## INFORMATION TO BE INCLUDED IN THE REPORT

### Item 8.01. Other Events.

On February 17, 2017, First United Corporation (the “Company”) mailed notice to the holders of its 20,000 outstanding shares of Fixed Rate Cumulative Perpetual Preferred Stock, Series A (the “Series A Preferred Stock”) that the Company has called 10,000 of such shares (the “Redeemed Shares”) for redemption, with a redemption date of March 21, 2017 and a redemption price of \$1,009.00 per Redeemed Share, for an aggregate redemption price of \$10.09 million, inclusive of accrued dividends. Pursuant to the Certificate of Designations of Fixed Rate Cumulative Perpetual Preferred Stock, Series A, the Redeemed Shares to be redeemed from each holder thereof will be selected on a *pro rata* basis. The notice sent to holders contains instructions with respect to the surrender of certificates evidencing the Redeemed Shares and the receipt of the aggregate redemption price, and holders of the Series A Preferred Stock should not take any action with respect to their Redeemed Shares other than as provided in such instructions.

On February 22, 2017, the property trustee of First United Statutory Trust III (the “Trust”) mailed notice to the holders of the Trust’s outstanding securities (the “Trust Securities”) that the Trust has called all Trust Securities for redemption, with a redemption date of March 24, 2017 and a redemption price of \$1,002.47 per Trust Security, for or an aggregate redemption price of \$10.828 million, inclusive of accrued dividends. The redemption is being effected in connection with the Company’s repayment of \$10.8 million aggregate principal amount of its 9.875% Junior Subordinated Debentures that were sold to the Trust in December 2009 and January 2010. The notice sent to holders contains instructions with respect to the surrender of certificates evidencing the Trust Securities and the receipt of the aggregate redemption price, and holders of the Trust Securities should not take any action with respect to their Trust Securities other than as provided in such instructions.

The foregoing redemptions are subject to the Corporation’s successful completion of its pending rights offering and related transactions. Because of the risks attendant to the offering, the Company cannot assure holders that it will satisfy this condition.
