PROXY STATEMENT

These Proxy materials are delivered in connection with the solicitation by the Board of Directors of Tarrant Apparel Group, a California corporation ("Tarrant," the "Company", "we", or "us"), of Proxies to be voted at our 2003 Annual Meeting of Shareholders and at any adjournments or postponements.

You are invited to attend our Annual Meeting of Shareholders on Wednesday, May 28, 2003, beginning at 10:00 a.m. Pacific Time. The meeting will be held at our corporate headquarters, 3151 East Washington Boulevard, Los Angeles, California, 90023.

It is anticipated that the 2002 Annual Report and this Proxy Statement and the accompanying Proxy will be mailed to shareholders on or about April 25, 2003.

SHAREHOLDERS ENTITLED TO VOTE. Holders of our common stock at the close of business on March 31, 2003 are entitled to receive this notice and to vote their shares at the Annual Meeting. Common stock is the only outstanding class of securities of the Company entitled to vote at the Annual Meeting. As of March 31, 2003, there were 15,765,425 shares of common stock outstanding.

PROXIES. Your vote is important. If your shares are registered in your name, you are a shareholder of record. If your shares are in the name of your broker or bank, your shares are held in street name. We encourage you to vote by Proxy so that your shares will be represented and voted at the meeting even if you cannot attend. All shareholders can vote by written Proxy card. Your submission of the enclosed Proxy will not limit your right to vote at the Annual Meeting if you later decide to attend in person. IF YOUR SHARES ARE HELD IN STREET NAME, YOU MUST OBTAIN A PROXY, EXECUTED IN YOUR FAVOR, FROM THE HOLDER OF RECORD IN ORDER TO BE ABLE TO VOTE AT THE MEETING. If you are a shareholder of record, you may revoke your Proxy at any time before the meeting either by filing with the Secretary of the Company, at its principal executive offices, a written notice of revocation or a duly executed Proxy bearing a later date, or by attending the Annual Meeting and expressing a desire to vote your shares in person. All shares entitled to vote and represented by properly executed Proxies received prior to the Annual Meeting, and not revoked, will be voted at the Annual Meeting in accordance with the instructions indicated on those Proxies. If no instructions are indicated on a properly executed Proxy, the shares represented by that Proxy

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

will be voted as recommended by the Board of Directors.

QUORUM. The presence, in person or by Proxy, of a majority of the votes entitled to be cast by the shareholders entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker non-votes will be included in the number of shares present at the Annual Meeting for determining the presence of a quorum. Broker non-votes occur when a broker holding customer securities in street name has not received voting instructions from the customer on certain non-routine matters and, therefore, is barred by the rules of the applicable securities exchange from exercising discretionary authority to vote those securities.

VOTING. Each share of our common stock is entitled to one vote on each matter properly brought before the meeting. Abstentions will be counted toward the tabulation of votes cast on proposals submitted to shareholders and will have the same effect as negative votes, while broker non-votes will not be counted as votes cast for or against such matters.

ELECTION OF DIRECTORS. The Company's Restated Articles of Incorporation does not authorize cumulative voting. In the election of directors, the candidates receiving the highest number of votes at the Annual Meeting will be elected. If any nominee is unable or unwilling to serve as a director at the time of the Annual Meeting, the Proxies will be voted for such other nominee(s) as shall be designated by the current Board of Directors to fill any vacancy. The Company has no reason to believe that any nominee will be unable or unwilling to serve if elected as a director.

APPROVAL OF ISSUANCE OF COMMON STOCK UPON CONVERSION OF SERIES A PREFERRED STOCK. The approval of the issuance of up to 3 million shares of our common stock issuable upon conversion of our outstanding shares of Series

2

A Preferred Stock will require the affirmative vote of a majority of the shares of common stock present or represented and entitled to vote at the Annual Meeting.

RATIFICATION OF EXECUTIVE STOCK OPTION GRANTS. The ratification of the grant of options to purchase an aggregate of 2 million shares of our common stock to certain executive officers will require the affirmative vote of a majority of the shares of common stock present or represented and entitled to vote at the Annual Meeting.

RATIFICATION OF INDEPENDENT PUBLIC ACCOUNTANTS. The ratification of the appointment of Ernst & Young LLP as our independent public accountants for the year ended December 31, 2003 will require the affirmative vote of a majority of the shares of common stock present or represented and entitled to vote at the Annual Meeting.

OTHER MATTERS. At the date this Proxy Statement went to press, we do not know of any other matter to be raised at the Annual Meeting.

