Item 1.01. Entry into a Material Definitive Agreement.

On December 21, 2005, certain domestic subsidiaries of SunGard Data Systems Inc. (the Company) became participants in the Company's principal receivables facility (the long-term receivables facility). In connection with such transaction, the agreements governing the long-term receivables facility were amended to, among other things, increase the aggregate availability under the long-term receivables facility from \$375.0 million to a maximum amount of \$450.0 million and change certain other terms thereof, and the Company terminated its transitional receivables facility (which had provided an amount of funding up to a maximum of \$375.0 million less the amount of funding under the long-term receivables facility). The aggregate availability under the long-term receivables facility of \$450.0 million is subject to the amount of eligible receivables and satisfaction of other customary conditions. The increase in available funding under the long-term receivables facility will be used for general corporate purposes. After giving effect to the foregoing transactions as of December 21, 2005, the Company had approximately \$450.0 million of available funding under this facility, of which \$385.0 million was outstanding based on the amount of eligible receivables and the applicable advance rates.

Each of the Company's participating subsidiaries, JPMorgan Chase Bank, N.A., Citicorp North America, Inc., Deutsche Bank AG, New York Branch, certain other lenders and Financial Guaranty Insurance Company is a party to one or more of the agreements governing the long-term receivables facility and the transitional receivables facility. JPMorgan Chase Bank, N.A., its affiliates and affiliates of Citicorp North America, Inc. and Deutsche Bank AG, New York Branch are lenders or initial purchasers in the financing transactions for the Company's merger into Solar Capital Corp. which closed on August 11, 2005.

The long-term receivables facility has been structured in a manner that will qualify it for off-balance sheet treatment.

Item 1.02 Termination of a Material Definitive Agreement.

In connection with the transaction described in Item 1.01 above, the Company terminated the following agreements governing its transitional receivables facility:

Bridge First Step Receivables Purchase Agreement, dated as of August 11, 2005, by and among Certain Subsidiaries of SunGard Data System Inc., as Sellers and SunGard Financing LLC.

Bridge Second Step Receivables Purchase Agreement, dated as of August 11, 2005, by and among SunGard Financing LLC, as Transferor, and SunGard Funding II LLC, as the Transferee.

Bridge Receivables Credit Agreement, dated as of August 11, 2005, among SunGard Funding II LLC, as the Borrower, the Persons Party thereto as Conduit Lenders, Committed Lenders and Funding Agents, and JPMorgan Chase Bank, N.A., as Administrative Agent.

Bridge Receivables Facility Performance Undertaking, dated as of August 11, 2005, executed by SunGard Data Systems Inc. in favor of SunGard Financing LLC, together with its successors and assigns, including JPMorgan Chase Bank, N.A., as Administrative Agent on behalf of the Lenders.

Bridge Receivables Facility Security Agreement, dated as of August 11, 2005, among SunGard Funding II LLC, as Grantor and JPMorgan Chase Bank, N.A., as Collateral Agent.

Bridge Receivables Facility Collection Agent Agreement, dated as of August 11, 2005, by and between SunGard Data Systems Inc., as Collection Agent, and SunGard Funding II LLC.

The information set forth in Item 1.01 is incorporated by reference into this Item 1.02.

Item 9.01. Financial Statements and Exhibits.

(c) Exhibits.
