PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

May 5, 2005

GENERAL

This proxy statement (first mailed to shareholders on or about April 11, 2005) is furnished in connection with the solicitation by the Board of Directors of Public Storage, Inc. (the "Company") of proxies for use at the Company's Annual Meeting of Shareholders to be held at the Hilton Glendale, 100 West Glenoaks Boulevard, Glendale, California at 1:00 p.m. Los Angeles time on May 5, 2005 or at any adjournment or postponement of the meeting. The purposes of the meeting are: (1) to consider and vote upon a proposal to elect ten directors of the Company; (2) to consider and vote upon the Company's Performance-Based Compensation Plan; (3) to consider and vote upon a proposal to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2005; and (4) to consider such other business as may properly be brought before the meeting or any adjournment or postponement of the meeting.

QUORUM AND VOTING

Record Date and Quorum

Only holders of record of the Company's Common Stock and Depositary Shares ("Depositary Shares") Each Representing 1/1,000 of a Share of Equity Stock, Series A ("Equity Stock") at the close of business on the record date of March 23, 2005 will be entitled to vote at the meeting, or at any adjournment of the meeting. Each Depositary Share represents 1/1,000 of one share of Equity Stock. The Equity Stock has been deposited with EquiServe Trust Company, N. A., as Depositary (the "Depositary"). On the record date, the Company had 129,572,552 shares of Common Stock issued and outstanding and 8,776,102 Depositary Shares, representing 8,776.102 shares of Equity Stock, issued and outstanding.

The presence at the meeting in person or by proxy of the holders of a majority of the voting power represented by the outstanding shares of Common Stock and Equity Stock, counted together as a single class, is necessary to constitute a quorum for the transaction of business. Abstentions and broker non-votes are counted for purposes of determining whether a quorum exists, but will not affect the outcome of any vote.

Voting of Proxy/Instruction Card

If a proxy/instruction card in the accompanying form is properly executed and is received before the voting, the persons designated as proxies will vote the shares of Common Stock represented thereby, if any, in the manner specified, and the Depositary will vote the Equity Stock underlying the Depositary Shares represented thereby, if any, in the manner specified. If no specification is made, the persons designated as proxies will vote the shares of Common Stock represented by the proxy/instruction card, if any, and the Depositary will vote the Equity Stock underlying the Depositary Shares represented by the proxy/instruction card, if any, FOR the election as directors of the nominees named below and FOR the approval of proposals (2) and (3). If any nominee becomes unavailable to serve before the meeting, the persons designated as proxies and the Depositary will vote for the person, if any, designated by the Board of Directors to replace that nominee. A proxy/instruction card is revocable by delivering a subsequently signed and dated proxy/instruction card or other written notice to the Company or the Depositary at any time before the voting. A proxy/instruction card may also be revoked if the person executing the proxy/instruction card is present at the meeting and chooses to vote in person. A proxy/instruction card will confer discretionary authority to cumulate votes selectively among the nominees as to which authority to vote has not been withheld.

If you participate in the PS 401(k)/Profit Sharing Plan (the 401(k) Plan), your proxy/instruction card will serve as a voting instruction for the trustee of the 401(k) Plan (the Trustee) with respect to the amount of shares of Common Stock and/or Depository Shares credited to your account as of the record date. If you provide voting instructions via your proxy/instruction card with respect to shares in the 401(k) Plan, the Trustee will vote those shares of Common Stock in the manner specified. The Trustee will vote any shares for which it does not receive instructions in the same proportion as the shares for which voting instructions have been received, unless the Trustee is required by law to exercise its discretion in voting such shares.

Holders of Common Stock and holders of Equity Stock vote together as one class. With respect to the election of directors, (i) each holder of Common Stock on the Record Date is entitled to cast as many votes as there are directors to be elected multiplied by the number of shares registered in the holder's name on the record date and (ii) each holder of Equity Stock is entitled to cast as many votes as there are directors to be elected multiplied by 100 times the number of shares of Equity Stock registered in its name (equivalent to 1/10 the number of Depository Shares registered in the holder's name). The holder may cumulate its votes for directors by casting all of its votes for one candidate or by distributing its votes among as many candidates as it chooses. However, no shareholder shall be entitled to cumulate votes unless the candidate's name has been placed in nomination prior to the voting and the shareholder, or any other shareholder, has given notice at the Annual Meeting prior to the voting of the intention to cumulate the shareholder's votes. The ten candidates who receive the most votes will be elected directors of the Company. In voting upon proposals (2) and (3) and any other proposal that might properly come before the meeting, each outstanding share of Common Stock entitles the holder to one vote and each outstanding share of Equity Stock entitles the holder to 100 votes (equivalent to 1/10 of a vote per Depository Share). The number of votes required to approve proposals (2) and (3) is set forth in the description of the proposal in this proxy statement.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Ten directors, constituting the entire Board of Directors, are to be elected at the annual meeting of shareholders, to hold office until the next annual meeting and until their successors are elected and qualified. When the accompanying proxy/instruction card is properly executed and returned before the voting, the persons designated as proxies and the Trustee will vote the shares of Common Stock represented thereby, if any, and the Depository will vote the Equity Stock underlying the Depository Shares represented thereby, if any, in the manner indicated on the proxy/instruction card. If any nominee below becomes unavailable to serve before the meeting, the shares of Common Stock and/or the shares of Equity Stock underlying Depository Shares represented by a proxy/instruction card voted for that nominee, will be voted for the person, if any, designated by the Board of Directors to replace the nominee. However, the Board of Directors has no reason to believe that any nominee will be unavailable.

Required Vote

The election of directors requires a plurality of votes cast. The candidates receiving the highest number of votes, up to the number of directors to be elected, will be elected.

The Board recommends you vote FOR the election of all ten nominees for director.

Directors and Committee Meetings

During 2004, the Board of Directors held eight meetings (and acted twice by unanimous written consent), the Audit Committee held five meetings, the Nominating/Corporate Governance Committee held two meetings, and the Compensation Committee held four meetings (and acted twice by unanimous written consent). During 2004, each of the directors attended at least 75% of the meetings held by the Board of Directors or, if a member of a committee of the Board of Directors, held by both the Board of Directors and all committees of the Board of Directors on which he served. Directors are encouraged to attend annual meetings of shareholders. All but two of the directors attended the last annual meeting of shareholders.

Robert J. Abernethy (chairman), John T. Evans and Daniel C. Staton comprise the Audit Committee. The primary functions of the Audit Committee are to assist the Board in fulfilling its responsibilities for oversight of (1) the integrity of the Company's financial statements, (2) compliance with legal and regulatory requirements, (3) the qualifications, independence and performance of the independent registered public accounting firm, and (4) the scope and results of internal audits, the Company's internal controls over financial reporting and the performance of the Company's internal audit function. Among other things, the Audit Committee appoints, evaluates and determines the compensation of the independent registered public accounting firm; reviews and approves the scope of the annual audit, the audit fee and the financial statements; prepares the Audit Committee report for inclusion in the annual proxy statement; and annually reviews its charter and performance. The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is attached as Exhibit A. This charter was modified by the Board of Directors in March 2005 to take into account recent regulatory changes. The Board of Directors has determined that the Chairman of the Audit Committee, Robert J. Abernethy, qualifies as an audit committee financial expert within the meaning of the rules of the Securities and Exchange Commission.