In the event a shareholder proposal was not submitted to the Company prior to February 27, 2003, the enclosed Proxy will confer authority on the Proxyholders to vote the shares in accordance with their best judgment and discretion if the proposal is presented at the Meeting. As of the date hereof, no shareholder proposal has been submitted to the Company, and management is not aware of any

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

other matters to be presented for action at the Meeting. However, if any other matters properly come before the Meeting, the Proxies solicited hereby will be voted by the Proxyholders in accordance with the recommendations of the Board of Directors. Such authorization includes authority to appoint a substitute nominee for any Board of Directors' nominee identified herein where death, illness or other circumstance arises which prevents such nominee from serving in such position and to vote such Proxy for such substitute nominee.

ITEM 1: ELECTION OF DIRECTORS

Item 1 is the election of three Class I members of the Board of Directors. The Restated Articles of Incorporation of the Company provides that, commencing with the 1998 annual meeting, the Board of Directors shall be divided into two classes which are elected for staggered two year terms. One of the two classes is elected each year to succeed the directors whose terms are expiring. The Restated Bylaws of the Company provides that the number of directors of the Company shall be fixed from time to time exclusively by the Board of Directors, but shall not be less than six nor more than eleven. The Board of Directors has fixed the number of directors at nine.

The Class I directors whose terms expire at the 2003 Annual Meeting are Karen Wasserman, Milton Koffman, Barry Aved and Mitchell Simbal. The Board of Directors has nominated Milton Koffman, Barry Aved and Mitchell Simbal to serve as Class I directors for terms expiring in 2005. The Class II directors are serving terms that expire in 2004. Ms. Wasserman will not stand for re-election as a Class I director and her service as a member of the board of directors will terminate at the Annual Meeting. At the conclusion of the Annual Meeting, there will be one vacancy in the Class I directors.

Unless otherwise instructed, the Proxy holders will vote the Proxies received by them for the nominees named below. If any nominee is unwilling to serve as a director at the time of the Annual Meeting, the Proxies will be voted for such other nominee(s) as shall be designated by the then current Board of Directors to fill any vacancy. The Company has no reason to believe that any nominee will be unable or unwilling to serve if elected as a director.

The Board of Directors proposes the election of the following nominees as Class I directors:

Milton Koffman
Barry Aved
Mitchell Simbal

If elected, the foregoing three nominees are expected to serve until the 2005 Annual Meeting of Shareholders. The three nominees for election as Class I directors at the Annual Meeting who receive the highest number of affirmative votes will be elected.

The principal occupation and certain other information about the nominees, other directors whose terms of office continue after the Annual Meeting, and certain executive officers are set forth on the following pages.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF THE

DIRECTORS' COMPENSATION. The Company pays to each director who is not employed by the Company \$4,000 per month for attending meetings of the Board of Directors and committees of the Board of Directors, and reimburses such person for all expenses incurred by him in his capacity as a director of the Company. In addition, each director not employed by the Company, upon joining the Board of Directors, will receive an option to purchase 20,000 shares of our common stock and, thereafter, an option to purchase 4,000 shares of common stock on the date of each annual meeting at which such person is reelected to serve as a director. Such options will have an exercise price equal to the fair market value of such shares on the date of grant, become exercisable so long as the recipient continues to serve as a director in four equal annual installments commencing on the first anniversary of the grant thereof, and expire on the tenth anniversary of the date of grant.

7

ITEM 2: APPROVAL OF ISSUANCE OF COMMON STOCK UPON CONVERSION OF SERIES A PREFERRED STOCK

Item 2 is the approval of the issuance of up to 3 million shares of our common stock upon conversion of our outstanding shares of Series A Preferred Stock. The Board of Directors has approved, contingent upon approval by the Company's shareholders at the Annual Meeting, the issuance of up to 3,000,000 shares of our common stock (the "Series A Conversion Shares") upon conversion of the Company's outstanding shares of Series A Preferred Stock. The Board of Directors is submitting the proposal to approve the issuance of the Series A Conversion Shares to the shareholders for approval at the Annual Meeting.

The Series A Conversion Shares, when issued, would become part of the existing class of common stock and would have the same rights and privileges as the shares of common stock now issued and outstanding. There are no preemptive rights relating to the common stock. As of March 31, 2003, there were 15,765,425 shares of our common stock issued and outstanding. If issued, the Series A Conversion Shares would represent approximately 16.0% of our issued and outstanding shares of common stock. The continued listing requirements of the Nasdaq Stock Market's National Market System prohibit the Company from issuing the Series A Conversion Shares unless and until the issuance has been approved by the shareholders.

ACQUISITION OF TWILL MILL.

