**PROXY STATEMENT**

---

This proxy statement contains information relating to the annual meeting of Equus II Incorporated ( *EQS* or the *Fund* ) to be held on Thursday, May 6, 2004, beginning at 9:00 a.m., local time, at Meeting Room No. 1, Ground Level, Wortham Tower, 2727 Allen Parkway, Houston, Texas 77019, and at any postponements or adjournments thereof, and is furnished in connection with the solicitation of proxies by our Board of Directors to be voted at the annual meeting. This proxy statement is being mailed to stockholders on or about April 6, 2004.

**ABOUT THE MEETING**

*What is the purpose of the annual meeting?*

At our annual meeting, stockholders will act upon the matters outlined in the notice of meeting on the cover page of this proxy statement, including the election of directors and the ratification of the Fund's independent auditor. In addition, the Fund's management will report on the performance of the Fund during 2003 and respond to questions from stockholders.

*Who is entitled to vote at the meeting?*

Only stockholders of record at the close of business on March 19, 2004, the record date for the meeting, are entitled to receive notice of and to participate in the annual meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the meeting or any postponements or adjournments thereof. A list of stockholders on the record date will be available for inspection at the Fund's office at 2727 Allen Parkway, 13<sup>th</sup> Floor, Houston, Texas for ten days before the meeting.

*What are the voting rights of holders of EQS common stock?*

You may cast one vote per share of EQS common stock that you held on the record date on each matter considered at the annual meeting. These shares include shares that are: (1) held directly in your name as the stockholder of record and (2) held for you as the beneficial owner through a stockbroker, bank, or other nominee.

*Who can attend the meeting?*

All stockholders as of the record date, or their duly appointed proxies, may attend the meeting. Each stockholder may be asked to present valid identification. Cameras, recording devices, and other electronic devices will not be permitted at the meeting.

Please note that if you hold your shares in street name (that is, through a broker, bank, or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date.

Parking is available at local garages; the fee for parking is \$0.75 per hour.

***What constitutes a quorum?***

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date will constitute a quorum, permitting the meeting to conduct its business. As of the record date, 6,615,173 shares of EQS common stock, representing the same number of votes, were outstanding. Thus, the presence of holders of EQS common stock representing at least 3,307,587 votes will be required to establish a quorum.

Proxies received but marked as abstentions and broker non-votes that are voted on any matter will be included in the calculation of the number of shares considered to be present at the meeting.

***What is the difference between holding shares as a stockholder of record and as a beneficial owner?***

Many stockholders of the Fund hold their shares through a stockbroker, bank or, other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

**Stockholder of Record.** If your shares are registered directly in your name with the Fund's transfer agent, American Stock Transfer & Trust Company, you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by the Fund. As the stockholder of record, you have the right to grant your voting proxy directly to the Fund or to vote in person at the annual meeting. We have enclosed a proxy card for you to use.

**Beneficial Owner.** If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker on how to vote and are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the annual meeting. Your broker or nominee has enclosed a voting instruction card for you to use in directing the broker or nominee regarding how to vote your shares.

***How can I vote my shares in person at the annual meeting?***

Shares held directly in your name as the stockholder of record may be voted in person at the annual meeting. If you choose to do so, please bring the enclosed proxy card or proof of identification. Even if you plan to attend the annual meeting, we recommend that you vote your shares in advance as described below so that your vote will be counted if you later decide not to attend the annual meeting. Shares held in street name may be voted in person by you only if you obtain a signed proxy from the record holder giving you the right to vote the shares.

***How can I vote my shares without attending the annual meeting?***

## Edgar Filing: EQUUS II INC - Form DEF 14A

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct your vote without attending the annual meeting by completing and mailing your proxy card or voting instruction card in the enclosed pre-paid envelope. Please refer to the enclosed materials for details.

