PROXY STATEMENT

Annual Meeting of Stockholders to be held June 9, 2005

Proxy Solicitation by the Board of Directors

GENERAL

This statement is furnished in connection with the Annual Meeting of Stockholders of American Vanguard Corporation (the "Company") to be held at the Sutton Place Hotel, 4500 MacArthur Boulevard, Newport Beach, California, at 11:00 a.m. local time on June 9, 2005. Stockholders of record at the close of business on May 6, 2005 will be entitled to vote at the meeting.

Proxies are being solicited by the Board of Directors of the Company (the "Board"). The Company will bear all costs of the solicitation. The Company does not intend to solicit proxies otherwise than by use of the mail, but certain officers and other employees of the Company or its subsidiaries, without additional compensation, may use their personal efforts, by telephone, telecommunication, or other similar means to obtain proxies. If the enclosed proxy is executed and returned, the shares represented by the proxy will be voted as specified therein. If a proxy is signed and returned without specifying choices, the shares will be voted FOR the election of each nominee for director as set forth in this Proxy Statement, FOR the proposal to ratify the appointment of BDO Seidman, LLP as independent accountants for 2005, FOR the proposal to approve the Amended and Restated 1994 Stock Incentive Plan and in the Board's discretion as to other matters that may properly come before the Annual Meeting.

Any stockholder has the power to revoke his or her proxy at any time prior to the voting thereof at the Annual Meeting by (i) filing with the Company's Secretary written revocation of his or her proxy, (ii) giving a duly executed proxy bearing a later date, or (iii) voting in person at the Annual Meeting. Attendance by a stockholder at the Annual Meeting will not in itself revoke his or her proxy. This Proxy Statement is being mailed to stockholders on or about May 18, 2005.

SECURITIES ENTITLED TO VOTE

Edgar Filing: AMERICAN VANGUARD CORP - Form DEF 14A

The Board has fixed the close of business on May 6, 2005, as the record date for the purpose of determining the stockholders entitled to notice of and to vote at the Annual Meeting. The Company has only two authorized classes of shares, Preferred Stock and Common Stock, each with a par value of \$0.10 per share. There are 400,000 shares of Preferred Stock authorized, none of which have been issued. There are 40,000,000 shares of Common Stock authorized, of which 18,240,672 are outstanding as of May 6, 2005. Each stockholder will be entitled to one vote, in person or by proxy, for each share standing in his or her name on the Company's books as of the record date.

QUORUM

In order for business to be conducted, a quorum must be represented at the Annual Meeting. A quorum is a majority of the shares entitled to vote at the Annual Meeting. Shares represented by proxies in which authority to vote for any matter is considered withheld, proxies which are marked abstain or proxies as to which there is

a broker non-vote will be counted as shares present for purposes of determining the presence of a quorum. Broker non-votes occur when nominees (such as brokers holding shares on behalf of beneficial owners) do not receive voting instructions from the beneficial owners and do not have discretionary authority to vote.

VOTE REQUIRED

The seven directors to be elected by the holders of Common Stock shall be the seven candidates receiving the highest number of votes cast by holders of Common Stock. Cumulative voting is not permitted. Only votes cast for a nominee will be counted. Abstentions or directions to withhold votes will result in those nominees receiving fewer votes, but will not count as a vote against the nominees.

The proposal to approve the Amended and Restated 1994 Stock Incentive Plan requires the affirmative vote of a majority of the shares present or represented by proxy and entitled to vote; provided that the number of votes cast for such proposal represents at least a majority of the shares entitled to vote on such proposal. Abstentions will be treated as shares present and entitled to vote and therefore have the same effect of votes against such proposal. Nominees holding shares in street name do not have discretionary voting authority with respect to such proposal and may not vote shares unless the nominees receive voting instructions from the beneficial owners. As a result, broker non-votes will not count for voting purposes and will not have the effect of votes against such proposal.

The proposal to ratify the appointment of BDO Seidman, LLP as independent accountants and all other proposals duly presented for consideration at the Annual Meeting require the affirmative vote of a majority of the shares present or represented by proxy and entitled to vote. Abstentions and broker non-votes will be treated as shares present and entitled to vote and therefore have the effect of votes against such proposal.

Such calculations are not intended to forecast future appreciation, if any, and do not necessarily reflect the actual value, if any, that may be realized. The actual value of such options, if any, would be realized only upon the exercise of such options and depends upon the future performance of the Common Stock. No assurance can be made that the amounts reflected in these columns will be achieved. The potential realizable value was computed as the difference between the appreciated value (at the end of the term of the options) of the Common Stock into which the listed options are exercisable and the aggregate exercise price of such options. The calculations assume annual compounding and continued retention of the options and the underlying Common Stock by the optionee for the full option term.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee sets and administers the policies which govern annual and long-term executive compensation. The Committee is responsible for the design and implementation of salary and incentive programs for executive officers and other key officers/employees/personnel which are consistent with American Vanguard's overall compensation philosophy. Key elements of that philosophy include:

Attract and retain quality talent, which is critical to both the short-term and long-term success of the Company.

Assuring that total compensation levels are competitive with those at peer companies and are commensurate with relative stockholder returns and the Company's financial performance.

Focusing executives on the financial objectives that support total stockholder returns.

Emphasizing long-term financial performance and sustained market value creation vs. short-term gains.