On December 31, 2002, the Company's wholly-owned subsidiaries, Tarrant Mexico, S. de R.L. de C.V. ("Tarrant Mexico") and Machrima Luxembourg International, Sarl ("Tarrant Luxembourg" and, together with Tarrant Mexico, the "Purchasers"), acquired a denim and twill manufacturing plant in Tlaxcala, Mexico, including

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

all machinery and equipment used in the plant, the buildings, and the real estate on which the plant is located (the "Acquisition"). The Acquisition was made pursuant to an Agreement for the Purchase of Assets and Stock, dated as of December 31, 2002 (the "Purchase Agreement"), by and among the Company, the Purchasers, Trans Textil International, S.A. de C.V. ("Trans Textil"), Inmobiliaria Cuadros, S.A. de C.V. ("Inmobiliaria"), Rosa Lisette Nacif Benavides, Gazi Nacif Borge, Jorge Miguel Echevarria Vazquez, and Kamel Nacif Borge.

Pursuant to the Purchase Agreement, Tarrant Mexico purchased from Trans Textil all of the machinery and equipment used in and located at the plant, and the Purchasers acquired from Jorge Miguel Echevarria Vazquez and Rosa Lisette Nacif Benavides all the issued and outstanding capital stock of Inmobiliaria, which owns the buildings and real estate. A portion of the purchase price for the Inmobiliaria shares consisted of the issuance to Rosa Lisette Nacif Benavides of 100,000 shares of a newly created, non-voting Series A Preferred Stock of the Company (the "Preferred Shares"), which will become convertible into 3,000,000 shares of common stock if the Company's common shareholders approve the issuance of the Series A Conversion Shares.

Pursuant to the Purchase Agreement, the Company issued the Preferred Shares to a subsidiary of the Company, and subsequently caused the transfer of the Preferred Shares to Rosa Lisette Nacif Benavides as partial repayment of indebtedness owed by Inmobiliaria to Ms. Benavides.

TERMS OF SERIES A PREFERRED STOCK.

Except as required by law, the Preferred Shares have no voting rights. The Preferred Shares accrue dividends at an annual rate of 7% of the initial stated value of \$88.20 per share. In the event of a liquidation, dissolution or winding-up of the Company, the Preferred Shares will be entitled to receive, prior to any distribution on the common stock, a distribution equal to the initial stated value of the Preferred Shares plus all accrued and unpaid dividends.

If the shareholders approve the issuance of the Series A Conversion Shares, each Preferred Share will be convertible, at the option of the holder, into 30 shares of our common stock (as adjusted for stock dividends, combinations, splits or similar events), for an aggregate of 3,000,000 shares of common stock. If the shareholders do not approve the issuance of the conversion shares at the Annual Meeting, the Company will then have the right to redeem any or all of the Preferred Shares for a price equal to the stated value plus all accrued and unpaid dividends.

The Company granted the holder of the Series A Conversion Shares "piggyback" registration rights, which provide such holder the right, under certain circumstances, to have such shares registered for resale under the Securities Act of 1933.

CERTAIN EFFECTS OF THE PROPOSAL.

The Board of Directors believes that the approval of the issuance of the Series A Conversion Shares is in the best interests of the Company and the shareholders. However, the following should be considered by a shareholder in deciding how to vote upon the proposal.

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

If the issuance of the Series A Conversion Shares is approved by the shareholders at the Annual Meeting, the holder or holders of the Preferred Shares would immediately have the right to convert each Preferred Share into 30 shares of common stock, or an aggregate of 3,000,000 shares of common stock. The holder or holders of the Preferred Shares are under no obligation to convert the Preferred Shares into common stock even if the issuance of the Series A Conversion Shares is approved.

When issued, the Series A Conversion Shares would represent approximately 16.0% of the Company's outstanding shares of common stock, based upon the 15,765,425 shares of our common stock outstanding as of March 31, 2003. As a result, following conversion of the Preferred Shares, the holder or holders of the Preferred Shares will own a substantial portion of our voting securities. Rosa Lisette Nacif Benavides, the current holder of the Preferred Shares, is the daughter of Kamel Nacif Borge. Mr. Nacif is an employee of Tarrant Mexico and the beneficial owner of 14.9% of our outstanding common stock as of February 28, 2003. Jamil Textil, S.A. de C.V., an entity controlled by Mr. Nacif, owns 1,724,000 shares of our common stock, representing approximately 10.9% of our outstanding common stock as of February 28, 2003. Collectively, Ms. Benevides, Mr. Nacif and Jamil Textil would beneficially own approximately 29.0% of our outstanding common stock following conversion of the Preferred Shares and issuance of the Series A Conversion Shares. If acting together, such shareholders would be able to exercise significant voting power on matters on which the shareholders are entitled to act.