***Can I change my vote after I return my proxy card?***

Yes. You may change your proxy instructions at any time prior to the vote at the annual meeting. You may accomplish this by granting a new proxy card or new voting instruction card bearing a later date (which automatically revokes the earlier proxy instructions) or by attending the annual meeting and voting in person. Attendance at the annual meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

***What are the Board's recommendations?***

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board. The Board's recommendation is set forth together with the description of each item in this proxy statement. In summary, the Board recommends a vote:

*for* election of the nominated slate of directors (see Item 1); and

*for* ratification of the appointment of PricewaterhouseCoopers LLP as the Fund's independent auditor (see Item 2).

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

***How are votes counted?***

In the election of directors, you may vote *For* all of the nominees or your vote may be *Withheld* with respect to one or more of the nominees. For the other proposals, you may vote *For*, *Against*, or *Abstain*. If you *Abstain*, it has the same effect as a vote *Against*. If you sign your proxy card or broker voting instruction card with no further instructions, your shares will be voted in accordance with the recommendations of the Board.

***What vote is required to approve each item?***

**Election of Directors.** The affirmative vote of a plurality of the votes cast at the meeting is required for the election of directors. A properly executed proxy marked *Withheld* with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. The nine persons receiving the highest number of *For* votes will be elected.

**Other Items.** For each other item, the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. A properly executed proxy marked *Abstain* with respect to any such matter will not be voted in favor of or against such matter, although it will be counted as voted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

## Edgar Filing: EQUUS II INC - Form DEF 14A

If you hold shares in street name through a broker, bank, or other nominee, your broker, bank, or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such broker non-votes will, however, be counted in determining whether there is a quorum.

***What does it mean if I receive more than one proxy or voting instruction card?***

It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

***Where can I find the voting results of the annual meeting?***

We will announce preliminary voting results at the annual meeting and publish the final results in our quarterly report on Form 10-Q for the quarter ended June 30, 2004.

**STOCK OWNERSHIP**

***Who are the largest owners of the Fund's stock?***

Based on a review of filings with the Securities and Exchange Commission (SEC), the Fund is aware of three beneficial owners of more than 5% of the outstanding shares of EQS common stock: Karpus Management, Inc., Sam P. Douglass, and Nolan Lehmann.

***How much stock do the Fund's directors and executive officers own?***

The following table shows the dollar range of equity securities owned by our directors:

### Section 16(a) Beneficial Ownership Reporting Compliance

Under the federal securities laws, the Fund's directors, executive (and certain other) officers, and any persons holding more than ten percent of EQS common stock are required to report their ownership of EQS common stock and any changes in that ownership to the Fund and the SEC. Specific due dates for these reports have been established by regulation and the Fund is required to report in this proxy statement any failure to file by these dates in 2003. Based upon a review of filings with the SEC and written representations that no other reports were required, we believe that all of our directors and executive officers complied during 2003 with the reporting requirements of Section 16(a) of the Securities Exchange Act of 1934, with the exception of: a Form 3 to report the election of Harry O. Nicodemus IV as an executive officer of the Fund and a Form 4 to report a grant of stock options to Mr. Nicodemus were filed late.

As of March 30, 2004, we believe that all directors and officers are current in their filings. In making these statements, the Fund has relied on the written representations of its directors, officers and ten percent holders and copies of reports that they have filed with the SEC.

**GOVERNANCE OF THE FUND**

*What are the duties of the Board of Directors?*

The Board provides overall guidance and supervision with respect to the operations of the Fund and performs the various duties imposed on the directors of business development companies by the Investment Company Act. Among other things, the Board supervises the management arrangements of the Fund, the custodial arrangements with respect to portfolio securities, the selection of accountants, fidelity bonding, and transactions with affiliates. All actions taken by the Board are taken by majority vote unless a higher percentage is required by law or unless the Investment Company Act or the Fund's Restated Certificate of Incorporation or bylaws require that the actions be approved by a majority of the directors who are not interested persons (as defined in the Investment Company Act). The Investment Company Act requires that a majority of the Fund's directors be individuals who are not interested persons of the Fund.

The members of the Board of Directors on the date of this proxy statement and the committees of the Board on which they serve, are identified below.