The Compensation Committee consists of Daniel C. Staton (chairman), Robert J. Abernethy, Dann V. Angeloff and Uri P. Harkham. The primary functions of the Compensation Committee are (1) to determine, either as a committee or together with other independent directors, the compensation of the Company's chief executive officer, (2) to determine the compensation of other executive officers and (3) to administer the Company's stock option and incentive plans. The Compensation Committee operates under a written charter which may be found on the Company's website, www.publicstorage.com.

The Nominating/Corporate Governance Committee consists of Dann V. Angeloff (chairman), William C. Baker and John T. Evans. The primary functions of the Nominating/Corporate Governance Committee are (1) to evaluate and make recommendations to the Board for director nominees for each annual shareholder meeting or to fill any vacancy on the Board and (2) to review and reassess the adequacy of the Board's Guidelines on Corporate Governance and recommend any changes to those guidelines. The Nominating/Corporate Governance Committee operates under a written charter which may be found on the Company's website, www.publicstorage.com.

The Board of Directors determined that (1) each member of the Board of Directors, other than B. Wayne Hughes, Ronald L. Havner, Jr., Harvey Lenkin, and B. Wayne Hughes, Jr., and (2) each member of the Audit Committee, the Compensation Committee and the Nominating/Corporate Governance Committee has no material relationship with the Company and qualifies as independent under the rules adopted by the New York Stock Exchange. In arriving at this conclusion, the Board determined that none of the independent directors has a material relationship with the Company that would compromise his independence. As part of its review, the Board considered Dann V. Angeloff's relationships with the Company. Mr. Angeloff is the President of the Angeloff Company, a corporate financial advisory firm that has rendered financial advisory and securities brokerage services for the Company. The Angeloff Company is no longer rendering services for the Company, and the Company has no intention to engage The Angeloff Company in the future. Mr. Angeloff continues as the general partner of a limited partnership that owns a mini-warehouse operated by the Company and which, until November 2003, secured a note owned by the Company. Based on the size of Mr. Angeloff's interest in the partnership (20%), the amount of property management fees paid by the limited partnership to the Company (less than \$50,000 per year) and the circumstances of the Company's acquisition of the note (purchase from a third party), the Board determined that Mr. Angeloff's relationships with the Company are not material.

The Company's non-management directors meet without the presence of management. These meetings are held on a regular basis and at the request of any non-management director. The position of presiding director of these sessions rotates among the chairs of the standing committees of the Board.

The Board of Directors has adopted a code of Business Conduct Standards applicable to directors, officers, and employees. The Board has also adopted a Code of Ethics for its senior financial officers, including the Company's principal executive officer, principal financial officer and principal accounting officer, that has additional requirements for those individuals. The code covers those persons serving as the Company's principal executive officer, principal financial officer and principal accounting officer, currently Ronald L. Havner, Jr. and John Reyes.

The charters of the Audit Committee, the Compensation Committee and the Nominating/Corporate Governance Committee and the Company's Code of Ethics, Business Conduct Standards and corporate governance guidelines are available on the Company's website, www.publicstorage.com or upon written request to the Company's Investor Services Department, 701 Western Avenue, Glendale, California 91201.

Consideration of Candidates for Director

Shareholder recommendations. The policy of the Nominating/Corporate Governance Committee is to consider properly submitted shareholder recommendations of candidates for membership on the Board of Directors as described below under Identifying and Evaluating Nominees for Directors. Under this policy, shareholder recommendations may only be submitted by shareholders who would be entitled to submit shareholder proposals under the SEC rules. In evaluating recommendations, the Nominating/Corporate Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board and to address the membership criteria set forth under Director Qualifications. Any shareholder recommendations proposed for consideration by the Nominating/Corporate Governance Committee should include the candidate's name and qualifications for Board membership, including the information required under Regulation 14A under the Securities and Exchange Act of 1934, and should be addressed to:

Secretary

Public Storage Inc.

701 Western Avenue

Glendale, California 91201

Recommendations should be submitted in the time frame described under Deadlines for Receipt of Shareholder Proposals for Consideration at 2006 Annual Meeting on page 26.

Director Qualifications. Members of the Board should have high professional and personal ethics and values. They should have broad experience at the policy-making level in business or other relevant experience. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties. Each director must represent the interests of all shareholders.

Edgar Filing: PUBLIC STORAGE INC /CA - Form DEF 14A

Identifying and Evaluating Nominees for Directors. The Nominating/Corporate Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Nominating/Corporate Governance Committee regularly assesses the appropriate size of the Board, and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Nominating/Corporate Governance Committee considers various potential candidates for director. Candidates may come to the attention of the Nominating/Corporate Governance Committee through current Board members, professional search firms, shareholders or other persons. These candidates are evaluated at meetings of the Nominating/Corporate Governance Committee, and may be considered at any point during the year. As described above, the Nominating/Corporate Governance Committee considers properly submitted shareholder recommendations of candidates for the Board. Following verification of the shareholder status of persons proposing candidates, recommendations will be aggregated and considered by the Nominating/Corporate Governance Committee prior to the issuance of the proxy statement for the annual meeting. If any materials are provided by a

shareholder in connection with the recommendation of a director candidate, such materials are forwarded to the Nominating/Corporate Governance Committee. The Nominating/Corporate Governance Committee also reviews materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a shareholder. In evaluating such nominations, the Nominating/Corporate Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board.

All of the nominees for election to the Board this year were elected to the Board at last year's annual meeting of shareholders.

Communications with the Board of Directors.

The Company provides a process by which shareholders may communicate with the Board of Directors. Any shareholder communications to the Board should be addressed to:

Public Storage Inc.

701 Western Avenue

Glendale, California 91201

Communications that are intended for a specified individual director or group of directors should be addressed to the director(s) c/o Corporate Secretary at the above address and will be forwarded to the director(s).

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than 10% of any registered class of the Company's equity securities to file with the Securities and Exchange Commission (SEC) initial reports (on Form 3) of ownership of the Company's equity securities and to file subsequent reports (on Form 4 or Form 5) when there are changes in such ownership. The due dates of such reports are established by statute and the rules of the SEC. Based on a review of the reports submitted to the Company, the Company believes that, with respect to reports filed during the fiscal year ended December 31, 2004, Ronald L. Havner, Jr., Chief Executive Officer and a director of the Company, failed timely to report on Form 4 one sale of 321 Depository Shares.

- (1) In accordance with SEC rules, other compensation in the form of perquisites and other personal benefits has been omitted in those instances where the aggregate of such perquisites and other personal benefits did not exceed the lesser of \$50,000 or 10% of the total annual salary and bonus for the named executive officer for such year.

