We are in ongoing discussions with our auditors regarding our financial statements for the fiscal year ended March 31, 2004 in respect of the reconciliation of UK GAAP and US GAAP. As a result, our Board of Directors has not had sufficient time to review the financial statements and approve the annual report on Form 20-F by the filing deadline of September 30, 2004. We expect that our discussions with our auditors will be finalized shortly and the annual report reviewed and approved by our Board of Directors thereafter so that filing will occur on or before October 15, 2004.

(2) Have all other periodic reports required under section 13 or 15(d) of the Securities Exchange Act of 1934 or section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s).

Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

On May 19, 2003, M (2003) plc (then known as Marconi plc) and Marconi Corporation plc concluded the financial restructuring of the Marconi group. The financial restructuring was effected through separate schemes of arrangement under the U.K. Companies Act 1985 for each of M (2003) plc and Marconi Corporation plc. As a result of the financial restructuring, Marconi Corporation plc became the new parent company of the Marconi group and M (2003) plc ceased to be a member of the Marconi group. On October 21, 2003, Marconi plc changed its name to M (2003) plc. M (2003) plc no longer conducts any business and does not intend to revive any business operations.

Under the terms of the M (2003) plc scheme of arrangement (the Scheme), all of our assets, other than those necessary to fund the administration of the Scheme, will be distributed to our creditors over time in accordance with the Scheme. We expect to liquidate or dissolve M (2003) plc at roughly the same time as the completion of these distributions to our creditors. While M (2003) plc shares, and ADRs representing M (2003) plc shares, remain outstanding following the effectiveness of the financial restructuring, we believe that there will be no circumstances under which any additional value will be returned to shareholders of M (2003) plc. As that is the case, we believe M (2003) plc shares and ADRs are effectively worthless.

Because we are still in discussion with our auditors regarding our financial statements for the fiscal year ended March 31, 2004 in respect of the reconciliation of UK GAAP and US GAAP, we are currently unable to provide a reasonable quantitative estimate of the change in our results of operations from the corresponding period for the last fiscal year. We expect to provide a quantitative statement of the change in our results of operations as part of our annual report when we file the annual report on Form 20-F on or before October 15, 2004.
