On November 1, 2005, HEI issued the following news release:

HAWAIIAN ELECTRIC INDUSTRIES, INC. ANNOUNCES THIRD QUARTER 2005 EARNINGS AND DIVIDEND RELEASE DATES

HONOLULU Hawaiian Electric Industries, Inc. (NYSE - HE) announced that it currently plans to release its third quarter 2005 earnings on November 9, 2005, before the market opens and to file its third quarter Form 10-Q on the same day. The Company also plans to issue a dividend release on November 10, 2005.

In October 2004, Hawaiian Electric Company (HECO) amended its power purchase agreement with Kalaeloa Partners, L.P. (Kalaeloa) to make available up to an additional 29 megawatts (MW) of firm capacity to HECO. The amendments became effective on September 28, 2005, when HECO received an interim decision and order allowing them to recover the costs of the additional 29MW (subsequently revised to 28MW), and at that time Kalaeloa was contractually obligated to provide HECO the information it required to assess the need to consolidate Kalaeloa's financial statements with HECO's financial statements in accordance with Financial Accounting Standards Board Interpretation No. 46R (FIN 46R), Consolidation of Variable Interest Entities. FIN 46R addresses how a business enterprise should evaluate whether it has a controlling financial interest in an entity through means other than voting rights and accordingly should consolidate the entity. The consolidation of Kalaeloa, if required, could have a material effect on HECO's consolidated financial statements, including the recognition of a significant amount of assets and liabilities, and if Kalaeloa were operating at a loss and had insufficient equity, the potential recognition of such losses. The conclusion of the Company's evaluation of the application of FIN 46R to Kalaeloa will be reported in its third quarter 2005 earnings release and Form 10-Q when filed.

HEI supplies power to over 400,000 customers or 93% of the Hawaii market through its electric utilities, HECO, Hawaii Electric Light Company and Maui Electric Company and provides a wide array of banking and other financial services to consumers and businesses through American Savings Bank, the state's third largest financial institution based on asset size.