Executive officers of the Company are paid salaries in line with their responsibilities. The salaries (short-term cash compensation) are set in an attempt to pay such officers competitively. With respect to long-term incentive compensation, upon the Committee's recommendation, the Board adopted and the stockholders approved the Company's 1994 Stock Incentive Plan at the 1995 Annual Meeting, the First Amended and Restated Stock Incentive Plan at the 2000 Annual Meeting, the Second Amended and Restated Stock Incentive Plan at the 2002 Annual Meeting, the Third Amended and Restated Stock Incentive Plan at the 2003 Annual Meeting and the Fourth Amended and Restated Stock Incentive Plan at the 2004 Annual Meeting (collectively, the Plan), which is designed to link such officers' and other key employees' long-term financial interests to those of the stockholders. The Committee expects to consider future various cash incentive compensation programs specifically tied to Company performance for the employees as a potential method of rewarding the achievement of specific Company performance based goals.

STOCK PERFORMANCE GRAPH

The following graph presents a comparison of the cumulative, five-year total return for the Company, the S&P 500 Stock Index, and a peer group selected by Value Line (Chemical Specialty Industry). The graph assumes that the beginning values of the investments in the Company, the S&P 500 Stock Index, and the peer group of companies each was \$100. All calculations assume reinvestment of dividends. Returns over the indicated period should not be considered indicative of future returns.

PROPOSAL 3 APPROVAL OF THE AMENDED AND RESTATED

1994 STOCK INCENTIVE PLAN

BACKGROUND

The Board adopted and the stockholders approved the Company's 1994 Stock Incentive Plan at the 1995 Annual Meeting, the First Amended and Restated Stock Incentive Plan at the 2000 Annual Meeting, the Second Amended and Restated Stock Incentive Plan at the 2002 Annual Meeting, the Third Amended and Restated Stock Incentive Plan at the 2003 Annual Meeting and the Fourth Amended and Restated Stock Incentive Plan at the 2004 Annual Meeting (collectively, the Predecessor Plan). The Board adopted the proposed Amended and Restated 1994 Stock Incentive Plan, as amended through May 12, 2005 (the Proposed Plan), on May 12, 2005, subject to approval of the Company's stockholders at the Annual Meeting. The Proposed Plan is intended to provide individual participants with an opportunity to acquire a proprietary interest in Common Stock of the Company, par value \$.10 (Common Stock), and give them an additional incentive to use their best efforts for the Company's long-term success. The Proposed Plan will permit grants of stock options, stock appreciation rights (SARs), restricted stock and restricted stock units and other stock or cash awards (each, an Award).

CHANGES TO THE PLAN

The Board proposes to amend and restate the Predecessor Plan to make the following modifications:

(1) To add SARs, which is a right to receive value with respect to a specific number of shares of Common Stock equal to or otherwise based on the excess of (i) the fair market value of a share at the time of exercise over (ii) the exercise price of the right, subject to such terms and conditions as are expressed in the document(s) evidencing such Award;

(2) To add restricted stock and restricted stock units, which is a grant of shares of Common Stock subject to such conditions as are expressed in the document(s) evidencing such Award. For purposes of determining the share reserve under the Proposed Plan, each share of Common Stock issued pursuant to an Award of restricted stock or restricted stock units shall count as 1.5 shares of Common Stock;

(3) To add other awards which the committee administering the Proposed Plan may grant payable in cash or in Common Stock as it determines to be the best interest of the Company; and

(4) To make such other technical or ministerial amendments and modifications to the Predecessor Plan to facilitate the administration of the Proposed Plan.

SUMMARY DESCRIPTION OF THE PROPOSED PLAN

Edgar Filing: AMERICAN VANGUARD CORP - Form DEF 14A

The below summary description of the Proposed Plan is qualified in its entirety by reference to the full text of the Proposed Plan, which is attached to this Proxy Statement as Appendix A. To the extent there is any discrepancy between the summary and the Proposed Plan, the text of the Proposed Plan shall control.

Shares Reserved for Issuance. The aggregate number of shares of Common Stock that may be issued under the Proposed Plan shall not exceed 3,222,000 shares. If there is a stock split, stock dividend or other similar change affecting the Company's shares, appropriate adjustments will be made in the number of shares that may be issued in the future and in the number of shares and price of all outstanding grants made before such event. The Proposed Plan does not modify the number of shares of Common Stock reserved for issuance under the Predecessor Plan. As of May 6, 2005, the number of shares remaining available for future issuance under the Predecessor Plan is 634,802 shares of Common Stock (as adjusted for stock splits and stock dividends distributed to date). If the Proposed Plan is approved by the stockholders, such shares remaining available for future issuances under the Predecessor Plan shall be treated as shares remaining available for future issuances under the Proposed Plan. As of May 6, 2005, the 634,802 shares of Common Stock available under the Proposed Plan represents approximately 3.5% of the currently outstanding shares of Common Stock.

Plan Administration. The Proposed Plan is administered by a committee designated by the Board of Directors (the Committee) consisting of not less than two members of the Board of Directors, each of whom shall be non-employee directors within the meaning of Rule 16b-3 under the Exchange Act or any successor rule and, to the extent and when required, shall be outside directors within the meaning of Section 162(m) of the Internal Revenue Code of 1986 (the Code). The Committee shall have the authority to construe and interpret the Proposed Plan and any Awards, to establish and amend rules for administration of the Proposed Plan, to set forth the terms and conditions of any Award and to make all other determinations which it deems necessary or advisable for the administration of the Proposed Plan.

