PROXY STATEMENT ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON NOVEMBER 11, 2004

SOLICITATION AND REVOCABILITY OF PROXIES

This Proxy Statement (the "Proxy Statement") and the accompanying materials are furnished in connection with the solicitation of proxies by the Board of Directors of Sharps Compliance Corp., a Delaware corporation (the "Company"), to be used at the Annual Meeting of Stockholders of the Company to be held on November 11, 2004 (the "Annual Meeting") at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders and adjournment(s) or postponement(s) thereof.

The accompanying proxy is designed to permit each holder of the Company's common stock, par value \$0.01 per share (the "Common Stock"), to vote for or withhold voting for the nominees for election as directors of the Company set forth under the Proposals, and to authorize the proxies to vote in their discretion with respect to any other proposal brought before the Annual Meeting. When a stockholder's executed proxy card specifies a choice with respect to a voting matter, the shares will be voted accordingly. If no such specifications are made, the Proxies for the Common Stock will be voted by those persons named in the Proxies at the Annual Meeting FOR the election of the nominees specified under the caption "Election of Directors". If any other matters properly come before the Annual Meeting, the Proxies will vote upon such matters according to their judgment.

The Company encourages the personal attendance of its stockholders at the Annual Meeting, and execution of the accompanying proxy will not affect a stockholder's right to attend the Annual Meeting and to vote his or her shares in person. Any stockholder giving a proxy has the right to revoke it by giving written notice of revocation to David P. Tusa, Corporate Secretary, Sharps Compliance Corp., at the Company's executive office, 9350 Kirby Drive, Suite 300, Houston, Texas 77054, at any time before the proxy is voted, by executing and delivering a later-dated proxy, or by attending the Annual Meeting and voting his or her shares in person. No such notice of revocation or later-dated proxy will be effective, however, until received by the Company at or prior to the Annual Meeting. Such revocation will not affect a vote on any matters taken prior to the receipt of such revocation. Mere attendance at the Annual Meeting will not of itself revoke the proxy.

All expenses of the Company in connection with the solicitation will be borne by the Company. In addition to the solicitation of proxies by use of the mail, officers, directors and regular employees of the Company may solicit the return of proxies by personal interview, mail, telephone and/or facsimile. Such persons will not be additionally compensated, but will be reimbursed for out-of-pocket expenses. The Company also will request brokerage houses and other custodians, nominees and fiduciaries to forward solicitation material to the beneficial owners of shares held of record by such persons and will reimburse such persons and their transfer agents for their reasonable out-of-pocket expense in forwarding such material.

COMPENSATION COMMITTEE. The Compensation Committee has furnished the following report on the Company's executive compensation policies. This report describes the Compensation Committee's policies applicable to the compensation of the Company's Executive Officers and provides specific information regarding the compensation of the Company's CEO. The information contained in this "Compensation Committee Report on Executive Compensation" shall not be deemed to be "soliciting material" or to be "filed" with the Commission, nor shall such information be incorporated by reference into any future filings under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent that the Company specifically incorporates it by reference into such filing.

13

The Compensation Committee currently is comprised of three outside Directors, Messrs. Cooke (Chairman), Gillman and Holmes, and administers and oversees all aspects of the Company's Executive Compensation Policy and reports its determinations to the Board of Directors. The Compensation Committee's overall goal is to develop executive compensation policies that are consistent with, and linked to, strategic business objectives and Company values. The Compensation Committee approves the design of, assesses the effectiveness of and administers executive compensation programs in support of the Company's compensation policies. The Compensation Committee also reviews and approves all salary arrangements and other remuneration for executives, evaluates executive performance and considers related matters.

COMPENSATION PHILOSOPHY. The Company's executive compensation policies have four primary objectives: to attract and retain highly competent executives to manage the Company's business, to offer executives appropriate incentives for accomplishment of the Company's business objectives and strategy, to encourage stock ownership by executives to enhance mutuality of interest with stockholders and to maximize long-term stockholder value.

ELEMENTS OF COMPENSATION. The key elements of the Company's executive

Edgar Filing: SHARPS COMPLIANCE CORP - Form DEF 14A

compensation are base salary, annual incentive and long-term incentive. These key elements are addressed separately below. In determining compensation, the Compensation Committee considers all elements of an executive's total compensation package.

BASE SALARY. Base salaries for executives are determined initially by evaluating the executive's level of responsibility, prior experience, breadth of knowledge, internal equity issues and external pay practices.

Increases to base salaries are driven primarily by individual performance. Individual performance is evaluated based on sustained levels of individual contribution to the Company. When evaluating individual performance, the Compensation Committee considers the executive's efforts in promoting Company values, continuing educational and management training, improving product quality, developing relationships with customers and vendors and demonstrating leadership abilities among co-workers.

