PART I
FINANCIAL INFORMATION

Item 4T. Controls and Procedures

Management’s Evaluation of Disclosure Controls and Procedures

The management of Whitestone REIT, under the supervision and with the participation of our principal executive and financial officers, has evaluated the effectiveness of our disclosure controls and procedures in ensuring that the information required to be disclosed in our filings under the Securities Exchange Act of 1934, as amended, is recorded, processed, summarized and reported within the time periods specified in the Securities and Exchange Commission’s rules and forms, including ensuring that such information is accumulated and communicated to Whitestone REIT’s management as appropriate to allow timely decisions regarding required disclosure. Based on such evaluation, our principal executive and financial officers have concluded that such disclosure controls and procedures were not effective as of March 31, 2008 (the end of the period covered by this Quarterly Report on Form 10-Q). In reaching this conclusion, the Chief Executive Officer and Chief Financial Officer noted the certifications contained in Exhibits 31.1 and 31.2 did not include the required certifications relating to the Company’s internal controls over financial reporting as required by applicable SEC regulations and that the Company inadvertently left off management’s conclusion regarding the effectiveness of the Company’s disclosure controls and procedures. We have remedied this failure in the effectiveness of our disclosure controls and procedures by implementing additional controls and procedures designed to ensure that the disclosures provided by us meets the then-current requirements of the applicable filing made under the Exchange Act.

Changes in Internal Controls

During the three months ended March 31, 2008, there were no changes in Whitestone REIT's internal control over financial reporting that materially affected, or that are reasonably likely to materially affect, Whitestone REIT's internal control over financial reporting.