Participants. Those eligible for Awards under the Proposed Plan are referred to as Participants, which include all employees, officers and consultants of the Company and its subsidiaries, as well as all non-employee directors of the Company. As of May 6, 2005, there were approximately individuals eligible to participate in the Proposed Plan.

Awards Under the Proposed Plan

Stock Option Grants. The Committee is authorized under the Proposed Plan to grant stock options to Participants, which may be either incentive stock options (ISOs) or nonqualified stock options (NSOs). ISOs and NSOs are collectively referred to as Stock Options. The term of any Stock Option shall be fixed by the Committee, but shall not exceed ten years. The option price shall not be less than the fair market value (generally the closing price of the Common Stock as reported on AMEX) on the date of the grant. Payment for shares purchased upon exercise of any Stock Option must be made in full at the time of purchase. Payment may be made in cash, by the transfer to the Company of shares owned by the Participant for at least six months having a fair market value at the time of exercise equal to the option price (or certification of such ownership) or in such other manner as may be authorized by the Committee.

Stock Appreciation Rights. The Committee may grant SARs either singly or in combination with an underlying stock option granted under the Proposed Plan. SARs entitle the grantee to receive upon exercise of the SARs the appreciation in the market price of a stated number of shares of common stock during a stated term. SARs entitle the grantee to receive the same economic value upon exercise that would have been derived from exercise of a stock option relating to the same number of shares. The term of SARs shall be fixed by the Committee but cannot exceed the option term, if issued in connection with an option, or ten years. Payment may be made in cash or in shares, at the discretion of the Committee, except in the case of a substitute SAR, in which case payment may be made only in stock.

Restricted Stock and Restricted Stock Units. Restricted Stock consists of shares of Common Stock which are transferred or sold by the Company to a Participant, but are subject to substantial risk of forfeiture and to restrictions on their sale or other transfer by the Participant. Restricted Stock Units are the right to receive shares of Common Stock at a future date in accordance with the terms of such grant upon the attainment of certain conditions specified by the Committee which include substantial risk of forfeiture and restrictions on their sale or other transfer by the Participant. The Committee determines the eligible Participants to whom, and the time or times at which, grants of Restricted Stock or Restricted Stock Units will be made, the number of shares or units to be granted, the price to be paid, if any, the time or times within which the shares covered by such grants will be subject to forfeiture, the time or times at which the restrictions will terminate, and all other terms and conditions of the grants. Restrictions or conditions could include, but are not limited to, the attainment of performance goals, continuous service with the Company, the passage of time or other restrictions or conditions.

Other Stock or Cash Awards. The Committee may grant in its discretion other incentives payable in cash or Common Stock, subject to such terms and conditions specified by the Committee.

Other Information Concerning Awards. Awards may be granted singly, in combination, or in tandem, as determined by the Committee. No Participant may receive as an Award in the form of Stock Options, SARs, Restricted Stock and Restricted Stock Units or any combination thereof with respect to more than 500,000 shares of Common Stock in any calendar year. For purposes of determining the share reserve and the

limit on Awards to a Participant,

each share of Common Stock issued pursuant to an Award of Restricted Stock or Restricted Stock Units shall count as 1.5 shares of Common Stock. At all times the Company will reserve and keep available a sufficient number of shares of Common Stock to satisfy the requirements of all outstanding Awards made under the Proposed Plan and other outstanding but unvested Awards made under the Proposed Plan that are to be settled in Common Stock

Amendment. The Board or the Committee has the right and power to amend the Proposed Plan; provided, however, that neither the Board nor the Committee may amend the Proposed Plan in a manner which would impair or adversely affect the rights of the holder of an Award without the holder's consent. No material amendment of the Proposed Plan may be made without stockholder approval consistent with AMEX listing requirements.

Committee's Right to Modify Benefits. Any Award granted may be converted, modified, forfeited, or canceled, in whole or in part, by the Committee if and to the extent permitted in the Proposed Plan, or applicable agreement entered into in connection with an Award grant or with the consent of the Participant to whom such Award was granted. The Committee, however, does not have the ability to reprice a previously granted Award or cancel a previously granted Award and issue a new substituted Award without stockholder approval. In no event, however, may the Committee cancel any outstanding Stock Option for the purpose of reissuing the Stock Option to the Participant at a lower option price or reduce the option price of an outstanding Stock Option.

Nontransferability. Awards are not assignable or transferable except for limited circumstances upon a grantee's death, or on such terms and conditions as may be established by the Committee.

Change in Control. The Committee may provide for full or partial vesting and payment of a Participant's Award in the event of a Change of Control in its sole discretion. Change of Control for purposes of accelerated vesting and payment of Awards under the Proposed Plan is defined in Section 11 of the Proposed Plan that is attached hereto as Appendix A.

Termination. The Proposed Plan may be terminated at any time by the Board or the Committee. Termination will not in any manner reduce the amount of, or change the terms and conditions of, any Award outstanding at the time of termination.