If the issuance of the Series A Conversion Shares is approved, the shareholders would experience substantial dilution in the percentage of Company equity they own upon conversion of the Preferred Shares and issuance of the Series A Conversion Shares. The issuance of such additional shares might be disadvantageous to current shareholders in that any additional issuances would potentially reduce per share dividends, if any. Shareholders should consider, however, that the possible impact upon dividends is likely to be minimal in view of the fact that the Company has never paid dividends, has never adopted a policy with respect to the payment of dividends and does not intend to pay any cash dividends in the foreseeable future. The Company instead intends to retain earnings for use in financing growth and additional business opportunities.

If the issuance of the Series A Conversion Shares is not approved, the Company will then have the right to redeem any or all of the Preferred Shares for a price equal to the stated value plus all accrued and unpaid dividends. The aggregate stated value of the Preferred Shares is \$3 million.

BOARD RECOMMENDATION AND VOTE.

The approval of the issuance of the Series A Conversion Shares will require the affirmative vote of a majority of the shares of common stock present or represented and entitled to vote at the Annual Meeting. The Board of Directors is of the opinion that the issuance of the Series A Conversion Shares is in the best interests of the Company and recommends a vote for the approval of the issuance of the Series A Conversion Shares. All Proxies will be voted to approve the issuance of the Series A Conversion Shares unless a contrary vote is indicated on the enclosed Proxy card.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE APPROVAL OF ISSUANCE OF UP TO 3,000,000 SHARES OF COMMON STOCK UPON CONVERSION OF THE SERIES A PREFERRED STOCK.

ITEM 3: RATIFICATION OF EXECUTIVE STOCK OPTION GRANTS

Item 3 is the ratification of the grants to Gerard Guez and Todd Kay of options to purchase 1 million shares each of our common stock.

TERMS OF OPTION GRANTS.

Effective as of March 28, 2003, the Compensation Committee approved the grant to Messrs. Guez and Kay of options to purchase 1 million shares each of the Company's common stock (the "Executive Options"), subject to approval of the Executive Options by the shareholders at the Annual Meeting. The exercise price of the Executive Options is \$3.65 per share, the closing price of our common stock on the day the grants were approved by the Compensation Committee. As of April 3, the closing price of our common stock as reported on the Nasdaq National Market System was \$3.86 per share. So long as Messrs. Guez and Kay remain employed with the Company, the Executive Options will vest and become exercisable in four equal annual installments of 250,000 shares commencing on the first anniversary of the date of grant. These Executive Options will expire on the tenth anniversary of the date of grant. The Executive Options are granted to Messrs. Guez and Kay in consideration of their services as officers of the Company.

CERTAIN EFFECTS OF THE PROPOSAL.

Unless the grant of the Executive Options complies with the provisions of Section 162(m) of the Internal Revenue Code of 1986 as amended (the "Code"), and the regulations promulgated thereunder (as discussed below), the Company may be denied a deduction for compensation attributable to the Executive Options granted to an optionee to the extent that such compensation exceeds \$1 million in a given year. Pursuant to the provisions of Section 162(m), the Executive Options must be disclosed to and approved by the Company's shareholders. If the shareholders do not approve the Executive Options at the Annual Meeting, the Executive Options will not be granted. The Company believes it is in the best interest of the Company and its shareholders for the shareholders to approve the Executive Options so that the options will be issued and the Company will be able to claim a compensation deduction attributable to the Executive Options.

SECTION 162(M) LIMITATIONS. The following is intended only as a brief summary of the federal income tax rules relevant to the grant of options to certain officers. These rules are highly technical and subject to change in the future.

Section 162(m) of the Code, generally disallows the deduction of compensation income in excess of \$1,000,000 paid to a "covered employee." Thus, if an officer remains a "covered employee," meaning either the Chief Executive Officer or one of the other four most highly compensated employees of the Company whose compensation is required to be disclosed under the Securities Exchange Act of 1934, and he or she were to exercise his or her options such that he or she receives more than \$1,000,000 in compensation in any given taxable year, the Company would not be allowed to deduct that portion of such officer's otherwise deductible compensation that exceeded \$1,000,000.

Section 162(m) of the Code does not apply, however, to compensation that meets the following four criteria: (1) the compensation is based solely on the attainment of performance goals; (2) the performance goals are determined by a compensation committee of the Board of Directors comprised solely of two or more outside directors; (3) the material terms of the compensation are disclosed to stockholders and approved by a majority vote of the stockholders; and (4) certification by the compensation committee that the performance goals have been

met.

UNITED STATES FEDERAL INCOME TAX CONSEQUENCES.

The following is a general discussion of the principal federal income tax consequences of the Executive Options grants.

