Letter Agreement with Bruce D. Hoechner

On September 20, 2011, Mr. Hoechner and the Company entered into a letter agreement, which is attached to this Form 8-K as Exhibit 10.1 and is incorporated by reference. The following summary of the offer letter does not purport to be complete and is subject to and qualified in its entirety by reference to Exhibit 10.1.

Cash Compensation

Mr. Hoechner's initial annual base salary will be \$460,018. Mr. Hoechner will participate in the Company's Annual Incentive Compensation Plan beginning in 2012 and his target bonus will be at 75% of annual base salary.

Sign-On Bonus

Mr. Hoechner will be paid a sign-on bonus equal to \$220,000, which will be paid at the end of 2011. Mr. Hoechner will be required to repay the sign-on bonus if his employment is terminated other than due to a Qualifying Involuntary Termination (as defined below) before October 3, 2013.

Inducement Equity Awards

The Company has agreed to grant Mr. Hoechner the following initial equity awards on October 3, 2011 (the "Grant Date") in connection with him agreeing to join the Company:

(i) 4 Year Cliff Vested Time-Based Restricted Stock Units

The number of shares subject to the 4 Year Cliff Vested Time-Based Restricted Stock Units will be equal to \$400,000 divided by the closing price of the Company's common stock on the Grant Date. This award is scheduled to fully vest on the fourth anniversary of the Grant Date, provided that Mr. Hoechner is employed with the Company at that time.

(ii) 3 Year Graded Vested Time-Based Restricted Stock Units

The number of shares subject to the 3 Year Graded Vested Time-Based Restricted Stock Units will be equal to \$400,000 divided by the closing price of the Company's common stock on the Grant Date. This award is scheduled to vest in equal one-third increments on each of the first three anniversaries of the Grant Date, provided that Mr. Hoechner is employed by the Company on each such date.

(iii) Time-Based Stock Options

The number of stock options to purchase the Company's common stock under the Time-Based Stock Options will be equal to \$400,000 divided by the Black-Scholes value of this option with respect to each share on the Grant Date. The per share exercise price shall be equal to the closing price of the Company's common stock on the Grant Date and the Time-Based Stock Options shall have a 10 year term. Mr. Hoechner vests in 25% of the stock options upon the second anniversary of the Grant Date, 50% of the stock options upon the third anniversary of the Grant Date and 100% of the stock options upon the fourth anniversary of the Grant Date, provided that he is then employed by the Company on each such date.

Lapsing of vesting restrictions are accelerated if either Mr. Hoechner terminates employment due to death, Mr. Hoechner suffers a disability (as defined in the letter agreement) or Mr. Hoechner terminates employment due to a Qualifying Involuntary Termination. For purposes of this letter agreement, a Qualifying Involuntary Termination means either the Company terminates Mr. Hoechner's employment without "Cause" or Mr. Hoechner leaves the Company due to a "Constructive Termination," as each such term is defined in Company's form of Officer Special Severance Agreement.

Additional Equity Awards

The inducement equity awards described above include the stock option and time-based restricted stock awards that would otherwise have been granted to Mr. Hoechner during 2012 and, as such, he will next be eligible to receive additional time-based stock options and time-based restricted stock during 2013. Mr. Hoechner will be eligible to receive a grant of performance-based restricted stock units in 2012 with a grant date value equal to \$250,000.

Other Employment Benefits

The Company will reimburse automobile expenses incurred by Mr. Hoechner under the Company's Vehicle Reimbursement Program. The Company will pay Mr. Hoechner's qualifying relocation expenses under the Company's relocation policy. If Mr. Hoechner has not relocated to the general location of the Rogers headquarters by October 3, 2011, the Company will pay Mr. Hoechner an additional special relocation benefit of \$1,150 bi-weekly for two years. Mr. Hoechner will not be eligible to participate in the Company's tax-qualified defined benefit pension plan.

Severance Protection prior to a Change in Control

Mr. Hoechner shall be entitled to the following severance benefits if his employment terminates due to a Qualifying Involuntary Termination that occurs prior to a Change in Control (as defined under the Officer Special Severance Agreement the Company and Mr. Hoechner will enter into as described below) and he otherwise meets the terms and conditions of the Rogers Severance Policy for Salaried Employees:

- (i) 90 weeks of salary, which shall be paid over the 52 week period commencing upon the Qualifying Involuntary Termination.
- (ii) continued insured welfare benefit coverage under the Rogers Severance Policy for Salaried Employees for the period Mr. Hoechner receives cash payments described in (i) above.

Enhanced Severance Protection Upon a Change in Control

The Officer Special Severance Agreement to be entered into between the Company and Mr. Hoechner, which is substantially the same as that between the Company and Mr. Wachob, provides severance and the other benefits described below upon a Qualifying Involuntary Termination. The cash severance benefit will be equal to 2.5 times the sum of Mr. Hoechner's base salary at the time of termination (or, if greater, at the time of the Change in Control) and the most recent annual target bonus determined for Mr. Hoechner (or, if greater, the most recently paid bonus prior to the Change in Control). In addition, this agreement will provide a pro-rata bonus based on actual performance for the year of termination, and continuation of medical, dental and life insurance benefits for 30 months following termination. Stock options and other equity awards that vest based solely on continued employment will automatically vest if the surviving corporation does not assume the awards upon a Change in Control or upon employment termination triggering severance benefits. Performance-based restricted stock and other equity awards subject to performance vesting will be accelerated on a Change in Control on a pro rata basis and are determined based on actual company performance. If Mr. Hoechner materially breaches any of his obligations under his

non-competition covenants, he will be required to repay any severance received with respect to the period in which the breach occurred, his right to continued welfare benefits will cease and all unvested equity awards will be cancelled. The aggregate benefits under the Officer Special Severance Agreement are limited in all events to an amount that does not equal or exceed an amount that would trigger golden parachute treatment under the federal tax laws.

Other Employment Obligations

Mr. Hoechner's employment with the Company is contingent upon him signing the standard form of Rogers Corporation Employment, Invention, Confidentiality and Non-Compete Agreement applicable to the Company's officers.

On September 20, 2011, the Board approved that Mr. Hoechner be covered under the Company's standard form of indemnification agreement, which is attached to this Form 8-K as Exhibit 10.2 and is incorporated by reference. The following summary of the indemnification agreement does not purport to be complete and is subject to and qualified in its entirety by reference to Exhibit 10.2.

The indemnification agreement provides, to the fullest extent permitted under Massachusetts law, indemnification against all expenses and liabilities (as defined in the indemnification agreement) relating to, arising out of or resulting from indemnitee's status as a director or officer of the Company or any other entity when serving in such capacity at the Company's request. In addition, the indemnification agreement provides that the Company will pay in advance of a final disposition of a claim related expenses as and when incurred by the indemnitee.

Amendment to Executive Transition Agreement
