PROXY STATEMENT FOR THE CALLWAVE, INC.

2005 ANNUAL MEETING OF STOCKHOLDERS

GENERAL INFORMATION ABOUT THE ANNUAL MEETING

Why Did You Send this Proxy Statement to Me?

We sent this proxy statement and the enclosed proxy card to you because our board of directors is soliciting your proxy to vote at the 2005 annual meeting of stockholders and any adjournments of the meeting. This proxy statement summarizes the information you need to know in order to vote at the annual meeting. You do not need to attend the annual meeting to vote your shares. Instead, you may vote your shares by marking, signing, dating and returning the enclosed proxy card. If you hold your shares through a broker, then you also may be able to vote your shares either via the Internet or by telephone.

On or about November 3, 2005, we began sending this proxy statement, the attached notice of annual meeting and the enclosed proxy card to all stockholders entitled to notice of, and to vote at, the annual meeting. Only stockholders who owned our common stock at the close of business on October 31, 2005, are entitled to vote at the annual meeting. On this record date, there were 20,611,714 shares of our common stock outstanding. Our common stock is our only class of voting stock. We are also sending along with this proxy statement our fiscal year 2005 Annual Report on Form 10-K, which includes our financial statements for the fiscal year ended June 30, 2005.

How Many Votes Do I Have?

Each share of our common stock that you own entitles you to one vote.

How Do I Vote?

You may vote in person at the meeting or by signing and mailing your proxy card. If you hold your shares through a broker, you also may be able to vote your shares on the Internet or by telephone. If applicable, detailed instructions for Internet and telephone voting are attached to your proxy.

How Do I Vote by Proxy?

Whether you plan to attend the annual meeting or not, we urge you to complete, sign and date the enclosed proxy card and to return it promptly in the envelope provided. Returning the proxy card will not affect your right to attend the annual meeting and vote at the annual meeting.

If you properly fill in your proxy card and send it to us in time, then your proxyholder (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxyholder will vote your shares as recommended by our board of directors.

How Does our Board of Directors Recommend That I Vote on the Proposals?

Our board of directors recommends that you vote as follows:

FOR the election of the nominees for Class I directors; and

FOR ratification of the selection of Ernst & Young LLP as our independent auditors for our fiscal year ending June 30, 2006; and

Table of Contents

FOR the proposed Amendment to the Certificate of Incorporation to limit the liability of directors to the fullest extent permitted under the Delaware General Corporation Law.

If any other matter is presented for a vote of the stockholders at the annual meeting, then your proxyholder will vote your shares in accordance with his or her best judgment. At the time this proxy statement was printed, we knew of no matters that are expected to be acted upon at the annual meeting, other than those discussed in this proxy statement.

May I Revoke My Proxy?

If you give us your proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in any one of the following ways:

You may send in another proxy with a later date;

If applicable, you may vote either via the Internet or by telephone at a later date;

You may notify our Secretary in writing before the annual meeting that you have revoked your proxy; or

You may vote in person at the annual meeting.

How Do I Vote in Person?

If you plan to attend the annual meeting and vote in person, then we will give you a ballot when you arrive. However, if your shares are held in the name of your broker, bank or other nominee, then you must bring an account statement or letter from the nominee indicating that you were the beneficial owner of the shares on October 31, 2005, the record date for voting.

What Vote is Required to Approve Each Proposal?

- | | |
|--|--|
| Proposal 1: Elect Directors | The two nominees for director who receive the most votes (also known as the plurality of votes) will be elected. |
| Proposal 2: Ratify Selection of Auditors | The affirmative vote of a majority of the outstanding shares present in person or represented by proxy and entitled to vote at the annual meeting is required to ratify the selection of our independent auditors. |
| Proposal 3: Approve Amendment to Certificate of Incorporation | The affirmative vote of a majority of the outstanding shares present in person or represented by proxy and entitled to vote at the annual meeting is required to approve the proposed amendment to our Certificate of Incorporation. |

What is the Effect of Broker Non-Votes, Withholdings and Abstentions?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count For and Withhold and, with respect to proposals other than the election of directors, Against votes, abstentions and broker non-votes. Abstentions will be counted toward the vote total for each proposal, and will have the same effect as Against votes. So-called broker non-votes will not be counted toward the vote total for any proposal. These rules are further explained in the following paragraphs:

Withholdings: Withholding authority to vote for a nominee for director will have no effect on the outcome of the vote.

