PROXY STATEMENT

ANNUAL GENERAL MEETING OF SHAREHOLDERS

We are furnishing this proxy statement to the holders of ordinary shares, no par value, of magicJack VocalTec Ltd., a company organized under the laws of the State of Israel (referred to as “we,” “us” or the “Company”), in connection with the solicitation by the Company’s board of directors (the “Board”) of proxies for use at the Company’s annual general meeting of shareholders or any adjournment thereof (the “Meeting”). The Meeting will be held on August 16, 2012 at 10:00 a.m. Israel time at the offices of Gross, Kleinhendler, Hodak, Halevy, Greenberg & Co., One Azrieli Center, Round Building, 39th Floor, Tel Aviv 67021.

At the Meeting, you will be requested to approve the following matters:

1. To approve the reappointment of Yoseph Dauber as an external director of the Company for a three-year term in accordance with the Israeli Companies Law (the “Companies Law”);
2. To approve the cash compensation and expense reimbursement of the Company’s current and future non-external directors (other than Mr. Daniel Borislow and Dr. Yuen Wah Sing);
3. To approve the cash compensation and expense reimbursement of the Company’s external directors;
4. To approve the share grant arrangement with Mr. Daniel Borislow disclosed in this proxy statement;
5. To hold an advisory vote on executive compensation as disclosed in this proxy statement;
6. To hold an advisory vote on whether an advisory vote on executive compensation should be held every one (1), two (2) or three (3) years;
7. To approve an amendment to the Company’s Articles of Association to provide for election of each of the Company’s directors on an annual basis (other than the Company’s external directors);
8. To approve the reappointment of BDO USA, LLP and BDO Ziv Haft, Certified Public Accountants (Isr) as the Company’s independent public auditors for the year ending December 31, 2012 and authorize the Company’s Board, subject to the approval by the Audit Committee, to fix the compensation of the auditors in accordance with the volume and nature of their services; and
9. To transact such other business as may come properly before the Meeting or any adjournments thereof.

YOUR VOTE IS VERY IMPORTANT.

The approval of Proposals 1 and 3 requires the affirmative vote of a majority of the shares present, in person or by proxy, and voting on the matter, provided that such a majority includes either (i) at least the majority of the total votes of shareholders who are not controlling shareholders and do not have personal interest (excluding a personal interest not resulting from the shareholder's relationship with the controlling shareholder) in the approval of such proposals, present at the Meeting in person or by proxy (votes abstaining shall not be taken into account); or (ii) the total number of ordinary shares of the Company mentioned in clause (i) above voted against such proposals does not exceed two percent (2%) of the total voting rights in the Company.

The approval of Proposal 4 requires the affirmative vote of a majority of the shares present, in person or by proxy, and voting on the matter, provided that such a majority includes either (i) at least the majority of the total votes of shareholders who have no personal interest in the approval of Proposal 4, present at the Meeting in person or by proxy (votes abstaining shall not be taken into account); or (ii) the total number of ordinary shares of the Company mentioned in clause (i) above voted against such proposal does not exceed two percent (2%) of the total voting rights in the Company.

The affirmative vote of the holders of a simple majority of the shares present and voted in the Meeting in person or by proxy is required to approve Proposals 2, 5 and 8. With respect to Proposal 6, the Board will consider the alternative receiving the greatest number of votes to be the recommendation of shareholders.

The affirmative vote of the holders of not less than seventy-five percent (75%) of the shares represented and voted in the Meeting in person or by proxy is required to approve Proposal 7.

Broker non-votes occur when a beneficial owner of shares held in "street name" does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed "non-routine." Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee can still vote the shares with respect to matters that are considered to be "routine," but not with respect to "non-routine" matters. In the event that a broker, bank, or other agent indicates on a proxy that it does not have discretionary authority to vote certain shares on a non-routine proposal, then those shares will be treated as broker non-votes. Only Proposal 8 (ratification of the reappointment of the independent public auditor) is considered a routine matter on which brokers will be entitled to vote without instructions from the beneficial owner.

THE BOARD RECOMMENDS THAT YOU VOTE "FOR" PROPOSALS 1, 2, 3, 4, 5, 7, and 8, AND FOR "EVERY THREE YEARS" ON PROPOSAL 6.

The Board is soliciting proxies for use at the Meeting. A form of proxy card for use at the Meeting is attached. The completed proxy card should be mailed to the Company in the pre-addressed envelope provided and should be received by the Company not less than two (2) hours before the time fixed for the Meeting. Upon the receipt of a properly executed proxy card in the form enclosed, the persons named as proxies in the proxy card will vote the ordinary shares covered by the proxy in accordance with the directions of the shareholder executing the proxy. In the absence of instructions, the persons named as proxies intend to vote the ordinary shares covered by the proxy cards IN FAVOR of the Proposals 1, 2, 3, 4, 5, 7 and 8, and for EVERY THREE YEARS on Proposal 6. You may revoke the authority granted by your execution of proxies at any time until two (2) hours before the Meeting by presenting to the Company at its registered office proof of your identity as it appears on the proxy and withdrawing the proxy or at the Meeting itself if attending the Meeting, in which case you may only vote your shares by attending the Meeting in person and voting at the Meeting. Any shareholder that holds, as of the record date set for determining the shareholders entitled to notice of and to vote at the Meeting, either (i) five percent (5%) or more of the total voting

rights in the Company, or (ii) five percent (5%) or more of the total voting rights in the Company held by all shareholders that are not control persons, may, directly or through a representative after the Meeting is held, review, at the Company's registered office, all proxies received by the Company with respect to the Meeting.

Only shareholders of record at the close of business on July 9, 2012 will be entitled to vote at the Meeting. Proxies are being mailed to shareholders on or about July 23, 2012 and will be solicited mainly by mail; however, certain officers, directors, employees and agents of the Company, none of whom will receive additional compensation, may solicit proxies by telephone, fax or other personal contact. We will furnish copies of solicitation materials to brokerage firms, nominees, fiduciaries and other custodians for forwarding to their respective principals. We will bear the cost of soliciting proxies, including postage, printing and handling, and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of ordinary shares. You may vote shares directly held in your name in person at the Meeting. If you want to vote in person at the Meeting shares held in street name, you must request a legal proxy from the broker, bank or other nominee that holds the shares, and must present such legal proxy at the Meeting.