***What committees has the Board established?***

The Board has five standing committees: an Audit Committee, a Governance and Nominating Committee, a Compensation Committee, a Committee of Independent Directors, and a Committee to Study Methods for the Enhancement of Shareholder Value.

**Audit Committee**

The functions of the Audit Committee are described below under the heading *Report of the Audit Committee*. The charter of the Audit Committee is attached to this proxy statement as Appendix A and is available on the Fund's website ([www.equuscap.com](http://www.equuscap.com)). The Audit Committee met five times during 2003.

On February 19, 2004, the Board selected the members of the Audit Committee for the coming year, as shown above. Each member of the Audit Committee is independent within the meaning of SEC regulations and the listing standards of the New York Stock Exchange ( NYSE ). Mr. Knauss, the chair of the Committee, is qualified as an audit committee financial expert within the meaning of SEC regulations and the Board has determined that he has accounting and related financial management expertise within the meaning of the listing standards of the NYSE.

**Committee of the Independent Directors**

The functions of the Committee of the Independent Directors are to:

recommend to the full Board approval of any management, advisory, or administration agreements;

recommend to the full Board any underwriting or distribution agreements;

review the fidelity bond and premium allocation;

review any joint insurance policies and premium allocation;

review and monitor the Fund's compliance with procedures adopted pursuant to certain rules promulgated under the Investment Company Act; and

carry out such other duties as the independent directors shall, from time to time, conclude are necessary in the performance of their duties under the Investment Company Act.

The Committee of Independent Directors met as needed at regularly scheduled Board Meetings. The Committee consists of all directors who are not interested persons of the Fund (as defined in the Investment Company Act).

**Compensation Committee**

The function of the Compensation Committee is to determine and issue stock options for officers of the Fund under the Equus II Incorporated 1997 Stock Incentive Plan (the 1997 Stock Incentive Plan ), which is the only form of compensation paid by the Fund to its officers for serving as such. The charter of the Compensation Committee is available on the Fund's website ([www.equuscap.com](http://www.equuscap.com)). The Committee met one time during 2003. All members of the Committee are independent within the meaning of the listing standards of the New York Stock Exchange.

### **Governance and Nominating Committee**

The Governance and Nominating Committee is responsible for developing and implementing policies and practices relating to corporate governance. The Committee selects individuals for nomination to the Board of Directors of the Fund. In addition, the Committee develops and reviews background information on candidates for the Board and makes recommendations to the Board regarding such candidates. The Committee also prepares and supervises the Board's annual review of director independence and the Board's performance self-evaluation. The charter of the Governance and Nominating Committee is attached to this proxy statement as Appendix B and is available on the Fund's website ([www.equuscap.com](http://www.equuscap.com)). The Committee met three times during 2003.

On February 19, 2004, the Board selected the members of the Governance and Nominating Committee for the coming year, as shown above. All of the members of the Committee are independent within the meaning of SEC regulations and the listing standards of the NYSE. No member of the Committee is an interested person of the Fund as defined in the Investment Company Act.

### **Committee to Study Methods for the Enhancement of Shareholder Value**

The function of the Committee to Study Methods for the Enhancement of Shareholder Value is to recommend to the Board plans and actions that might increase the value at which our common stock trades on the NYSE. The Committee held one meeting during 2003.

### ***How does the Board select nominees for the Board?***

The Governance and Nominating Committee considers candidates for Board membership suggested by its members and other Board members, as well as management and stockholders. A stockholder who wishes to recommend a prospective nominee for the Board should notify the Fund's Secretary or any member of the Governance and Nominating Committee in writing in care of Equus II Incorporated, 2727 Allen Parkway, 13<sup>th</sup> Floor, Houston, Texas 77019. To be considered by the Nominating and Governance Committee, stockholder nominations must be submitted before our fiscal year-end and must be accompanied by a description of the qualifications of the proposed candidate and a written statement from the proposed candidate that he or she is willing to be nominated and desires to serve if elected. The Governance and Nominating Committee will also consider whether to nominate any person nominated by a stockholder pursuant to the provisions of the Fund's bylaws relating to stockholder nominations as described in *Additional Information Advance Notice Procedures*, below. Nominees for director who are recommended by stockholders will be evaluated in the same manner as any other nominee for director.

