This current report of MBIA Inc. includes statements that are not historical or current facts and are “forward-looking statements” made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. The words “believe,” “anticipate,” “project,” “plan,” “expect,” “intend,” “will likely result,” “looking forward” or “will continue,” and other similar expressions identify forward-looking statements. The following are some of the factors that could affect financial performance or could cause actual results to differ materially from estimates contained in or underlying the Company’s forward-looking statements: the possibility that the Company will experience severe losses due to the continued deterioration in the performance of residential mortgage-backed securities and collateralized debt obligations; fluctuations in the economic, credit, interest rate or foreign currency environment in the United States and abroad; level of activity within the national and international credit markets; competitive conditions and pricing levels; legislative or regulatory developments; technological developments; changes in tax laws; changes in the Company’s credit ratings; the effects of mergers, acquisitions and divestitures; and uncertainties that have not been identified at this time. The Company undertakes no obligation to publicly correct or update any forward-looking statement if it later becomes aware that such results are not likely to be achieved. The reader should, however, consult any further disclosures the Company may make in its future filings of its reports on Form 10-K, Form 10-Q and Form 8-K.