Relationship to the Predecessor Plan. Subject to stockholder approval, the Proposed Plan will serve as the successor to the Predecessor Plan and all awards granted under the Predecessor Plan shall be treated as Awards granted under the Proposed Plan. As of May 6, 2005, the number of shares to be issued upon exercise of outstanding options under the Predecessor Plan is 1,518,496 shares of Common Stock (as adjusted for stock splits and stock dividends distributed to date). The following table sets forth the number of shares of Common Stock underlying stock options (which were the only awards available under the Predecessor Plan) granted under the Predecessor Plan, as to the Company's Chief Executive Officer, the Company's certain other most highly compensated executive officers, and the groups indicated, which shall be treated as Awards under the Proposed Plan subject to stockholder approval of the Proposed Plan at the Annual Meeting. The table also shows values for in-the-money options which represent the positive spread between the exercise price of any such existing stock options and the year-end closing price of the Common Stock. The closing price of the Common Stock on December 31, 2004, as reported on the AMEX, was \$18.39 per share (after giving effect for the 2 for 1 stock split distributed in April 2005).

U.S. Federal Income Tax Consequences

Under current law, the following are U.S. federal income tax consequences generally arising with respect to Awards under the Proposed Plan:

ISOs. A Participant who is granted ISOs does not recognize any taxable income at the time of the grant or at the time of exercise. Similarly, the Company is not entitled to any deduction at the time of grant or at the time of exercise. If the Participant makes no disposition of the shares acquired pursuant to an ISO before the later of two years from the date of grant and one year from the date of exercise, any gain or loss realized on a subsequent disposition of the shares will be treated as a long-term capital gain or loss. Under such circumstances, the Company will not be entitled to any deduction for federal income tax purposes. If the Participant does not satisfy the hold period requirement, the Company will be entitled to a tax deduction.

NSOs. A Participant who is granted NSOs will not have taxable income at the time of grant but will have taxable income at the time of exercise equal to the difference between the exercise price of the shares and the market value of the shares on the date of exercise. The Company is entitled to a tax deduction for the same amount.

SARs. The grant of an SAR will produce no tax consequences for the Participant or the Company. The exercise of an SAR results in taxable income to the Participant equal to the difference between the exercise price of the shares and the market price of the shares on the date of exercise and a corresponding tax deduction to the Company.

Restricted Stock and Restricted Stock Units. A Participant who has been granted an Award of Restricted Stock or Restricted Stock Units will generally not realize taxable income at the time of the grant, and the Company will not be entitled to a tax deduction at the time of the grant. When the restrictions lapse on Restricted Stock, the Participant will recognize taxable income in an amount equal to the fair market value of the shares at such time. A Participant will realize taxable income upon delivery of shares pursuant to a Restricted Stock Unit. In general, the Company will be entitled to a corresponding tax deduction except to the extent that the value of Restricted Stock or Restricted Stock Units that become taxable to named executive officers (as defined by the Securities and Exchange Commission) when added to other compensation not exempt from Section 162(m), exceeds \$1 million.

Other Information

If approved by the Company's stockholders at the Annual Meeting, the Proposed Plan will be effective on June 9, 2005 and will continue until May 12, 2015. Participants who will participate in the Proposed Plan in the future and the amounts of their allotments are to be determined by the Committee subject to any restrictions outlined above. Since no such determinations have been made, it is not possible to state the terms of any individual options which may be issued under the Proposed Plan or the names or positions of, or respective amounts of the allotment to, any individual who may participate. A new benefits table is not provided because no grants have been made under the Proposed Plan and all Awards are discretionary.

REQUIRED VOTE AND RECOMMENDATION

The affirmative vote of holders of a majority of the shares of Common Stock represented and entitled to vote at the meeting is required for approval of the Amended and Restated 1994 Stock Incentive Plan; provided that the number of votes cast for this proposal represents at least a

majority of the shares entitled to vote on this proposal.

APPENDIX A

AMERICAN VANGUARD CORPORATION

AMENDED AND RESTATED 1994 STOCK INCENTIVE PLAN

(Amended and Restated through May 12, 2005)

1. Purposes.

The purposes of the American Vanguard Corporation Amended and Restated 1994 Stock Incentive Plan (the **Plan**) are (i) to enable American Vanguard Corporation (the **Company**), a Delaware corporation, and its subsidiaries to obtain and retain the services of the types of employees, consultants, officers and directors who will contribute to the Company's long range success, and (ii) to provide incentives which are linked directly to increases in the Company's Common Stock, par value \$.10 per share (the **Common Stock**), which will inure to the benefit of all stockholders of the Company.

2. Administration.

(a) The Plan will be administered by a committee of the Company's Board of Directors (the **Committee**) consisting of two or more directors as the Company's Board of Directors (the **Board**) may designate from time to time, each of whom shall satisfy such requirements that:

(i) the Securities and Exchange Commission may establish for administrators acting under plans intended to qualify for exemption under Rule 16b-3 or its successor under the Securities Exchange Act of 1934 (the **Exchange Act**);

(ii) the principal securities exchange on which the shares of the Common Stock are then traded (the **Exchange**) may establish pursuant to its rule-making authority for directors serving in such capacity; and

(iii) the Internal Revenue Service may establish for outside directors acting under plans intended to qualify for exemption under Section 162(m) of the Internal Revenue Code of 1986, as amended (the **Code**).

