ITEM: 9 REGULATION FD DISCLOSURE

The following is the text of a press release issued by the registrant at 8:00 A.M. Central Standard Time on January 15, 2004.

SIMMONS FIRST ANNOUNCES RECORD ANNUAL EARNINGS

Pine Bluff, Arkansas Simmons First National Corporation today announced record earnings of \$23,790,000 or \$1.65 diluted earnings per share for the year ended December 31, 2003, compared to earnings of \$22,078,000, or \$1.54 diluted earnings per share for the year ended 2002. This represents a \$1.7 million, or 7.8% increase in the 2003 earnings over 2002. Return on average assets and return on average stockholders equity for the year ended December 31, 2003, was 1.18% and 11.57%, compared to 1.12% and 11.56%, respectively, for the year ended 2002.

With 2003 earnings at a record level, we are obviously pleased with the results, said J. Thomas May, Chairman and Chief Executive Officer. The significant increase in earnings over last year is primarily attributable to the increased volume of the Company's mortgage banking operation, growth in the loan portfolio, and a lower provision for loan losses, which correlates to the improved asset quality ratios.

Edgar Filing: SIMMONS FIRST NATIONAL CORP - Form 8-K

Earnings for the fourth quarter of 2003 were \$5,318,000 or \$0.37 diluted earnings per share. The diluted earnings per share reflect a decrease of \$0.03 when compared to the fourth quarter 2002 diluted earnings of \$0.40. This decrease in the fourth quarter is primarily attributable to a lower refinancing volume in the Company's mortgage production and increased expenses associated with the use of the Company's credit card air mile reward program.

At December 31, 2003, the Company's loan portfolio totaled \$1.418 billion, which is a \$161 million, or a 12.8%, increase from the same period last year. This increase is due partially to the recently completed acquisition of nine branches in North Central and Northeast Arkansas during the fourth quarter of 2003, which included \$99 million in loans. The additional growth was attributable to increased loan demand the Company experienced in its construction and commercial real estate loan portfolios.

As of December 2003, asset quality remained strong with non-performing loans lower by \$690,000 from the same period last year. Non-performing loans to total loans improved to 0.82% from 0.97% from the same period last year, and the allowance for loan losses improved to 219% of non-performing loans, compared to 179% from the same period last year. At year-end, the allowance for loan losses equaled 1.79% of total loans, which is an improvement of 4 basis points from the 1.75% reflected at year-end 2002.

Total assets for the Corporation at December 31, 2003, were \$2.236 billion, an increase of \$258 million over the year ended December 31, 2002. Stockholders' equity at the end of 2003 was \$210 million, a \$12.4 million, or 6.3%, increase from December 31, 2002.

Upon completion of the recently announced acquisitions, Simmons First National Corporation, a financial holding company, will have assets of approximately \$2.4 billion, with eight community banks in Pine Bluff, Lake Village, Jonesboro, Rogers, Searcy, Russellville, El Dorado, and Hot Springs, Arkansas. The Company's eight banks will conduct financial operations from 79 offices, of which 77 are financial centers, in 45 communities.

CONFERENCE CALL

Management will conduct a conference call to review this information at 3:00 p.m. CST (4:00 p.m. EST) on Thursday, January 15, 2004. Interested parties can listen to this call by calling 1-800-854-4175 (United States and Canada only) and ask for the Simmons First National Corporation conference call. A recorded playback of the call will be available the next morning by calling 1-800-642-1687. The passcode for this playback is 4289231 and the recording will be available through the end of business January 22, 2004. In addition, the call will also be available live or in recorded version on the Company's website at www.simmonsfirst.com under the webcast icon.

GENERAL

Statements in this press release that are not historical facts should be considered forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements of this type speak only as of the date of this news release. By nature, forward-looking statements involve inherent risk and uncertainties. Various factors, including, but not limited to, economic conditions, credit quality, interest rates, loan demand and changes in the assumptions used in making the forward-looking statements, could cause actual results to differ materially from those contemplated by the forward-looking statements. Additional information on factors that might affect Simmons First National Corporation's financial results is included in its Form 10-K filing with the Securities and Exchange Commission.
