CORPORATE GOVERNANCE

j2 Global's Board of Directors has adopted Corporate Governance Principles and a Code of Business Conduct and Ethics, which are both posted, along with the charter for the Audit Committee, on the corporate governance page of our Website. The corporate governance page can be accessed under Investor Corporate Governance on our Website at www.j2global.com.

Corporate Governance Principles

j2 Global's Corporate Governance Principles provide guidelines which govern the qualifications and conduct of the Board. The Principles are consistent with the corporate governance requirements of the Sarbanes-Oxley Act of 2002, and the corporate governance listing requirements applicable to companies whose securities are listed on the NASDAQ National Market (referred to as the NASDAQ listing standards). how persons are nominated by the Board for election as directors;

Code of Business Conduct and Ethics

j2 Global's Code of Business Conduct and Ethics applies to all directors, officers and employees of j2 Global, including the President, Chief Financial Officer and Chief Accounting Officer. Director Independence

Douglas Y. Bech, Robert J. Cresci and Michael P. Schulhof are independent directors, as defined in the NASDAQ listing standards and as determined by our Board of Directors.

Identifying Director Nominees; Consideration of Nominees of the Stockholders

The Board of Directors does not have a standing nominating committee or committee performing similar functions. The Board of Directors has determined that it is appropriate not to have a nominating committee because of the relatively small size of the Board of Directors, and because the entire Board of Directors effectively functions in the capacity of a nominating committee. In evaluating and determining whether to recommend a person as a candidate for election as a director, the Board of Directors considers the qualifications set forth in j2 Global's Corporate Governance Principles and follows the procedures set forth below when filling vacancies or adding a new Board member:

The Chairman of the Board identifies a need to add a new board member who meets specific criteria or to fill a vacancy on the board.

The entire Board of Directors, including a majority of the Independent Directors, confirms this need by voting in favor of the search.

The Board of Directors establishes an ad hoc search committee to coordinate the search, which will be chaired by the Chairman of the Board and have a majority of its members be Independent Directors.

The search committee initiates a broad ranging search for suitable candidates. In doing so, the committee may use the services of outside search firms and will consider recommendations from members of the Board of Directors, senior executives and stockholders.

Edgar Filing: J2 GLOBAL COMMUNICATIONS INC - Form DEF 14A

The search committee will recommend a candidate to the full Board of Directors, who will vote on the recommendation, with the requirement that a majority of the Independent Directors make the final selection.

The Board of Directors will consider candidates recommended by stockholders, when the nominations are properly submitted, under the criteria in j2 Global's Corporate Governance Principles. The deadlines and procedures for stockholder submissions of director nominees are described below under Deadline for Submitting Stockholder Proposals and Director Nominations for the Next Annual Meeting. Following verification of the stockholder status of persons proposing candidates, the Chairman of the Board makes an initial analysis of the qualifications of any candidate recommended by

Table of Contents

stockholders to determine whether the candidate is qualified for service on the Company's Board before deciding to undertake a complete evaluation of the candidate. Other than the verification of compliance with procedures and stockholder status, and the initial analysis performed by the Chairman, a potential candidate nominated by a stockholder is considered in the same manner as any other potential candidate during the review process by the Board.

Communications with the Board and the Audit Committee

The Board welcomes communications from stockholders and has adopted a procedure for receiving and addressing them. Interested parties may also submit complaints regarding accounting, internal accounting controls or auditing matters to our Audit Committee. Stockholders may send written communications to the entire Board, to the Audit Committee or to individual members, addressing them to j2 Global Communications, Inc., 6922 Hollywood Boulevard, Suite 500, Los Angeles, California 90028, Attention: Corporate Secretary. Communications by e-mail should be addressed to investor@j2global.com and marked Attention: Corporate Secretary in the Subject field.

The Board has instructed the Secretary to review all communications so received (via e-mail or otherwise), and to exercise his discretion not to forward to the Board members correspondence that is inappropriate such as business solicitations, frivolous communications and advertising, routine business matters (i.e., business inquiries, complaints or suggestions) and personal grievances. However, any director may at any time request the Secretary to forward any and all communications received by the Secretary but not forwarded to the Board.

