(i) The amounts shown are net of GBP5 million (2003/04 three months ended 30 September: GBP5 million) receivable from the disposal of programming rights not acquired for use by the Group and GBP7 million (2003/04 three months ended 30 September: GBP8 million) in respect of the provision to third party broadcasters of spare transponder capacity.

3. Exceptional items

Edgar Filing: BRITISH SKY BROADCASTING GROUP PLC - Form 6-K

Prior Year

On 30 September 2003, the Group reduced its provision against its minority equity investments in football clubs by GBP33 million, due to the disposal of its investment in Manchester United plc in October 2003, for GBP62 million in cash. The Group also increased its provision against its remaining minority equity investments in football clubs by a further GBP8 million. The reduction of GBP33 million in the provision is recorded as an exceptional item below operating profit as it relates directly to the disposal of the investment in Manchester United plc and profit on disposal is a non-operating exceptional item as defined by FRS 3 "Reporting Financial Performance". The increase of GBP8 million in the remaining provision is recorded as an exceptional item below operating profit due to the distortion that its inclusion within operating expenses would have on the individual operating expenses line to which it was attributed.

4. Basis of preparation

The Consolidated Profit and Loss Account presentation includes the Group's results before goodwill and exceptional items in addition to results after goodwill and exceptional items as this presentation provides an alternative basis that may be used to assess the ongoing operating performance of the Group.