Once the Governance and Nominating Committee has identified a prospective nominee, the Committee makes an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on whatever information is provided to the Committee with the recommendation of the prospective candidate, as well as the Committee's own knowledge of the prospective candidate, which may be supplemented by inquiries to the person making the recommendation or others. The preliminary determination is based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the evaluation factors considered by the Committee. If the Committee determines, in consultation with the other Board members as appropriate, that additional consideration is warranted, it may gather additional information about the prospective nominee's background and experience. The Chairman of the Committee and our Chairman of the Board will then interview a qualified candidate. A qualified candidate is then invited to meet the remaining members of the Committee and the other directors. The Committee then determines, based on the background information and information obtained in interviews, whether to recommend to the Board that a candidate be nominated to the Board.

Mr. Orvieto, who is being submitted to our stockholders for election as a director for the first time at the annual meeting, was recommended to the Nominating and Governance Committee by a stockholder of the Fund.

The Committee believes a prospective nominee for director should, at a minimum, satisfy the following standards and qualifications and evaluates prospective nominees accordingly:

the ability of the prospective nominee to represent the interests of the stockholders of the Fund;

the prospective nominee's standards of integrity, commitment, and independence of thought and judgment;

the prospective nominee's ability to dedicate sufficient time, energy, and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards; and

the extent to which the prospective nominee contributes to the range of talent, skill, and expertise appropriate for the Board.

The Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, and the need for Audit Committee expertise. After completing this evaluation and interview, the Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Committee.

***How does the Board determine which directors are considered independent?***

The Board undertook its annual review of director independence in February 2004. During this review, the Board considered transactions and relationships between each director or any member of his immediate family and the Fund, including those reported under *Other Indirect Interests* below. The Board also examined transactions and relationships between directors or their affiliates and members of the Fund's senior management or their affiliates. The purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent.

As a result of this review, the Board affirmatively determined that all of the directors nominated for election at the annual meeting are independent of the Fund and its management with the exception of Sam P. Douglass and Nolan Lehmann. Messrs. Douglass and Lehmann are considered inside directors because of their employment as senior executives of the Fund.

***How often did the Board meet during 2003?***

During 2003, the Board met in person four times and by telephone one additional time. Each director attended at least 75% of all meetings held by the Board or the committees of the Board on which he served. The Fund does not have a policy about directors' attendance at the annual meeting of stockholders. All directors attended the Fund's annual meeting of stockholders in May 2003.

***How are directors compensated?***

During 2003, each director who was not an officer of the Fund received an annual fee of \$20,000, plus \$2,000 for each meeting of the directors attended, \$1,500 for participation in each meeting conducted by telephonic conference, and \$1,000 for each committee meeting attended (\$500 for each committee meeting if attended on the same day as a Board meeting), and reimbursement for all out-of-pocket expenses relating to attendance at such meetings. The independent directors do not receive any additional compensation from the Fund or portfolio companies for any additional services rendered. Officers and directors of the Fund who are affiliated with management may serve as directors of portfolio companies and in such capacities may receive and retain directors' fees and other compensation directly from the portfolio companies. Officers of the Fund do not receive cash compensation directly from the Fund, but are employed by and receive a salary from the Management Company. The Fund established the 1997 Stock Incentive Plan to provide incentive compensation to its directors, officers, and employees.

The directors who were not officers of the Fund were paid an aggregate of \$242,333 and \$238,500 as compensation for the years ended December 31, 2003 and 2002, respectively.

The following table sets forth all compensation paid to the directors, and for each of the three highest paid officers who have aggregate compensation from the Fund in 2003 in excess of \$60,000:

(1) Mr. Douglass and Mr. Lehmann do not receive a salary from the Fund.

