PART III NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period. (Attach Extra Sheets if Needed)

On August 6, 2005, the Registrant completed its merger with Mykrolis Corporation pursuant to an Agreement and Plan of Merger, dated as of March 21, 2005; this closing occurred only 21 days prior to the last day of the Registrant's 2005 fiscal year. The integration efforts following the consummation of the merger have required, and continue to require, significant attention and resources from management and the Registrant. Fiscal 2005 is also the first fiscal year in which Registrant is required to assess and report on the effectiveness of Registrant's internal control over financial reporting. As a result of the combined impact of these events and requirement the Registrant is unable to file its Annual Report on Form 10-K for the fiscal year ended August 27, 2005 within the prescribed period without unreasonable effort or expense. Additional time is required for the preparation and filing of the Registrant's audited financial statements for the fiscal year ended August 27, 2005 and of the Form 10-K to ensure accurate disclosure of all information relating to the consummation of the merger in the financial statements and the Form 10-K as well as to complete the evaluation of the effectiveness of the Registrant's internal control over financial reporting. In addition, until this information is finalized, the review of the Registrant's Annual Report on Form 10-K for the fiscal year ended August 27, 2005 cannot be completed. Therefore, an extension of time to file is requested. As indicated in Part II above, the Form 10-K will be filed on or before the 15th calendar day following the prescribed due date.