CONSEQUENCES TO OPTIONEES. The optionees will recognize no income at the time Executive Options are granted. In general, at the time shares are issued to an optionee pursuant to exercise of the Executive Options, the optionee will recognize income taxable at ordinary income tax rates equal to the excess of the fair market value of the shares on the date of exercise over the exercise price of such shares. An optionee will recognize gain or loss on the subsequent sale of shares acquired upon exercise of the Executive Options in an amount equal to the difference between the selling price and the tax basis of the shares, which will include the price paid plus the amount included in the optionee's taxable income by reason of the exercise of the Executive Options. Provided the shares are held as

10

a capital asset, any gain or loss resulting from a subsequent sale will be short-term or long-term capital gain or loss depending upon the length of time the shares have been held.

CONSEQUENCES TO COMPANY. The Company generally will be entitled to a deduction for United States federal income tax purposes in the same year and in the same amount as the optionee is considered to have recognized income taxable at ordinary income tax rates in connection with the exercise of Executive Options. In certain instances, the Company may be denied a deduction for compensation attributable to the Executive Options granted to an optionee to the extent that such compensation exceeds \$1 million in a given year.

BOARD RECOMMENDATION AND VOTE.

The Shareholders will be asked at the Annual Meeting to consider and act upon a proposal to ratify the grant of such options. The proposal to ratify the grant of such options requires the affirmative vote of a majority of the shares of common stock represented and entitled to vote at the Annual Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE EXECUTIVE STOCK OPTION GRANTS.

11

ITEM 4: RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

Item 4 is the ratification of Ernst & Young LLP as our independent public accountant for the year ending December 31, 2003. The Audit Committee of the Board of Directors recommended and the Board of Directors has selected, subject to ratification by a majority vote of the shares of common stock present or represented and entitled to vote at the Annual Meeting, the firm of Ernst & Young LLP to continue as our independent public accountant for the current fiscal year ending December 31, 2003. Ernst & Young LLP has served as the principal independent public accounting firm utilized by us during the years ended December 31, 1995 through 2002. We anticipate that a representative of Ernst & Young LLP will attend the Annual Meeting for the purpose of responding to appropriate questions. At the Annual Meeting, a representative of Ernst & Young LLP will be afforded an opportunity to make a statement if he or she so desires.

While there is no legal requirement that this proposal be submitted to shareholders, it will be submitted at the Annual Meeting nonetheless, as the Board of Directors believes that the selection of auditors to audit the Company's consolidated financial statements is of sufficient importance to seek shareholder approval. If the shareholders do not ratify this appointment, other firms of certified public accountants will be considered by the Board of Directors upon recommendation of the Audit Committee.

The ratification of Ernst & Young LLP as the Company's independent public accountants for the fiscal year ended December 31, 2003 will require the affirmative vote of a majority of the shares of common stock present or represented and entitled to vote at the Annual Meeting. All Proxies will be voted to approve the Amendment unless a contrary vote is indicated on the enclosed Proxy card.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS.

The Board of Directors has approved the extension of the Guez Agreement for three additional years. EMPLOYEE BENEFIT PLANS

The Company has adopted the Tarrant Apparel Group Employee Incentive Plan (the "Employee Incentive Plan"). Up to 5,100,000 shares of our common stock are authorized to be issued pursuant to the Employee Incentive Plan. The Employee Incentive Plan currently provides for the issuance of incentive stock options, non-qualified stock options, stock appreciation rights, restricted stock and other performance-based benefits. The purpose of the Employee Incentive Plan is to enable the Company to attract, retain and motivate officers, directors, employees and independent contractors by providing for performance-based benefits. The Employee Incentive Plan is administered by the Compensation Committee of the Board of Directors. As of December 31, 2002, there were 3,376,487 shares of our common stock subject to outstanding options, 1,723,513 shares (subject to adjustment to prevent dilution) available for awards granted under the Employee Incentive Plan.

In 1994, the Company adopted a Profit Sharing 401(k) Plan (the "Profit Sharing Plan") which is intended to be qualified under Section 401(k) of the Internal Revenue Code of 1986, as amended. To be eligible, an employee must have been employed by the Company for at least one year. The Profit Sharing Plan permits employees who have completed one year of service to defer from 1% to 15% of their annual compensation into the Profit Sharing Plan. Additional annual contributions may be made at the discretion of the Company, and a 50% (100% effective July 1, 1995) matching contribution may be made by the Company up to a maximum of 6% (5% effective July 1, 1995) of a participating employee's annual

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

compensation. Contributions made by the Company vest according to a schedule set forth in the Profit Sharing Plan.

In 1992, Tarrant HK adopted a National Mutual Central Provident Fund (the "Provident Fund") which has been approved under Section 87A of the Inland Revenue Ordinance by the Inland Revenue Department of Hong Kong. To be eligible, an employee must have been employed by Tarrant HK for at least one service to defer 5% of their annual compensation into the Provident Fund. Annual matching contributions are made by Tarrant HK. Contributions made by Tarrant HK vest according to a schedule set forth in the Provident Fund.