Under our 1997 Stock Incentive Plan, each non-officer director serving at the time was granted an option to purchase 5,500 shares of EQS common stock on November 4, 1997. Any new director is automatically granted an option to purchase 5,500 shares of EQS common stock on the first business day following such director's first board meeting. Mr. Orvieto was granted an option to purchase 5,500 shares of EQS common stock upon his election to the Board. In addition, each individual elected as a non-officer director is, on the first business day following the annual stockholders meeting, granted a stock option to purchase 2,200 shares of EQS common stock at the closing sales price for shares of EQS common stock on that date. In May 2003, the Fund granted options to purchase an aggregate 13,200 shares of stock at \$7.43 per share to its directors. The Fund currently has no bonus, profit-sharing, pension, or retirement plan.

- (1) The potential realizable value is based on a closing sales price of \$8.05 per share on December 31, 2003. The amounts shown under these columns are the result of calculations at the 5% and 10% rates required by SEC rules and are not intended to forecast future appreciation of the Fund's stock price. The potential realizable values are based on an assumption that the stock price of the shares of EQS common stock appreciates at the annual rate shown (compounded annually) from the date of grant until the end of the option term. The values do not take into account amounts required to be paid as income taxes or option provisions providing for termination of an option following termination of employment, nontransferability, or vesting over periods of up to four years.

**Stock Option Exercises and Fiscal Year-End Values**

The following table sets forth certain information concerning the value of options exercised during the last fiscal year and unexercised options held by the Fund's Chief Executive Officer and the Fund's four most highly compensated executive officers other than the CEO at December 31, 2003:

Under the 1997 Stock Incentive Plan the Fund may grant stock options to eligible directors and officers for up to the number of shares of EQS common stock equal to 20% of the outstanding shares. At December 31, 2003, the Fund had outstanding stock options covering an aggregate of 1,033,800 shares. The Compensation Committee is responsible for granting awards of stock options under the 1997 Stock Incentive Plan.

Dividend equivalent rights represent the right of our officers to receive a credit against the option exercise price for the amount of any dividends paid by us during the option period. In January 2002, we filed an application with the SEC seeking an amendment to an exemptive order previously issued by the SEC to permit us to grant dividend equivalent rights to the Fund's independent directors as part of their stock option awards. During its review of such application, the SEC staff advised us that it does not believe that dividend equivalent rights are permitted under the Investment Company Act. Accordingly, we may be required to obtain a new exemptive order from the SEC permitting the Fund to issue dividend equivalent rights. Based on the ongoing discussion with the SEC, we have not recorded any associated compensation expense applicable to dividend equivalent rights for the 2003 dividend.

During its review of the exemptive application discussed above, the SEC staff also raised certain issues with respect to the manner in which certain notes receivable from officers of the Fund, which were issued in connection with the exercise of stock options in 1999, were settled during 2001. We have responded to the staff's questions and supplied additional information. Although the ultimate resolution of this matter cannot be determined at this time, we believe that the resolution of this matter will not have an adverse financial impact on the Fund.

**Other Indirect Interests**

Dr. Williams may be paid additional sums by Equus Capital Corporation, a wholly owned subsidiary of the Management Company (ECC), in connection with ECC's redemption of its Series C preferred stock. ECC has liquidated substantially all of its assets, but is retaining some cash for taxes, operating expenses, and contingencies. At December 31, 2003, the aggregate value of the assets held by ECC was \$1,928,941, of which Dr. Williams had a 5.3% interest.

Executive officers receive no cash compensation from the Fund, but participate in the 1997 Stock Incentive Plan. See Investment Management Agreement and Management Company below. For a description of the business background of each of Messrs. Douglass and Lehmann see Nominees for Director below.

### **Investment Management Agreement**

The investments and business of the Fund are managed by the Management Company pursuant to a Management Agreement (the Management Agreement) dated May 9, 1997. The date that the Management Agreement was last submitted to a vote of the stockholders of the Fund was May 9, 1997, when it was initially approved. On May 9, 2003, the Board of Directors of the Fund approved the continuation of the Management Agreement until June 30, 2004.

