Item 2.02. Results of Operations and Financial Condition.

The Company reported its fourth quarter fiscal year 2019 results today and is furnishing the earnings release as Exhibit 99.1 attached hereto. Members of the public are invited to listen to the Company's webcast conference call on March 20, 2019, at 8:30 a.m. Eastern time through the link at ir.steelcase.com. A replay of the webcast will also be accessible through the Company's website.

The earnings release contains non-GAAP financial measures. A “non-GAAP financial measure” is defined as a numerical measure of a company’s financial performance that excludes or includes amounts so as to be different than the most directly comparable measure calculated and presented in accordance with GAAP in the condensed consolidated statements of income, balance sheets or statements of cash flows of the Company. Pursuant to the requirements of Regulation G, the Company has provided a reconciliation within the earnings release of the non-GAAP financial measures to the most directly comparable GAAP financial measures.

The non-GAAP financial measures used within the Company's earnings release are: (1) organic revenue growth, which represents the change in revenue excluding estimated currency translation effects and the impacts of acquisitions and divestitures; and (2) adjusted earnings per share, which represents earnings per share, excluding (a) charges related to the early retirement of debt and the related income tax effects, (b) charges related to a multi-employer pension plan and the related variable compensation and income tax effects and (c) charges related to U.S. tax reform. These measures are presented because management uses this information to monitor and evaluate financial results and trends. Therefore, management believes this information is also useful for investors.

The information furnished pursuant to this Item 2.02 and Item 7.01 to this Current Report on Form 8-K (including the exhibit hereto) shall not be considered “filed” under the Securities Exchange Act of 1934, as amended, nor shall it be incorporated by reference into future filings by the Company under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, unless the Company expressly sets forth in such future filing that such information is to be considered “filed” or incorporated by reference therein.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On March 13, 2019, Director P. Craig Welch, Jr. notified the Company that he intends to retire from the Company’s Board of Directors (the “Board”) when his current term ends and therefore asked that he not be nominated for re-election. On March 14, 2019, Director David W. Joos notified the Company that he intends to retire from the Board when his current term ends and therefore asked that he not be nominated for re-election.

Mr. Welch has been a member of the Board since 1979, and Mr. Joos has been a member since 2001. Their current terms on the Board will end at the Company’s 2019 annual shareholders’ meeting. Both Mr. Welch and Mr. Joos have indicated that they are retiring from the Board for personal reasons and not because of any disagreement with the Company on any matter.