15

For 2003, the Company adopted an Incentive Compensation Plan (the "Incentive Plan") for executives and employees based on specific goals and criteria. If the Company is able to reach certain revenue targets in 2003, incentive payments will be distributed, but the amounts will depend in part on individual performance as well.

REPORT OF COMPENSATION COMMITTEE

The Compensation Committee is charged with the responsibility of administering all aspects of the Company's executive compensation programs. The committee, which currently is comprised of four independent, non-employee directors also grants all stock options and otherwise generally administers the Company's stock option plans. Following review and approval by the committee, determinations pertaining to executive compensation are submitted to the full Board of Directors for approval. In connection with its deliberations, the committee seeks, and is significantly influenced by, the views of the Chief Executive Officer with respect to appropriate compensation levels of the other officers.

TOTAL COMPENSATION. It is the philosophy of the committee that executive compensation should be structured to provide an appropriate relationship between executive compensation and performance of the Company and the share price of the common stock, as well as to attract, motivate and retain executives of outstanding abilities and experience. Since its inception, the Company has maintained the philosophy that executive compensation should be competitive with that provided by other companies in the women's apparel industry to assist the Company in attracting and retaining qualified executives critical to the Company's long-term success.

BASE SALARY. Base salaries are negotiated at the commencement of an executive's employment with the Company or upon renewal of his or her employment agreement, and are designed to reflect the position, duties and responsibilities of each executive officer, the cost of living in the area in which the officer is located, and the market for base salaries of similarly situated executives at other companies engaged in businesses similar to that of the Company. Base salaries may be annually adjusted in the sole discretion of the committee to reflect changes in any of the foregoing factors.

STOCK INCENTIVE PLAN OPTIONS AND AWARDS. Under the Employee Incentive Plan, the committee is authorized to grant any type of award which might involve the issuance of shares of common stock, options, warrants, convertible securities, stock appreciation rights or similar rights or any other securities or benefits with a value derived from the value of the common stock. The number of options granted to an individual is based upon a number of factors, including

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

his or her position, salary and performance, and the overall performance and stock price of the Company.

ANNUAL INCENTIVES. The committee believes that executive compensation should be determined with specific reference to the Company's overall performance and goals, as well as the performance and goals of the division or function over which each individual executive has primary responsibility. In this regard, the committee considers both quantitative and qualitative factors. Quantitative items used by the committee in analyzing the Company's performance include sales and sales growth, results of operations and an analysis of actual levels of operating results and sales to budgeted amounts. Qualitative factors include the committee's assessment of such matters as the enhancement of the Company's image and reputation, expansion into new markets, and the development and success of new products and new marketing programs.

The Company developed, and the committee approved a performance incentive plan for executives and employees for the year 2002 based on specific goals and criteria. For management, there was a provision for a bonus to be paid for sales that exceeded the budget by a fixed amount.

The committee attributes various weights to the qualitative factors discussed above based upon their perceived relative importance to the Company at the time compensation determinations are made. Each executive's performance is evaluated with respect to each of these factors, and compensation levels are determined based on each executive's overall performance.

DETERMINATION OF CHIEF EXECUTIVE OFFICER'S COMPENSATION. In fiscal 2002, Eddy Yuen, the Company's Chief Executive Officer in 2002 received an annual base salary of \$350,000 and a cash bonus of \$45,000 and was also granted options to purchase 50,000 shares of the Company's common stock. This compensation package was established based upon a comparative analysis of other similarly situated chief executive officers conducted by the compensation committee. Our Chief Executive Officer also participates in the management incentive plan approved by the Compensation Committee.

16

The committee intends to continue its policy of linking executive compensation with maximizing shareholder returns and corporate performance to the extent possible through the programs described above.

OMNIBUS BUDGET RECONCILIATION ACT IMPLICATIONS FOR EXECUTIVE COMPENSATION. Effective January 1, 1994, under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), a public company generally will not be entitled to a deduction for non-performance-based compensation paid to certain executive officers to the extent such compensation exceeds \$1.0 million. Special rules apply for "performance-based" compensation, including the approval of the performance goals by the shareholders of the Company.

All compensation paid to the Company's employees in fiscal 2002 will be fully deductible. With respect to compensation to be paid to executives in 2003 and future years, in certain instances such compensation may exceed \$1.0 million. However, in order to maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, the Compensation Committee has not adopted a policy that all compensation must be deductible.

The Audit Committee assists the Board of Directors in overseeing and monitoring the integrity of the Company's financial reporting process, its compliance with legal and regulatory requirements and the quality of its internal and external audit processes. The role and responsibilities of the Audit Committee are set forth in a written Charter adopted by the Board of Directors, which is attached as Appendix "A" to this Proxy Statement. The Audit Committee reviews and reassesses the Charter annually and recommends any changes to the Board of Directors for approval.