Under the Management Agreement the Management Company provides, or arranges for suitable third parties to provide, any and all management and administrative services reasonably necessary for the operation of the Fund and the conduct of its business. Such management and administrative services include providing the Fund with office space, equipment, facilities and supplies, and clerical services; keeping and maintaining the books and records of the Fund, and handling communications and correspondence with stockholders; preparing accounting, management and other reports; and providing such other managerial and administrative services as may be reasonably requested by the Fund to identify, evaluate, structure, monitor and dispose of the Fund's investments. In return for its services and the expenses that the Management Company assumes under the Management Agreement, the Fund pays the Management Company, on a quarterly basis, a management fee equal to 0.5% of the net assets of the Fund on the last day of each calendar quarter (2% per annum). The management fee is payable quarterly in arrears. The Management Company's management fee from the Fund was \$1,530,016 for the year ended December 31, 2003. The total net assets of the Fund as of December 31, 2003, were approximately \$71.5 million.

Under the Management Agreement, the Fund bears all costs and expenses directly allocable and identifiable to the Fund or its business or investments, including all expenses with respect to investments or the acquisition or disposition thereof, expenses of registering the shares under federal and state securities laws, costs of printing proxies and other expenses related to meetings of stockholders, litigation expenses, costs of third party evaluations or appraisals of the Fund (or its assets) or its actual investments, fees of transfer agents and custodians, legal fees, fees of independent public accountants, expenses of printing and distributing reports to stockholders, securities holders and regulatory bodies, federal, state and local taxes, and other costs and expenses directly allocable and identifiable to the Fund or its business or investments.

The Management Company also receives compensation for providing certain investor communication services of which \$50,000 is included in the Statements of Operations for the year ended December 31, 2003.

Certain officers and directors of the Fund serve as directors of portfolio companies in which the Fund has investments. In consideration for such service, such officers or directors may receive and retain fees and non-employee director stock options from such portfolio companies. During 2003 the officers and directors of the Fund received \$223,500 of director fees from portfolio companies.

The Management Agreement will continue in effect until June 30, 2004, and from year-to-year thereafter provided such continuance is approved at least annually by (i) a vote of a majority of the outstanding shares of the Fund or (ii) a majority of the directors who are not interested persons of the Fund, at a meeting called for the purpose of voting on such approval. The Management Agreement may be terminated at any time, without the payment of any penalty, by a vote of the Board of Directors of the Fund or the holders of a majority of the Fund's shares on 60 days' written notice to the Management Company, and would automatically terminate in the event of its assignment (as defined in the Investment Company Act).

**Report of the Audit Committee**

*The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing by the Fund under the Securities Act of 1933, Securities Exchange Act of 1934, or the Investment Company Act of 1940, except to the extent that the Fund specifically incorporates this Report by reference therein.*

The charter of the Audit Committee, as revised in February 2004, specifies that the purpose of the Audit Committee is to assist the Board in its oversight of the integrity of:

the Fund's financial statements,

the Fund's compliance with legal and regulatory requirements,

the independence and qualifications of the Fund's independent auditor, and

the performance of the Fund's internal audit function and independent auditor.

The full text of the Committee's charter is attached to this proxy statement as Appendix A and is available on the Fund's website ([www.equuscap.com](http://www.equuscap.com)).

In furtherance of the foregoing purpose, the Committee's authority and responsibilities include to:

review and oversee the Fund's annual and quarterly financial statements;

recommend, for shareholder approval, the appointment of the Fund's independent auditor, and oversee the compensation, retention, oversight, and other matters relating to the engagement or discharge of the independent auditor;

oversee the Fund's financial controls and reporting processes;

review the Fund's financial reporting and accounting standards and principles;

review the performance of the Fund's internal audit function and the performance of the independent auditor;

review and investigate any matters pertaining to the integrity of management, including conflicts of interest or adherence to standards of business conduct; and

establish procedures for handling complaints involving accounting, internal accounting controls, and auditing matters.

The Committee met five times during 2003. The Committee schedules its meetings with a view to ensuring that it devotes appropriate attention to all of its duties. The Committee's meetings include, whenever appropriate, executive sessions with the Fund's independent auditor without the presence of management.

