Item 4. Description of Securities.

Not applicable.

---

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Trustees and Officers.

The declaration of trust of the Registrant, as amended, restated, and supplemented (the "Declaration of Trust"), permits the Registrant, and the Registrant's Bylaws, as amended and restated (the "Bylaws"), require the Registrant, to the maximum extent permitted by Maryland law in effect from time to time, to indemnify any trustee or officer (a) against reasonable expenses incurred by him in the successful defense (on the merits or otherwise) of any proceeding to which he is made a party by reason of such status or (b) against any claim or liability to which he may become subject by reason of such status unless it is established that (i) the act or omission that was material to the matter giving rise to the procedure was committed in bad faith or was the result of active and deliberate dishonesty, (ii) he actually received an improper personal benefit in money, property or services, or (iii) in the case of a criminal proceeding, he had reasonable cause to believe that his act or omission was unlawful. The Registrant is also required by the Bylaws to pay or reimburse, in advance of a final disposition and without requiring a preliminary determination of the ultimate entitlement to indemnification, reasonable expenses of a trustee or officer made a party to a proceeding by reason of his status as such, provided, however, that in accordance with Maryland law, the Registrant has received a written affirmation by the trustee or officer of his good faith belief that he has met the applicable standard for indemnification under such Bylaws and a written undertaking to repay such expenses if it shall ultimately be determined that the applicable standard was not met. The Registrant may, with the approval of the Board of Trustees (the "Board") or any duly authorized committee, provide such indemnification and advance for expenses to any of the Registrant's employees or agents or to any person who served a predecessor entity.

Maryland law also permits the declaration of trust of a real estate investment trust to include a provision limiting the liability of trustees and officers to the trust and shareholders for money damages, except to the extent that it is provided that the trustee or officer actually received an improper benefit or profit in money, property or services or a judgment or other final adjudication adverse to the trustee or officer is entered in a proceeding based on a finding that the trustee or officer's action or failure to act was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding. The Declaration of Trust contains a provision providing for elimination of the liability of the Registrant's trustees and officers to the Registrant or the Registrant's shareholders for money damages to the maximum extent permitted by Maryland law in effect from time to time.

The Registrant has purchased a policy of Directors' and Officers' insurance that insures both the Registrant and its officers and trustees against expenses and liabilities of the type normally insured against under such policies, including the expenses of indemnification described above.

Item 7. Exemption from Registration Claimed.

Item 9. Undertakings.

The Registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (1) To include any prospectus required by Section 10(a)(3) of the Securities Act;
- (2) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;
- (3) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1) and (a)(2) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement; and

- (b) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offer thereof.

(c) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The Registrant hereby undertakes that, for the purpose of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

---

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities, other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding, is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