MEETINGS AND COMMITTEES OF THE BOARD

Board Meetings and Attendance at Annual Meeting

The Board of Directors of j2 Global held a total of 12 meetings during 2004 and conducted business by written consent as well. During 2004, each director attended at least seventy-five percent (75%) of all of the meetings of the Board of Directors and the committees of which he was a member. The Company encourages, but does not require, members of the Board of Directors to attend annual stockholder meetings. Three of our directors attended last year's Annual Meeting.

Executive Sessions

In accordance with the Company's Corporate Governance Principles, executive sessions of non-management directors are held at least two times a year. The sessions are scheduled and chaired by the Chairman of the Audit Committee. Any non-management director can request that an additional executive session be scheduled.

Board Committees

Edgar Filing: J2 GLOBAL COMMUNICATIONS INC - Form DEF 14A

The Board of Directors has established four standing committees: Audit Committee, Compensation Committee, Executive and Investor Relations. The Audit and Compensation Committees are composed solely of independent directors as defined in the NASDAQ listing standards. The charters of the Audit Committee and Compensation Committee are posted under Corporate Governance in the Investor Relations portion of j2 Global's Website at www.j2global.com.

The Investor Relations Committee held no formal meetings during 2004, although throughout the year Mr. Rieley provided management of the Company oversight and guidance regarding investor relations issues.

Each member of the Audit Committee receives an additional \$10,000 per annum, with an additional \$10,000 per annum paid for service as the Chairman of the Audit Committee. The Chairman of the Investor Relations Committee also

receives an additional \$20,000 per annum.

Employment Contracts, Termination of Employment and Change of Control Arrangements

j2 Global currently has employment contracts with each of Messrs. Jarus and Zucker. j2 Global also has a consulting agreement with Orchard Capital Corporation, which supplies the services of Mr. Ressler. See Report of the Compensation Committee of the Board of Directors on Executive Compensation beginning on page 16 for a description of the terms of the Orchard Capital consulting agreement.

Table of Contents

Mr. Jarus Contract. Mr. Jarus entered into an employment agreement with j2 Global upon joining j2 Global as President on July 8, 2001. Under this agreement, Mr. Jarus receives a base salary of \$270,000 per year (subsequently raised to \$325,000 in 2004) and is eligible to participate in j2 Global's executive bonus program. He also is entitled to participate in all of j2 Global's benefits programs. If j2 Global terminates his employment constructively or for any reason other than cause, Mr. Jarus is entitled to severance and continued participation in j2 Global's health insurance coverage for six months following the date of termination. These severance and continued health insurance coverage obligations would cease in the event Mr. Jarus were to become employed by another company during this period. Also pursuant to this employment agreement, during 2001 j2 Global loaned Mr. Jarus \$500,000 towards the purchase of a home in the Los Angeles area. Mr. Jarus paid off this loan in full in May 2003.

In accordance with this agreement, j2 Global issued Mr. Jarus options to purchase 500,000 shares of j2 Global's common stock at an exercise price of \$2.01 per share, which was the closing price of j2 Global's common stock on the NASDAQ National Market on the trading day preceding his date of employment. The agreement provides for accelerated vesting of a portion of Mr. Jarus' options if he is terminated without cause or constructively terminated within one year following a change in control of j2 Global. Mr. Jarus' options are governed by j2 Global's 1997 Stock Option Plan. See 1997 Stock Option Plan beginning on this page for a description of the terms of j2 Global's 1997 Stock Option Plan.

Mr. Zucker's Contract. This employment agreement has no specified term and is terminable at will by either party, but provides for severance payments equal to six months' salary in the event of a termination by j2 Global without cause.

1997 Stock Option Plan

j2 Global's 1997 Stock Option Plan was adopted by the Board of Directors and approved by the stockholders in November 1997. In May 2001, j2 Global amended and restated the 1997 Stock Option Plan to permit the issuance of restricted stock under the plan. A total of five million shares of j2 Global's common stock have been reserved for issuance under the plan. As of December 31, 2004, options to purchase 2,564,122 shares of common stock were outstanding under the plan, 1,550,549 shares had been issued upon exercise of previously granted options and no shares of restricted stock were outstanding under the plan.