As part of its oversight of the Fund's financial statements, the Committee reviews and discusses with both management and the Fund's independent auditor all annual and quarterly financial statements prior to their issuance. During 2003, management advised the Committee that each set of financial statements reviewed had been prepared in accordance with generally accepted accounting principles, and reviewed significant accounting and disclosure issues with the Committee. These reviews included discussions with PricewaterhouseCoopers LLP of matters required to be disclosed pursuant to Statement of Auditing Standards No. 61 (*Communication with Audit and Finance Committees*, as amended), including the quality of the Fund's accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Committee also discussed with PricewaterhouseCoopers LLP matters relating to its independence, including a review of audit and non-audit fees and the written disclosure required by Independence Standards Board Standard No. 1 (*Independence Discussions with Audit Committee*, as amended).

Based on the review and discussions noted above, the Audit Committee recommended to the Board that the Board approve the inclusion of the Fund's audited financial statements for the year ended December 31, 2003, in the Fund's Annual Report on Form 10-K for the year ended December 31, 2003, for filing with the Securities and Exchange Commission. The Audit Committee also recommended to the Board of Directors, and the Board has approved, subject to shareholder ratification, the selection of PricewaterhouseCoopers LLP as the Fund's independent accounts for fiscal 2004.

**ITEM 1 ELECTION OF DIRECTORS**

Article III, Section 3.2 of the bylaws of the Fund provides for a minimum of three and a maximum of fifteen directors (a majority of whom must be directors who are not interested persons as defined in the Investment Company Act). There are currently nine directors, including seven independent directors. The nominees receiving an affirmative vote of a plurality of the shares entitled to vote and present, either in person or by proxy, at the annual meeting, will be elected as members of the Board.

The current term of office of all of the Fund's directors expires at the 2004 annual meeting. The Board proposes that the following nominees, all of whom are currently serving as directors, be re-elected for a new term of one year and until their respective successors have been duly elected and qualified or until they resign, die or are removed from office. The one nominee that has been appointed to the Board since the last election of directors was initially recommended to the Governance and Nominating Committee by a stockholder of the Fund. Each of the nominees has consented to serve if elected.

The Board knows of no reason why any nominee for director would be unable to serve as a director. If at the time of the annual meeting any nominee is unable or unwilling to serve as a director of the Fund, the persons named as proxies will vote a substitute nominee designated by the Board.

**ITEM 2 RATIFICATION OF THE SELECTION OF THE INDEPENDENT**

**AUDITOR FOR THE FUND**

The Audit Committee has selected the accounting firm of PricewaterhouseCoopers LLP ( PwC ) to audit the Fund 's financial statements for, and otherwise act as the Fund 's independent accountants with respect to the fiscal year ending December 31, 2004. The Fund 's selection of PricewaterhouseCoopers LLP is conditioned on the Fund 's right to terminate such selection at any time without any penalty. In accordance with the Audit Committee 's resolution, the selection of PwC for the current fiscal year is submitted to stockholders for ratification. The Fund knows of no direct or indirect financial interest of PwC in the Fund.

A representative of PwC is expected to be present at the Annual Meeting and will be available to make a statement, if he or she so desires, and to respond to appropriate questions of the stockholders.

In the event the stockholders do not ratify the appointment, the appointment will be reconsidered by the Audit Committee and the Board.

**Audit Fees and All Other Fees**

*Audit Fees*

Fees for audit services totaled approximately \$96,050 in 2003 and \$110,870 in 2002, including fees associated with the annual audit and the reviews of the Fund 's quarterly reports on Form 10-Q. Of the 2003 amount, \$31,050 was billed by December 31, 2003.

*Audit-Related Fees*

We did not pay PwC any fees for assurance and related services related to the performance of their audit or review of our financial statements during 2003 and 2002.

*Tax Fees*

We did not pay PwC any fees for tax services during 2003 and 2002.

*All Other Fees*

## Edgar Filing: EQUUS II INC - Form DEF 14A

We did not pay PwC any fees for other services in 2003 and 2002.

