GSK publishes 2011 core operating profit by segment

On 28 March 2012, GSK issued historical quarterly restatements for 2011 that included reclassifications of turnover consistent with the way in which the turnover is reported internally together with reconciliations of total results to the Group's core earnings on a quarterly basis for 2011.

GSK intends to report core operating profit by segment in future quarters, and, as indicated in the Q1 2012 Results Announcement, this release provides the quarterly 2011 core operating profit for each segment in order to assist comparability with historical data. Turnover by segment is also presented here for convenience. This quarterly information has been prepared on a basis consistent with the restatements published on 28 March 2012.
