**Item 1.01 Entry into a Material Definitive Agreement.**

On March 7, 2005, Xcyte Therapies, Inc. (the Company ) entered into a Supply Agreement (the Agreement ) with Cambrex Bio Science Walkersville, Inc. ( Cambrex ). Under the terms of the Agreement, Cambrex will supply the tissue culture media used in the Company s manufacturing process. The initial term of this Agreement is for a period of ten years. Thereafter, it will continue for renewal terms of one year each under the same terms and conditions, unless terminated in writing by giving at least twelve months prior written notice if Cambrex is the terminating party and at least six months prior written notice if the Company is the terminating party. Cambrex is currently the sole provider of the tissue culture media used in the Company s manufacturing process. If Cambrex is unwilling or unable to supply the Company with this media, the Company would need to use an alternative tissue culture media, which may delay the Company s clinical trials and harm the Company s business. The Agreement will be filed as an exhibit to the Company s quarterly report on Form 10-Q for the quarter ending March 31, 2005, with portions omitted and filed separately with the Securities and Exchange Commission pursuant to a request for confidential treatment.

Neither the Company nor its affiliates have any material relationship with Cambrex or its affiliates other than the Agreement.