Abstentions: Because abstentions are treated as shares present or represented and entitled to vote at the annual meeting, an abstention with respect to Proposal 2 or Proposal 3 has the same effect as a vote against the Proposal.

Table of Contents

Broker Non-Votes: If your broker holds your shares in its name, then your broker will be entitled to vote your shares on Proposal 1 even if it does not receive instructions from you. If your broker cannot vote your shares on a particular matter because it does not have instructions from you or discretionary voting authority on that matter, then this is referred to as a broker non-vote. Shares subject to a broker non-vote are considered to be present and represented for purposes of establishing a quorum, but are not considered as entitled to vote on any matter for which the broker has not received instructions. Therefore, they will not be counted for purposes of determining the vote required on Proposals 2 and 3 if your broker does not have authority to vote on those matters.

Is Voting Confidential?

We will keep all the proxies, ballots and voting tabulations private. We allow only our Inspector of Election to examine these documents. We will not disclose your vote to management unless it is necessary to meet legal requirements. We will, however, forward to management any written comments you make on the proxy card or elsewhere.

What Are the Costs of Soliciting these Proxies?

We will pay all of the costs of soliciting these proxies. Solicitation of proxies will be made principally through the mails, but our officers and employees may also solicit proxies in person or by telephone, fax or email. We will pay these employees and officers no additional compensation for these services. We will ask banks, brokers and other institutions, nominees and fiduciaries to forward these proxy materials to the beneficial owners of the common stock and to obtain authority to execute proxies. We will then reimburse them for their expenses.

What Constitutes a Quorum for the Meeting?

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock is necessary to constitute a quorum at the meeting. On the record date, there were 20,611,714 shares outstanding and entitled to vote. Thus, 10,305,858 shares must be represented by stockholders present at the annual meeting in person or by proxy in order for there to be a quorum for the meeting. Votes of stockholders of record who are present at the meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

Attending the Annual Meeting

The annual meeting will be held at 10:00 a.m., on December 13, 2005 at the Center Stage Theater, 751 Paseo Nuevo, Santa Barbara, California 93101. The theater is located above California Pizza Kitchen in the Paseo Nuevo Mall. You need not attend the annual meeting in order to vote.

Voting

Edgar Filing: CALLWAVE INC - Form DEF 14A

To ensure that your vote is recorded promptly, please vote as soon as possible, even if you plan to attend the annual meeting in person. Most stockholders have three options for submitting their vote: (1) via the Internet (please see your proxy card for instructions) or (2) by phone (please see your proxy card for instructions), or (3) by mail, using the enclosed paper proxy card. When you vote via the Internet or by phone, your vote is recorded immediately. We encourage our stockholders to vote using these methods whenever possible. If you attend the annual meeting, then you also may submit your vote in person, and any previous votes that you submitted, whether by Internet, phone or mail, will be superseded by the vote that you cast at the annual meeting.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in our quarterly report on Form 10-Q for the quarter ending December 31, 2005.

Table of Contents

When are stockholder proposals due for next year's annual meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by July 6, 2006, to our Secretary at 136 West Canon Perdido, Suite A, Santa Barbara, California 93101. If you wish to submit a proposal that is not to be included in next year's proxy materials or nominate a director, then generally you must do so no later than the close of business on August 5, 2006, and no earlier than the close of business on July 6, 2006. If you wish to bring a matter before the stockholders at next year's annual meeting and you do not notify us before August 5, 2006, then our management will have discretionary authority to vote all shares for which it has proxies in opposition to the matter. You are also advised to review our Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

Householding of Annual Disclosure Documents

In December 2000, the Securities and Exchange Commission adopted a rule concerning the delivery of annual disclosure documents. The rule allows us or your broker to send a single set of our annual report and proxy statement to any household at which two or more of our stockholders reside, if we or your broker believe that the stockholders are members of the same family. This practice, referred to as "householding," benefits both you and us. It reduces the volume of duplicate information received at your household and helps to reduce our expenses. The rule applies to our annual reports, proxy statements and information statements. Once you receive notice from your broker or from us that communications to your address will be "household," the practice will continue until you are otherwise notified or until you revoke your consent to the practice. Each stockholder will continue to receive a separate proxy card or voting instruction card.

