Genesis signed a contract with The Jin Ma Group Company, Ltd. (Jin Ma), a real estate development company in Western China, to globalize its operations in the areas of real estate construction and hospitality. Having successfully completed a reverse acquisition with Speedhaul Holdings, Inc., Jin Ma began operating in the U.S. as Gold Horse International, Inc. (OTCBB:SPEH.OB News). Genesis Equity Partners received a 33% equity position in the new Gold Horse public company and will also receive ongoing consulting fees for coordination and oversight of its U.S. business activities. Genesis funded certain acquisition costs relative to the reverse acquisition.

In order to complete that transaction, Kenneth Clinton, the Company's Chief Operating Officer and a Director, provided a loan to Genesis of \$325,000 which, in turn, allowed Genesis Equity Partners to finalize the Gold Horse private to public project. In exchange, Genesis issued to Mr. Clinton its secured promissory note in the amount of \$325,000 which, in lieu of interest, provides Mr. Clinton with a 20% interest in the 33% equity position obtained by Genesis in Gold Horse. The note matures on December 30, 2007 and is secured by a pledge of 3,250,000 shares held by Genesis in Lotus Pharmaceuticals.
