Item 3. Incorporation of Documents by Reference.

There are hereby incorporated by reference in this Registration Statement the following documents and information previously filed with the Securities and Exchange Commission (the "Commission"):

1. The Registrant's Annual Report on Form 10-K for the fiscal year ended March 29, 2003, and Registrant's Report on Form 10-Q for the fiscal quarter ended June 28, 2003, filed pursuant to Section 13 of the Securities Exchange Act of 1934 (the "Exchange Act").
2. The description of the Company's Common Stock contained in the Company's Registration Statement on Forms 8-A filed with the Commission on June 16, 1997; May 4, 1998; and May 3, 1999.

All documents filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act after the date of this Registration Statement, and prior to the filing of a post-effective amendment which indicates that all securities offered hereby have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be a part hereof from the date of filing of such documents.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Stephanie Lucie, Vice President, Associate General Counsel and Corporate Secretary of the Registrant, will pass upon the validity of the issuance of the shares of Common Stock offered hereby for the Registrant. Ms. Lucie is an employee of the Registrant. As of July 31, 2003, Ms. Lucie directly held 3,500 shares of Registrant's Common Stock and indirectly held 1,000 shares of Registrant's Common Stock (held by spouse, of which she disclaims beneficial ownership). Ms. Lucie also directly held options to purchase 80,500 shares of Common Stock (of which 27,945 shares are exercisable within the next 60 days), and indirectly held options to purchase 11,250 shares of Common Stock (held by spouse, of which no shares are exercisable within the next 60 days and of which she disclaims beneficial ownership).

Item 6. Indemnification of Directors and Officers.

The Registrant's Certificate of Incorporation limits the liability of directors to the maximum extent permitted by Delaware law. Section 145 of the General Corporation Law of the State of Delaware authorizes and empowers each Delaware corporation to indemnify its directors, officers, employees and agents against liabilities incurred in connection with, and related expenses resulting from, any claim, action or suit brought against any such person as a result of his or her relationship with the Registrant, provided that such persons acted in good faith and in a manner such person reasonably believed to be in, and not opposed to, the best interests of the Registrant in connection with the acts or events on which such claim, action or suit is based. The finding of either civil or criminal liability on the part of such person in connection with such acts or events is not necessarily determinative of the question of whether such person has met the required standard of conduct and is, accordingly, entitled to be indemnified. The foregoing statements are subject to the detailed provisions of Section 145 of the General Corporation Law of the State of Delaware.

The Registrant's Bylaws provide that each person who at any time is or was a director or officer of the Registrant, or is or was serving as director or officer of another corporation, partnership, joint venture, trust or other enterprise at the request of the Registrant or was a director or officer of a corporation which was a predecessor corporation of the Registrant or of another enterprise at the request of such predecessor corporation shall be indemnified by the Registrant in accordance with and to the full extent permitted by the General Corporation Law of the State of Delaware. Article VI of the Registrant's Bylaws facilitates enforcement of the right of directors and officers to be indemnified by establishing such right as a contract right pursuant to which the person entitled thereto may bring suit as if the indemnification provisions of the Bylaws were set forth in a separate written contract between the Registrant and the director or officer. Article VI of the Bylaws also permits the Registrant to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in such capacity, regardless of whether the Registrant would have the power to indemnify him or her against such liability under the General Corporation Law of Delaware. The Registrant currently has secured such insurance on behalf of its officers and directors.

The Registrant has entered into agreements to indemnify its directors and officers, in addition to indemnification provided for in the Registrant's Bylaws. Subject to certain conditions, these agreements, among other things, indemnify the Registrant's directors and officers for certain expenses (including attorney's fees), judgments, fines and settlement amounts incurred by any such person in any action or proceedings, including any action by or in the right of the Registrant, arising out of such person's services as a director or officer of the Registrant, any subsidiary of the Registrant or any other company or enterprise to which the person provides services at the request of the Registrant.

Item 7. Exemption from Registration Claimed.

pursuant to Section 13(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be

deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
