Dear Chesapeake Energy Corp. Shareowner:

**SUPPORT PROPOSAL #9 TO ELIMINATE SUPERMAJORITY VOTING**

We would be grateful for your support of Proposal #9 at the Chesapeake Energy Corp. June 8, 2012 annual general meeting. As a significant long-term shareowner of the company we ask that you support our non-binding shareowner proposal asking the Board of Directors remove the supermajority vote requirements in its bylaws and Certificate of Incorporation, including the supermajority vote requirement necessary to amend or adopt new bylaws, and to amend or adopt certain sections within the Company's Certificate of Incorporation.

**A LACK OF ALIGNMENT BETWEEN SHAREOWNERS AND CHESAPEAKE**

As a long-term shareowner in Chesapeake we are concerned with the apparent misalignment between shareowners and the company:

- Shareowners do not have the ability to hold directors accountable annually due to the classified board structure.
- Concerns with compensation and transparency given the recent developments with the “Founder Well Program”.

**PLEASE SUPPORT PROPOSAL #9**

We ask that you vote FOR proxy proposal #9, our request that Chesapeake Energy take to eliminate the 67 percent supermajority-voting requirement.

**CALPERS SUPPORTS PROPOSAL #10 REGARDING ACCESS TO DIRECTOR NOMINATIONS**

CalPERS is a firm supporter of providing shareowners the ability to nominate director candidates for inclusion to proxy materials. The right to nominate board candidates is a fundamental shareowner right and the cornerstone of board accountability.

Thank you for your support on this very important issue.

Sincerely,

Anne Simpson

Senior Portfolio Manager, Investments Director of Corporate Governance