- Received written disclosures and the letter from the Auditors regarding its independence as required by Independence Standards Board Standard No. 1. The Audit Committee discussed with the Auditors their independence.

The Audit Committee also considered the status of pending litigation and other areas of oversight relating to the financial reporting and audit process that the committee determined appropriate.

required internationally.

AUDIT-RELATED FEES

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

Fees for audit-related services totaled approximately \$18,000 in 2001 and approximately \$103,000 in 2002. Audit-related services principally include due diligence in connection with acquisitions, accounting consultations and benefit plan audits.

TAX FEES

Fees for tax services, including tax compliance, tax advice and tax planning, totaled approximately \$652,000 in 2001 and \$942,000 in 2002.

ALL OTHER FEES

There were no fees for any other services not included above in either 2002 or 2001.

The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the principal accountant's independence.

CERTAIN TRANSACTIONS WITH DIRECTORS AND EXECUTIVE OFFICERS

Except as disclosed in this Proxy Statement, neither the nominees for election as directors of the Company, the directors or senior officers of the Company, nor any shareholder owning more than five percent of the issued shares of the Company, nor any of their respective associates or affiliates, had any material interest, direct or indirect, in any material transaction to which the Company was a party during fiscal 2002, or which is presently proposed.

See "Employment Contracts" for a summary of employment agreements with certain of our executive officers.

The Company leases its principal offices and warehouse located in Los Angeles, California and office space in Hong Kong from corporations owned by Messrs. Guez and Kay. The Company believes, at the time the leases were entered into, the rents on these properties were comparable to then prevailing market rents. The Company paid \$1,330,000 in 2002 for rent for office and warehouse facilities.

From time to time, the Company has borrowed funds from, and advanced funds to, certain officers and principal shareholders, including Messrs. Guez and Kay. The maximum amount of such borrowings from Mr. Kay during 2002 was \$2,317,000. As of December 31, 2002, the Company was indebted to Mr. Kay in the amount of \$487,000. The maximum amount of such advances to Mr. Guez during 2002 was approximately \$4,923,000. Mr. Guez had an outstanding advance from the Company of \$4,879,000 as of December 31, 2002. All advances to, and borrowings from, Mr. Guez and Mr. Kay in 2002 bore interest at the rate of 7.75%. Section 402 of the Sarbanes-Oxley Act of 2002, enacted in July 2003, prohibits publicly-traded companies from providing personal loans to directors and executive officers. As a result, the Company is no longer permitted to make advances or loans, or materially amend the terms of any existing advances or loans, to any of its directors or executive officers.

On December 31, 2002, the Company's wholly-owned subsidiaries, Tarrant Mexico and Machrima Luxembourg, acquired a denim and twill manufacturing plant in Tlaxcala, Mexico, including all machinery and equipment used in the plant, the buildings, and the real estate on which the plant is located. Pursuant to an Agreement for the Purchase of Assets and Stock, dated as of December 31, 2002, Tarrant Mexico purchased from Trans Textil all of the machinery and equipment used in and located at the plant, and the Purchasers acquired from Jorge Miguel Echevarria Vazquez and Rosa Lisette Nacif Benavides (the "Inmobiliaria Shareholders") all the issued and outstanding capital stock of Inmobiliaria, which owns the buildings and real estate. The purchase price for the machinery and equipment was paid by cancellation of \$42 million in indebtedness owed by Trans Textil to Tarrant Mexico. The purchase price for the Inmobiliaria shares

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

consisted of a nominal cash payment to the Inmobiliaria Shareholders of \$500, and the subsequent repayment by the Company and its affiliates of approximately \$34.7 million in indebtedness of Inmobiliaria to Kamel Nacif Borge, his daughter Rosa Lisette Nacif Benavides, and certain of their affiliates, which payment was made by: (i) delivery to Rosa Lisette Nacif Benavides of one hundred thousand shares of a newly created, non-voting Series A Preferred Stock of the Company, which shares will become convertible into three million shares of common stock if the Company's common shareholders approve the conversion at the Annual Meeting; (ii) delivery to Rosa Lisette Nacif Benavides of an ownership interest representing twenty-five percent of the voting power of and profit participation in Tarrant Mexico; and (iii) cancellation of approximately \$14.9 million of indebtedness of Mr. Nacif and his affiliates.

