2015, the Company made no sales to the Fund, had purchases of \$5,665 from the Fund, and owed the Fund nothing as of December 31, 2015 in trade payables. In Fiscal 2014, the Company made sales of \$37,148 to the Fund, had purchases of \$152,328 from the Fund, and owed the Fund \$136,755 as of December 31, 2014 in trade payables. Additionally, in Fiscal 2015, the General Partner generated net loss of \$1,334 from its role with the Fund, while in the same period of 2014, the General Partner generated net income of \$35,190. The loss in the current year was driven by low activity within the Fund, combined with expenses related to the shutdown of the Fund.

Our Audit Committee has reviewed these transactions and deemed them to be on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances.

On April 15, 2016, the Company entered into a non-binding letter of intent with Elemetal pursuant to which, in exchange for satisfaction of \$3,500,000 of debt owed by DGSE to Elemetal as a result of bullion-related transactions, DGSE would issue to Elemetal (a) shares of common stock at a stock price of \$0.41 per share, which based on an amount of debt exchanged of \$3,500,000 would result in the issuance of 8,536,585 shares to Elemetal and (b) a one-year option to purchase from DGSE 1,000,000 shares of common stock of DGSE at an exercise price of \$0.65 per share.

DGSE also entered into a non-binding letter of intent with NTR pursuant to which, in exchange for satisfaction of debt owed by DGSE to NTR that was incurred in connection with the certain Loan Agreement (the balance of which as of April 13, 2016, including principal and interest, was \$2,408,238.91), DGSE would issue to NTR shares of common stock at a stock price of \$0.41 per share, which based on the balance outstanding as of April 13, 2016, would result in the issuance of 5,873,753 shares to NTR.

Both letters of intent are non-binding and are subject to numerous conditions, including negotiation and execution of definitive agreements and shareholder approval. No assurance can be made that DGSE will be able to negotiate mutually satisfactory definitive agreements with Elemetal and NTR or that it will receive the necessary shareholder approval.

A Special Committee of our Board of Directors comprised of our three independent directors authorized the Company to enter into the non-binding letters of intent with Elemetal and NTR.

Our Board has determined that J. Marcus Scudder, Douglas J. Lattner and Michael J. Noel are “independent” under the standards of the SEC and the NYSE MKT.
