Explanatory Note

This Current Report on Form 8-K/A amends the Current Report on Form 8-K filed by STAAR Surgical Company (the “Company”) with the Securities and Exchange Commission on June 13, 2017 (the “Original Report”). The sole purpose of this amendment is to confirm the Company’s decision regarding how frequently it will conduct shareholder advisory votes on executive compensation. No other changes have been made to the Original Report.

Item 5.07. Submission of Matters to a Vote of Security Holders

On June 13, 2017, the Company held its annual meeting of shareholders. At the meeting, the Company’s shareholders voted, among other things, on the frequency of future advisory votes on the compensation of the Company’s named executive officers (the “Frequency Vote”). The Board of Directors of the Company (the “Board”) had recommended that the shareholders approve holding an advisory vote on the compensation of the Company’s named executive officers every year until the next advisory vote regarding the frequency of future advisory votes on the compensation of the Company’s named executive officers is submitted to the shareholders. As previously reported in the Original Report, the shareholders recommended “one year” on the Frequency Vote. Based on the results of the Frequency Vote and consistent with the recommendation of the Board, the Board determined to hold an advisory vote on the compensation of the Company’s named executive officers every year until the next advisory vote regarding the frequency of future advisory votes on the compensation of the Company’s named executive officers is submitted to the shareholders, or until the Board otherwise determines that a different frequency for such advisory votes is in the best interests of the Company.