The plan provides for grants to employees, including officers and employee directors, of incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, and for grants of non-statutory stock options and restricted stock awards to employees, including officers and employee directors, and consultants, who may be non-employee directors.

The plan is administered by the Compensation Committee of j2 Global's Board of Directors. The plan administrator determines the terms of the options granted and restricted stock awarded, including the exercise price of each option, the number of shares subject to each option and covered by each restricted stock award and the vesting of each option and restricted stock award. The plan administrator also has the full power to select the individuals to whom options and restricted stock will be granted and to make any combination of grants to any participants.

Options generally have a term of 10 years. For options granted in 1999 and prior years, one-third of the options vest on the one-year anniversary of the grant date and each of the remaining one-third portions of the options vest on each annual anniversary of the grant date thereafter. For options granted after 1999, one-quarter of the options vest on the one-year anniversary of the grant date and each of the remaining one-quarter portions of the options vest on each annual anniversary of the grant date thereafter.

Table of Contents

The option exercise price may not be less than the higher of the par value or 100% of the fair market value of j2 Global's common stock on the date of grant. However, non-statutory options may be granted at exercise prices of not less than the higher of the par value or 85% of the fair market value of j2 Global's common stock on the date the option is granted. In the case of an incentive option granted to a person who at the time of the grant owns stock representing more than 10% of the total combined voting power of all classes of j2 Global's common stock, the option exercise price for each share of common stock covered by such option may not be less than 110% of the fair market value of a share of j2 Global's common stock on the date of grant of such option.

In the event of, among other things, a sale of all or substantially all of j2 Global's assets, or j2 Global's merger with or into another corporation, each option and each share of restricted stock will become immediately exercisable in full unless the Board of Directors determines that the holder has been offered substantially identical replacement options or replacement shares of restricted stock, as the case may be, and a comparable position at the acquiring company.

2001 Employee Stock Purchase Plan

j2 Global's 2001 Employee Stock Purchase Plan (the "Purchase Plan") was adopted by the Board of Directors and approved by the stockholders in May and June 2001, respectively. A total of one million shares of j2 Global's common stock have been reserved for issuance under the Purchase Plan. As of December 31, 2004, 129,871 shares had been issued under the Purchase Plan and 870,129 shares were available for future issuance. The Purchase Plan is administered by the Compensation Committee of j2 Global's Board of Directors.

The Purchase Plan is implemented through sequential offerings, each of which is referred to as an "offering," the terms of which are referred to herein as "offering periods." Generally, each offering period is for three months or such other duration as the Compensation Committee shall determine, not to exceed 27 months. Offering periods commence on or about February 1, May 1, August 1 and November 1 of each year and end on or about the next April 30, July 31, October 31 and January 31, respectively.

The purchase price per share for an offering under the Purchase Plan is 90% of the lesser of (a) the fair market value of a share of common stock on the commencement of the offering or (b) the fair market value of a share of common stock on the date of purchase. However, the Compensation Committee, in its sole discretion, may change the purchase price at which each share of common stock may be acquired in an offering so long as the purchase price is not less than 85% of the lesser of (x) the fair market value of a share of common stock on the commencement of the offering or (y) the fair market value of a share of common stock on the date of purchase.

By executing an agreement to participate in the Purchase Plan, an eligible employee is entitled to purchase shares under the Purchase Plan, or a "purchase right." The purchase right consists of an option to purchase a maximum number of shares of common stock determined by either (1) dividing 15% of such eligible employee's compensation during the offering period by the purchase price of a share of common stock for such offering period or (2) dividing \$12,500 by the fair market value of a share of common stock on the last date of such offering period, whichever is less. If the aggregate number of shares to be purchased upon exercise of purchase rights granted in the offering would exceed the maximum aggregate number of shares available for issuance under the Purchase Plan, the Compensation Committee would make a pro rata allocation of shares available in a uniform and equitable manner. Unless the employee's participation is discontinued, his or her right to purchase shares is exercised automatically at the end of each offering period.

