**Hanson announces sale of operations in Thailand**

Hanson PLC, the international heavy building materials company, today announced that it has signed an agreement with Boral Limited to sell Hanson's interest in its operations in Thailand for approximately US\$45 million (GBP24m). The consideration is payable in cash and will be subject to completion adjustments. Completion is anticipated to occur at the end of July 2004.

## Edgar Filing: HANSON PLC - Form 6-K

In the 12 months to December 31, 2003, ready-mixed concrete shipments from these operations totalled 1.4 million cubic metres and aggregates production was 2.2 million tonnes.

The disposal is in line with Hanson's objective of focusing predominantly on aggregates whilst having ready-mixed concrete operations where there is strategic benefit as a fixed outlet for aggregates.

Commenting on the disposal, Alan Murray, Chief Executive of Hanson PLC, said: " Hanson's presence in Thailand consisted mainly of ready-mixed concrete operations. Our aim is to focus our management resources and future investment on aggregates and building products in our core markets."
