Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On October 1, 2018, the Compensation Committee of the Board of Directors of Ampio Pharmaceuticals, Inc. (the “Company”) approved a one-time option repricing (the “Option Repricing”) where the exercise price of each Relevant Option (as defined below) was amended to reduce such exercise price to \$0.75 per share, 44% above the closing price of the Company’s Common Stock on October 1, 2018 and 88% above the price per share of Common Stock sold in the Company’s recently completed public offering (not including the value of the accompanying warrants). “Relevant Options” are all outstanding stock options as of October 1, 2018 (vested or unvested) to acquire shares of the Company’s Common Stock that have exercise prices above \$0.75 per share; provided, however, that the maximum dollar value of the repricing for any individual will not exceed \$500,000 (with such value calculated by multiplying (i) the difference between the initial exercise price and \$0.75 by (ii) the number of options being repriced). In conjunction with the repricing, the Compensation Committee has eliminated all outstanding accrued bonuses, which amount to approximately \$823,000. The Compensation Committee believes that the Option Repricing is in the best interests of the Company, as the amended stock options will provide added incentives to retain and motivate key contributors of the Company at this critical juncture without incurring the stock dilution resulting from significant option grants. The Compensation Committee also believes that the repricing better aligns the interests of the key contributors with the goals of the Company. The Relevant Options held by the Company’s executive officers are set forth in the table below. The Company’s Board of Directors, along with the Chairman and Chief Executive Officer, Michael Macaluso, will not participate in the Option Repricing.

Name and Title	Number of Options	Previous Exercise Price	Expiration Date
	170,000	\$1.03	July 15, 2026
	30,000	\$3.43	October 6, 2024
Holli Cherevka, Chief Operating Officer	35,000	\$4.16	January 14, 2023
	45,000	\$4.72	April 2, 2023
	9,402	\$8.62	November 8, 2023
Thomas E. Chilcott, Chief Financial Officer	75,000	\$0.94	January 18, 2027

Except for the reduction in the exercise price of the Relevant Options described above, all outstanding stock options will continue to remain outstanding in accordance with their current terms and conditions as set forth in the Company’s 2010 Stock and Incentive Plan and the applicable award agreements.
