**ITEM 5. OTHER EVENTS**

As previously reported in our Annual Report on Form 10-K for the fiscal year ended September 30, 2003, the Company substantially completed a refinancing of the former credit agreement and its \$400 million 8 5/8% Senior Subordinated Notes in October, 2003. Note 24, Financial Information for Subsidiary Guarantors and Non-Guarantors, to our Consolidated Financial Statements included in our fiscal 2003 Form 10-K displayed the aggregation of subsidiary guarantors and non-guarantors as delineated under the indenture governing the 8 5/8% Senior Subordinated Notes which was in effect at September 30, 2003. We have revised Note 24 for inclusion in this Form 8-K to display the aggregation of subsidiary guarantors and non-guarantors as delineated under the new indenture governing the new 6 5/8% Senior Subordinated Notes which came into effect subsequent to September 30, 2003.

**NOTE 24. FINANCIAL INFORMATION FOR SUBSIDIARY GUARANTORS AND NON-GUARANTORS**

In October, 2003, The Scotts Company issued \$200 million of 6 5/8% Series A Senior Subordinated Notes due November 15, 2013 (the Original Notes) to a group of initial purchasers who in turn resold the Original Notes under the provisions of Rule 144A and Regulation S under the Securities Act of 1933 (the Securities Act). In January 2004, The Scotts Company will file a Registration Statement on Form S-4 with the Securities and Exchange Commission pursuant to which The Scotts Company will offer to exchange the Original Notes for an equal principal amount of its 6 5/8% Series B Senior Subordinated Notes due November 15, 2013 which have been registered under the Securities Act (the Exchange Notes).

The Original Notes and the Exchange Notes (collectively, the Notes) are guaranteed by all of The Scotts Company's existing and future domestic restricted subsidiaries, except for Custom Lawn Care Service, Inc., Sanford Scientific, Inc. and future domestic restricted subsidiaries which do not meet a materiality threshold set forth in the indenture governing the Notes. These subsidiary guarantors jointly and severally guarantee The Scotts Company's obligations under the Notes.

The Notes and the subsidiary guarantees are full and unconditional general obligations of The Scotts Company and each subsidiary guarantor. The Notes and the subsidiary guarantees are senior subordinated obligations and are (1) subordinated in right of payment to all existing and future senior debt of The Scotts Company and the subsidiary guarantors except trade payables, (2) senior in right of payment to any future junior subordinated debt of The Scotts Company and the subsidiary guarantors and (3) equal in right of payment with The Scotts Company's existing 8 5/8% senior subordinated notes due 2009.

The following information presents consolidating Statements of Operations and Statements of Cash Flows for the three years ended September 30, 2003 and consolidated Balance Sheets as of September 30, 2003 and 2002 displaying the aggregation of subsidiary guarantors and non-guarantors as delineated under the indenture governing the Notes. Separate audited financial statements of the individual subsidiary guarantors have not been provided because management does not believe they would be meaningful to investors.