- (2) Represents the value of grants of restricted stock units made under the 2001 Stock Option and Incentive Plan (with the value of one restricted stock unit deemed equivalent to the value of one share of Common Stock and based on the closing price of the Common Stock on the New York Stock Exchange on the date of grant). The restricted stock units set forth in this table vest 20% on each of the first, second, third, fourth and fifth anniversary of the date of grant. On each vesting date, the holder will receive shares of Common Stock representing the applicable percentage of the total number of restricted stock units granted. Holders of restricted stock units receive payments equal to the dividends that would have been paid on an equivalent number of shares of Common Stock. The grants of restricted stock units do not entitle the holders to any voting rights. As of December 31, 2004, the total holdings of restricted stock units of the Named Executive Officers and the market value of such holdings (with the value of one unit deemed equivalent to the value of one share of Common Stock on the New York Stock Exchange based on the closing price on December 31, 2004 of \$55.75) were as follows: Mr. Reyes 10,000 restricted stock units (\$557,500) and Mr. Baumann - 5,000 restricted stock units (\$278,750).

- (8) For the period February 23, 2004, the date Mr. Graul joined the Company, through December 31, 2004.
- (9) Represents reimbursement of relocation expenses.

Compensation of Directors

Each of the Company's directors, other than B. Wayne Hughes, Ronald L. Havner, Jr., and Harvey Lenkin, receives director's fees of \$30,000 per year. In addition, each member of the Audit, Compensation and Nominating/Corporate Governance Committees receives \$5,000 per year with the chairman receiving an additional \$2,500 per year. The policy of the Company is to reimburse directors for reasonable expenses. Under the 2001 Stock Option and Incentive Plan, each director who is not an officer or employee of the Company (Outside Director) is, upon the date of his or her initial election to serve as an Outside Director, automatically granted non-qualified options to purchase 15,000 shares of Common Stock. In addition, after each annual meeting of shareholders, each Outside Director then duly elected and serving is automatically granted, as of the date of such annual meeting, non-qualified options to purchase 2,500 shares of Common Stock, so long as such person has attended, in person or by telephone, at least 75% of the meetings held by the Board of Directors (and of any committee on which he served) during the immediately preceding calendar year. B. Wayne Hughes, the Chairman of the Board, has a consulting agreement with the Company. See Employment Agreement and Termination Payments.

William C. Baker is compensated for services as chairman of a special committee in connection with the inquiry by the independent directors described below under Certain Relationships and Related Transactions and Legal Proceedings-Legal Proceedings. No payments were made in 2004.

John T. Evans is compensated for services in connection with evaluating the proposal described under Certain Relationships and Related Transactions and Legal proceedings - Relationships and Transactions with the Hughes Family. No payments were made in 2004.

Employment Agreements and Termination Payments

B. Wayne Hughes, the Chairman of the Board and former Chief Executive Officer of the Company, entered into an employment agreement with the Company in November 1995 in connection with the merger of Public Storage Management, Inc. into the Company. This agreement was for a term of five years (which ended in November 2000) and provided for annual compensation of \$60,000 and other employee benefits. Mr. Hughes had continued to be compensated in accordance with this agreement. In March 2004, Mr. Hughes entered into a consulting agreement with the Company that provides, among other terms, (1) Mr. Hughes will be available for up to 50 partial days a year for consulting services, (2) Mr. Hughes will continue to receive compensation of \$60,000 per year and the use of a car, (3) the Company will continue to provide Mr. Hughes with an executive assistant and office at the Company's headquarters and (4) a term that expires on December 31, 2013. The agreement was approved by the Compensation Committee and by the Company's disinterested directors.

In August 2003, Harvey Lenkin entered into an employment agreement with the Company that provides, among other terms, (1) Mr. Lenkin will continue to serve as President and Chief Operating Officer of the Company until he retires on June 30, 2005, (2) effective July 1, 2003, Mr. Lenkin is compensated at a rate of \$550,000 per year, (3) in the event of Mr. Lenkin's total disability or death, he or his estate will continue to receive payments at the rate set forth above and (4) the Company may only terminate the agreement for cause (as defined in the agreement). The agreement was approved by the Compensation Committee and by the Board of Directors (with Mr. Lenkin not participating).

In March 2004, Marvin M. Lotz, a director of the Company who had been employed as an executive officer by the Company since 1983, terminated his employment with the Company. In connection with his termination, the Company paid Mr. Lotz \$600,000. This payment was approved by the Compensation Committee.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee consists of Daniel C. Staton (chairman), Robert J. Abernethy, Dann V. Angeloff and Uri P. Harkham. None of these directors is or has ever been an employee of the Company. No executive officer of the Company serves on the compensation committee or board of directors of any other entity which has an executive officer who also serves on the Compensation Committee or Board of Directors of the Company.

Messrs. Hughes, Havner, Lenkin and Hughes, Jr., who are or were officers of the Company, are members of the Board of Directors.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS AND LEGAL PROCEEDINGS

Development Joint Venture with Affiliate

In November 1999, the Company, through two wholly-owned entities, PS Pennsylvania Trust and PS Texas Holdings, Ltd. (collectively, PSA), formed a joint venture (the Development JV) that developed and owns approximately \$109 million of mini-warehouses and \$100 million of shares of the Company's Equity Stock, Series AAA. At December 31, 2004, the Development JV also owned 628,400 shares of the Company's Common Stock. The partners of the Development JV are PSA and a limited liability company (the Investor LLC). The members of the Investor LLC are a state pension plan (the Investor) and B. Wayne Hughes. The Development JV was capitalized with approximately \$202 million; PSA contributed approximately \$104 million and has a 51% ownership interest and the Investor LLC contributed approximately \$98 million and has

Edgar Filing: PUBLIC STORAGE INC /CA - Form DEF 14A

a 49% ownership interest. The term of the Development JV is 15 years. The Investor LLC has the right at the end of the sixth year to cause an early termination of the Development JV. Operating cash flow (as defined in the JV Agreement) from the Development JV is distributed as follows: (1) during the first through sixth years of the Development JV, (a) 100% to the Investor LLC until the Investor LLC has received cumulative distributions equal to a 10% compounded return on its investment and (b) then, 100% to be reinvested by the Development JV; and (2) during the seventh through the fifteenth years of the Development JV, (a) 100% to the Investor LLC until the Investor LLC has received cumulative distributions equal to a 10% compounded return on its investment as determined through the first six years, (b) then,

100% to PSA until PSA has received cumulative distributions equal to a 10% compounded return on its investment as determined through the first six years and (c) then, 49% to the Investor LLC and 51% to PSA. During 2004, distributions from the Development JV to the Investor LLC totaled \$9.8 million. Of the total capitalization of the Investor LLC of approximately \$98 million, Mr. Hughes contributed approximately \$64.1 million and the balance was contributed by the Investor. Operating cash flow (as defined) from the Investor LLC is distributed as follows: (1) 100% to Mr. Hughes until he has received cumulative distributions equal to a 7.9972% compounded annual return on his unreturned investment and (2) then, 99% to the Investor and 1% to Mr. Hughes (his 1% interest is estimated to be less than \$50,000 per year). If the Investor LLC does not elect to cause an early termination, Mr. Hughes' 1% interest can increase to up to 10%. During 2004, distributions from the Investor LLC to the Investor and to Mr. Hughes were \$4.6 million and \$5.1 million respectively. Mr. Hughes invested in the Investor LLC at the request of the Investor, and the transaction was approved by the Company's disinterested directors based on advice from a financial advisor. Mr. Hughes also has an indirect interest in the Development JV through his family's ownership of approximately 36% of the Common Stock of the Company.