Table of Contents

Any employee of j2 Global or of any parent or subsidiary corporation of j2 Global designated by the Compensation Committee for inclusion in the Purchase Plan is eligible to participate in an offering under the Purchase Plan so long as the employee has been employed by j2 Global or any designated parent or subsidiary corporation of j2 Global for at least 30 days and is customarily employed at least 20 hours per week and five months per calendar year. However, no employee who owns or holds options to purchase, or as a result of participation in the Purchase Plan would own or hold options to purchase, five percent (5%) or more of the total combined voting power or value of all classes of stock of j2 Global or of any parent or subsidiary corporation of j2 Global is entitled to participate in the Purchase Plan. In addition, no employee is entitled to purchase more than \$25,000 worth of stock (determined based on the fair market value of the shares at the time such rights are granted) under all employee stock purchase plans of j2 Global in any calendar year.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

General

The Compensation Committee of j2 Global's Board of Directors administers the Company's compensation programs, including its stock option and employee stock purchase plans; recommends to the Board, for approval by a majority of independent directors, the compensation to be paid to the Company's executives; recommends to the Board of Directors changes to j2 Global's compensation policies and benefits programs; and otherwise seeks to ensure that j2 Global's compensation philosophy is consistent with j2 Global's best interests and is properly implemented. The Committee currently is comprised of three independent non-employee directors.

Compensation Philosophy

The goals of j2 Global's compensation program are to align compensation with j2 Global's overall business objectives and performance, to foster teamwork and to enable j2 Global to attract, retain and reward employees who contribute to its long-term success. The Committee also seeks to establish compensation policies that allow j2 Global flexibility to respond to changes in its business environment.

Compensation Components

Compensation for j2 Global's executives generally consists of salary, participation in an executive bonus program and stock option grants and restricted stock awards. The Committee helps the Board of Directors assess past performance and anticipated future contribution of each executive officer in recommending to the Board of Directors, for approval by a majority of independent directors, the total amount and mix of each element of compensation.

Salary. Base salaries are evaluated annually for all executive officers. In determining appropriate salary levels for such officers to recommend to the Board of Directors for its approval, the Compensation Committee considers, among other factors, the officer's scope of responsibility, prior experience and past performance and data on prevailing compensation levels in relevant markets for executive talent.

Bonus Programs. j2 Global has established an executive bonus program for awarding bonuses to executives and eligible managers and an employee bonus program for all other employees.

Executive Bonus Program. As part of the executive bonus program, the bonus guidelines established each year for j2 Global's executives and eligible managers are designed to encourage and reward senior management for (a) attaining Company-wide financial goals, (b) improving the financial and operational health of j2 Global, and (c) meeting or exceeding individually defined goals and objectives for each executive and eligible manager. j2 Global's Compensation Committee establishes these guidelines subject to final approval by a majority of independent directors. The guidelines are non-binding and do not create any contract right between the Company and its employees. For 2005, as it did for 2004, j2 Global will establish a bonus pool in an amount that will vary based upon j2 Global's achieving specific pre-defined financial criteria. The financial criteria for 2005 consist of revenues, pre-tax

Table of Contents

income and net income. If j2 Global achieves 100% of these goals, the bonus pool will equal a percentage of the total annual base salaries of all eligible participants. The bonus pool can increase or decrease based upon greater than or less than 100% of these financial criteria being satisfied. After public release of j2 Global's 2005 year-end audited financial statements, the Compensation Committee will recommend to the Board of Directors for approval by a majority of independent directors the total amount of the pool, if any, and the amount to be distributed to each participant, if any. Again, j2 Global is not obligated to distribute any or all of the accrued bonus pool.