If your household received a single set of disclosure documents this year, but you would prefer to receive your own copy, please contact our transfer agent, Mellon Investor Services, by calling their toll free number, 1-800-853-4960.

If you do not wish to participate in "householding" and would like to receive your own set of our annual disclosure documents in future years, follow the instructions described below. Conversely, if you share an address with another of our stockholders and together both of you would like to receive only a single set of our annual disclosure documents, follow these instructions:

If your shares are registered in your own name, please contact our transfer agent, Mellon Investor Services, and inform them of your request by calling them at 1-800-853-4960 or writing them at 400 South Hope Street, 4th Floor, Los Angeles, CA 90071.

If a broker or other nominee holds your shares, please contact the broker or other nominee directly and inform them of your request. Be sure to include your name, the name of your brokerage firm and your account number.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth certain information with respect to the beneficial ownership of our common stock as of October 20, 2005 for (a) the executive officers named in the Summary Compensation Table of this proxy statement, (b) each of our directors and director nominees, (c) all of our current directors and executive officers as a group and (d) each stockholder known by us to own beneficially more than 5% of our common stock. Beneficial ownership is determined in accordance with the rules of the SEC and includes voting or investment power with respect to the securities. We deem shares of common stock that may be acquired by an individual or group within 60 days of October 20, 2005 pursuant to the exercise of options to be outstanding for the purpose of computing the percentage ownership of such individual or group, but are not deemed to be outstanding for the purpose of computing the percentage ownership of any other person shown in the table. Except as indicated in footnotes to this table, we believe that the stockholders named in this table have sole voting and investment power with respect to all shares of common stock shown to be beneficially owned by them based on information provided to us by these stockholders. Percentage of ownership is based upon 20,610,714 shares of our common stock outstanding on October 20, 2005. Unless otherwise indicated, the address for each of the stockholders in the table below is c/o CallWave, Inc., 136 W. Canon Perdido Street, Suite A, Santa Barbara, California 93101.

We calculate this assuming that the fair market value of our common stock on the date of grant appreciates at the indicated annual rates, 5% and 10% compounded annually, for the entire term of the option and that the option is exercised and sold on the last day of its term for the appreciated stock price. These amounts are based on assumed rates of appreciation and do not represent an estimate of our future stock price. Actual value realized, if any, on stock option exercises will depend on the future performance of our common stock, the optionholder's continued employment with us through the option exercise period and the date on which the option is exercised.

Aggregated Option Exercises in Last Fiscal Year and Fiscal Year-End Option Values

The following table shows the aggregate value of options held by each named executive officer as of June 30, 2005 and options exercised by such officers during our last fiscal year. **REPORT OF COMPENSATION COMMITTEE
ON EXECUTIVE COMPENSATION**

The compensation committee of the board of directors has furnished the following report:

Overview

This report relates to compensation decisions made by the compensation committee (the Committee). The material in this report is not soliciting material and this report shall not be deemed incorporated by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent it specifically incorporates this information by reference in such filing.

The Committee, which consists of Peter Sperling, Michael Noling, and Jerry Murdock, is responsible for establishing and administering our executive compensation policies. This report addresses the compensation policies for the fiscal year ended June 30, 2005 as they affected Mr. Hofstatter, in his capacity as President and Chief Executive Officer, as well as other senior executives.

General Compensation Policy

The objectives of our executive compensation program are to:

provide a competitive compensation package that will attract and retain superior talent and reward performance;

support the achievement of desired Company performance; and

align the interests of executives with the long-term interests of stockholders through award opportunities that can result in ownership of common stock, thereby encouraging the achievement of superior results over an extended period.