Loan to PSB

In December 2003, the Company loaned a total of \$100 million to PSB for property acquisitions. The loan bore interest at 1.45% per year and was approved by the Company's disinterested directors. The loan was repaid during the first quarter of 2004. The Company owns approximately 25% of PSB's common stock (approximately 44% upon conversion of units owned by the Company in PSB's operating partnership). Mr. Havner is PSB's chairman of the board (and was chief executive officer until August 2003), and Mr. Lenkin is a director of PSB.

Management Agreement with PSB

PSB operates certain commercial facilities for PSI and its affiliated partnerships under a management agreement for a fee of 5% of the facilities gross revenues. During 2004, PSI and its affiliated partnerships paid PSB \$562,000 in management fees.

Cost Sharing Arrangements with PSB

Under a cost sharing and administration services agreement, PSB shares the cost of certain administrative services with the Company. During 2004, PSB's share of these costs totaled \$340,050.

PSB has a 4.0% interest in STOR-Re Mutual Insurance Corporation (STOR-Re), which was formed in 1994 as an association captive insurance company and is controlled by the Company. STOR-Re and third party insurance carriers have provided PSB and the Company and its affiliates with liability and casualty insurance coverage. For the period January 1 - March 31, 2004, STOR-Re billed PSB approximately \$522,000 in premiums and billed PSB an additional approximately \$389,000 to reimburse STOR-Re for PSB's share of premiums paid by STOR-Re to third party insurance carriers. PSB obtained its own liability and casualty insurance covering occurrences after April 1, 2004. For occurrences before April 1, 2004, STOR-Re will continue to provide PSB with liability and casualty insurance coverage consistent with prior practice.

Relationships and Transactions with the Hughes Family

B. Wayne Hughes and his family have ownership interests in, and operate, approximately 40 mini-warehouses in Canada under the name Public Storage (PS Canada) pursuant to a non-exclusive royalty free license agreement with the Company entered into when the Company acquired the Public Storage name from the Hughes family. The Company does not own any interests in these properties nor does it own any properties in

Edgar Filing: PUBLIC STORAGE INC /CA - Form DEF 14A

Canada. The Company has a right of first refusal to acquire the stock or assets of the corporation engaged in the operation of the mini-warehouses in Canada if the Hughes family or the corporation agrees to sell them. However, the Company has no current ownership interest in the operations of this corporation, has no right to acquire this stock or assets unless the Hughes family decides to sell, and receives no benefit from the profits and increases in value of the Canadian properties.

PS Canada has a 2.2% interest in STOR-Re. STOR-Re and third party insurance carriers have provided PS Canada and the Company and its affiliates with liability and casualty insurance coverage. For the period January 1 March 31, 2004, STOR-Re billed PS Canada approximately U.S. \$45,000 in premiums and billed PS Canada an additional approximately U.S. \$34,000 to reimburse STOR-Re for PS Canada's share of premiums paid by STOR-Re to third party insurance carriers. PS Canada obtained its own liability and casualty insurance covering occurrences after April 1, 2004. For occurrences before April 1, 2004, STOR-Re will continue to provide PS Canada with liability and casualty insurance coverage consistent with prior practice. PS Canada claims that the Company owes PS Canada CND \$653,400 representing the amount charged it for the development of certain systems it no longer uses.

PSI Insurance Company, Ltd. (PSIC), which was acquired by the Company from Mr. Hughes and his family in December 2001, continues to reinsure risks relating to loss of goods stored by tenants in mini-warehouses owned and/or operated by the Company and by PS Canada. During 2004, PSIC received \$1,069,000 in reinsurance premiums attributable to tenants in mini-warehouses in Canada. PSIC has no contractual right to provide tenant reinsurance to the Canadian Facilities and there is no assurance that these premiums will continue.

PS Canada has advised the Company that it intends to reorganize and has proposed that the Company consent to this reorganization, which would impact the license agreement and the right of first refusal agreement with the Company. The reorganization is designed to enhance PS Canada's financial flexibility and growth potential. In November 2004, the Board appointed a special committee, comprised of independent directors, to consider the Company's alternatives in this matter, including a possible investment in the reorganized PS Canada.

Legal Proceedings

In November 2002, a shareholder of the Company made a demand on the Board of Directors that challenged the fairness of the Company's acquisition of PSIC and demanded that the Board recover the profits earned by PSIC from November 1995 through December 2001, and that the entire purchase price paid by the Company for PSIC in excess of PSIC's net assets be returned to the Company.

The contract to acquire PSIC was approved by the independent directors of the Company in March 2001 and the transaction closed in December 2001. PSIC was formerly owned by B. Wayne Hughes, currently the Chairman of the Board (and in 2001, also the Chief Executive Officer) of the Company, B. Wayne Hughes, Jr., currently a director (and in 2001, also an officer) of the Company and Tamara H. Gustavson (Mr. Hughes daughter), who in 2001 was an officer of the Company. In exchange for the Hughes family's shares in PSIC, the Company issued to them an aggregate of 1,439,765 shares of Common Stock (or a net of 1,138,733 shares, after taking into account 301,032 shares held by PSIC).

In December 2002, the Board held a special meeting to authorize an inquiry by its independent directors to review the fairness to the Company's shareholders of its acquisition of PSIC and the ability of the Company to have started its own tenant reinsurance business in 1995. The Company believes that, prior to the effectiveness in 2001 of the federal REIT Modernization Act and corresponding California legislation that authorized the creation and ownership of taxable REIT subsidiaries, the ownership by the Company of a reinsurance business relating to its tenants could have jeopardized the Company's status as a REIT and that other REITs faced similar concerns about tenant insurance programs.

In June 2003, the Hughes family filed a complaint for declaratory relief relating to the Company's acquisition of PSIC, naming the Company as defendant, entitled Gustavson et al. v. Public Storage, Inc. (Superior Court-Los Angeles County). The Hughes family is seeking that the court make (i) a binding declaration that the Company either is not entitled to recover profits earned by PSIC from November 1995 through December 2001, or alternatively, the amounts that the Hughes family should be ordered to surrender to the Company if the court determines that the Company is entitled to recover these profits; and (ii) a binding declaration either that the Company cannot establish that the acquisition agreement was not just and reasonable as to the Company at the time it was approved, or alternatively, the amount that the Hughes family should pay the Company, if the court determines that the agreement was not just and reasonable to the Company at that time. The Hughes family is not seeking any payments from the Company. In the event of a determination that the Hughes family is obligated to pay certain amounts to the

Company, the complaint states that they have agreed to be bound by that determination.