(b) The Committee shall have the authority to construe and interpret the Plan and any Awards (as defined in Section 5 below) granted under the Plan, to establish and amend rules for Plan administration, to set forth the terms and conditions of any Award and to make all other determinations which it deems necessary or advisable for the administration of the Plan. The determinations of the Committee shall be made in accordance with their judgment as to the best interests of the Company and its stockholders and in accordance with the purposes of the Plan and the charter of the Committee. The Committee may authorize one or more officers of the Company to select persons to participate in the Plan and to determine the number and type of Awards and other rights to be granted to such persons, except with respect to Awards to officers subject to Section 16 of the Exchange Act or officers who are or may become covered employees within the meaning of Section 162(m) of the Code (**Covered Employees**), as reasonably determined by the Committee, and any reference in the Plan to the Committee shall include such authorized officer or officers.

3. Participation.

Participants may consist of all employees, officers and consultants of the Company and its subsidiaries and all non-employee directors of the Company. Any corporation or other entity in which the Company has a direct or indirect equity interest shall be a subsidiary for purposes of the Plan. Designation of a participant in any year shall not require the Committee (or its designee) to designate that person to receive an Award in any other year or to receive the same type or amount of Award as granted to the participant in any other year or as granted to any other participant in any year. The Committee shall consider all factors that it deems relevant in selecting participants and in determining the type and amount of their respective Awards.

A-1

4. Shares Reserved for Awards.

(a) Subject to adjustment as provided in Section 12 below, there is hereby reserved for grant and issuance under the Plan an aggregate of 3,222,000 shares of Common Stock for the purpose of making Awards under Section 5 of the Plan. Shares subject to the Plan may either be authorized and unissued shares or shares reacquired by the Company. Shares subject to an Award which for any reason expires or terminates unexercised or is not earned in full may again be made subject to an Award under the Plan. No participant may receive an Award in the form of Stock Options (as defined in Section 6 below), SARs (as defined in Section 7 below), Restricted Stock (as defined in Section 8 below), Restricted Stock Units (as defined in Section 8 below) or any combination thereof under the Plan with respect to more than 500,000 shares of Common Stock in any calendar year. For purposes of determining the share reserve under this Section 4, each share of Common Stock issued pursuant to an Award of Restricted Stock or Restricted Stock Units shall count as 1.5 shares of Common Stock. The shares reserved for issuance and the limitations set forth above shall be subject to adjustment in accordance with Section 12 below. All of the available shares may, but need not, be issued pursuant to the exercise of Incentive Stock Options (as defined under Section 422(b) of the Code). At all times the Company will reserve and keep available a sufficient number of shares of Common Stock to satisfy the requirements of all outstanding Awards made under the Plan and all other outstanding but unvested Awards made under the Plan that are to be settled in Common Stock.

(b) In connection with the acquisition of any business by the Company or any of its subsidiaries, any outstanding grants, awards or sales of options or other similar rights pertaining to such business may be assumed or replaced by Awards under the Plan upon such terms and conditions as the Board determines. The date of any such Award shall relate back to the date of the initial grant or award being assumed or replaced, and service with the acquired business shall constitute service with the Company and its subsidiaries for purposes of such Award. Any shares of Common Stock underlying any Award pursuant to any such acquisition shall be disregarded for purposes of applying the share reserve and shall not reduce the number of shares of Common Stock otherwise available under Section 4 above.

5. Awards.

The Committee is authorized to enter into the following arrangements under the Plan provided that their terms and conditions are not inconsistent with the provisions of the Plan: Stock Options, SARs, Restricted Stock and Restricted Stock Units, and Other Stock or Cash Awards (as defined in Section 9 below) (each, an Award).

6. Stock Options.

(a) A Stock Option is a right to purchase a number of shares of Common Stock at such exercise price, at such times and on such other terms and conditions as are specified in or determined pursuant to the document(s) evidencing the Award. Stock Options may be granted to participants at any time as determined by the Committee. The Committee shall determine the number of shares subject to each Stock Option. The Committee may grant Stock Options as Incentive Stock Options or Stock Options that are not intended to qualify as Incentive Stock Options, as the Committee, in its sole discretion, shall determine. The option price for a Stock Option shall be determined by the Committee but shall not be less than 100% of the Fair Market Value of the Common Stock on the date the Stock Option is granted. Each Stock Option shall expire at such time as the Committee shall determine at the time of grant. Stock Options shall be exercisable at such time and subject to such terms and conditions as the Committee shall determine; provided, however, that no Stock Option shall be exercisable later than ten (10) years after the date of its grant. The option price, upon exercise of any Stock Option, shall be payable to the Company in full by (i) cash payment or its equivalent, (ii) tendering previously acquired shares purchased on the open market or held for at least six months having a Fair Market Value at the time of exercise equal to the option price, or certification of ownership of such previously-acquired shares and (iii) such other methods of payment as the Committee, at its discretion, deems appropriate. In no event shall the Committee cancel any outstanding Stock Option for the purpose of reissuing the Stock Option to the participant at a lower exercise price or reduce the option price of an outstanding Stock Option.