On July 9, 2012, the Company had outstanding 19,421,237 ordinary shares, each of which is entitled to one vote upon each of the matters to be presented at the Meeting. Two (2) or more shareholders, present in person or by proxy and holding shares conferring in the aggregate more than thirty three and one third percent (33.33%) of the voting power of the Company, will constitute a quorum at the Meeting. Abstentions may be specified on all proposals. Abstentions will be counted as present for purposes of determining a quorum and will not be counted as voting on the proposal in question. Submitted proxies which are left blank will also be counted as present for purposes of determining a quorum. If a quorum is not present within thirty (30) minutes from the time appointed for the Meeting, the Meeting will be adjourned to the same day in the following week, at the same time and place, or to such day and at such time and place as the Chairman of the Meeting may determine. At such adjourned Meeting, two (2) or more members, present in person or by proxy and holding shares conferring in the aggregate more than thirty three and one third percent (33.33%) of the voting power of the Company, will constitute a quorum.

If you wish to express your position on an agenda item for the Meeting, you may do so by submitting a written position statement to the Company's offices, c/o Chief Financial Officer, at 12 Benny Gaon Street, Area, Netanya, Israel. Position statements should be submitted to the Company no later than July 29, 2012.

In addition, shareholder proposals must otherwise comply with the requirements of Rule 14a-8 under the Securities Exchange Act of 1934. Our Amended and Restated Articles of Association also establish an advance notice procedure for shareholders who wish to include a subject in the agenda of an annual general meeting of shareholders in the future. Any such request must be in writing, must include all information related to subject matter and the reason that such subject is proposed to be brought before the annual general meeting and must be signed by the shareholder or shareholders making such request. In addition subject to the Companies Law and the provisions of Article 39, the Board may include such subject in the agenda of an annual general meeting only if the request has been delivered to the Secretary of the Company not later than sixty (60) days and not more than one hundred and twenty (120) days prior to the annual general meeting in which the subject is to be considered by the shareholders of the Company. Each such request shall also set forth: (a) the name and address of the shareholder making the request; (b) a representation that the shareholder is a holder of record of shares of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting; (c) a description of all arrangements or understandings between the shareholder and any other person or persons (naming such person or persons) in connection with the subject which is requested to be included in the agenda; and (d) a declaration that all the information that is required under the Companies Law and any other applicable law to be provided to the Company in connection with such subject, if any, has been provided. Furthermore, the Board may, in its discretion to the extent it deems necessary, request that the shareholders making the request provide additional information necessary so as to include a subject in the agenda of an annual general meeting, as the Board may reasonably require.

PROPOSAL 1

REAPPOINTMENT OF DIRECTOR YOSEPH DAUBER

Our Amended and Restated Articles of Association provides that the Board will consist of not less than two (2) nor more than eleven (11) directors. In addition, each director, except for external directors, will serve for a term that expires either at the annual general meeting held in the first year following the year of his/her election or at the annual general meeting held in the third year following the year of his/her election. The term of service for each director is determined by the shareholders at the time of the election of such director. The Board presently consists of six (6) members. The expiration dates of the terms of office of our directors currently are as follows: (a) Donald A. Burns — at the annual general meeting of the Company's shareholders to be held in 2014 (at which time he may be re-appointed as a director); (b) Daniel Borislow, Gerald Vento and Dr. Yuen Wah Sing — at the annual general meeting of the Company's shareholders to be held in 2013 (at which time he may be re-appointed as a director); (c) External Director Yoseph Dauber, whose term of office as an external director expires this month; and (d) External Director Tali Yaron-Eldar, who was elected to her office as an external director in April 2011 for a three (3) year term. If Proposal 7 is approved by the Company shareholders, the term of office of all our directors (other than external directors) will expire at the annual general meeting to be held in 2013.

In the event that one or more vacancies is created in the Board, including without limitation a situation in which the number of directors is less than the maximum number permitted under the Amended and Restated Articles of Association, the continuing directors may appoint directors to temporarily fill any such vacancy, provided, however, that if the number of directors is less than four (4), they may only act in (i) an emergency; or (ii) to fill the office of director which has become vacant; or (iii) in order to call a general meeting of the Company for the purpose of electing directors to fill any or all vacancies, so that at least four (4) directors are in office as a result of said meeting. Notwithstanding the foregoing, in the event of the vacancy of an external director, the Company shall elect a new external director or take such other action as required under the Companies Law.

Nominee for Election at the Meeting

The Board has selected one external director nominee to be re-elected at the Meeting. The nominee for election is currently an external director of the Company. The term of office of the nominee is a three-year term in accordance with the provisions of the Companies Law.

Directors (except for external directors) are elected at the annual general meeting or an extraordinary meeting of the Company by the vote of the holders of a majority of the voting power represented at such meeting in person or by proxy and voting on the election of directors. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the nominee named. In the event that the nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of such substitute nominee as the Board may propose. The nominee for election has agreed to serve if elected, and management and the Board have no reason to believe that the nominee will be unable to serve. There are no family relationships among any of the Company's directors, the director nominee, or executive officers. The nominee has attested to the Board and the Company that he meets all the requirements in connection with the election of directors under the Companies Law, per the statement in the form attached hereto as Appendix A. The name of the nominee, his age, and certain other information are set forth below:

Mr. Dauber contributes to the mix of experience and qualifications the Board seeks to maintain primarily through his board experience and his background in management, economics and law.

It is proposed that the following resolution be adopted at the Meeting:

“RESOLVED, that the reappointment of Mr. Yoseph Dauber as an external director of the Company for a three-year term in accordance with the Companies Law, is hereby approved.”

The Board recommends a vote “FOR” the nominee named in Proposal 1.

The affirmative vote of a majority of the shares present, in person or by proxy, and voting on the matter, provided that such a majority includes either (i) at least the majority of the total votes of shareholders who are not controlling shareholders and do not have personal interest (excluding a personal interest not resulting from the shareholder’s relationship with the controlling shareholder) in the approval of the proposal, present at the Meeting in person or by proxy (votes abstaining shall not be taken into account); or (ii) the total number of ordinary shares of the Company mentioned in clause (i) above voted against such proposal does not exceed two percent (2%) of the total voting rights in the Company, is necessary for the approval of the foregoing resolution.

Corporate Governance

Director Independence

The Board makes an annual determination of independence as to each board member under the current standards for “independence” established by the NASDAQ Global Market (“NASDAQ”). In January 2012, the Board determined that all of its directors, except Daniel Borislow and Dr. Yuen Wah Sing, are independent under these standards.

