PART II

ITEM 9A. CONTROLS AND PROCEDURES

EVALUATION OF CONTROLS AND PROCEDURES

Members of the company's management, including our Chief Executive Officer and Chief Financial Officer have evaluated the effectiveness of our disclosure controls and procedures, as defined by paragraph (e) of Exchange Act Rules 13a-15 or 15d-15, as of December 31, 2003, the end of the period covered by this report. Based upon that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures are effective.

CHANGES IN CONTROLS AND PROCEDURES

There were no changes in our internal control over financial reporting or in other factors identified in connection with the evaluation required by paragraph (d) of Exchange Act Rules 13a-15 or 15d-15 that occurred during our fourth quarter ended December 31, 2003 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Edgar Filing: TARRANT APPAREL GROUP - Form 10-K/A

RECOMMENDATIONS OF OUR AUDITORS

During 2003, our prior independent public accountants, Ernst & Young, LLP, advised us and discussed with the Audit Committee of our Board of Directors that, due in part to certain acquisitions by our subsidiaries in Mexico and modifications to our inventory costing methodology, certain improvements in the internal controls of those subsidiaries were necessary to ensure reporting from the subsidiaries would be sufficient for us to develop reliable financial statements. We have and will continue to address the deficiencies identified by Ernst & Young, LLP in consultation with Grant Thornton, LLP, our new independent public accountants.

In connection with its audit of our consolidated financial statements for the year ended December 31, 2003, Grant Thornton LLP, our independent accountants, advised the Audit Committee and management of our need for additional staff with expertise in preparing required disclosures in the notes to the financial statements, and our need to develop greater internal resources for researching and evaluating the appropriateness of complex accounting principles and evaluating the effect of new accounting pronouncements on the company. Grant Thornton LLP considers these matters to be significant deficiencies as that term is defined under standards established by the American Institute of Certified Public Accountants. We considered these matters in connection with the preparation of the December 31, 2003 consolidated financial statements included in this Form 10-K and also determined that no prior period financial statements were materially affected by such matters. In response to the observations made by Grant Thornton, LLP, in 2004 we will implement certain enhancements to our financial reporting processes, including increased training of staff on SEC financial reporting requirements and the acquisition of accounting research tools. We believe these steps will address the matters raised by Grant Thornton LLP.