ANNUAL INCENTIVE. Each year, the Compensation Committee evaluates the performance of the Company as a whole, as well as the performance of each individual executive. Factors considered include Company performance versus expectations, as well as individual accomplishments. The Compensation Committee does not utilize formalized mathematical formulae, nor does it assign weightings to these factors. The Compensation Committee, in its sole discretion, determines the amount, if any, of incentive payments to each executive. The Compensation Committee believes that the Company's performance versus expectations and individual accomplishments require subjectivity on the part of the Committee when determining incentive payments.

LONG-TERM INCENTIVE. The Company's long-term compensation philosophy provides that long-term incentives should relate to improvement in stockholder value, thereby creating a mutuality of interests between executives and stockholders. Additionally, the Compensation Committee believes that the long-term security of executives is critical for the perpetuation of the Company. Long-term incentives are provided to executives through the Company's 1993 Stock Plan, in the form of stock options and restricted stock awards.

STOCK OPTIONS. Stock options generally are granted at an option price not less than the fair market value of the Common Stock on the date of grant. Accordingly, stock options have value only if the price of the Common Stock appreciates after the date the options are granted. The design focuses executives on the creation of stockholder value over the long-term and encourages equity ownership in the Company. The Board of Directors accepted the Compensation Committee's recommendations made during the fiscal year ended June 30, 2004.

14

The Compensation Committee met three times during the fiscal year ended June 30, 2004. The Board of Directors accepted the Compensation Committee's recommendations made during the fiscal year ended June 30, 2004.

The Compensation Committee: C. Lee Cooke, Jr., Ramsay Gillman, and Parris H. Holmes, Jr.

BOARD OF DIRECTOR AND COMMITTEE MEETINGS. The Board of Directors met six times during the fiscal year ended June 30, 2004. During the fiscal year, each of the directors of the Company attended at least 75% of the aggregate meetings the Board of Directors and committees of which such director was a member.

COMPENSATION OF DIRECTORS

MEETING FEES. The Company does not pay cash compensation to its Directors. The Company does reimburse its directors for travel and out-of-pocket expenses incurred in conjunction with attending Board meetings.

STOCK OPTIONS. Beginning June 2003, the Company grants annual stock options to its non-employee Directors under the Company's 1993 Stock Plan as follows:

- o 30,000 stock options to each non-employee Director;
- o an additional 20,000 stock options to the Chairman of the Audit Committee;
- o an additional 10,000 stock options to the Chairman of the Compensation Committee; and
- o an additional 10,000 stock options to the other Audit Committee members.

In accordance with the policy, 200,000 stock options, with an exercise price of \$0.70, were granted in June 2004 to the five non-employee Directors. This grant represents compensation for director services to be performed over the fiscal year 2005.

EMPLOYEE BENEFIT PLANS

SHARPS COMPLIANCE CORP. 1993 STOCK PLAN

General. Effective November 16, 1993, the stockholders of the Company approved the Stock Plan. Under the Stock Plan, (a) employees of the Company and any subsidiary of the Company may be awarded incentive stock options ("ISOs"), as defined in Section 422A(b) of the Internal Revenue Code of 1986, as amended (the "Code"), and (b) employees, consultants and affiliates or any other person or entity, as determined by the Administrator to be in the best interests of the Company, may be granted (i) stock options which do not qualify as ISOs ("Non-qualified Options"), (ii) awards of stock in the Company ("Awards"), (iii) stock appreciation rights ("SARs") in conjunction with, or independently of, options granted thereunder, (iv) performance awards in the form of units ("Units") representing phantom shares of stock, (v) non-employee director options and (vi) opportunities to make direct purchases of stock in the Company ("Purchases"). ISOs and Non-qualified Options are collectively referred to as "Options," and together with Awards, SARs, Units, Purchases and non-employee director options are collectively referred to as "Stock Rights."

Shares Subject to the Stock Plan. The Stock Plan authorizes the issuance of up to 3,000,000 shares. At September 24, 2004, options to purchase 2,326,390 shares had been granted under the Stock Plan. If any Stock Right granted under the Stock Plan terminates, expires or is surrendered, new Stock Rights may thereafter be granted covering such shares.