Director Nominating Process

Nominations for the election of directors may be made by the Board or a committee appointed by the Board or by any shareholder holding at least one percent (1%) of the outstanding voting power in the Company. However, and without limitation of Section 63 of the Companies Law, any such shareholder may nominate one or more persons for election as a director at a general meeting only if a written notice of such shareholder’s intent to make such nomination or nominations has been given to the Secretary of the Company not later than (i) with respect to an election to be held at an annual general meeting of shareholders, ninety (90) days prior to the anniversary date of the immediately preceding annual meeting, and (ii) with respect to an election to be held at an extraordinary general meeting of shareholders for the election of directors, at least ninety (90) days prior to the date of such meeting. Each such notice shall set forth:

- the name and address of the shareholder who intends to make the nomination and of the person or persons to be nominated;
- a representation that the shareholder is a holder of record of shares of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice;
- a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder; and
- the consent of each nominee to serve as a director of the Company if so elected and a declaration signed by each of the nominees declaring that there is no limitation under the Companies Law for the appointment of such a nominee and that all the information that is required under the Companies Law to be provided to the Company in connection with such an appointment has been provided.

The Chairman of the meeting may refuse to acknowledge the nomination of any person not made in compliance with the foregoing procedure.

On June 29, 2012, the Board of Directors established a Nominating committee comprised of Donald A. Burns, Yoseph Dauber, Tali Yaron-Eldar and Gerald Vento.

The directors who participate in the consideration of director nominees evaluate all aspects of a candidate’s qualifications in the context of the needs of the Company with a view to creating a Board with a diversity of experience and perspectives. The same evaluating procedures apply to all candidates for director nomination, including candidates submitted by shareholders. Among a candidate’s qualifications and skills considered important are personal and professional integrity, ethics, and values; a commitment to representing the long-term interests of shareholders; experience in corporate management, such as serving as an officer or former officer of a publicly held

company; experience and/or academic expertise in the Company's industry and with relevant social policy concerns; experience as a board member of another publicly held company; and practical and mature business judgment. The directors who participate in the consideration of director nominees give consideration to a wide range of diversity factors as a matter of practice when evaluating candidates to the Board and incumbent directors, but there is no formal policy regarding Board diversity.

Shareholder Communications with the Board

We provide a process by which our shareholders may send communications to the Board, any committee of the Board, the non-management directors or any particular director. Shareholders can contact our non-management directors by sending such communications to the attention of the Secretary, c/o magicJack Vocaltec Ltd., 12 Benny Gaon Street, Building 2B, Poleg Industrial Area, Netanya, Israel or at www.vocaltec.com. Shareholders wishing to communicate with a particular Board member, a particular Board committee or the Board as a whole, may send a written communication to the same address. The Secretary will forward such communication to the full Board, to the appropriate committee or to any individual director or directors to whom the communication is addressed, unless the communication is unrelated to the duties and responsibilities of the Board (such as spam, junk mail and mass mailings, ordinary course disputes over fees or services, personal employee complaints, business inquiries, new product or service suggestions, resumes and other forms of job inquiries, surveys, business solicitations or advertisements) or is unduly hostile, threatening, illegal, or harassing, in which case the Secretary has the authority to discard the communication or take appropriate legal action regarding the communication.

Code of Ethics

We have adopted a written code of ethics that applies to our directors, executive officers, and other employees. A copy of our code of ethics is available on the Company's Internet Website: <http://www.vocaltec.com> under the "Corporate" tab.

Board Leadership Structure

Our Amended and Restated Articles of Association does not contain a policy on whether the roles of Chairman of the Board and Chief Executive Officer should be separate or combined, with this decision being made by the Board based on the best interests of the Company considering the circumstances at the time. Currently, the offices of the Chairman of the Board and the Chief Executive Officer are held by two different people. The Chairman of the Board is Gerald Vento, while our Chief Executive Officer is Daniel Borislow. The Board believes that its independent, non-management directors, which currently make up four (4) of six (6) directors, provide a range of strong and independent views and opinions and sufficiently balance the governance needs of the Company. In addition, the Company's non-management directors meet in periodic executive sessions without any members of management present. The purpose of these executive sessions is to promote open and candid discussion among the non-management directors.

Board Involvement in Risk Oversight and Risk Assessment of Compensation Practices

Day-to-day management of risk is the direct responsibility of the Company's Chief Executive Officer and the senior leadership team. The Board has oversight responsibility for managing risk at the Company, focusing on the adequacy of the Company's risk management and risk mitigation processes. The Board recognizes that an important part of its responsibilities is to evaluate the Company's exposure to risk and to monitor the steps management has taken to assess and control risk. In addition to the discussion of risk at the Board level in connection with these strategic and operational areas, the Board's standing committees also focus on risk exposure as part of their on-going responsibilities. As such, our Audit Committee focuses on oversight of financial risks relating to the Company, including financial reporting and disclosure risks.

Meetings and Committees of the Board

The Board

Each director is expected to devote sufficient time, energy and attention to ensure diligent performance of his duties and to attend all Board and applicable committee meetings. The Board met in person or by conference calls six times during the fiscal year ended December 31, 2011. Each director attended at least 75% of all Board and applicable committee meetings during fiscal year 2011.

The Board has not adopted a policy with respect to Board members' attendance at annual meetings of shareholders. One director attended last year's annual meeting.

The Committees

The Board has the following two standing committees: (1) Audit and (2) Compensation. The Board does not have a standing nominating committee or committee performing similar functions. The composition of the committees for fiscal year 2011 is presented below. The Board has affirmatively determined that each director who currently serves on the Audit and Compensation Committees is independent, as the term is defined by applicable NASDAQ and SEC rules.

Audit Committee

Under the Companies Law, the board of directors of any publicly traded company must also appoint an audit committee, comprised of at least three directors, including all of the external directors, but excluding: the chairman of the board of directors, any controlling shareholder or a relative of a controlling shareholder, any director employed by the Company or by its controlling shareholder or by an entity controlled by the controlling shareholder, any director who regularly provides services to the company or to its controlling shareholder or to an entity controlled by the controlling shareholder, and any director who derives most of its income from the controlling shareholder.

The purpose of our Audit Committee is to provide assistance to the Board in fulfilling its legal and fiduciary obligations with respect to matters involving the accounting, auditing, financial reporting and internal control functions of the Company and its subsidiaries as well as complying with the legal requirements under Israeli law and the Sarbanes-Oxley Act of 2002. The following are examples of functions within the authority of the Audit Committee:

- To detect irregularities in the management of our business and our internal control procedures through, among other things, consultation with our internal and external auditors and to suggest to the board of directors methods to correct those irregularities;
- To decide whether to approve acts or transactions involving directors, executive officers, controlling shareholders and third parties in which directors, executive officers or controlling shareholders have an interest; and
- To communicate on a regular basis with the Company's outside auditors and review their operation and remuneration.