In July 2003, the Company filed an answer to the Hughes family's complaint requesting a final judicial determination of the Company's rights of recovery against the Hughes family in respect of PSIC. In September 2003, by order of the Superior Court, Malcolm Lucas, former Chief Justice of the California Supreme Court, was appointed to try the case. Mr. Lucas has set the matter for trial in June 2005. The Company believes that the lawsuit filed by the Hughes family will ultimately resolve matters relating to PSIC, and will not have any financially adverse effect on the Company (other than the costs and other expenses relating to the lawsuit).

At the end of December 2004, the shareholder referenced above and a second shareholder filed a shareholder's derivative complaint naming as defendants the Company's directors (and two former directors) and certain officers of the Company entitled Potter, et al. v. Hughes, et al. (United States District Court - Central District of California). The matters alleged in the complaint relate to PSIC, the Hughes family's Canadian mini-warehouse operations and the Company's 1995 reorganization. The Company is in the process of evaluating this complaint and believes that the litigation will not have any financially adverse effect on the Company (other than the costs and other expenses relating to the lawsuit).

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee (the "Committee") is composed entirely of independent directors and has furnished the following report on executive compensation for fiscal 2004.

Executive Compensation Philosophy. The Company pays its executive officers compensation the Committee deems appropriate in view of the nature of the Company's business, the performance of individual executive officers, and the Company's objective of providing incentives to its executive officers to achieve a level of individual and Company performance that will maximize the value of shareholders' investment in the Company. To those ends, the Company's compensation program consists of payment of a base salary and, potentially, bonus compensation, and making incentive awards of options to purchase shares of Common Stock and restricted stock units. Grants of options and restricted stock units are made under the 2001 Stock Option and Incentive Plan (the "2001 Plan").

Cash Compensation. Base salary levels are based generally on market compensation rates and each individual's role in the Company. The Committee determines market compensation rates by reviewing public disclosures of compensation paid to executive officers by other REITs of comparable size and market capitalization. Some of the REITs whose executive compensation the Committee considered in establishing the compensation it pays to executive officers are included in the NAREIT Equity Index referred to below under the caption "Stock Price Performance Graph." Generally, the Committee seeks to compensate Company executives at levels consistent with the middle of the range of amounts paid by REITs deemed comparable by the Committee. Individual salaries may vary based on the experience and contribution to overall corporate performance by a particular executive officer.

The Committee bases its payment of base compensation and annual bonuses on corporate, business unit and individual performance. In establishing base compensation and individual bonuses, the Committee takes into account the Company's overall profitability, the Company's internal revenue growth, the Company's revenue growth due to acquisitions, and the executive officer's contribution to the Company's growth and profitability, as well as compensation paid to executive officers, including the chief executive officer, at REITs deemed comparable by the Committee. Effective November 2004, the Committee increased Mr. Havner's base compensation to \$650,000. In early 2005, the Committee awarded Mr. Havner a bonus for 2004 performance of \$650,000. The Committee's decision to increase Mr. Havner's base compensation and his 2004 bonus award were based on (1) a review of total compensation paid to the chief executive officers of other REITs deemed comparable by the Committee, (2) the increase in the Company's FFO per share since November 2002, (3) the increases in the rental income, move-in activity and occupancy level of the Company's same store properties since November 2002, (4) the increases in profitability of the Company's ancillary activities and the Pickup and Delivery operations since November 2002, (5) the improvement in the Company's ratio of earnings to fixed charges since November 2002, (6) the increase in the price of the Company's Common Stock since November 2002 and (7) the significant acquisition activity of the Company during 2004.

As described below, in March 2005, the Committee adopted a new Performance-Based Compensation Plan for bonuses awarded for performance in 2005 and beyond. The new plan is subject to shareholder approval (see Proposal No. 2 on page 22) and is designed to permit the Committee to make awards that will qualify for deduction under IRS rules as performance-based compensation. The Committee has determined that, provided the Company's shareholders approve the Performance-Based Plan, current participants would be eligible to receive a fixed dollar maximum bonus for calendar year 2005 based on achievement of three goals related to (1) FFO (funds from operations), (2) revenues, and (3) the Company's FAD (funds available for distribution).

Equity-Based Compensation. The Committee believes that Company executive officers should have an incentive to improve the Company's performance by having an ongoing stake in the success of the Company's business. The Committee seeks to create this incentive by granting to appropriate executive officers stock options that have an exercise price of not less than 100% of the fair market value of the underlying stock on the date of grant, so that the executive officer may not profit from the option unless the price of the Common Stock increases. Options granted by the Committee also are designed to help the Company retain executive officers in that options are not exercisable at the time of grant, and achieve their maximum value only if the executive remains in the Company's employ for a period of years.

During 2004, the Committee awarded Mr. Havner 166,000 stock options under the 2001 Plan based on the factors described above. Options were granted to other Named Executive Officers during 2004 as reflected above in the table captioned "Option Grants" in the last fiscal year.

The 2001 Plan also authorizes the Company to compensate its executive officers and other employees with grants of restricted stock. Restricted stock would increase in value as the value of the Common Stock increased, and would vest over time provided that the executive officer remained in the employ of the Company. Accordingly, awards of restricted stock would serve the Committee's objectives of retaining Company executive officers and other employees and motivating them to advance the interests of the Company and its shareholders. No restricted stock units were granted to Mr. Havner during 2004. Restricted stock units were granted to other Named Executive Officers as reflected above in the table captioned "Summary Compensation Table".

Code Section 162(m). Section 162(m) of the Code imposes a \$1,000,000 limit on the annual deduction that may be claimed for compensation paid to each of the chief executive officer and four other highest paid employees of a publicly held corporation. Certain performance-based compensation awarded under a plan approved by shareholders is excluded from that limitation. The Company's shareholders are being asked to approve the Company's Performance-Based Plan, which is designed to permit the Compensation Committee to make awards that will qualify for deduction as performance-based compensation. See Proposal No. 2, Approval of the Performance-Based Compensation Plan for Covered Employees.

STOCK PRICE PERFORMANCE GRAPH

The graph set forth below compares the yearly change in the Company's cumulative total shareholder return on its Common Stock for the five-year period ended December 31, 2004 to the cumulative total return of the Standard and Poor's 500 Stock Index (S&P 500 Index) and the National Association of Real Estate Investment Trusts Equity Index (NAREIT Equity Index) for the same period (total shareholder return equals price appreciation plus dividends). The stock price performance graph assumes that the value of the investment in the Company's Common Stock and each index was \$100 on December 31, 1999 and that all dividends were reinvested. The stock price performance shown in the graph is not necessarily indicative of future price performance.