(b) Stock Options intended to qualify as Incentive Stock Options may only be granted to employees of the Company, a parent corporation (as defined in Section 424(e) of the Code) or a subsidiary corporation (as defined in Section 424(f) of the Code), as determined by the Committee. No Incentive Stock Option shall be transferable by a participant otherwise than by will or the laws of descent and distribution, and is exercisable, during the participant's lifetime, only by the participant. No Incentive Stock Option shall be granted to any person if immediately after the grant of such Award, such person would own stock of the Company, including Common Stock subject to outstanding Awards held by him or her under the Plan or any other plan established by the Company, amounting to more than ten percent (10%) of the total combined voting power or value of all classes of stock of the Company, unless the exercise price of any such Stock Option is 110% of the Common Stock's Fair Market Value on the grant date and the exercise period for any such Stock Option is not more than five (5) years. If and to the extent that any shares of Common Stock are issued under a portion of any Stock Option that exceeds the \$100,000 limitation of Section 422 of the Code, such shares shall not be treated as issued under an Incentive Stock Option in accordance with applicable Treasury regulations notwithstanding any designation otherwise. Certain decisions, amendments, interpretations and actions by the Committee and certain actions by a participant may cause a Stock Option to cease to qualify as an Incentive Stock Option pursuant to the Code and by accepting a Stock Option the participant agrees in advance to such disqualifying action.

7. Stock Appreciation Rights.

A Stock Appreciation Right or SAR is a right to receive value with respect to a specific number of shares of Common Stock equal to or otherwise based on the excess of (i) the Fair Market Value of a share at the time of exercise over (ii) the exercise price of the right, subject to such terms and conditions as are expressed in the document(s) evidencing the Award. SARs may be granted to a participant at any time as determined by the Committee. A SAR may be granted in tandem with a Stock Option granted under the Plan or on a free-standing basis. The Committee also may, in its discretion, substitute SARs that can be settled only in stock for outstanding Stock Options. The grant price of a tandem or substitute SAR shall be equal to the option price of the related option. The grant price of a free-standing SAR shall be equal to the Fair Market Value of a share of Common Stock on the date of its grant. A SAR may be exercised upon such terms and conditions as the Committee in its sole discretion determines; provided, however, that the period during which a SAR may be exercised shall not exceed the option term in the case of a tandem or substitute SAR or ten (10) years in the case of a free-standing SAR and the terms and conditions applicable to a substitute SAR shall be substantially the same as those applicable to the Stock Option which it replaces. Upon exercise of a SAR, the participant shall be entitled to receive payment from the Company in an amount determined by multiplying the excess of the Fair Market Value of a share of Common Stock on the date of exercise over the grant price of the SAR by the number of shares with respect to which the SAR is exercised. The payment may be made in cash or stock, at the discretion of the Committee, except in the case of a substitute SAR, in which case payment may be made only in stock.

8. Restricted Stock and Restricted Stock Units.

Restricted Stock is a grant of shares of Common Stock subject to such conditions as are expressed in the document(s) evidencing the Award. A Restricted Stock Unit is a right to receive, in Common Stock, the Fair Market Value of one share of Common Stock, the grant, issuance, retention and/or vesting of which is subject to such conditions as are expressed in the document(s) evidencing the Award. Restricted Stock and Restricted Stock Units may be awarded or sold to participants under such terms and conditions as shall be established by the Committee. Restricted Stock and Restricted Stock Units shall be subject to such restrictions as the Committee determines, including, without limitation, one or more of the following: (i) a prohibition against sale, assignment, transfer, pledge, hypothecation and other encumbrance for a specified period; and (ii) a requirement that the holder forfeit (or in the case of shares or units sold to the participant, resell to the Company at cost) such unvested shares or units in the event of termination of employment during the period of restriction. All restrictions shall expire at such times as the Committee shall specify.

9. Other Stock or Cash Awards.

In addition to the incentives described in Sections 6 through 8 above, the Committee may grant other incentives payable in cash or in Common Stock under the Plan as it determines to be in the best interests of the Company and subject to such other terms and conditions as it deems appropriate (Other Stock or Cash Awards).

10. Covered Employment.

Unless Company policy or the Committee otherwise provides, the employment relationship covered under an Award shall not be considered terminated in the case of (i) sick leave, (ii) military leave, or (ii) any other leave of absence authorized by the Company or the Committee; provided that unless reemployment upon the expiration of such leave is guaranteed by contract or law, such leave is for a period of not more than 90 days. In the case of any employee on an approved leave of absence, continued vesting of a participant's Award while on leave may be suspended until the employee returns to service, unless the Committee otherwise provides or applicable law otherwise requires. In no event shall a Stock Option be exercised after the expiration of the term set forth in the document(s) evidencing the Award. For purposes of the Plan and any Award, if an entity ceases to be a subsidiary of the Company, termination of employment or service shall be deemed to have occurred with respect to each participant in respect of such subsidiary who does not continue as an employee or service provider in respect of the Company or another subsidiary after such event giving effect to such subsidiary's change in status.