The Audit Committee may not approve an action or a transaction with an office holder or a controlling shareholder or an entity in which either of them has a personal interest unless at the time of approval the two external directors are serving as members of the audit committee and at least one of the external directors is present at the meeting in which an approval is granted.

As of June 30, 2012, our Audit Committee was comprised of Yoseph Dauber, Tali Yaron-Eldar and Donald A. Burns. Our Board has determined that Tali Yaron-Eldar qualifies as an “audit committee financial expert” as defined by Item 407(d) of Regulation S-K. The Audit Committee met or participated in conference calls seven times during the fiscal year ended December 31, 2011. The Audit Committee has a written charter approved by the Board, a copy of which can be found at www.vocaltec.com.

Compensation Committee

As of June 30, 2012, our Compensation Committee was comprised of Tali Yaron-Eldar, Donald A. Burns, and Yoseph Dauber. The Compensation Committee has been appointed to recommend executive compensation to our Board for 2012. The Compensation Committee does not have a written charter. Please see “Compensation Discussion and Analysis” for discussion about our processes and procedures for the consideration and determination of executive and director compensation, the role of executive officers in determining or recommending the amount or form of executive and director compensation, and information regarding the Company’s use of compensation consultants.

Compensation Committee Interlocks and Insider Participation

None of the members of our Compensation Committee is currently or has been, at any time since its formation, an officer or employee of the Company. No member of the Compensation Committee has any relationship with the Company requiring disclosure under Item 404 or Item 407(e)(4)(iii) of SEC Regulation S-K.

Certain Relationships and Related Transactions

In accordance with the Company’s Audit Committee Charter, the Audit Committee: (i) reviews policies and procedures with respect to transactions between the Company and officers and directors, or affiliates of officers or directors, or transactions that are not in the ordinary course of the Company’s business, (ii) decides whether to approve engagements or transactions that require Audit Committee approval under the Companies Law, (iii) determines, on the basis of detailed arguments, whether to classify certain engagements or transactions as material or extraordinary as applicable, and therefore as requiring special approval under the Companies Law, and (iv) reviews and approves any engagements or transactions that require the Audit Committee’s approval under the Companies Law.

In our last fiscal year, there has not been, nor is there currently proposed, any transaction or series of similar transactions to which we were or are to be a party in which the amount involved exceeds \$120,000 and in which any of our directors, executive officers, holders of more than 5% of our ordinary shares or any members of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest.

Approval of Related Party Transactions Under Israeli Law

Under the Companies Law, an engagement by the Company with an officer who is not a director regarding his or her service and terms of employment, including an undertaking to indemnify, exculpate or insure such office holder, must be approved by the audit committee and then the board of directors. Such an engagement may be approved by a compensation committee of the board of directors instead of the audit committee so long as such compensation committee complies with all the requirements that apply to an audit committee under the Companies Law.

For all other transactions between an officer and the Company, the Companies Law requires audit committee approval followed by board of director approval if the transaction is deemed to be extraordinary, and only board or director approval if the transaction is not deemed to be extraordinary. Under the Companies Law, an “extraordinary transaction” is a transaction:

- other than in the ordinary course of business;
- that is not on market terms; or
- that is likely to have a material impact on a company’s profitability, assets or liabilities.

Under the Companies Law, arrangements between a public company and a director as to the terms of his office, and an arrangement with a director regarding the terms of employment in other positions in a public company, requires the approval of the audit committee followed by the approval of the board of directors and the shareholders of the company.

A person who has a personal interest in the approval of a transaction that is submitted to approval of the audit committee or the board of directors generally may not be present during the deliberations and shall not take part in the voting of the audit committee or of the board of directors on such transaction. However, such person may be present at the meeting for the purpose of presenting the transaction if the chairman of the board of directors or the chairman of the audit committee, as the case may be, has determined that the presence of such director is required for presenting the transaction. Notwithstanding the above, a director may be present at a deliberation of the audit committee and the board of directors and may take part in the voting, if the majority of the members of the audit committee or the board of directors, as the case may be, have a personal interest in the approval of the transaction, in which case the transaction shall also require the approval of the shareholders of the company.

In addition, under the Companies Law, extraordinary transactions of a public company with a controlling shareholder or in which a controlling shareholder has a personal interest, and the terms of engagement of the company, directly or indirectly, with a controlling shareholder or his or her relative regarding the receipt by the company of services from the controlling shareholder, and if such controlling shareholder is also an office holder of the company, regarding his or her terms of service and employment, require the approval of the audit committee, the board of directors and the shareholders of the company, in that order. The shareholder approval must fulfill one of the following requirements: (i) the shareholder approval includes the approval of the holders of at least a majority of the shares of shareholders who have no personal interest in the transaction who vote at the meeting (abstained votes are disregarded), or (ii) the total number of shares of shareholders who have no personal interest in the transaction who vote against the transaction does not exceed two percent of the aggregate voting rights in the company. In addition, any such extraordinary transaction with a term of more than three years requires the abovementioned approval every three years unless, with respect to transactions not involving the receipt of services or compensation, the audit committee determines that a longer term is reasonable under the circumstances. A controlling shareholder is someone who has the ability to direct the activities of the company (other than due to a position in the company), including a shareholder who holds 25% or more of the voting rights in a public company if there is no other shareholder holding more than 25% of the voting rights at such time. There is a presumption that a shareholder that holds more than 50% of the voting rights in a public company is deemed to be a controlling shareholder.

Compensation Discussion and Analysis

The following discussion and analysis contains statements regarding individual and company performance targets and goals used in setting compensation for our named executive officers. These targets and goals are disclosed in the limited context of the Company's compensation programs and should not be understood to be statements of management's future expectations or estimates of future results or other guidance. The Company specifically cautions investors not to apply these statements to other contexts.

Compensation Philosophy and Objectives

The goals of our executive officer compensation program are to attract, retain, and reward executive officers who contribute to our success, to align executive officer compensation with our performance, and to motivate executive officers to achieve our business objectives. We compensate our senior management through a mix of base salary, bonus, and equity compensation designed to align management's incentives with the long-term interests of our shareholders. In addition, we provide our named executive officers with benefits that are generally available to all employees of the Company. Compensation paid to our executive officers is made on a discretionary basis by the Board following approval by the Audit Committee. In addition, shareholders must approve certain executive compensation, as described in more detail below.

