ITEM 2.01 COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS

In 2004, American Realty Investors, Inc. (ARI) and its subsidiaries, including Transcontinental Realty Investors, Inc. (TCI), sold a significant amount of its assets (in excess of 10% of total assets at December 31, 2003), the last sale of which was completed on October 19, 2004. The nature and amount of consideration given principally involved cash received, seller financing provided by ARI, and/or debt assumed by purchaser, and the principle followed in determining the amount of such consideration was negotiations between seller and purchaser.

Although ARI seeks to maximize long-term profitability for its stockholders through the development, acquisition, and disposition of properties, ARI intends to continue to pursue its development, acquisition, and disposition strategies in the ordinary course of the business of ARI and its subsidiaries, including TCI. ARI and its subsidiaries at all times, and currently, are in various stages of discussions and negotiations with respect to development, acquisition, and disposition projects. Selective dispositions have been a part of ARI's strategy to create an efficient portfolio and provide additional sources of capital for future use.

Properties sold by TCI and its subsidiaries are identified in the table below with (T). The properties sold are as follows:
