Item 1.01 Entry into a Material Definitive Agreement.

On October 30, 2006, Integrated Electrical Services, Inc., a Delaware corporation (the Company), and certain of its subsidiaries (collectively, the Indemnitors) entered into an amendment (the Amendment), to the Restated Underwriting, Continuing Indemnity, and Security Agreement, dated as of May 12, 2006 (the Surety Agreement), with Federal Insurance Company and certain of its affiliates and subsidiaries and their respective co-sureties and reinsurers (collectively, the Surety). Under the Amendment, the Indemnitors agreed to pay the Surety a facility fee of \$500,000, of which \$250,000 was paid concurrently with the entry into the Amendment and the balance will be paid on or before January 2, 2007. The Amendment deletes the expiration date for issuance of bonds under the Surety Agreement, and deletes the cap on the aggregate amount of bonds that may be issued in any calendar month. The Amendment also provides for the reduction of the existing pledged collateral amount to \$14,002,045 by January 2, 2007, and, together with the existing letters of credit, the total of this collateral that will continue to be held by the Surety will be \$35,000,000 as of January 3, 2007. The excess collateral amount of approximately \$4.8 million was returned to the Indemnitors on November 1, 2006. The amendment removes prior restrictions on writing bonds to two of IES subsidiaries. The Amendment reduces the bond premium from \$17.50 per \$1,000.00 to \$15.00 per \$1,000.00. Additionally, the Amendment amends the definition of Surety Loss to exclude certain professional fees incurred before October 31, 2006, from the Surety's costs.

The foregoing description of the Amendment is qualified in its entirety by reference to the Amendment, which is incorporated herein by reference and attached hereto as Exhibit 10.1.