Our "named executive officers" in 2010 and 2011 were Daniel Borislow, Chief Executive Officer and Director; Peter Russo, Chief Financial Officer and Treasurer; and Dr. Yuen Wah Sing, President – TigerJet and Director.

Since we are no longer considered a foreign private issuer as of January 1, 2012, we are no longer permitted to follow home country corporate governance practices in lieu of those followed by U.S. companies under the listing standards of NASDAQ. In connection with this transition to domestic issuer status, we have appointed a Compensation Committee consisting of independent members to recommend executive compensation to our Board in the future (in lieu of our Audit Committee).

Setting Executive Compensation

Our compensation setting process consists of establishing targeted overall compensation for each executive officer and then allocating that compensation among base salary, bonus, and equity compensation. The compensation package of each executive is designed to attract or retain those executives, and to reward company-wide performance through tying compensation decisions to general operational and financial performance. Executive management consisting of the Chief Executive Officer and Chief Financial Officer evaluates both company and individual performance and makes periodic compensation recommendations to the Compensation Committee and Board. The Compensation Committee may from time to time utilize various analyses, such as the above comparison of stockholder returns graph, to determine appropriate executive compensation.

Executive management conducts periodic assessments of individual performance as measured by financial and operational metrics of the Company appropriate to each individual executive, such as revenues and other operational/administrative measurements. Simultaneously, executive management conducts an assessment of our Company's overall performance, which includes the achievement of operating results and other performance criteria. The combination of these two factors determines what will be the overall compensation recommendation from executive management to the Board. Based on this recommendation and its own analysis, the Board in consultation with the Compensation Committee uses its discretion to determine both the overall compensation level for each executive and specific allocation to each element of compensation.

Executive management and the Board in consultation with the Compensation Committee periodically review base salary levels for executive officers of our Company, and determinations regarding bonuses are generally made at the end of a fiscal year. The responsibilities of the Board in consultation with the Compensation Committee include discharging other responsibilities relating to compensation programs of our Company.

Shareholder Approval of Certain Executive Compensation

Under the Companies Law, arrangements between our company and our directors as to the terms of their office, and an arrangement with a director regarding compensation for non-directorial duties in our company, requires the approval of the audit committee followed by the approval of the board of directors and the shareholders of the company. Because one of our directors, Mr. Borislow, may also be deemed to be our controlling shareholder, Israeli law requires that a special majority of shareholders approve his compensation, as described below. Mr. Daniel Borislow serves as our Chief Executive Officer and has received an annual payment (paid quarterly) of \$200,000 in such capacity since January 2011. Dr. Yuen Wah Sing serves as President of TigerJet Network, Inc., our indirect wholly owned subsidiary, and has received an annual salary of \$158,124 in such capacity since June 2008, prior to his appointment as one of our directors.

In addition, under the Companies Law, extraordinary transactions of a public company with a controlling shareholder or in which a controlling shareholder has a personal interest, and the terms of engagement of the company, directly or indirectly, with a controlling shareholder or his or her relative regarding the receipt by the company of services from the controlling shareholder, and if such controlling shareholder is also an office holder of the company, regarding his or her terms of service and employment, require the approval of the audit committee, the board of directors and the shareholders of the company, in that order. The shareholder approval must fulfill one of the following requirements: (i) the shareholder approval includes the approval of the holders of at least a majority of the shares of shareholders who have no personal interest in the transaction who vote at the meeting (abstained votes are disregarded), or (ii) the total number of shares of shareholders who have no personal interest in the transaction who vote against the transaction does not exceed two percent of the aggregate voting rights in the company. In addition, any such extraordinary transaction with a term of more than three years requires the abovementioned approval every three years unless, with respect to transactions not involving the receipt of services or compensation, the audit committee determines that a longer term is reasonable under the circumstances. A controlling shareholder is someone who has the ability to direct the activities of the company (other than due to a position in the company), including a shareholder who holds 25% or more of the voting rights in a public company if there is no other shareholder holding more than 25% of the voting rights at such time. There is a presumption that a shareholder that holds more than 50% of the voting rights in a public company is deemed to be a controlling shareholder.

Following approvals of the Audit Committee and Board, the shareholders of the Company approved the terms of remuneration of Mr. Borislow on December 17, 2010.

Compensation Program

The primary components of the executive compensation program of our Company consist of base salary, discretionary bonuses, grants of ordinary shares, and health benefits.

Base Salary. We provide executive officers with a level of base salary that recognizes appropriately each individual officer's scope of responsibility, role in the organization, experience, and contributions to the success of our Company. Increases to base salary are proposed when justified by individual performance. Mr. Borislow's base salary in 2011 for his service as a member of the Board or any committee thereof, and for serving as Chief Executive Officer of the Company, is a fixed annual payment (paid quarterly) of \$200,000. Mr. Russo received a base salary of \$153,429 in 2011 for his service as Chief Financial Officer and Treasurer. Dr. Sing received a base salary of \$158,124 for his service as President of TigerJet Network, Inc.

Management Bonus. Periodic bonuses are intended to provide additional compensation to key officers and employees who contribute substantially to the success of our Company. The granting of such awards is based upon the level of our Company's general performance but is not tied to individual performance objectives. In 2011, Mr. Russo received a bonus of \$144,350 to reflect his significant contributions to the administration and financial management of the Company.

Grants of Ordinary Shares. Equity compensation consists of periodic grants of ordinary shares to certain of our executives to provide additional incentive to work to maximize long-term total return to stockholders. Award levels are determined based on market data and may vary among participants based on their positions within the Company, assessment of job performance, and other factors. Under our 2003 Amended Master Stock Option Plan, or 2003 Plan, a committee appointed by the Board is specified to act as the plan administrator. If, in the opinion of the committee based on recommendation from management and/or the Board, the outstanding service of an existing employee merits an increase in the number of options and awards held, the committee may elect to issue additional ordinary shares to that employee. In 2011, the Board administered the plan directly and not through a committee. On November 28, 2011, Mr. Russo received 23,000 ordinary shares to reflect his significant contributions to the administration and financial management of the Company.

Benefits. We provide various employee benefit programs to our executive officers, including: (i) medical and dental insurance benefits for our U.S. based employees (excluding the Company's CEO, Daniel Borislow, who does not receive medical and dental insurance benefits from the Company), and (i) a defined contribution retirement plan for our Israeli employees. These benefits are generally available to all full-time employees of our Company based on their location. In addition, consideration is given to the tax liability that could result from any grant of ordinary shares and additional management bonus (and correspondingly fewer shares) may be provided by the Board as part of the overall compensation package to assist in the payment of such liability. For this reason, \$145,771 in payroll-related tax gross-up was provided to Mr. Russo in 2011.