Executive Officer Compensation Program

Our executive officer compensation program is comprised of: (i) base salary, which is set on an annual basis; (ii) annual discretionary incentive bonuses, which are based on the achievement of objectives and Company performance; and (iii) long-term discretionary incentive compensation in the form of periodic equity incentive grants, with the objective of aligning the executive officers' long-term interests with those of the stockholders and encouraging the achievement of superior results over an extended period.

The Committee performs annual reviews of executive compensation to confirm the competitiveness of the overall executive compensation packages as compared with companies who compete with us to attract and retain employees.

Base Salary

The Committee reviews base salary levels for executive officers on an annual basis. Base salaries are set competitively relative to companies in the telecommunications software industry and other comparable companies. In determining salaries the Committee also takes into consideration individual experience and performance. The Committee seeks to compare the salaries paid by companies similar in size and industry to us. Within this comparison group, we seek to make comparisons to executives at a comparable level of experience, who have a comparable level of responsibility and expected level of contribution to our performance. In setting base salaries, the Committee also takes into account the level of competition among similar companies to attract talented personnel.

Table of Contents

Annual Incentive Bonuses

At the beginning of each year, the board of directors approves a set of corporate objectives that the board believes are important to both the short-term and long-term success of the Company. Specific corporate objectives typically include revenue targets, net income targets, and corporate development milestones. The Committee establishes annual bonus targets for the Chief Executive Officer. At the beginning of each year, the Committee evaluates the Company's performance against the stated corporate objectives for the previous year. At this time, the Committee determines the amount of Chief Executive Officer's bonus based on the established bonus targets and a subjective assessment by the Committee of his progress toward achieving the established goals. Bonuses are generally paid semiannually for services rendered during the prior six-month period.

Long-term Incentive Compensation

Long-term incentive compensation, in the form of stock options, allows the executive officers to share in any appreciation in the value of our common stock. The Committee believes that equity participation aligns executive officers' interests with those of the stockholders. The amounts of the awards are designed to reward past performance and create incentives to meet long-term objectives. Awards are made at a level calculated to be competitive within the telecommunications software industry, as well as a broader group of companies of comparable size. In determining the amount of each grant, the Committee takes into account the number of shares held by the executive prior to the grant as well as the Company's performance and the performance of the individual executive against the established goals.

Stock options are typically granted once each year for our senior executives. The Committee reviews management's recommendations for option grants to senior executives, excluding the Chief Executive Officer, and makes its own independent determination of the option grants with respect to all executive officers based on the criteria described above. The annual stock option awards vest over a period of four years from the date of the grant and expire not more than ten (10) years after the date of grant. The per share exercise price for the annual grants is set at the per share closing trading price of the Company's common stock on the day of the date of the grant.

Chief Executive Officer Compensation

Consistent with the Company's compensation policy set forth above, the Committee set Mr. Hofstatter's base salary for 2005 at \$275,000. In determining whether to pay a bonus to Mr. Hofstatter for the fiscal year ended June 30, 2005, the Committee evaluated, among other factors, both Mr. Hofstatter's individual performance and the Company's performance in relation to revenue and net income goals. On the basis of all relevant factors, the Committee elected not to pay a bonus to Mr. Hofstatter for the fiscal year ended June 30, 2005.

The Committee believes that the levels of compensation for Mr. Hofstatter are consistent with the range of salary and bonus levels received by his counterparts in companies in the telecommunications software industry and other comparable companies.

Tax Considerations

Edgar Filing: CALLWAVE INC - Form DEF 14A

The Committee's compensation strategy is to be cost and tax effective. Therefore, the Committee's policy is to preserve corporate tax deductions, while maintaining the flexibility to approve compensation arrangements that it deems to be in the best interests of the Company and its stockholders, but that may not always qualify for full tax deductibility.