Administration. The Stock Plan is administered by the Board of Directors (the "Administrator"). Subject to the terms of the Stock Plan, the Administrator has the authority to determine the persons to whom Stock Rights (except non-employee director options) shall be granted, the number of shares

Edgar Filing: SHARPS COMPLIANCE CORP - Form DEF 14A

covered by each such grant, the exercise or purchase price per share, the time or times at which Stock Rights shall be granted, whether each option granted shall be an ISO or a Non-qualified Option, whether restrictions such as repurchase options are to be imposed on shares subject to Stock Rights and the nature of such restrictions, if any. The interpretation or construction by the Administrator of the Stock Plan or with respect to any Stock Rights granted thereunder shall, unless otherwise determined by the Board of Directors, be final. The option price for ISOs may not be less than 100% of the fair market value of the Common Stock on the date of grant, or 110% of the fair market value with respect to any ISO issued to a holder of 10% or more of the Company's shares. There is no price requirement for Non-qualified Stock Options. In no event may the aggregate fair market value (determined on the date of the grant of an ISO) of Common Stock for which ISOs granted to any employee under the Stock Plan are exercisable for the first time by such employee during any calendar year exceed \$100,000. The Stock Plan further directs the Administrator to set forth provisions in Option agreements regarding the exercise and expiration of Options according to stated criteria. The Administrator oversees the methods of exercise of Options, with attention being given to compliance with appropriate securities laws and regulations. The Stock Plan permits the use of already owned Common Stock as payment for the exercise price of Stock Rights.

17

Eligibility for Granting of Stock Rights. ISOs may be granted under the Stock Plan only to employees of the Company. Non-qualified Options, SARs and Units may be granted to any officer, employee, consultant or affiliate of the Company, or any other person or entity, as determined by the Administrator to be in the best interests of the Company.

Awards. Restricted stock awards may be granted under the Stock Plan at the discretion of the Administrator. The grantee purchases the number of shares subject to the Award, usually for a nominal price such as the par value. The shares, however, are held in escrow and may not be sold until they are vested in accordance with the terms of the grant, such as continued employment for a specific period of time, accomplishment by the Company of certain goals, or a combination of criteria. Upon termination of the Award, all unvested shares are repurchased by the Company for the same nominal purchase price originally paid for the stock. As of September 24, 2004 the Company had not granted any Awards under the Stock Plan.

Stock Appreciation Rights. Options (except non-employee director options) granted under the Stock Plan may be granted in tandem with SARs ("tandem SARs") or independently of and not in tandem with an Option ("naked SARs"). SARs will become exercisable at such time or times, and on such conditions, as specified in the grant. Any tandem SAR granted with an ISO may be granted only at the date of grant of such ISO. Any tandem SAR granted with a Non-qualified Option may be granted either at or after the time such Option is granted. As of September 24, 2004, the Company had not granted any SARs under the Stock Plan.

A tandem SAR is the right of an optionee, without payment to the Company (except for applicable withholding taxes), to receive the excess of the fair market value per share on the date which such SAR is exercised over the option price per share as provided in the related underlying Option. A tandem SAR granted with an Option shall pertain to, and be exercised only in conjunction with, the related underlying Option granted under the Stock Plan and shall be exercisable and exercised only to the extent that the underlying Option is exercisable. The tandem SAR shall become either fully or partially non-exercisable and shall then be fully or partially unexercisable and fully or partially forfeited if the exercisable portion, or any part thereof, of the

Edgar Filing: SHARPS COMPLIANCE CORP - Form DEF 14A

underlying Option is exercised, and vice versa.

A naked SAR may be granted irrespective of whether the recipient holds, is being granted or has been granted any Options under any stock plan of the Company. A naked SAR may be granted irrespective of whether the recipient holds, is being granted or has been granted any tandem SARs. A naked SAR may be made exercisable without regard to the exercisability of any Option.

Units. The Stock Plan provides that performance awards in the form of Units may be granted either independently of or in tandem with a Stock Right, except that such Units shall not be granted in tandem with ISOs. Units granted shall be based on various performance factors and have such other terms and conditions at the discretion of the Administrator. As of September 24, 2004, the Company had not granted any Units under the Stock Plan.

18

Termination and Amendment of the Stock Plan. The Board of Directors may terminate or amend the Stock Plan in any respect or at any time, except that no amendment requiring stockholder approval under the provisions of the Code and related regulations relating to ISOs or under Rule16b-3 will be effective without approval of stockholders as required and within the times set by such rules.

EMPLOYMENT AGREEMENTS

The Company entered into an employment agreement with Dr. Burton J. Kunik on December 11, 2002 and (effective January 1, 2003). This agreement provides for a two-year term, unless terminated as provided therein, an annual salary of \$200,000 and an incentive bonus at the discretion of the Compensation Committee. In conjunction with the execution of the Agreement in December 2002, Mr. Kunik received a cash bonus in the amount of \$80,000.