11. Change of Control.

The Committee may provide for full or partial vesting and payment of a participant's Award in the event of a Change in Control (as hereinafter defined) of the Company in its sole discretion. The term Change of Control shall mean the occurrence of any of the following:

(a) the acquisition by any Person (as hereinafter defined) of 50% or more of the outstanding Common Stock of the Company (the Outstanding Company Stock), provided that, for purposes of this Section 11(a), the following acquisitions shall not constitute a Change of Control: (i) any acquisition by the Company, (ii) any acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Company or any Person that controls, is controlled by or is under common control with, the Company, or (iii) a Non-Qualifying Business Combination (as hereinafter defined); or

(b) consummation of a reorganization, merger or consolidation or sale or other disposition of all or substantially all of the assets of the Company or the acquisition of assets or stock of another corporation (a Business Combination), in each case, unless, following such Business Combination, the Persons who had Beneficial Ownership (as hereinafter defined) of the Outstanding Company Stock immediately prior to such Business Combination have Beneficial Ownership immediately following the consummation of such Business Combination, directly or indirectly, of more than 50% of the combined voting power of the then outstanding securities entitled to vote generally in the election of directors of the corporation resulting or surviving from such Business Combination (including, without limitation, a corporation which as a result of such transaction owns the Company or all or substantially all of the Company's assets either directly or through one or more subsidiaries) in substantially the same proportions as their ownership immediately prior to such Business Combination of the Outstanding Company Stock (a Business Combination that satisfies this exception shall be deemed to be a Non-Qualifying Business Combination); or

(c) individuals who, as of the Effective Date (as defined in Section 19 below) or such subsequent date as the Board may determine from time to time to be applicable for this Change of Control definition (the Base Date), constitute the Board (the Incumbent Board) cease for any reason to constitute at least a majority of the Board, provided that, for purposes of this Section 11(c), any individual who becomes a director subsequent to the Base Date whose election, or nomination for election by the Company's stockholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent

Board shall be considered as though such individual were a member of the Incumbent Board, excluding, however any such individual who initially assumes office as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board; or

(d) approval by the stockholders of the Company of a complete liquidation or dissolution of the Company.

Notwithstanding the foregoing provisions of this definition, unless otherwise determined by the Board, no Change of Control shall be deemed to have occurred with respect to an Award if (i) a participant is a member of a group that first announces a proposal which, if successful, would result in a Change of Control and which proposal (including any modifications thereof) is ultimately successful, (ii) the participant acquires a two percent (2%) or more equity interest in the entity which ultimately acquires the Company pursuant to the transaction described in clause (i) above in this paragraph, or (iii) treatment of an event which is otherwise a Change of Control under this Section 11 with respect to such Award would result in violation of the rules relating to nonqualified deferred compensation plans under Section 409A(a) of the Code.

For purposes of this definition of Change of Control, Person means an individual, corporation, partnership, joint venture corporation, trust, unincorporated organization, government (or agency or political subdivision thereof), group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Exchange Act or any other entity, and Beneficial Ownership means beneficial ownership within the meaning of Rule 13d-3 promulgated under the Exchange Act.

12. Adjustment.

(a) The following provisions will apply if any extraordinary dividend or other extraordinary distribution occurs in respect of the Common Stock (whether in the form of cash, Common Stock, other securities, or other property), or any reclassification, recapitalization, stock split (including a stock split in the form of a stock dividend), reverse stock split, reorganization, merger, combination, consolidation, split-up, spin-off, combination, repurchase, or exchange of Common Stock or other securities of the Company, or any similar, unusual or extraordinary corporate transaction (or event in respect of the Common Stock) or a sale of substantially all the assets of the Company as an entirety occurs. The Committee will, in such manner and to such extent (if any) as it deems appropriate and equitable:

(i) proportionately adjust any or all of (A) the number and type of shares of Common Stock (or other securities) that thereafter may be made the subject of Awards (including the specific maximums and numbers of shares set forth elsewhere in the Plan), (B) the number, amount and type of shares of Common Stock (or other securities or property) subject to any or all outstanding Awards, (C) the grant, purchase, or exercise price of any or all outstanding Awards, (D) the securities, cash or other property deliverable upon exercise of any outstanding Awards, (E) the performance standards appropriate to any outstanding Awards, and/or (F) the number of shares reserved for issuance as set forth in Section 4(a) above.

(ii) in the case of an extraordinary dividend or other distribution, recapitalization, reclassification, merger, reorganization, consolidation, combination, sale of assets, split up, exchange, or spin off, make provision for a cash payment or for the substitution or exchange of any or all outstanding Awards or the cash, securities or property deliverable to the holder of any or all outstanding Awards based upon the distribution or consideration payable to holders of the Common Stock upon or in respect of such event.

(b) The Committee shall value Awards as it deems reasonable in the event of a cash or property settlement and, in the case of Stock Options, SARs or similar rights, may base such settlement solely upon the excess if any of the per share amount payable upon or in respect of such event over the exercise or base price of the Award. With respect to any Award of an Incentive Stock Option, the Committee may make such an adjustment that causes the option to cease to qualify as an Incentive Stock Option without the consent of the affected participant.

A-5

(c) In any of the events described in this Section 12, the Committee may take such action prior to such event to the extent that the Committee deems the action necessary to permit the participant to realize the Awards intended to be conveyed with respect to the underlying shares in the same manner as is or will be available to stockholders generally. In the case of any stock split or reverse stock split, if no action is taken by the Committee, the proportionate adjustments contemplated by Section 12(a)(i) above shall nevertheless be made.