Kamel Nacif Borge is an employee of Tarrant Mexico and the beneficial owner of more than 5% of the Company's outstanding common stock. Jamil Textil, S.A. de C.V., an entity the Company believes is controlled by Mr. Nacif, owns 1,724,000 shares of the Company's common stock, representing approximately 10.9% of our outstanding common stock as of December 31, 2002. Trans Textil, an entity controlled by Mr. Nacif and his family members, was initially commissioned by the Company to construct and develop the plant in December 1998. Subsequent to completion, Trans Textil purchased and/or leased the plant's manufacturing equipment from the Company and entered into a production agreement that gave the Company the first right to all production capacity of the plant. This production agreement included the option for the Company to purchase the facility and discontinue the production agreement with Trans Textil through September 30, 2002. The Company exercised the option and acquired the plant as described above.

From time to time, the Company has advanced funds to Mr. Nacif and his affiliates, and Mr. Nacif and such affiliates have advanced funds to the Company. Immediately prior to the mill acquisition, Mr. Nacif and his

20

affiliates owed the Company approximately \$7.5 million, which indebtedness was cancelled as part of the repayment by Inmobiliaria of indebtedness due Mr. Nacif and his affiliates.

On July 1, 2001, the Company entered into a joint venture with Azteca Production International, Inc. ("Azteca"), a corporation owned by the brothers of Gerard Guez, the Chairman of the Company, called United Apparel Ventures, LLC ("UAV"). This joint venture was created to coordinate the production of apparel for a single customer of the Company's branded business. UAV is owned 50.1% by Tag Mex, Inc., a wholly-owned subsidiary of the Company, and 49.9% by Azteca. Results of the operation of UAV have been consolidated into the Company's results since July 2001 with the minority partner's share of all gains and losses eliminated through the minority interest line in the Company's financial statements. Since October 2002, both parties have contributed the Express business into UAV and the results are consolidated in the company's financials. UAV makes purchases from two related parties in Mexico, Azteca and Tag-it Pacific, Inc.

In 1998, a California limited liability company owned by Mr. Guez and Mr. Kay purchased 2,300,000 shares of the Common Stock of Tag- It Pacific, Inc. ("Tag-It") (or approximately 37% of such Common Stock then outstanding). Tag-It is a provider of brand identity programs to manufacturers and retailers of apparel and accessories. Tag-It assumed the responsibility for managing and

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

sourcing all trim and packaging used in connection with products manufactured by or on behalf of the Company in Mexico. This arrangement is terminable by either the Company or Tag-It at any time. The Company believes that the terms of this arrangement, which is subject to the acceptance of the Company's customers, are no less favorable to the Company than could be obtained from unaffiliated third parties. The Company purchased \$23.9 million of trim inventory from Tag-It during the year ended December 31, 2002. From time to time the Company has guaranteed the indebtedness of Tag-It for the purchase of trim on the Company's behalf.

As of December 31, 2000, Aris Industries, Inc. ("Aris") owed the Company approximately \$5.8 million for goods manufactured and shipped by the Company. On February 12, 2001, Aris and the Company entered into an agreement under which Aris issued to the Company 1.5 million shares of its common stock and undertook to repay either \$2.5 million in cash or its equivalent in common stock to the Company on December 31, 2001 in full satisfaction of the debt. As of February 20, 2002, Aris had issued the Company an aggregate of 8,117,647 shares of its common stock including the 1.5 million shares previously issued in full satisfaction of this debt. On March 27, 2002 the Company sold this stock to an unrelated third party for an aggregate of \$1,785,882. As of December 31, 2002, Messrs. Guez and Kay jointly owned approximately 6% of the outstanding shares of Aris.

The Company has adopted a policy that any transactions between the Company and any of its affiliates or related parties, including its executive officers, directors, the family members of those individuals and any of their affiliates, must (i) be approved by a majority of the members of the Board of Directors and by a majority of the disinterested members of the Board of Directors and (ii) be on terms no less favorable to the Company than could be obtained from unaffiliated third parties.

The Board of Directors believes, based on its reasonable judgment, but without further investigation, that the terms of each of the foregoing transactions or arrangements between the Company on the one hand and the affiliates, officers, directors or shareholders of the Company which were parties to such transactions on the other hand, were, on an overall basis, at least as favorable to the Company as could then have been obtained from unrelated parties.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers, directors, and persons who own more than ten percent of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the SEC. Executive officers, directors and greater-than-ten percent shareholders are required by SEC regulations to furnish the Company with all Section 16(a) forms they file. Based solely on its review of the copies of the forms received by it and written representations from certain reporting persons that they have complied with the relevant filing requirements, the Company believes that, during the year ended December 31, 2002, all of the Company's executive officers, directors and greater-than-ten percent shareholders complied with all Section 16(a) filing requirements, except that Kamil Nacif Borge and Jamil Textil, S.A. de C.V. (an entity of which Kamil Nacif Borge is a controlling shareholder) each filed a Form 3 in March 2003 reporting as greater-than-ten percent shareholders which Form 3's should have been filed on or before June 3, 1999.
