CHANGES IN CONTROL

On January 12, 2006, we issued a Stock Subscription Agreement & Mutual Release to each of our creditors and claimants pursuant to which we would sell to such creditors and/or claimants shares of our Series A-1 Preferred Stock in exchange for a final and binding settlement with respect to any and all claims, liabilities, demands, causes of action, costs, expenses, attorneys fees, damages, indemnities, and obligations of every kind and nature that such creditors and/or claimants may have with the Company. If all creditors and/or claimants accept the Company's offer, the Company will issue an aggregate of approximately 39,963,000 shares of Series A-1 Preferred Stock. The shares of Series A-1 Preferred Stock will automatically convert into 390,963,000 shares of the Company's common stock at such time that the Company amends its Certificate of Incorporation, as amended, to provide for the conversion of all shares of Series A-1 Preferred Stock. Based on 61,648,360 shares of the Company's common stock outstanding and to-be-issued as of March 21, 2006, if the automatic conversion of the maximum number of shares of Series A-1 preferred stock were to occur on such date, the creditors and/or claimants would own approximately 86.4% of the issued and outstanding shares of the Company's common stock.

On March 27, 2006, pursuant to the consummation of the Series A Preferred Financing for aggregate proceeds of \$4,820,501, the Company issued to the purchasers of Series A Preferred Stock an aggregate of 964.1 shares of Series A Preferred Stock and warrants to purchase an aggregate of 20,085,417 shares of common stock. The 964.1 shares of Series A Preferred Stock are, subject to certain conditions, convertible at the option of the holders thereof, into 60,256,250 shares of the Company's common stock. Based on 61,648,360 shares of the Company's common stock outstanding as of March 21, 2006, if all holders of Series A Preferred Stock elected to convert all of their shares of Series A Preferred Stock and to exercise all of their warrants issued in connection with the Series A Preferred Financing on such date, such holders of Series A Preferred Stock and warrants would own approximately 56.6% of the issued and outstanding shares of the Company's common stock.

ITEM 12. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

TRANSACTIONS WITH EXECUTIVE OFFICERS AND STOCKHOLDERS

In 2002 we, through our then Chief Executive Officer, Patrick J. Allin, agreed to reimburse recurring office expenses of the non-executive Chairman of the Board in the aggregate of \$142,500. The monthly recurring amount of \$9,500 continued through June of 2003 at which time the office was relocated and the amount increased to \$15,000 per month. The aggregate office expense in 2003 and 2004 was \$147,000 and \$180,000, respectively. This accrual continued through May 31, 2005, at which time the monthly office expense of \$15,000 ceased to accrue.

From April 30, 2002 (Inception) to December 31, 2004, J. William Hammon, our Chief Marketing Officer, and his spouse, have advanced \$345,712 in the aggregate to us. For \$119,000 of this total amount, we issued two notes, payable on demand and accruing interest at a rate of 10% per annum. In an effort to secure legal counsel and pay certain reimbursable expenses, we completed two Private Placements of restricted securities for \$200,000 in the aggregate, which funds were deposited into the personal bank account of Mr. Hammon. From this account, he paid certain of our outstanding obligations, including legal retainers and fees and reimbursable expenses of officers and stockholders. The \$200,000 in private placement funds were netted against the total he advanced to us.

Beginning on July 1, 2005, and continuing through December 31, 2005, we completed, through 12 separate fundings, a \$5,234,000 financing (the "Interim Bridge Financing III") through the issuance of (i) 10% Junior Convertible Promissory Notes (the "Bridge III Notes") and (ii) warrants to purchase up to 2,617,000 shares of common stock (the "Bridge III Warrants") to, among other existing investors, Apex Investment Fund V, L.P. ("Apex"). The Bridge III Warrants have a term of 5 years and an exercise price of \$0.60 per share.

The Bridge III Notes had an initial term of 120 days (due on various dates beginning October 28, 2005) with interest at 10% per annum and featured an option for the Company to extend the term for an additional 60 days to various dates beginning December 28, 2005. Upon the extension of the maturity date of the Bridge III Notes, the contractual interest rate would increase to 12% per annum, and the Company would be required to issue warrants (the "Bridge III Extension Warrants") to purchase such number of shares of the Company's common stock equal to one-half of a share for each \$1.00 of principal then outstanding. The Bridge III Extension Warrants issuable upon extension of the maturity date of the Bridge III Notes feature a term of 5 years and an exercise price of \$0.60 per share. The Company has agreed to file with the SEC, a registration statement for the resale of the restricted shares of its common stock issuable upon exercise of the conversion option that would be issuable in this transaction, on a best efforts basis.

Edgar Filing: PATRON SYSTEMS INC - Form 10KSB/A

Beginning on October 29, 2005, the Company elected to extend the contractual maturity date of the various Bridge III Notes for an additional 60 days to various dates beginning December 28, 2005, which caused the contractual interest rate to increase to 12% per annum. In addition, the Company was required to issue the 1,200,000 Bridge III

8

Extension Warrants to purchase such number of shares of common stock equal to 1/2 of a share for each \$1.00 of principal amount outstanding. All of the Bridge III Notes have been redeemed in exchange for the issuance of shares of Series A-1 Preferred Stock.