13. Nontransferability.

Each Award made under the Plan shall not be transferable otherwise than by will or the laws of descent and distribution and each Stock Option and SAR shall be exercisable during the participant's lifetime only by the participant or, in the event of disability, by the participant's personal representative. In the event of the death of a participant, exercise of any benefit or payment with respect to any benefit shall be made only by or to the executor or administrator of the estate of the deceased participant or the person or persons to whom the deceased participant's rights under the benefit shall pass by will or the laws of descent and distribution. Notwithstanding the foregoing, at its discretion, the Committee may permit the donative transfer of any Award under the Plan (other than an Incentive Stock Option) by the participant subject to such terms and conditions as may be established by the Committee.

14. Taxes.

The Company shall be entitled to withhold the amount of any tax attributable to any amounts payable or shares deliverable under the Plan, after giving the person entitled to receive such payment or delivery notice, and the Company may defer making payment or delivery as to any Award, if any such tax is payable until indemnified to its satisfaction. At the discretion of the Committee, a participant may pay all or a portion of any required withholding taxes arising in connection with the exercise of a Stock Option or SAR or the receipt or vesting of shares hereunder by electing to have the Company withhold shares of Common Stock, having a Fair Market Value equal to the amount required to be withheld. Notwithstanding the foregoing, any fractional share under an Award shall be applied toward tax withholding.

15. Duration, Amendment and Termination.

No Award shall be made after May 12, 2015; provided, however, that the terms and conditions applicable to any Award granted on or before such date may thereafter be amended or modified by mutual agreement between the Company and the participant, or such other person as may then have an interest therein. The Board or the Committee may amend the Plan from time to time or terminate the Plan at any time. However, no such action shall reduce the amount of any existing Award or change the terms and conditions thereof without the participant's consent. No material amendment of the Plan shall be made without stockholder approval consistent with the Exchange's listing requirements.

16. Fair Market Value.

The Fair Market Value of a share of the Common Stock for a given date for purposes of the Plan means (i) the last reported closing price for a share of Common Stock on the Exchange, (ii) in the absence of reported sales on the Exchange on a given date, the closing price of the Exchange on the last date on which a sale occurred prior to such date; or (iii) if the Common Stock is no longer publicly traded on the Exchange, the value determined in good faith by the Committee. Notwithstanding the foregoing, the Committee may determine the Fair Market Value at any time in such other manner as the Committee may deem equitable or as required by applicable law or regulation.

17. Other Provisions.

Edgar Filing: AMERICAN VANGUARD CORP - Form DEF 14A

(a) Awards shall be evidenced by a written agreement between the Company and a participant setting forth such terms, conditions and restrictions as the Committee determines appropriate (whether or not applicable to

A-6

Awards granted to other participants), including provisions intended to comply with federal or state securities laws and stock exchange requirements, understandings or conditions as to the participant's employment, requirements or inducements for continued ownership of Common Stock after exercise or vesting of benefits (including Change of Control), forfeiture of Awards in the event of termination of employment shortly after exercise or vesting, or breach of non-competition or confidentiality agreements following termination of employment, or provisions permitting the deferral of the receipt of a benefit for such period and upon such terms as the Committee shall determine.

(b) In the event any benefit under the Plan is granted to a participant who is employed or providing services outside the United States and who is not compensated from a payroll maintained in the United States, the Committee may, in its sole discretion, modify the provisions of the Plan as they pertain to such individuals to comply with applicable law, regulation or accounting rules.

(c) The Committee, in its sole discretion, may permit or require a participant to have amounts or shares of Common Stock that otherwise would be paid or delivered to the participant as a result of the exercise or settlement of an Award under the Plan credited to a deferred compensation or stock unit account established on the participant's behalf by the Committee.

(d) A participant's right, if any, to continue to serve the Company and its subsidiaries as an officer, employee, or otherwise, shall not be enlarged or otherwise affected by his designation as a participant under the Plan. Payments and other benefits received by a participant under a benefit made pursuant to the Plan shall not be deemed a part of a participant's compensation for purposes of the determination of benefits under any other employee retirement or welfare benefit plans or arrangements, if any, provided by the Company or any subsidiary or affiliate, except where the Board or Committee expressly otherwise provides or authorizes in writing. Awards may be made in addition to, in combination with, as alternatives to or in payment of commitments under any other plans or arrangements of the Company or its subsidiaries.

18. Governing Law, Construction and Severability.

The Plan and any actions taken in connection herewith shall be governed by and construed in accordance with the laws of the state of Delaware (without regard to applicable Delaware principles of conflict of laws). If a court of competent jurisdiction holds any provision hereunder invalid and unenforceable, the remaining provisions of the Plan will continue in effect. It is the intent of the Company that the benefits and transactions permitted by benefits be interpreted in a manner that, in the case of participants who are or may be subject to Section 16 of the Exchange Act, qualify, to the maximum extent compatible with the express terms of the agreements reflecting the benefits, for exemption from matching liability under Rule 16b-3 promulgated under the Exchange Act. Notwithstanding the foregoing, the Company shall have no liability to any participant or other person for Section 16 consequences of benefits or events in connection with a benefit if a benefit or related event does not so qualify.

19. Stockholder Approval.

The Plan was adopted by the Board on May 12, 2005, subject to the approval by the affirmative vote of the holders of a majority of the votes cast at the next annual meeting of stockholders, and will become effective on the date of such stockholder approval. The Plan and any Awards granted hereunder shall be null and void if such stockholder approval is not obtained.

20. Predecessor Plan.