AUDIT COMMITTEE REPORT

The Board of Directors believes that each of the three directors comprising the Audit Committee of the Board of Directors of the Company qualifies as independent under the rules of the New York Stock Exchange. The Audit Committee operates under a written charter adopted by the Board of Directors, and was most recently amended and restated in March 2005 (attached as Exhibit A). The members of the Audit Committee are Robert J. Abernethy (chairman), John T. Evans and Daniel C. Staton. Under authority granted by the Board of Directors, the Audit Committee appoints the Company's independent registered public accounting firm and approves the audit and non-audit services furnished by the Company's independent registered public accounting firm. The Audit Committee also has the authority to consult outside legal, accounting or other advisors as the Audit Committee deems necessary.

Management is responsible for the Company's internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met with management and Ernst & Young LLP, the Company's independent registered public accounting firm, and has reviewed and discussed with them the audited consolidated financial statements. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as modified or supplemented.

The Company's independent registered public accounting firm also provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent registered public accounting firm that firm's independence. In addition, the Audit Committee has considered whether the independent registered public accounting firm's provision of non-audit services to the Company is compatible with the firm's independence.

Based on the foregoing and the Audit Committee's discussions with management and the independent registered public accounting firm, the representations of management and the report of the independent registered public accounting firm, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004 filed with the Securities and Exchange Commission.

PROPOSAL NO. 2

**APPROVAL OF THE
PUBLIC STORAGE, INC
PERFORMANCE-BASED COMPENSATION PLAN
FOR COVERED EMPLOYEES**

Effective January 1, 2005, the Compensation Committee adopted the Public Storage, Inc. Performance-Based Compensation Plan for Covered Employees (the Performance-Based Plan). At the annual meeting, shareholders are being asked to approve the Performance-Based Plan which is designed to permit certain compensation payable to covered Company executive officers to qualify as deductible performance-based compensation for federal income tax purposes.

Summary of the Performance-Based Plan

Code Section 162(m)

Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code) imposes a \$1,000,000 limit on the annual deduction that may be claimed for compensation paid by a publicly-held corporation to each of its covered employees (the CEO and four other highest paid employees as reported for securities law purposes). Certain performance-based compensation awarded under a plan approved by shareholders is excluded from that limitation. Qualified performance-based compensation by the Company must be paid solely on account of the attainment of one or more objective performance measures established in writing by the Compensation Committee while the attainment of such measures is substantially uncertain as provided by applicable regulatory or other guidance.

General

The Performance-Based Plan is designed to permit the Compensation Committee to make awards to Company executives that will qualify as performance-based compensation in order to allow the Company a full income tax deduction for that compensation. Under the Performance-Based Plan, if predetermined business performance measures to be set by the Compensation Committee are satisfied, bonuses may be awarded. The Performance-Based Plan generally will be administered in 12-month performance periods, which coincide with each calendar year. The executives base compensation will not be dependent upon satisfying the performance measures under the Performance-Based Plan and they also may be paid other compensation that is not governed by the Performance-Based Plan.

Administration

The Compensation Committee will administer the Performance-Based Plan and has full power to interpret and administer the Performance-Based Plan.

Participation and Eligibility

The Compensation Committee will designate the plan participants for each performance period. Persons employed by Company or one of its affiliates who are, or are reasonably expected to be, covered employees within the meaning of Code Section 162(m), are eligible to be designated by the Compensation Committee as a participant in the Performance-Based Plan.

A plan participant will forfeit any bonus for a performance period during which such participant is involuntarily terminated by the Company for cause or voluntarily terminates his or her employment with the Company for reasons other than death, permanent and total disability or retirement, unless the Compensation Committee determines otherwise.

Plan Operation

The Performance-Based Plan generally will be administered in 12-month performance periods that coincide with each calendar year. The performance-based bonus is an amount that may be paid if applicable performance measure or measures are met in the performance period. The bonus may be paid in cash and/or restricted stock units granted in accordance with the Company's 2001 stock option and incentive plan. The maximum cash performance-based bonus will be equal to a fixed percentage of the plan participant's base salary. The Compensation Committee will determine the fixed percentage by the 90th day of the performance period. For 2005 this fixed percentage is 200% of each plan participant's base salary.

By the 90th day of each performance period, the Compensation Committee will determine who will participate in the Performance-Based Plan and for each plan participant:

the applicable performance measure or measures, which could be based on net income, funds from operations, funds available for distribution, revenues, earnings per share, return on assets, return on equity, return on invested capital, operational efficiency measures, rental income, move-in activity and occupancy level of same-store properties, ratio of earnings to fixed charges, price of the Company's common stock and level of acquisition and development activity (these business criteria may apply to an individual, a business unit or the Company as a whole, and need not be based on an increase or positive result under the business criteria selected);

the percentages to be allocated for each performance measure, if more than one; and

the maximum bonus.

Under the Performance-based Plan, the maximum annual cash bonus that may be granted to any covered employee is limited to \$1,500,000, and the maximum annual award of restricted stock units that may be granted to any covered employee is limited to 50,000 units. A covered employee may receive an annual cash bonus, an annual award of restricted stock units, or both.

Following the end of each performance period, the Compensation Committee will determine the actual performance results for each performance measure and the maximum amount, if any, which each plan participant could receive based on the percentage allocated by the Compensation Committee to each performance measure (if more than one is used) for each plan participant. If the relevant performance measures are not achieved, the plan participant will not receive any bonus or will receive only a portion of the target bonus as to which performance measures were achieved. In determining the actual amount of bonuses to be paid under the Performance-Based Plan, the Compensation Committee has the discretion to reduce or eliminate to zero prior to payment the amount of any bonus, taking into account the objective or subjective factors the Compensation Committee deems appropriate.

Amendment and Termination of the Plan

The Compensation Committee may amend, suspend or terminate the Performance-Based Plan at any time and for any reason.

The foregoing is only a summary of the Performance-Based Plan and is qualified in its entirety by reference to its full text, a copy of which is attached as Exhibit B to this proxy statement.

Federal Income Tax Considerations

All amounts paid under the Performance-Based Plan will be taxable income to the employee when paid (and for restricted stock units, generally when the shares are delivered and not subject to further restriction). The Company will be entitled to a federal income tax deduction for all amounts paid under the Performance-Based Plan if the plan is approved by shareholders and meets the other requirements of Code Section 162(m).

2005 Performance Measures and Estimated Bonuses

The Compensation Committee has determined that, provided the Company's shareholders approve the Performance-Based Plan, current participants would be eligible to receive a fixed dollar maximum bonus for calendar year 2005 as described below based on the achievement of three goals related to (i) FFO (funds from operations), (ii) revenues, and (iii) the Company's FAD (funds available for distribution). The following table shows the range of bonuses payable under the Performance-Based Compensation Plan during 2005 to the current participants.