Compensation Committee Report

Our Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis included in this proxy statement and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this proxy statement.

Respectfully submitted,

The Compensation Committee

PROPOSAL 2

APPROVAL OF THE TERMS OF REMUNERATION OF CERTAIN DIRECTORS OF THE COMPANY, TO BE EFFECTIVE AS OF OCTOBER 1, 2012

Under Section 270(3) of the Companies Law, the terms of office (including all compensation, indemnification, insurance and expense reimbursement) of directors of an Israeli public company must be approved by the shareholders of the company.

At the Meeting, the shareholders will be requested to approve the following terms of office of the Company's current and future non-external directors, effective as of October 1, 2012:

a fixed annual payment of \$50,000 (to be paid quarterly) for service as a member of the Board, plus, if applicable, a fixed annual payment of \$20,000 (to be paid quarterly) for service as a member of each committee of the Board on which the director serves (audit committee and compensation committee to be considered as one committee for these purposes), except for the nominations committee. For the avoidance of any doubt, the fixed payment shall be inclusive of participation in meetings, phone conferences and obtainment of written resolutions of the Board or a committee thereof;

reimbursement of business expenses and travel and accommodation expenses incurred in the performance of duties as a member of the Board and/or any Board committee, including, for illustration purposes, business class flying tickets for overseas travels, suitable hotel accommodation, taxi and/or leased vehicles; and

without derogating from the above, Mr. Gerald Vento's remuneration for service as a chairman of the Board or as any member of a committee thereof shall be a fixed annual payment (to be paid quarterly), which shall equal to US\$100,000. In addition, Mr. Vento shall be entitled to an additional annual payment in an amount of up to US\$20,000, subject to the discretion of the Company's Executive and Compensation Committee. These terms of office shall also apply for any future chairman of the Board.

The foregoing shall not apply to Mr. Daniel Borislow, whose compensation and expense reimbursement will remain unchanged, or Dr. Yuen Wah Sing, who does not receive compensation in his capacity as a director in the Company.

It is proposed that the following resolution be adopted at the Meeting:

"RESOLVED, that the terms of remuneration of the Company's current and future non-external directors, as presented to the Company's shareholders, are hereby approved and authorized, effective as of October 1, 2012."

The Audit Committee and the Board recommend a vote "FOR" Proposal 2.

The affirmative vote of the holders of a simple majority of the voting power represented at the Meeting in person or by proxy and voting on this matter is necessary for the approval of the foregoing resolution. In the event Proposal 2 is not approved, the compensation and expense reimbursement of the Company's non-external directors will remain as approved by the Company's shareholders on December 17, 2010.

PROPOSAL 3
APPROVAL OF THE TERMS OF REMUNERATION OF EXTERNAL DIRECTORS OF THE
COMPANY, TO BE EFFECTIVE AS OF OCTOBER 1, 2012

Under Section 270(3) to the Companies Law and the related regulations thereunder, the terms of office (including all compensation, indemnification, insurance and expense reimbursement) of external directors of an Israeli public company must be approved by the shareholders of the company.

At the Meeting, the shareholders will be requested to approve the following terms of remuneration of the Company's external directors, effective as of October 1, 2012, which amounts would be identical to the terms of terms of remuneration of the Company's other directors referred to in Proposal 2 (other than Mr. Daniel Borislow, whose cash compensation and expense reimbursement will stay the same, and Dr. Sing):

a fixed annual payment of \$50,000 (to be paid quarterly) for service as a member of the Board, plus, if applicable, a fixed annual payment of \$20,000 (to be paid quarterly) for service as a member of each committee of the Board on which the director serves (audit committee and compensation committee to be considered as one committee for these purposes), except for the nominations committee. For the avoidance of any doubt, the fixed payment shall be inclusive of participation in meetings, phone conferences and obtainment of written resolutions of the Board or a committee thereof; and

reimbursement of business expenses and travel and accommodation expenses incurred in the performance of duties as a member of the Board and/or any Board committee, including, for illustration purposes, business class flying tickets for overseas travels, suitable hotel accommodation, taxi and/or leased vehicles.

It is proposed that the following resolution be adopted at the Meeting:

“RESOLVED, that the terms of remuneration of the Company's external directors, as presented to the Company's shareholders, are hereby approved and authorized, effective as of October 1, 2012.”

The Audit Committee and the Board recommend
a vote “FOR” Proposal 3.

The affirmative vote of a majority of the shares present, in person or by proxy, and voting on this matter is necessary for the approval of the foregoing resolution, provided that such a majority includes either (i) at least the majority of the total votes of shareholders who are not controlling shareholders and do not have personal interest (excluding a personal interest not resulting from the shareholder's relationship with the controlling shareholder) in the approval of the proposal, present at the Meeting in person or by proxy (votes abstaining shall not be taken into account); or (ii) the total number of ordinary shares of the Company mentioned in clause (i) above voted against such proposal does not exceed two percent (2%) of the total voting rights in the Company. In the event Proposal 3 is not approved, the terms of office (including all compensation, indemnification, insurance and expense reimbursement) of the Company's external directors will remain as approved by the Company's shareholders on April 28, 2011.

PROPOSAL 4

APPROVAL OF SHARE GRANT ARRANGEMENT WITH DANIEL BORISLOW

Under Section 270(4) of the Companies Law, the terms of office (including all compensation, indemnification, insurance and expense reimbursement) of an officer who is also a controlling shareholder of an Israeli public company must be approved by the shareholders of the company. Because Mr. Daniel Borislow may be deemed to be a controlling shareholder of the Company, the Company is seeking shareholder approval of the share arrangement described below.

It is proposed that the following resolution be adopted at the Meeting:

“RESOLVED, that the share grant arrangement by which Mr. Daniel Borislow would be entitled to receive on an annual basis 50,000 of the Company's Ordinary Shares, no par value, for no consideration, for each US\$1.00 of earnings per share (calculated annually commencing with respect to fiscal year 2012) (and in increments of 12,500 Ordinary Shares for each US\$0.25 of earnings per share exceeding US\$1.00) (as adjusted for stock splits or combinations, stock dividends, recapitalizations or similar transactions), which shares would be in addition to the cash compensation and expense reimbursement to which Mr. Borislow is currently entitled and which was previously approved by the shareholders in December 2010, is hereby approved and adopted in all respects.”