The employment agreement with Dr. Kunik provides that if he is terminated without "cause" (as defined in the employment agreement) or if he resigns his employment for "good reason" (as defined in the employment agreement), he will be entitled to, at his election, either (i) a lump-sum payment in the amount equal to his base salary for the unexpired term of the agreement or (ii) continuation of his base salary and benefits through the unexpired term of the employment agreement.

Dr. Kunik's employment agreement is subject to early termination as provided therein, including termination by the Company for "cause" (as defined in the employment agreement) or termination by the employee for "good reason" (as defined in the employment agreement). The employment agreement also provides that if, at any time within 12 months of a change of control (as defined), the employee ceases to be an employee by reason of (i) termination by the employer without "cause" (as defined in the employment agreement) or (ii) voluntary termination by the employee for "good reason upon change of control" (as defined in the employment agreement), in addition to the severance stated above, he shall receive an additional payment that, when added to all other payments received in connection with a change of control, will result in the maximum amount allowed to be paid to an employee without triggering an excess parachute payment (as defined by the Internal Revenue Code), and all benefits (as defined by the employment agreement) shall continue throughout the remainder of the term of the agreement. In the event the employer is merged or acquires a company in a field outside of the current product alignment, the employer and the employee could consider the assignment of existing product lines and technology to the employee or his assignee as part of or in lieu of the above severance pay.

Edgar Filing: SHARPS COMPLIANCE CORP - Form DEF 14A

On June 14, 2004, the Company provided Mr. Ronald E. Pierce, its then current Chief Operating Officer ("Mr. Pierce"), with notice of non-renewal of his employment agreement. As such, July 14, 2004 was Mr. Pierce's last day of employment the Company has advised Mr. Pierce that under the terms of the employment contract no further compensation (including services) was due. The Company then received various letters from Mr. Pierce's attorney advising that Mr. Pierce is taking the position that the non-renewal of the employment agreement was not timely and, therefore, Mr. Pierce was terminated without cause. Additionally, Mr. Pierce claims that the Company had no right to terminate him on the anniversary date of his Agreement without the obligation of paying Mr. Pierce as if he were terminated without cause. Mr. Pierce has demanded severance related payments totaling approximately \$280,000 (including a \$80,000 bonus) along with the full accelerated vesting of 500,000 stock options previously awarded to Mr. Pierce. The Company believes that notice of such non-renewal was timely, and that in accordance with Mr. Pierce's employment agreement, the company was entitled to provide notice thirty (30) days prior to the anniversary of its intent to terminate the agreement, and no severance would therefore be due to Mr. Pierce. On July 30, 2004, the Company received notice from Mr. Pierce's attorney requesting commencement of arbitration to resolve the claim. The Company believes it has meritorious defenses against Mr. Pierce's claims and has not recorded a liability related to this matter.

19

The Company originally entered into an employment agreement with its Senior Vice President and Chief Financial Officer, David P. Tusa on July 14, 2003. The employment agreement was automatically renewed on July 14, 2004. The agreement expires one year from its effective date, subject to automatic annual extensions, unless the Company notifies employee of its intent to terminate the employment agreement at least thirty (30) days prior to the anniversary date. The employment agreement further provides that if the Company terminates the employment without cause during the term, Mr. Tusa would be entitled to nine month's salary, plus a pro-rata portion of any earned bonus. Additionally, Mr. Tusa would be entitled to continuation of benefits until the earlier of the end of the severance period or employment with another organization. Mr. Tusa is also entitled to participate in a Board of Director approved incentive compensation plan.

The Company originally entered into an employment agreement with its Senior Vice President of Sales and Marketing, Michael D. Archer on July 14, 2003. The employment agreement was automatically renewed on July 14, 2004. The agreement expires one year from its effective date, subject to automatic annual extensions, unless the Company notifies employee of its intent to terminate the employment agreement at least thirty (30) days prior to the anniversary date. The employment agreement further provides that if the Company terminates the employment without cause during the term, Mr. Archer would be entitled to six month's salary, plus a pro-rata portion of any earned bonus. Additionally, Mr. Archer would be entitled to continuation of benefits until the earlier of the end of the severance period or employment with another organization. Mr. Archer is also entitled to participate in a Board of Director approved incentive compensation plan.

As stated above, one of the issues in the Company's dispute with Mr. Pierce is whether the Company's decisions not to renew his contract and terminate same constitutes a termination without cause. If the arbitrators disagree with the Company's position, and determines that termination of the contract upon the anniversary date is the same as termination without cause during the term, then Mr. Tusa and Mr. Archer who have similar provisions in each of their respective employee agreements would likewise be entitled to such

Edgar Filing: SHARPS COMPLIANCE CORP - Form DEF 14A

severance compensation if, in the future, it was determined that either or both of them was terminated in the same manner.