Name	Cash Bonus		Restricted Stock Units	
	Minimum	Maximum	Minimum	Maximum
Ronald L. Havner, Jr.	0	\$ 1,300,000	0	0
John Reyes	0	600,000	0	20,000
John S. Baumann	0	400,000	0	10,000
John E. Graul	0	600,000	0	20,000

Other than Mr. Havner, none of the Company's directors is eligible to participate in the Performance-Based Plan.

Required Vote

Approval of the Performance-Based Plan requires approval by a majority of the votes represented at the meeting and entitled to vote. For these purposes, an abstention or broker non-vote will not be treated as a vote cast.

The Board of Directors recommends you vote FOR this proposal.

PROPOSAL NO. 3**RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS**

The Audit Committee of the Board of Directors, under authority granted by the Board of Directors, has appointed Ernst & Young LLP, as its independent registered public accounting firm, to audit the accounts of the Company for the fiscal year ending December 31, 2005.

The Company's bylaws do not require that shareholders ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm. The Company is asking its shareholders to ratify this appointment because it believes such a proposal is a matter of good corporate practice. If the shareholders do not ratify the appointment of Ernst & Young LLP, the Audit Committee will reconsider whether or not to retain Ernst & Young LLP as the Company's independent registered public accounting firm, but may determine to do so. Even if the appointment of Ernst & Young LLP is ratified by the shareholders, the Audit Committee may change the appointment at any time during the year if it determines that a change would be in the best interest of the Company and its shareholders.

It is anticipated that representatives of Ernst & Young LLP, which has acted as the independent registered public accounting firm for the Company since the Company's organization in 1980, will be in attendance at the Annual Meeting of Shareholders and will have the opportunity to make a statement if they desire to do so and to respond to any appropriate inquiries of the shareholders or their representatives.

Fees Billed to the Company by Ernst & Young LLP for 2004 and 2003

The following table shows the fees billed or expected to be billed to the Company by Ernst & Young for audit and other services provided for fiscal 2004 and 2003:

Audit-Related Fees	0	0
Tax Fees (2)	546,300	615,700
All Other Fees	0	0
Total	\$ 1,127,400	\$ 985,100

- (1) Audit Fees represent fees for professional services provided in connection with the audits of the Company's annual financial statements and internal control over financial reporting, review of the quarterly financial statements included in the Company's quarterly reports on Form 10-Q and services in connection with the Company's registration statements and securities offerings.
- (2) During 2003, all of the tax services consisted of federal and state income tax return preparation. During 2004, \$12,200 of the tax services were for tax planning, primarily related to acquisitions.

The Audit Committee has adopted a pre-approval policy relating to any services provided by the Company's independent registered public accounting firm. Under this policy the Audit Committee of the Company pre-approves all services performed by Ernst & Young LLP, including those listed above. At this time, the Audit Committee has not delegated pre-approval authority to any member or members of the Audit Committee.

Required Vote

Ratification of the appointment of Ernst & Young LLP requires approval by a majority of the votes represented at the meeting and entitled to vote. For these purposes, an abstention or broker non-vote will not be treated as a vote cast.

(m) **Performance Period** shall mean a twelve-month period of time based upon the Company's Fiscal Year, or such other time period as shall be determined by the Committee.

(n) **Plan** shall mean the Public Storage, Inc. Performance-Based Compensation Plan for Covered Employees, as amended from time to time.

(o) **Predetermination Date** shall mean (i) the earlier of a date 90 days after the commencement of the Performance Period, or a date not later than the expiration of 25% of the Performance Period, provided that the satisfaction of selected Performance Measures is substantially uncertain at such time as determined in accordance with applicable Treasury Regulations or governing precedent, or (ii) such other date on which a performance goal is considered to be pre-established pursuant to Code Section 162(m).

(p) **Restricted Stock Units** shall mean restricted stock units granted in accordance with the Public Storage, Inc. 2001 Stock Option and Incentive Plan or a successor or replacement of such plan.

3. Eligibility. Any Covered Employee employed by the Company or any of its Affiliates during a Performance Period and in active service is eligible to be a Participant under the Plan for such Performance Period, whether or not so employed or living at the date a Bonus is paid, and may be considered by the Committee for a Bonus. A Participant is not rendered ineligible to be a Participant by reason of being a member of the Board. Notwithstanding any other provision of this Plan to the contrary, the Committee shall have sole discretion to designate or approve the Participants for any given Performance Period.

4. Administration.

(a) Unless otherwise designated by the Board, the Compensation Committee of the Board shall be the Committee under the Plan and it shall have at least two members. A director may serve as a member or an alternate member of the Committee only during periods in which the director is an outside director as described in Code Section 162(m). Subsequent determination that a member or alternate member of the Committee was not an outside director shall not invalidate the actions taken by the Committee during such period. The Committee shall have full power and authority to construe, interpret and administer the Plan. It may issue rules and regulations for administration of the Plan and shall meet at such times and places as it may determine. A majority of the members of the Committee shall constitute a quorum and all decisions of the majority of the members of the Committee shall be final, conclusive and binding upon all parties, including the Company, its shareholders, employees and Participants.

(b) The expenses of the administration of the Plan shall be borne by the Company.

5. Term. Subject to Section 10(l), the Plan shall be effective as of January 1, 2005, and shall be applicable for 2005 and future Fiscal Years of the Company unless amended or terminated by the Board or the Committee pursuant to Section 10(e).

6. Determination of Plan Participants, Performance Measures and Bonus Potential. Prior to the Predetermination Date, the Committee shall designate or approve (a) the Participants, (b) the applicable Performance Measure or Measures (and the percentages allocated to each Participant for each Performance Measure, if more than one) for each Participant; (c) the Bonus Potential for each Participant (including the amounts potentially payable in cash and/or Restricted Stock Units) and (d) the Performance Period. In addition, notwithstanding the foregoing, all Performance Measure(s) shall be of such a nature that an objective third party having knowledge of all the relevant facts could determine at the end of the Performance Period whether performance results with respect to such Performance Measure(s) have been achieved.

7. Amount of Bonus.

(a) *Calculation.* Within 90 days after the end of the relevant Performance Period, the Committee shall determine the amount of the actual Bonus Potential for each Participant by:

(i) Determining the actual performance results for each Performance Measure; and

(ii) Determining the maximum amount to which each Participant would be entitled based on the percentage allocated by the Committee to each Performance Measure, if more than one.

(b) *Committee Negative Discretion.* The actual Bonus Potential calculated for each Participant pursuant to Section 7(a) shall represent the maximum award for the Participant under the Plan for the relevant Performance Period. Notwithstanding any other provision of this Plan, the Committee may, in the exercise of its sole discretion and based on any factors the Committee deems appropriate, reduce or eliminate to zero the amount of a Bonus to a Participant otherwise calculated in accordance with the provisions of Section 7(a). The Committee shall make a determination of whether and to what extent to reduce Bonuses under the Plan for each Performance Period at such time or times following the close of the Performance Period as the Committee shall deem appropriate. Any reduction in the amount of a Bonus to a Participant for a Performance Period shall have no effect on the amount of the Bonus to any other Participant for such period.