The Audit Committee pre-approves all audit and permitted non-audit services (including the fees and terms thereof) to be performed by PwC or any independent auditor engaged by the Fund and any non-audit services provided by PwC to the Management Company, and any entity controlling, controlled by, or under common control with the Management Company, subject to the *de minimis* exception for non-audit services set forth in Rule 2-01(c)(7)(i)(C) of Regulation S-X that are approved by the Audit Committee before completion of the audit. Audit services include those typically associated with the annual audit such as evaluation of internal controls. Non-audit services include certain services that are audit-related such as consultations regarding financial accounting and reporting standards, and tax services. Certain services may not be provided by the auditor to the Fund or to the Management Company without jeopardizing the auditor's independence. These services are deemed prohibited services and

include certain management functions; human resources services; broker-dealer, investment adviser or investment banking services; legal services; and expert services unrelated to the audit. Other services are conditionally prohibited and may be provided if the Audit Committee reasonably concludes that the results of the services will not be subject to audit procedures during an audit of the Fund's or the Management Company's financial statements. These types of services include bookkeeping; financial information systems design and implementation; appraisal or valuation services; actuarial services; and internal audit outsourcing services.

The Audit Committee's procedures require approval of the engagement of the auditor for each fiscal year and approval of the engagement by a majority of the Fund's independent directors. The procedures permit the Audit Committee to pre-approve the provisions of types or categories of non-audit services for the Fund and permissible non-audit services for the Management Company on an annual basis at the time of the auditor's engagement and on a project-by-project basis. At the time of the annual engagement of the Fund's independent auditor, the Audit Committee is to receive a list of the categories of expected services with a description and an estimated budget of fees. In its pre-approving all audit services and permitted non-audit services, the Audit Committee or a delegated member should determine that the provision of the service is consistent with, and will not impair, the ongoing independence of the auditor and set any limits on fees or other conditions it finds appropriate. Non-audit services may also be approved on a project-by-project basis by the Audit Committee consistent with the same standards for determination and information.

The Audit Committee may also designate a member of the Committee to pre-approve non-audit services that have not been pre-approved or changes in non-audit services previously pre-approved. Any actions by the designated member are to be ratified by the Audit Committee by the time of its next regularly scheduled meeting. The Fund's pre-approval procedures are reviewed annually by the Audit Committee and the Fund maintains a record of the decisions made by the Committee pursuant to the procedures.

There were no non-audit fees billed by PwC to the Management Company. In addition, PwC did not provide any non-audit services to any entity controlling, controlled by, or under common control with the Management Company.

The proposal to ratify the appointment of PwC as the Fund's independent auditors requires the affirmative vote of a majority of the outstanding shares of EQS Common Stock represented and entitled to vote at the Annual Meeting.

### **Change in Independent Auditor**

On July 3, 2002, Arthur Andersen LLP (Andersen), who was previously engaged as the independent accountant for the Fund submitted, and we accepted, its resignation as independent accountant for the Fund. On July 5, 2002, the Board of Directors and the Audit Committee engaged PwC to serve as the Fund's independent accountant to audit the Fund's financial statements for fiscal 2002. The appointment of PwC was ratified by stockholders at the Fund's 2003 Annual Meeting of Stockholders.

Andersen's report on our financial statements for the year ended December 31, 2001, did not contain an adverse opinion or a disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope, or accounting principle.

For the fiscal years ended December 31, 2001 and 2000, and through July 3, 2002, there were no disagreements with Andersen on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of Andersen would have caused them to make a reference to the subject matter in connection with their report on our financial statements for fiscal years 2001 and 2000 and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

During the two years ended December 31, 2001, and through July 3, 2002, the Fund did not consult with PwC with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements or any matters or reportable events as described in Items 304(a)(2)(i) and (ii) of Regulation S-K.

**The Board unanimously recommends that each stockholder vote FOR the ratification of the appointment of PricewaterhouseCoopers LLP as independent auditors of the Fund.**