Employee Bonus Program. The bonus program for j2 Global's other employees is designed to encourage and reward extraordinary performance, and to adjust base salaries as recognition of tenure with the Company and commiserate extraordinary performance. It is referred to by j2 Global as its Reward & Recognition Program. Under this program, j2 Global will accrue throughout 2005 an amount equal to 5% of the total annual base salaries and hourly compensation for all employees (except those eligible for the executive bonus program). The timing and amount of each individual reward is determined by the employee's senior manager, with the concurrence of j2 Global's President. Awards may occur at any time throughout the year, and are based on an individual's singular contribution or the contribution of a group of individuals who work as a team. As this pool is intended to reward exceptional effort or accomplishment, there is no guarantee that any of the accrued bonus pool will actually be awarded.

Stock Options and Restricted Stock. Stock option and restricted stock awards are designed to align the interests of executives and employees with the long-term interests of the stockholders. The Compensation Committee approves option grants and restricted stock awards subject to vesting periods to retain executives and employees and encourage sustained contributions. The typical vesting period is three to five years, with a pro rate portion vesting on each anniversary of the date of grant. The exercise price of options is generally the market price on the date of grant. To date, there have been no grants of restricted stock.

Compensation of j2 Global's President and Chairman

Mr. Jarus joined j2 Global as President in July 2001. His services are provided to j2 Global pursuant to an employment agreement. See Employment Contracts, Termination of Employment and Change of Control Arrangements beginning on page 12 for a description of the terms of his employment agreement. The terms of Mr. Jarus' employment agreement were determined by the Compensation Committee based upon various subjective factors, such as Mr. Jarus' responsibilities, qualifications and years of experience.

Mr. Ressler's services as Chairman are provided pursuant to a consulting arrangement with Orchard Capital Corporation, a company controlled by Mr. Ressler. Mr. Ressler is the manager of Orchard/JFAX Investors, LLC, one of j2 Global's principal stockholders. Under this consulting arrangement, which runs for consecutive six-month terms, Orchard Capital's compensation is \$275,000 per year. The agreement is terminable by either party by written notice delivered at least 30 days prior to commencement of the next six-month term. The compensation payable to Orchard Capital pursuant to this consulting arrangement was determined by the Compensation Committee based upon a formal compensation survey and analysis conducted by a third party compensation consultant at the request of the Compensation Committee.

AUDIT COMMITTEE REPORT

Each member of the Audit Committee is an independent director as determined by our Board of Directors, based on the Nasdaq National Market listing rules. Each member of the committee also satisfies the Securities and Exchange Commission's additional independence requirement for members of audit committees. In addition, our Board of Directors has determined that Robert J. Cresci is an audit committee financial expert, as defined by SEC rules. The Committee operates pursuant to a Charter that was last amended and restated by the Board in October 2004, a copy of which is attached as an Appendix to this Proxy Statement.

The Audit Committee reviews j2 Global's financial reporting process on behalf of the Board. Management has the primary responsibility for establishing and maintaining adequate internal financial controllership, for preparing the financial statements and for the public reporting process. Deloitte & Touche LLP (Deloitte), our independent auditor for 2004, is responsible for expressing opinions on the conformity of the Company's audited financial statements with generally accepted accounting principles and on management's assessment of the effectiveness of the company's internal control over financial reporting. In addition, Deloitte will express its own opinion on the effectiveness of the company's internal control over financial reporting. The members of the Audit Committee are not full-time employees of the Company and are not accountants or auditors by profession or experts in the fields of accounting or auditing, including in respect of auditor independence standards. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Accordingly, the Audit Committee's considerations and discussions do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Company's auditors are in fact independent.

In this context, the Committee reviewed and discussed with management and Deloitte the audited financial statements for the year ended December 31, 2004, management's assessment of the effectiveness of the Company's internal control over financial reporting and Deloitte's evaluation of the Company's internal control over financial reporting. The Committee has discussed with Deloitte the matters that are required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as may be modified or supplemented. Deloitte has provided to the committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as may be modified or supplemented, and the Committee discussed with Deloitte that firm's independence. The committee also concluded that Deloitte's provision of audit and non-audit services to j2 Global and its affiliates is compatible with Deloitte's independence.

Based on the considerations referred to above, the Committee recommended to our Board of Directors that the audited financial statements for the year ended December 31, 2004 be included in our Annual Report on Form 10-K for 2004.