(c) *Fixed Maximum.* Notwithstanding any other provision of this Plan, the maximum cash Bonus that may be paid to a Participant under the Plan with respect to a particular Performance Period is \$1,500,000 and the maximum award of Restricted Stock Units that may be granted to a Participant under the Plan with respect to a particular Performance Period is limited to 50,000 Restricted Stock Units. To the extent the period of time defining a Performance Period is changed by the Committee from the initially established twelve-month period, then the maximum Bonus that may be paid to a Participant under the Plan with respect to the changed Performance Period will be an amount that bears the same relationship to the new period of time as the above amount bears to the initial twelve-month Performance Period.

(d) *Bonus Determination and Certification.* Within 90 days after the end of the relevant Performance Period, as set forth in Section 7(a) to (c) above, the Committee shall determine the amount of the actual Bonus for each Participant, and prior to payment of any such amounts, shall certify by resolution duly adopted by the Committee the value of the Bonus for each Participant so determined.

8. Payment of Bonuses.

(a) Payment of a cash Bonus and award of Restricted Stock Units as a Bonus to a Participant shall be effected as soon as practicable after determination of and certification of the amount of the Bonus under Section 7 above.

(b) The payment of a Bonus with respect to a specific Performance Period requires that the employee be on the Company's payroll as of the end of such Performance Period, except to the extent that the Committee determines otherwise and except as provided in Section 9 below.

Edgar Filing: PUBLIC STORAGE INC /CA - Form DEF 14A

(c) Payments of Bonuses to Participants who are on the payroll of Affiliates of the Company shall, as determined by the Committee, be paid by or appropriately allocated to such entities.

9. Termination. Unless the Committee determines otherwise, a Participant will forfeit any Bonus for a Performance Period during which a Participant is involuntarily terminated for cause or voluntarily terminates his or her employment with the Company for reasons other than death, permanent and total disability, or retirement at the age and service-year set by the Company or the local law requirements where the Participant is employed.

10. Miscellaneous.

(a) *No Assignment.* No portion of any Bonus under the Plan may be assigned or transferred other than by will or the laws of descent and distribution prior to the payment thereof.

(b) *Tax Requirements.* All payments made pursuant to the Plan shall be subject to all applicable taxes or contributions required by U.S. federal or state law or by non-U.S. local law to be paid or withheld, and Participants shall pay to the Company or relevant tax authorities all amounts determined to be reasonably necessary to satisfy any such obligations, all in accordance with the procedures to be established by the Committee.

(c) *No Additional Participant Rights.* The selection of an individual for participation in the Plan shall not give such Participant any right to be retained in the employ of the Company or any of its Affiliates, and the right of the Company and any such Affiliate to dismiss such Participant or to terminate any arrangement pursuant to which any such Participant provides services to the Company, with or without cause, is specifically reserved. No person shall have claim to a Bonus under the Plan, except as otherwise provided for herein, or to continued participation under the Plan. There is no obligation for uniformity of treatment of Participants under the Plan. The benefits provided for Participants under the Plan shall be in addition to, and shall in no way preclude other forms of compensation to, or in respect of, such Participants. It is expressly agreed and understood that the employment is terminable at the will of either party and, if such Participant is a party to an employment contract with the Company or one of its Affiliates, in accordance with the terms and conditions of the Participant's employment contract.

(d) *Liability.* The Board and Committee shall be entitled to rely on the advice of counsel and other experts, including the independent registered public accountants for the Company. No member of the Board or of the Committee, any officers of the Company or its Affiliates or any of their designees shall be liable for any act or failure to act under the Plan, except in circumstances involving bad faith on the part of such member, officer or designee.

(e) *Amendment; Suspension; Termination.* The Board or Committee may, at any time and from time to time, amend, suspend or terminate the Plan or any part of the Plan as it may deem proper and in the best interests of the Company. In the case of Participants employed outside the United States, the Board, the Committee or their designees may vary the provisions of the Plan as deemed appropriate to conform with local laws, practices and procedures. In addition, the Chief Executive Officer or the Chief Legal Officer of the Company is authorized to make certain minor or administrative changes required by or made desirable by government regulation. Any modification of the Plan may affect present and future Participants and the amount of any Bonus hereunder.

(f) *Other Compensation Arrangements.* Nothing contained in the Plan shall prevent the Company or any Affiliate of the Company from adopting or continuing in effect other compensation arrangements, which arrangements may be either generally applicable or applicable only in specific cases.

(g) *Governing Law.* The validity, construction and effect of the Plan and any rules and regulations relating to the Plan shall be determined in accordance with the laws of the State of California and applicable federal law.

(h) *No Trust.* Neither the Plan nor any Bonus shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company and any Participant. To the extent that the Participant acquires a right to receive payments from the Company in respect of any Bonus, such right shall be no greater than the right of any unsecured general creditor of the Company.

Edgar Filing: PUBLIC STORAGE INC /CA - Form DEF 14A

(i) *Section 162(m)*. All payments under this Plan are designed to satisfy the special requirements for performance-based compensation set forth in Code Section 162(m)(4)(C), and the Plan shall be so construed. Furthermore, if a provision of the Plan causes a payment to fail to satisfy these special requirements, it shall be deemed amended to satisfy the requirements to the extent permitted by law and subject to Committee approval.

B-4

(j) *Designation of Beneficiaries.* A Participant may, if the Committee permits, designate a beneficiary or beneficiaries to receive all or part of the Bonus which may be paid to the Participant, or may be payable, after such Participant's death. A designation of beneficiary shall be made in accordance with procedures specified by the Company and may be replaced by a new designation or may be revoked by the Participant at any time. In case of the Participant's death, a Bonus with respect to which a designation of beneficiary has been made (to the extent it is valid and enforceable under applicable law) shall be paid to the designated beneficiary or beneficiaries. Any Bonus granted or payable to a Participant who is deceased and not subject to such a designation shall be distributed to the Participant's estate. If there shall be any question as to the legal right of any beneficiary to receive a Bonus under the Plan, the amount in question may be paid to the estate of the Participant, in which event the Company or its Affiliates shall have no further liability to anyone with respect to such amount.

(k) *Effect of Bonuses on Other Company Benefits.* It is the intent of the Company that to the extent other Company benefits payable or accruable to Participants are based on a Participant's earnings or compensation level, those other benefits shall be based on Base Pay (and shall not take into account Bonuses), unless the Committee determines otherwise.

(l) *Shareholder Approval.* Adoption of this Plan is subject to the approval of the Company's shareholders, who will be asked to approve the Plan to the extent necessary to allow the Company under Code Section 162(m) to preserve the tax deductibility of payments for performance-based compensation made under the Plan. Plan amendments shall require shareholder approval only if, and to the extent required by, Section 162(m) of the Code, other applicable law or the applicable rules of any applicable stock exchange.
