|------------------------|---------------|--------------------------------------|-------------------------------|----------------|------------------------------------|---|------------------|

Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

The reporting person has entered into an agreement, dated November 7, 2006 (the "Agreement"), with UnitedHealth Group Incorporated (the "Company") to have the exercise prices of each option with recorded grant dates between 1994 and 2002 (each, a "Subject Option") reset to the closing price of the Company's common stock on the applicable accounting measurement date for the grant. If any such

- (1) closing price is less than the exercise price of the related option, no adjustment will be made. These accounting measurement dates are being determined by the Company (the date of the determination, the "Determination Date"). In addition, the exercise prices of certain post-2002 vested options held by the reporting person will also be increased to account for the value attributable to the differences between such closing prices and the exercise prices of the previously exercised Subject Options. (Continued in Footnote 2)

The reporting person has not listed these post-2002 options in this Form 4 as the list will not be finalized until the Company determines the applicable measurement dates for the Subject Options. Within two business days after the Determination Date, the reporting person will file an amendment to this Form 4 to reflect the amended exercise prices of all relevant stock options. See the Company's Current

- (2) Report on Form 8-K filed with the Securities and Exchange Commission on November 8, 2006 for additional information. For Section 16 reporting purposes only, the increases in option exercise prices are deemed to be a cancellation of the old options and the grant of replacement options. The other terms of the outstanding options (including the vesting of the options) remain unchanged.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