PERFORMANCE GRAPH

The following graph compares, for the period that j2 Global's common stock has been registered under Section 12 of the Exchange Act, the cumulative total stockholder return for j2 Global, the NASDAQ Telecommunications Index and an index of companies that j2 Global has selected as its peer group. Measurement points are July 23, 1999 (the first trading day) and the last trading day in each of j2 Global's fiscal quarters through the end of fiscal 2004. The graph assumes that \$100 was invested on July 23, 1999 in j2 Global's common stock at the split-adjusted initial public offering price of \$19 per share and in each of the indexes, and assumes reinvestment of any dividends. No dividends have been declared or paid on j2 Global's common stock. The stock price performance on the following graph is not necessarily indicative of future stock price performance.

j2 Global has made a change to the membership of its peer group index this year because TeraGlobal Communications Corp., one of the seven companies included in the peer group when it was first used in j2 Global's May 2001 proxy statement, is no longer publicly traded. The peer group index now consists of the six surviving members of the peer group: Deltathree Inc., Easylink Services Corporation (formerly Mail.com, Inc.), I-Link Corporation, iBasis Inc., Premiere Global Services, Inc. (formerly PTEK Holdings, Inc.) and Tumbleweed Communications Corp. We believe that the peer group index provides a representative group of companies in the outsourced messaging and communications industry.

CERTAIN TRANSACTIONS

Indebtedness of Officers and Directors

In March 1997, j2 Global loaned \$2,250,000 to Boardrush Media LLC (Boardrush). This loan matured on January 1, 2005 and was paid off in full as of that date.

In connection with his engagement of employment and relocation to Los Angeles, and pursuant to his employment agreement, during 2001 j2 Global loaned Mr. Jarus \$500,000 towards the purchase of a home in the Los Angeles area. Mr. Jarus paid off this loan in full in May 2003.

Consulting Agreements

j2 Global has entered into the following consulting agreements with directors, officers and beneficial owners of more than five percent (5%) of j2 Global's common stock:

Richard S. Ressler's services as Chairman are provided pursuant to a consulting arrangement with Orchard Capital Corporation, a company controlled by Mr. Ressler. Mr. Ressler is also a member and manager of Orchard/JFAX Investors, LLC, one of j2 Global's principal stockholders. See Executive Officer Compensation and Other Matters Report of the Compensation Committee of the Board of Directors on Executive Compensation beginning on page 16 for a description of the terms of this consulting arrangement.

From March 1999 through January 1, 2005, when the agreement expired, j2 Global was a party to a consulting agreement with Boardrush (as amended in January 2000 and again in October 2001, the Boardrush Agreement). Jens Muller, a co-founder and former director of j2 Global, is the Manager and therefore the controlling person of Boardrush. Pursuant to the Boardrush Agreement, Boardrush provided the services of Mr. Muller and John F. Rieley, a current director of j2 Global and also a co-founder, to j2 Global for a maximum of two days each per month. Boardrush's compensation under the Boardrush Agreement consisted of forgiveness of interest and principal under the loan described above.

Office Lease

j2 Global currently leases approximately 28,000 square feet of office space with monthly lease payments of approximately \$66,700 for its headquarters in Los Angeles, California under a lease that expires in January 2010. j2 Global leases the space from CIM/Hollywood, LLC, a limited liability company indirectly controlled by j2 Global's Chairman, Richard S. Ressler.

Investments in j2 Global by Officers, Directors and Principal Stockholders

Edgar Filing: J2 GLOBAL COMMUNICATIONS INC - Form DEF 14A

Between December 1995 and March 1997, j2 Global issued a total of 3,455,000 shares of common stock to j2 Global's founders, Messrs. Muller and Rieley, 2,687,500 of which were canceled in March 1997 and reissued to Boardrush. Also in March 1997, j2 Global issued 5,030,000 shares of common stock to Orchard/JFAX Investors, LLC, and 110,000 shares of common stock to Nehemia Zucker. In connection with these issuances, j2 Global entered into a registration rights agreement with those investors. Under this agreement, the investors have the right to participate in registrations initiated by j2 Global, but do not have the right to demand that j2 Global effect a registration. These registration rights will expire on March 17, 2007.

