**ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.**

Merger Agreement.

On May 2, 2005, Yellow Roadway Corporation ( Yellow Roadway or the Company ) announced that it had entered into an amendment, dated May 1, 2005, to the Agreement and Plan of Merger (the Merger Agreement ), dated as of February 27, 2005, with USF Corporation, a Delaware corporation ( USF ), and Yankee II LLC, a Delaware limited liability company and direct wholly owned subsidiary of the Company ( Merger Sub ).

The material changes to the Merger Agreement, as amended (the Amended Merger Agreement ), include:

Upon the terms and subject to the conditions set forth in the Amended Merger Agreement, Merger Sub will merge with, and into, USF, with USF continuing as the surviving entity (the Merger ).

The portion of the merger consideration payable as cash has been increased from 50% to 65% and the portion payable in shares of Yellow Roadway common stock has been reduced from 50% to 35%.

The cash election right has been eliminated so that all shares of USF common stock (excluding those owned directly or indirectly by USF or Yellow Roadway or by any stockholder validly exercising appraisal rights) will be cancelled at the effective time of the Merger and converted into a right to receive:

\$29.25 in cash (representing 65% of the Merger Agreement's \$45.00 cash election merger consideration), and

0.31584 shares of Yellow Roadway common stock (representing 35% of the Merger Agreement's 0.9024 stock exchange ratio).

Under the Merger Agreement, in the aggregate, shares of USF common stock would have been converted into \$22.50 in cash per share and 0.4512 shares of Yellow Roadway common stock.

U.S. holders of USF shares should recognize gain or loss for U.S. federal income tax purposes equal to the difference, if any, between their amount realized (the fair market value of Yellow Roadway shares plus the amount of cash received as merger consideration) and their adjusted tax basis in their USF shares. Under the Merger Agreement, this taxable gain would have been recognized only to the extent the U.S. holder received cash in the merger in an amount equal to or lesser than the gain in the shares exchanged by the U.S. holder in the merger.

The conditions to closing have been amended to give USF and Yellow Roadway greater certainty that the Merger will be completed.

Completion of the Merger is now subject to the following conditions:

adoption of the Amended Merger Agreement by the holders of at least a majority of the outstanding USF shares entitled to vote at the USF special meeting;

absence of any statute, rule, regulation, decree, order, or injunction in effect restraining, enjoining or otherwise prohibiting consummation of the Merger or the other transactions contemplated by the Amended Merger Agreement;

approval for listing of the Yellow Roadway shares to be issued in the merger on the Nasdaq National Market, upon official notice of issuance;

continued effectiveness of the registration statement of which the proxy statement/prospectus is a part and the absence of a stop order by the Securities and Exchange Commission suspending the effectiveness of the registration statement;

the absence, since the end of the party's first fiscal quarter of 2005, of any change in the financial condition, properties, business or results of operations of each party and its subsidiaries or any development or combination of developments of which such party's management had knowledge that, in each case, individually or in the aggregate, has had or is reasonably likely to have a material adverse effect (*see* note below) on such party and its subsidiaries, except for any such changes or developments that (A) such party disclosed in its filings with the SEC prior to May 1, 2005, (B) are contemplated by the Amended Merger Agreement or (C) in the case of USF, result from any act or omission by USF and its subsidiaries taken with the knowledge of Yellow Roadway and intended to benefit Yellow Roadway and its subsidiaries after the Merger; and

compliance in all material respects by each party with its covenants in the Amended Merger Agreement.

Note that, for purposes of the Amended Merger Agreement, "material adverse effect" is defined in the definition of "Company Material Adverse Effect" and "Parent Material Adverse Effect" to exclude effects resulting from, or arising in connection with, several specified changes, effects, circumstances or expenses.

Subject to the satisfaction of the above closing conditions, the transaction is expected to close on May 24, 2005.

The foregoing description of the Merger and the Amended Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Amended Merger Agreement and the related press release, which are filed as Exhibits 2.1 and 99.1 hereto, and are incorporated in this report by reference.