We expect that representatives of Ernst & Young LLP will be present at the annual meeting, will be able to make a statement if they so desire and will be available to respond to appropriate questions.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-audit Services of Independent Auditors

Consistent with SEC policies regarding auditor independence, which apply to us as of the date of our initial public offering, the audit committee has responsibility for appointing, setting compensation and overseeing the work of the independent auditor. In recognition of this responsibility, the audit committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent auditor.

Prior to engagement of the independent auditor for the next year's audit, management will submit an aggregate of services expected to be rendered during that year for each of four categories of services to the audit committee for approval.

1. **Audit** services include audit work performed in the preparation of financial statements, as well as work that generally only the independent auditor can reasonably be expected to provide, including comfort letters, statutory audits, and attest services and consultation regarding financial accounting and/or reporting standards.

2. ***Audit-Related*** services are for assurance and related services that are traditionally performed by the independent auditor, including due diligence related to mergers and acquisitions and special procedures required to meet certain regulatory requirements.

3. **Tax** services include all services performed by the independent auditor's tax personnel except those services specifically related to the audit of the financial statements and includes fees in the areas of tax compliance, tax planning and tax advice.

4. **Other Fees** are those associated with services not captured in the other categories.

Prior to engagement, the audit committee pre-approves these services by category of service. The fees are budgeted and the audit committee requires the independent auditor and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent auditor for additional services not contemplated in the original pre-approval. In those instances, the audit committee requires specific pre-approval before engaging the independent auditor.

The audit committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the audit committee at its next scheduled meeting.

In the event the stockholders do not ratify the appointment of Ernst & Young LLP as our independent auditors, the audit committee will reconsider its appointment.

The affirmative vote of a majority of the shares present or represented and entitled to vote at the annual meeting is required to ratify the audit committee's appointment of the independent public accountants.

The Board Of Directors Recommends A Vote To Ratify The Appointment Of Ernst & Young LLP, An Independent Registered Public Accounting Firm, As Our Independent Auditors, And Proxies Solicited By The Board Of Directors Will Be Voted In Favor Of Such Ratification Unless A Stockholder Indicates Otherwise On The Proxy.

AMENDMENT TO THE CERTIFICATE OF INCORPORATION

(Notice Item 3)

That the Certificate of Incorporation of the Corporation will be amended by adding to the Certificate of Incorporation a new Article XII to read in its entirety as follows:

ARTICLE XII

A director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL or (iv) for any transaction from which the director derived an improper personal benefit. If the DGCL is hereafter amended to authorize the further elimination or limitation of the liability of a director, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the DGCL, as so amended. The affirmative vote of the holders of at least sixty-six and two-thirds percent (66 ²/₃%) of the voting power of the then outstanding shares of voting stock entitled to vote generally in the election of directors, voting together as a single class, shall be required to amend or repeal this Article XII.

Directors of corporations incorporated in the State of Delaware, such as ours, have duties of loyalty and due care to the corporation and its stockholders. The Delaware General Corporation Law permits each Delaware corporation to include in its certificate of incorporation a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of the duty of due care as a director, subject to certain limitations.

It is necessary for us to be able to attract and retain quality directors. In order to do so, we must provide Board members with appropriate protections from liability consistent with the protections afforded by other corporations with whom we compete for qualified directors. Many of those other corporations include in their charter a provision comparable to that which we are proposing to add to our Certificate of Incorporation. The frequency of litigation against corporations, the considerable expense in defending such lawsuits (regardless of the substantive merits), and the inherent uncertainties in any litigation, all make the question of personal liability a very real concern for directors and potential directors. The Board of Directors believes that our stockholders are better served by directors who are free to reasonably exercise their best business judgment, and that the proposed amendment to the Certificate of Incorporation will achieve that objective in a manner consistent with the approach generally being taken in the marketplace.

The affirmative vote of a majority of the shares present or represented and entitled to vote at the annual meeting is required to approve the proposed amendment to our Certificate of Incorporation.

The Board Of Directors Recommends A Vote To Approve the Amendment to the Certificate of Incorporation, And Proxies Solicited By The Board Of Directors Will Be Voted In Favor Of Such Amendment Unless A Stockholder Indicates Otherwise On The Proxy.
