#### **IV. OPINION OF THE BOARD**

In recent years, as there has been an expansion in the business scale of the Company's subsidiaries, transformation of China United Airlines to becoming a low-cost airline, and the innovation in asset management approach by Eastern Technology which promoted the transformation of protective assets to operational assets, the capital expenditure of each of the subsidiaries has increased. Given the Company's thorough understanding of the operating status, credit standing and debt servicing capability of its subsidiaries, and recognition that their financial risk is under control, the guarantee provided by the Company for its subsidiaries would further enhance the credit standing of its subsidiaries, reduce the finance cost and also secure the facilities required for their production and operation, reform and transformation to facilitate their sustainable and healthy development, thereby uplifting the overall operating level of the Company.

In view of the above, the Board agreed that: the Company shall provide, within the period from the effective date of the resolution to 31 December 2017, guarantee in the total amount of up to RMB1 billion to four wholly-owned subsidiaries namely China United Airlines, Shanghai Flight Training, Eastern Business Airlines Service, Eastern Technology, or their respective wholly-owned subsidiaries; Where the subject obligations are denominated in foreign currencies, the amounts shall be translated to Renminbi at the exchange rates prevailing at the time of provision of the guarantee; The period of guarantee shall be the same as the period of subject obligations of the respective guaranteed parties and shall not exceed 10 years; The president of the Company shall be authorized to take charge of the detailed implementation thereof, and implementation progress shall be reported to the Board.

After prior review, the independent directors of the Company agreed to the Company's provision of guarantee for its subsidiaries and to putting forward the relevant resolution to the Board for its consideration and approval. The independent opinions issued by the independent directors are as follows: the Company's provision of guarantee for its subsidiaries would be beneficial in enhancing the credit standing of the guaranteed parties and securing the facilities required for their production and operation to facilitate their sustainable and healthy development, and be in the interest of the Company and its shareholders as a whole. The Board's consideration of the provision of guarantee for the Company's subsidiaries has been approved by more than two-thirds of the directors present in the meeting, in addition to the consent granted by more than half of all directors on board. The voting procedures of the meeting complied with laws and regulations, the Articles of Association and Rules of Meeting of the Board.

## V. AGGREGATE AMOUNT OF ALL EXTERNAL GUARANTEES AND OVERDUE GUARANTEES
