Item 1.01.

Entry into a Material Definitive Agreement.

QCR Holdings, Inc. (the “Company”) (NASDAQ: QCRH), a multi-bank holding company headquartered in Moline, Illinois, has exited the Troubled Asset Relief Program, and announced the investment of approximately \$40.1 million in preferred stock from the Small Business Lending Fund (the “SBLF”) to be used to further enhance its business lending efforts. The SBLF is a U.S. Department of the Treasury lending program that encourages qualified community banks to partner with small businesses and entrepreneurs to create jobs and promote economic development in local communities.

**Issuance of Preferred Stock Under Small Business Lending Fund.** On September 15, 2011, the Company entered into a Securities Purchase Agreement (the “Purchase Agreement”) with the Secretary of the Treasury (the “Treasury”), pursuant to which the Company issued and sold to the Treasury 40,090 shares of its Senior Non-Cumulative Perpetual Preferred Stock, Series F (the “Series F Preferred Stock”), having a liquidation preference of \$1,000 per share (the “Liquidation Amount”), for aggregate proceeds of \$40,090,000. The Purchase Agreement was entered into, and the Series F Preferred Stock was issued, pursuant to the Treasury’s SBLF program, a \$30 billion fund established under the Small Business Jobs Act of 2010 that encourages lending to small businesses by providing capital to qualified community banks with assets of less than \$10 billion. The Purchase Agreement is attached as Exhibit 10.1 hereto and incorporated by reference herein.

The Series F Preferred Stock qualifies as Tier 1 capital for the Company. Non-cumulative dividends are payable quarterly on the Series F Preferred Stock, beginning October 1, 2011. The dividend rate is calculated as a percentage of the aggregate Liquidation Amount of the outstanding Series F Preferred Stock and is based on changes in the level of “Qualified Small Business Lending” or “QSBL” (as defined in the Purchase Agreement) by the Company’s wholly owned subsidiaries, Rockford Bank and Trust Company, Quad City Bank and Trust Company and Cedar Rapids Bank and Trust Company (collectively, the “Banks”). Based upon the increase in the Banks’ level of QSBL over the baseline level calculated under the terms of the Purchase Agreement, the dividend rate for the initial dividend period, which is from the date of issuance through September 30, 2011, has been set at 5%. For the 2nd through 10th calendar quarters, the annual dividend rate may be adjusted to between 1% and 5%, to reflect the amount of change in the Banks’ level of QSBL. For the 11th calendar quarter through 4.5 years after issuance, the dividend rate will be fixed at between 1% and 7% based upon the increase in QSBL as compared to the baseline. After 4.5 years from issuance, the dividend rate will increase to 9% (including a quarterly lending incentive fee of 0.5%).

The Series F Preferred Stock is non-voting, except in limited circumstances. In the event that the Company misses five dividend payments, whether or not consecutive, the holder of the Series F Preferred Stock will have the right, but not the obligation, to appoint a representative as an observer on the Company’s Board of Directors. In the event that the Company misses six dividend payments, whether or not consecutive, and if the then outstanding aggregate Liquidation Amount of the Series F Preferred Stock is at least \$25,000,000, then the holder of the Series F Preferred Stock will have the right to designate two directors to the Board of Directors of the Company.

The Company may redeem the shares of Series F Preferred Stock, in whole or in part, at any time at a redemption price equal to the sum of the Liquidation Amount per share and the per share amount of any unpaid dividends for the then-current period, subject to any required prior approval by the Company’s primary federal banking regulator.

The Series F Preferred Stock was issued in a private placement exempt from registration pursuant to Section 4(2) of the Securities Act of 1933, as amended. The Company has agreed to register the Series F Preferred Stock under certain circumstances set forth in Annex E to the Purchase Agreement. The Series F Preferred Stock is not subject to any contractual restrictions on transfer.

Redemption of Series D Preferred Stock. On February 13, 2009, in connection with the Company's participation in the TARP Capital Purchase Program ("CPP"), the Company issued to Treasury 38,237 shares of Fixed Rate Cumulative Perpetual Preferred Stock, Series D, liquidation amount \$1,000 per share (the "Series D Preferred Stock"). On September 15, 2011, the Company entered into a letter agreement (the "Repurchase Document") with the Treasury, pursuant to which, the Company redeemed from the Treasury, using the proceeds from the issuance of the Series F Preferred Stock, all 38,237 outstanding shares of the Series D Preferred Stock, for a redemption price of approximately \$38.4 million, including accrued but unpaid dividends to the date of redemption. Treasury remitted a cash payment to the Company in the amount of approximately \$1.7 million to cover the difference between the outstanding balance of the Series D Preferred Stock and the proceeds from the issuance of the Series F Preferred Stock.

As a result of its redemption of the Series D Preferred Stock, the Company is no longer subject to the limits provided for under the CPP with respect to future executive compensation decisions and other matters.

The Treasury also holds a warrant (the "Warrant") to purchase 521,888 shares of the Company's common stock at an exercise price of \$10.99 per share. The Company intends to provide Treasury with a timely notice of intent to repurchase the Warrant, thus beginning the process for determining the fair market value of the Warrant. If the Company and Treasury reach agreement on the fair market value of the Warrant, the Company will repurchase and cancel the Warrant.

The Repurchase Document is attached as Exhibit 10.2 hereto and incorporated by reference herein.

Item 3.02. Unregistered Sales of Equity Securities.

The information set forth in "Item 1.01. Entry into a Material Definitive Agreement" is incorporated by reference into this Item 3.02.

Item 3.03. Material Modification to Rights of Securityholders.

The information set forth in "Item 1.01. Entry into a Material Definitive Agreement" is incorporated by reference into this Item 3.03.

The terms of the Series F Preferred Stock impose limits on the Company's ability to pay dividends on and repurchase shares of its common stock and other securities. In general, the Company may declare and pay dividends on its common stock or any other stock junior to the Series F Preferred Stock, or repurchase shares of any such stock, only if after payment of such dividends or repurchase of such shares the Company's Tier 1 Capital would be at least 90% of the Signing Date Tier 1 Capital (as defined and set forth in the Certificate of Designation), excluding any subsequent net charge-offs and any redemption of the Series F Preferred Stock (the "Tier 1 Dividend Threshold"). The Tier 1 Dividend Threshold is subject to reduction, beginning on the 2nd anniversary and ending on the 10th anniversary of issuance of the Series F Preferred Stock, by 10% for each one 1% increase in the Banks' QSBL over the baseline level.

If, however the Company fails to declare and pay dividends on the Series F Preferred Stock in a given quarter, then during such quarter and for the next three quarters following such missed dividend payment the Company may not pay dividends on or repurchase any common stock or any other securities that are junior to (or in parity with) the Series F Preferred Stock, except in very limited circumstances.

If any Series F Preferred Stock remains outstanding on the 10th anniversary of issuance, the Company may not pay any further dividends on its common stock or any other junior stock until the Series F Preferred Stock is redeemed in full.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Article Four of the Company's Certificate of Incorporation, as amended, authorizes the Company's Board of Directors to designate a class or series of preferred stock and to fix the designations, preferences, voting powers and relative, participating, optional or other special rights and qualifications, limitations or restrictions thereof. On September 13, 2011, the Company filed a Certificate of Designation with the Secretary of State of the State of Delaware for the purpose of amending the Certificate of Incorporation to fix the designations, preferences, voting powers and relative, participating, optional or other special rights and qualifications, limitations or restrictions of the Series F Preferred Stock. The Certificate of Designation is attached as Exhibit 3.1 hereto and incorporated by reference herein.
