ITEM 4. PURPOSE OF TRANSACTION.

On February 5, 2003, Company completed a merger with Vascular Genetics, Inc. (the Merger) pursuant to Agreement and Plan of Reorganization, dated as of September 12, 2002, as amended (the Merger Agreement). In connection with the Merger, Parent and Baxter became parties to the GenStar Stockholders Agreement, dated as of September 12, 2002 (the Stockholders Agreement), together with Genesis Acquisition Corporation, a Delaware corporation and direct wholly owned subsidiary of the Company (Merger Sub), Vascular Genetics, Inc., a Delaware corporation (VGI), and certain other stockholders of the Company listed on Exhibit A to the Stockholders Agreement. The Merger Agreement and Stockholders Agreement were previously disclosed and described by Baxter and Parent in Amendment No. 2 to Schedule 13D filed with the Securities and Exchange Commission on September 20, 2002. The Stockholders Agreement covered an aggregate of 14,827,251 fully diluted shares of Common Stock (the Covered Shares). Baxter possessed dispositive and/or voting control over 9,782,139 of the Covered Shares and granted VGI an irrevocable proxy to vote the Covered Shares with respect to the Merger. The Stockholders Agreement terminated at the time of the Merger; provided, however that Baxter is restricted from selling, transferring or otherwise disposing of Common Stock it currently holds for a period of 270 days following the Merger.

Pursuant to the Merger Agreement, Merger Sub was merged with and into VGI, with VGI surviving as a wholly owned subsidiary of the Company. The Merger was structured as a merger of equals. Under the terms of the Merger Agreement, VGI's stockholders received, in exchange for all of the outstanding capital stock of VGI, newly issued shares of the Company's Common Stock. Upon consummation of the Merger, Genstar Therapeutics Corp. changed its name to Corautus Genetics Inc. and the stockholders of VGI became stockholders of the Company.

In connection with the Merger, Company converted all of the 12,890 outstanding shares of Series B Preferred Stock held by Baxter into the Company's Common Stock. After giving effect to the Company's 7-to-1 reverse stock split completed on March 10, 2003, the Series B Preferred Stock was converted into 287,274 shares of Common Stock of the Company.

On March 7, 2003, the 5,820 outstanding shares of Company's Series A preferred stock held by the Baxter were converted into the Company's Common Stock. After giving effect to the Company's 7-to-1 reverse stock split on March 10, 2003, the Series A Preferred Stock held by Baxter was converted into 832,857 shares of Common Stock of the Company.

Baxter and Parent also hold a Warrant to purchase 14,285 shares of the Company's Common Stock at \$14.00 per share after giving effect to the Company's 7-to-1 reverse stock split on March 10, 2003 (as of the date of this filing, the Company's share price is less than \$3.00 per share), and 2,000 shares of Company's Series C preferred stock outstanding which are convertible upon a milestone event which has not yet occurred.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER:
