Dear Fellow Shareholder:

We are pleased to report that we recently filed our audited financial statements for the three years ended December 31, 2006 in our Annual Report on Form 20-F with the U.S. Securities and Exchange Commission. Completion of the 2006 audit was a crucial step toward returning Taro to timely financial reporting. Shareholders may obtain a copy of that filing on our website at www.taro.com or at www.sec.gov.

Also enclosed is a press release providing preliminary unaudited results for the year ended December 31, 2009, which shows our continued strong financial and operating results.

Taro's primary objective is now to fulfill the requirements needed to relist the Company's shares on a national stock exchange. To that end, we are focusing our energies on completing the audits of our 2007, 2008 and 2009 financial statements. To better achieve that goal, our Board of Directors recommends that you vote for the termination of Kost Forer Gabbay and Kasierer, Certified Public Accountants (Israel), a member of Ernst and Young Global ("Kost Forer"), as the Company's independent auditors and appoint Ziv Haft, Certified Public Accountants (Israel), a BDO member firm ("Ziv Haft"), as our new independent auditors.

The decision to recommend appointment of new auditors was made after careful consideration by the Company's Audit Committee and Board of Directors, who believe that it is in the interest of Taro to engage new independent auditors. We believe this change will be the most expeditious way to move forward with the audits for 2007, 2008 and 2009 and to achieve our ultimate objective of relisting the Company on a national stock exchange.

As described in the enclosed notice and proxy statement, an Extraordinary General Meeting of the Shareholders is scheduled to take place on May 21, 2010 asking shareholders to terminate the appointment of Kost Forer as the Company's independent auditors and appoint Ziv Haft in their stead.

Voting instructions may be found in the enclosed proxy statement. We recommend that you vote "FOR" the appointment of new independent auditors for Taro.

Every vote is important and we urge you to promptly return your proxy card.

Sincerely,

/s/ Barrie Levitt, M.D.

REPLACEMENT OF INDEPENDENT AUDITORS

At the Annual General Meeting of the Shareholders held on December 31, 2009, Kost Forer was appointed as the Company's independent auditors until the close of the next Annual General Meeting of the Shareholders.

On March 25, 2010, the audited consolidated financial statements for the three years ended December 31, 2006, were published. On April 13, 2010, the Company's 2006 Annual Report on Form 20-F was filed with the U.S. Securities and Exchange Commission.

The Audit Committee and the Board of Directors had various concerns with respect to the overall audit experience with Kost Forer, who served as the Company's auditors since 1993. Accordingly, the Audit Committee and the Board of Directors believe that it is in the interest of the Company to engage new independent auditors. Both the Audit Committee and the Board of Directors believe that a change in independent auditors would be the most expeditious way to move forward with the audits of 2007, 2008 and 2009.

At a meeting of the Audit Committee, and after Kost Forer was given the opportunity to present their position with respect to the potential termination of their appointment to the Audit Committee (which they declined), the Audit Committee decided to recommend the termination of the appointment of Kost Forer as the Company's independent auditors, for the reasons set forth above.

3

Kost Forer's report on the Company's recently filed financial statements for the three years ended December 31, 2006, did not contain any adverse opinions or disclaimers of opinion, and were not qualified or modified as to uncertainty, audit scope, or accounting principles. In addition, there were no disagreements with Kost Forer on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements if not resolved to the satisfaction of Kost Forer would have caused them to make reference to the subject matter of the disagreements in connection with their report.

Subject to the approval of the shareholders of the Company, Ziv Haft has been nominated and approved by the Board of Directors and the Audit Committee for appointment as the Company's independent auditors until the close of the next Annual General Meeting of the Shareholders of the Company.

Accordingly, the shareholders at the Meeting are requested to approve the termination of the appointment of Kost Forer as the Company's independent auditors and the appointment of Ziv Haft, in their stead as the Company's independent auditors and to authorize the remuneration of Ziv Haft to be fixed, in accordance with the volume and nature of their services, by the Audit Committee and the Board of Directors.

The Board of Directors will present the following Resolution at the Meeting:

RESOLVED, that the appointment of Kost Forer Gabbay & Kasierer as the Company's independent auditors, is hereby terminated, and that Ziv Haft, Certified Public Accountants (Israel), a BDO member firm ("Ziv Haft"), be and hereby is appointed in their stead as the Company's independent auditors until the close of the next Annual General Meeting of the Shareholders of the Company, and that the remuneration of Ziv Haft be fixed, in accordance with the volume and nature of their services, by the Audit Committee and the Board of Directors.

For the reasons set forth above, the Board of Directors unanimously recommends a vote for the above Resolution.

VOTE REQUIRED

In order to approve the above Resolution, the required vote is a majority of the votes cast at the Meeting, whether in person or by proxy.

FOR IMMEDIATE RELEASE
Hawthorne, NY, April 30, 2010

TARO PROVIDES PRELIMINARY 2009 FULL YEAR RESULTS

Hawthorne, NY, April 30, 2010 - Taro Pharmaceutical Industries Ltd. ("Taro," the "Company," Pink Sheets: TAROF) today provided preliminary, unaudited and unreviewed information on its financial performance for the year ended December 31, 2009.

2009 Financial Performance

For the year ended December 31, 2009, Taro estimates net sales of \$360.5 million, compared to estimated net sales of \$336.7 million in 2008. Gross profit in 2009 is estimated at \$205.6 million, or 57.0% of net sales, compared to estimated gross profit of \$189.4 million in 2008, or 56.3% of net sales. Operating income in 2009 is estimated at \$66.4 million, compared to an estimated \$55.1 million in 2008. Net income in 2009 is estimated at \$44.1 million, compared to an estimated \$44.4 million in 2008.

Net income for the year ended December 31, 2009 was adversely impacted by foreign exchange expenses of \$7.8 million, while net income for the year ended December 31, 2008 was positively impacted by a foreign exchange benefit of \$17.4 million. The increase in foreign exchange expenses was principally caused by the weakening of the U.S. dollar against the Canadian dollar.

Estimates for Prior Years

As a result of the completion of the restatement of the Company's financial statements for the years 2004 and 2005 and the completion of the audit of the financial statements for the year ended December 31, 2006, our estimated earnings for the years ended December 31, 2007 and 2008 were adjusted accordingly.

Net cash generated from operations in 2009 is estimated at \$64.2 million. The Company continues to strengthen its balance sheet with net debt (total debt less cash and cash equivalents, adjusted by the value of hedging instruments) significantly declining from \$105.5 million at December 31, 2008 to \$41.0 million at December 31, 2009. As of March 31, 2010, net debt further declined to \$33.2 million.

The Company continues to be out of compliance with certain financial reporting and other requirements in certain of its debt instruments due primarily to the lack of audited financial statements. The Company continues to discuss the situation with its lenders, and notes that it remains current with its payments to lenders and does not foresee the need for additional sources of outside liquidity to fund its ongoing business operations. The Company believes, in the ordinary course, that it should have sufficient liquidity to meet its cash requirements for the foreseeable future, subject to the continuing support of its lenders.

The Company cautioned that the financial information presented in this press release is based on currently available information, and is unaudited and subject to further review and change. Additionally, these results do not provide complete financial information and are subject to audit by the Company's outside auditors. However, subject to the foregoing caveats, the Company believes that the information herein represents the best information currently available to Taro management.
