PAXIL CR CLARIFICATION

LONDON, UK, 4 March 2005 -- SkyePharma PLC (Nasdaq: SKYE; LSE: SKP) notes the announcement today by GlaxoSmithKline ("GSK") concerning the halting of the US distribution of Paxil CR, a treatment for depression and several anxiety disorders. GSK stated that the halt in distribution results from manufacturing issues which do not pose a health risk to patients. The FDA is advising that patients taking Paxil CR should continue taking their tablets and talk with their healthcare provider if they have questions. GSK is working with the FDA to resolve these issues as quickly as possible.

SkyePharma provided the formulation of Paxil CR, but has no involvement in its manufacturing.

About SkyePharma PLC

SkyePharma PLC develops pharmaceutical products benefiting from world-leading drug delivery technologies that provide easier-to-use and more effective drug formulations. There are now ten approved products incorporating SkyePharma's technologies in the areas of oral, injectable, inhaled and topical delivery, supported by advanced solubilisation capabilities.