The Audit Committee has approved the foregoing share grant arrangement (the “Share Grant Arrangement”) with Mr. Borislow and recommended that the Board approve the arrangement. The Board determined that it was advisable and in the best interest of the Company to approve the Share Grant Arrangement, which is to be paid in addition to the cash compensation and expense reimbursement previously approved by the shareholders in December 2010. Following the annual calculation of the number of shares to which Mr. Borislow would be entitled, if any, the Board will ratify the issuance of such shares to Mr. Borislow. Prior to such ratification, Mr. Borislow will be able to accept all, a portion, or none of such shares at his election. In addition, Mr. Borislow must be an employee of the Company or any subsidiary thereof at the time of such Board action.

The Board and the Audit Committee recommend
a vote “FOR” Proposal 4.

The affirmative vote of a majority of the shares present, in person or by proxy, and voting on this matter is necessary for the approval of the foregoing resolution, provided that such a majority includes either (i) at least the majority of the total votes of shareholders who have no personal interest in the approval of Proposal 4, present at the Meeting in person or by proxy (votes abstaining shall not be taken into account); or (ii) the total number of ordinary shares of the Company mentioned in clause (i) above voted against such proposal does not exceed two percent (2%) of the total voting rights in the Company. In the event Proposal 4 is not approved, the Company will not enter into the share arrangement described in the proposal.

PROPOSAL 5
APPROVAL ON A NON-BINDING, ADVISORY BASIS OF THE COMPENSATION OF OUR
NAMED EXECUTIVE OFFICERS (“SAY-ON-PAY”)

We are seeking an advisory vote from our shareholders to approve the compensation paid to our named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC.

You have the opportunity to vote “for” or “against” or to “abstain” from voting on the following non-binding resolution relating to executive compensation:

“RESOLVED, that the shareholders approve, on an advisory basis, the compensation paid to the Company’s named executive officers as disclosed in magicJack Vocaltec Ltd. proxy statement for the 2012 Annual General Meeting of Shareholders pursuant to the compensation disclosure rules of the SEC, including the compensation discussion and analysis, the compensation tables, and the narrative discussion of this proxy statement.”

In deciding how to vote on this proposal, you are encouraged to consider the Company’s executive compensation philosophy and objectives as contained in the Compensation Discussion and Analysis section above. Our executive compensation program utilizes elements including base salary, management bonus, grants of ordinary shares, and health and other benefits to achieve the following goals:

- attracting, retaining, motivating, and rewarding highly talented, entrepreneurial, and creative executives;
- aligning and strengthening the mutuality of interests between our executives and our shareholders; and
- providing total compensation to each executive that is internally equitable, competitive with peer companies, and driven by individual, departmental, and corporate performance.

While your vote on this proposal is advisory and will not be binding on the Compensation Committee, the Board or the Company, the Compensation Committee values the opinions of the Company’s shareholders on executive compensation matters and will take the results of this advisory vote into consideration when making future decisions regarding the Company’s executive compensation program. Unless the Board modifies its policy on the frequency of future “say-on-pay” advisory votes, the next “say-on-pay” advisory vote will be held at the 2013 annual general meeting of shareholders.

The Board recommends a vote “FOR” Proposal 5.

PROPOSAL 6
APPROVAL ON A NON-BINDING, ADVISORY BASIS WHETHER SAY-ON-PAY SHOULD OCCUR EVERY ONE (1) YEAR, EVERY TWO (2) YEARS, OR EVERY THREE (3) YEARS

We are seeking an advisory vote from our shareholders as to whether the shareholder advisory vote on executive compensation should occur every one (1) year, every two (2) years, or every (3) years. Accordingly, you have the opportunity to choose the option of every “one (1) year,” every “two (2) years,” every “three (3) years,” or to “abstain” from voting on the frequency for which the Company should hold a shareholder advisory vote to approve the compensation paid to the Company’s named executive officers as disclosed pursuant to the compensation disclosure rules of the SEC, including the compensation discussion and analysis, the compensation tables, the narrative discussion and any related material disclosed in this proxy statement.

In considering the interests of our shareholders and the Company, the Board has determined that the recommended frequency for which the Company should hold a shareholder advisory vote to approve the compensation paid to the Company’s named executive officers should be every **THREE (3) YEARS**. We believe that every three (3) years is the appropriate frequency to hold a Say-on-Pay vote for several reasons. As our compensation programs reward both short-term and long-term performance, shareholder input on executive compensation would be most useful if the effectiveness of our compensation program is evaluated and judged over a multi-year period. Further, a three year interval provides the Board and the Compensation Committee with sufficient time to evaluate the effectiveness of its compensation policies and implement changes in response to its evaluation and the results of the advisory vote. Thus, the Board recommends that shareholders approve a frequency of every three (3) years.

As your vote on this proposal is advisory and will not be binding on the Compensation Committee, the Board or the Company, the Board may decide that it is in the best interests of the Company and our shareholders to hold a shareholder advisory vote on executive compensation more or less frequently than the option recommended by our shareholders. However, we value the opinions of our shareholders on executive compensation matters and we will take the results of this advisory vote into consideration when making future decisions regarding the frequency with which the Company holds a shareholder advisory vote on the compensation paid to the Company’s named executive officers.

This non-binding “frequency” vote is required to be submitted to our shareholders at least once every six (6) years.

The Board recommends a vote for “**EVERY THREE (3) YEARS**” for Proposal 6.

PROPOSAL 7

APPROVAL OF AN AMENDMENT TO THE ARTICLES OF ASSOCIATION TO PROVIDE
FOR ELECTION OF EACH OF THE COMPANY'S DIRECTORS ON AN ANNUAL BASIS

The Company's Articles of Association currently provide that the shareholders may elect directors, other than external directors, for a term that expires either at the annual meeting of shareholders held in the first year following the year of their election or at the annual meeting held in the third year following the year of their election. The term of service for each director is determined by the shareholders at the time of election of such director.

The Board believes that it is in the best interest of the Company and its shareholders that each Company director be elected for a term that expires at the annual meeting of shareholders held in the first year following the year of election. Therefore, the Board recommends that the shareholders amend the Company's Articles of Association to provide that each director shall hold office until the end of the next annual general meeting and so long as an annual general meeting is not convened, unless their office is vacated prior thereto in accordance with the provisions of the Articles of Association and applicable law. Such a provision will not apply to the Company's external directors who are required by Israeli law to be elected for a three-year term. Under the proposal, the terms of all directors, other than external directors, will expire at the end of the annual meeting of shareholders to be held in 2013 (whether or not their term of service is otherwise scheduled to expire at such time), and shareholders will vote on the election of all director nominees, other than external directors, for a term to expire at the annual meeting to be held in 2014.