In June 2001, j2 Global repurchased 503,844 shares of common stock and a warrant to acquire 234,376 shares of common stock for \$911,000 in cash from an investor group advised by Pecks

McConnell Family Foundation. Robert J. Cresci, one of j2 Global s directors, is a Managing Director of Pecks. At the same time, Pecks sold 600,006 shares of j2 Global s common stock to a third party unaffiliated with j2 Global. Prior to disposing of these shares and warrants, Pecks had a right to cause j2 Global to repurchase these shares for \$6.40 per share and to purchase these warrants for \$3.20 per underlying share upon a change of control of j2 Global. In connection with Pecks June 2001 sale of these shares and warrants, these repurchase rights were canceled.

In July 1998, in connection with a preferred stock issuance (which preferred stock was repurchased in 1999), j2 Global issued warrants to acquire a total of 1,562,500 shares of j2 Global s common stock to the following entities: (a) Donaldson, Lufkin & Jenrette Securities Corporation (DLJ), which acted as placement agent for the offering; (b) affiliates of DLJ; (c) R. Scott Turicchi, who at the time was an employee of DLJ; (d) Orchard/JFAX Investors, LLC; and (e) Pecks. As stated above, j2 Global repurchased the warrants issued to Pecks in June 2001. The remaining warrants, which have an exercise price of \$4.80 per share, expire July 1, 2005. Each of the warrant holders has a right to cause j2 Global to repurchase these warrants for \$3.20 per underlying share upon a change of control of j2 Global.

We believe that the Certain Transactions described above were made on terms no less favorable than could have been obtained from third parties. All transactions were negotiated at arms length. j2 Global intends to have all future transactions between j2 Global and its officers, directors and affiliates be approved by a majority of independent and disinterested members of j2 Global s Board of Directors or one of its committees, as appropriate, in a manner consistent with NASDAQ listing standards, Delaware law and the fiduciary duties of j2 Global s directors.

Such persons are required by SEC regulations to furnish j2 Global with copies of all Section 16(a) forms they file. Based solely on j2 Global's review of the copies of such forms received by j2 Global and written representations from certain reporting persons that they have complied with the relevant filing requirements, we believe that all filing requirements applicable to our officers, directors and 10% stockholders were complied with during the fiscal year ended December 31, 2004.

- I. **Composition of the Audit Committee:** The Audit Committee shall be comprised of at least three directors, each of whom shall not be an officer or employee of the Company or its subsidiaries, shall not have any relationship which, in the opinion of the Board of Directors (the Board), would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and shall otherwise satisfy the applicable membership requirements under the rules of the Nasdaq Stock Market, Inc. and the Sarbanes-Oxley Act of 2002, as such requirements are interpreted by the Board of Directors in its business judgment.
- II. **Purposes of the Audit Committee:** The purposes of the Audit Committee are to assist the Board of Directors:

The purposes of the Audit Committee also include preparation of the report required to be prepared by the Audit Committee pursuant to the rules of the Securities and Exchange Commission for inclusion in the Company's annual proxy statement.

The outside auditors shall submit to the Company annually a formal written statement describing: the auditors' internal quality-control procedures; any material issues raised by the most recent internal quality-control review or peer review of the auditors, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the auditors, and any steps taken to deal with any such issues; and (to assess the auditors' independence) all relationships between the outside auditors and the Company (Statement as to Independence), addressing each non-audit service provided to the Company and the matters set forth in Independence Standards Board No. 1.

The outside auditors shall submit to the Company annually a formal written statement of the fees billed in each of the last two fiscal years for each of the following categories of services rendered by the outside auditors: (i) the audit of the Company's annual financial statements and the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q or services that are normally provided by the outside auditors in connection with statutory and regulatory filings or engagements; (ii) assurance and related services not included in clause (i) that are reasonably related to the performance of the audit or review of the Company's financial statements, in the aggregate and by each service; (iii) tax compliance, tax advice and tax planning services, in the aggregate and by each service; and (iii) all other products and services rendered by the outside auditors, in the aggregate and by each service.