At the Meeting, the shareholders will be requested to approve an amendment to Article 39 to reflect the recommended amendment described above.

It is proposed that the following resolutions be adopted at the Meeting:

“RESOLVED, to amend the Articles of Association of the Company by replacing Article 39(b) thereof with the following paragraph:

‘The term of all directors of the Company shall expire at the Annual General Meeting to be held in 2013. Commencing with the Annual General Meeting to be held in 2013, the directors of the Company shall be elected at each Annual General Meeting (or at an Extraordinary Meeting of the Company) by Ordinary Resolution and shall hold office until the end of the next Annual General Meeting and so long as an Annual General Meeting is not convened, unless their office is vacated prior thereto in accordance with the provisions of these Articles and the Companies Law. This Article shall not apply to the election and tenure of External Directors, in respect of whom the provisions of the Companies Law shall apply.’”

The Board recommends a vote "FOR" Proposal 7.

The affirmative vote of the holders of not less than seventy-five percent (75%) of the shares represented at the Meeting in person or by proxy and voting on this matter is necessary for the approval of the foregoing resolution.

PROPOSAL 8
REAPPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

The Board has approved the reappointment of BDO USA, LLP and BDO Ziv Haft, Certified Public Accountants (Isr) as the Company's independent public auditors for the year ending December 31, 2012, as well as the authorization of the Company's Board, subject to the approval by the Audit Committee, to fix the remuneration of the auditors in accordance with the volume and nature of their services. The Board has further directed that management submit the selection of independent public auditors for ratification by the shareholders at the Meeting. Representatives of BDO USA, LLP and BDO Zif Haft, Certified Public Accountants (Isr) are expected to be present at the Meeting, will have an opportunity to make a statement if they so desire, and will be available to respond to appropriate questions.

Under Israeli law, shareholder approval is required to reappoint BDO USA, LLP and BDO Zif Haft, Certified Public Accountants (Isr) as our independent registered public accounting firm.

Following our merger with YMax in 2010, we decided to consolidate our accounting services in a single accounting firm. To that end, on November 1, 2010, our Board elected to continue the existing relationship of our subsidiary YMax Corporation with BDO USA, LLP and recommended to shareholders the appointment of BDO USA, LLP as the Company's new auditors for the year ending December 31, 2010. The requisite majority of shareholders approved the appointment on December 17, 2010. On December 28, 2010 the Company entered into an agreement with BDO USA, LLP acknowledging same.

During our fiscal years ended December 31, 2008 and 2009 and through the date of our dismissal of Kost Forer Gabbay & Kasierer ("KFG&K"), a member of Ernst & Young Global independent registered public accounting firm (December 28, 2010), there were no disagreements with KFG&K on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of KFG&K would have caused KFG&K to make reference to the disagreements in connection with its reports on our financial statements for such years.

The reports of KFG&K on our financial statements for the fiscal years ending December 31, 2008 and December 31, 2009 did contain a statement indicating substantial doubt about our ability to continue as a going concern because of our ongoing losses from operations. The audit reports of KFG&K on our financial statements for the fiscal years ended December 31, 2008 and 2009 contain no other adverse opinion, disclaimer of opinion or modification as to uncertainty, audit scope or accounting principles.

We provided KFG&K the foregoing disclosures and requested that it furnish us with a letter addressed to the SEC stating whether or not it agrees with such disclosures. We have received the requested letter from KFG&K wherein it has confirmed its agreement with our disclosures. A copy of the letter from KFG&K was included as exhibit 16.1 to our registration statement on Form F-3/A filed on January 12, 2011.

Independent Auditor Fees and Services

Our Audit Committee is responsible for the oversight of our independent auditors' work. The Audit Committee's policy is to pre-approve all audit and non-audit services provided by our auditors. The audit committee sets forth the basis for its pre-approval in detail, listing the particular services or categories of services which are pre-approved, and setting forth a specific budget for such services. Additional services may be pre-approved by the audit committee on an individual basis. The following table sets forth fees for professional services provided by BDO, the Company's current independent auditor, for the audit of the Company's financial statements for fiscal years 2010 and 2011, and fees billed for audit-related and other services from the 2010 business combination to December 31, 2011 (in thousands):

	2011	2010
Audit fees (1)	\$ 783	\$ 666
Audit-related fees (2)	-	-
Tax fees (3)	97	90
All other fees (4)	-	-
Total fees	\$ 880	\$ 756

- (1) Represents aggregate fees for professional services provided in connection with the audit of our annual financial statements, reviews of our quarterly financial statements and audit services provided in connection with the filings of Form 6-K and Form F-3, and other statutory or regulatory filings. Audit Fees for the year ended December 31, 2011 also include fees for professional services rendered for the audit of the effectiveness of internal control over financial reporting as promulgated by Section 404 of the Sarbanes-Oxley Act.
- (2) Represents aggregate fees for assurance and related services provided by BDO that are reasonably related to the performance of the audit or review of our financial statements and are not reported under item (1) above.
- (3) Represents aggregate fees for professional services provided in connection with tax compliance, tax planning and tax advice.

The Board recommends a vote "FOR" Proposal 8.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote on Proposal 8 at the annual general meeting will be required to reappoint BDO USA, LLP and BDO Zif Haft, Certified Public Accountants (Isr) as our independent registered public auditors.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act requires the Company's directors and executive officers and persons who own more than ten percent (10%) of a registered class of the Company's equity securities (collectively, "Reporting Persons") to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. Reporting Persons are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Due to the Company's status as a foreign private issuer during fiscal year 2011, the Company and the Reporting Persons were not required to file any Section 16(a) reports during fiscal year 2011. The Company and the Reporting Persons became subject to Section 16(a) on January 1, 2012.

Other Business

The Company's management is not aware of any other business to be transacted at the Meeting. However, if any other matters are properly presented to the Meeting, the persons named in the enclosed form of proxy will vote upon such matters in accordance with their best judgment.

Shareholders are urged to complete and return their proxies promptly in order to, among other things, ensure actions by a quorum and to avoid the expense of additional solicitation. If the accompanying proxy is properly executed and returned in time for voting, and a choice is specified, the ordinary shares represented thereby will be voted as indicated therein. If no specification is made, the proxy will be voted in favor of each of the proposals described in this proxy statement.
