### **Item 6. Indemnification of Directors and Officers**

Section 8.51 of Chapter 156D of the General Laws of the Commonwealth of Massachusetts authorizes a Massachusetts corporation to indemnify an individual who is a party to a proceeding because he is a director against liability incurred in the proceeding if (1)(i) he conducted himself in good faith, (ii) he reasonably believed that his conduct was in the best interest of the corporation or that his conduct was at least not opposed to the best interests of the corporation, and (iii) in the case of any criminal proceeding, he had no reasonable cause to believe his conduct was unlawful or (2) he engaged in conduct for which he shall not be liable under an authorized provision of the corporation's articles of organization. Section 8.56 of Chapter 156D of the General Laws of the Commonwealth of Massachusetts authorizes a corporation to indemnify an officer of the corporation who is a party to a proceeding because he is an officer of the corporation to the same extent as a director and, if he is an officer but not a director, to such further extent as may be provided by the articles of organization, bylaws, a resolution of the board of directors or contract except for liability arising out of acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of the law.

The Registrant's Restated Articles of Organization include a provision that eliminates the personal liability of each of its directors for monetary damages for breach of fiduciary duty as a director to the extent provided by applicable law, notwithstanding any provision of law imposing such liability, except for liability, to the extent required by Section 13(b)(1 1/2) or any successor provision of the Massachusetts Business Corporation Law, (a) for any breach of the director's duty of loyalty to the Registrant or its stockholders, (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (c) under sections 61 or 62 of the Massachusetts Business Corporation Law, or (d) for any transaction from which the director derived an improper personal benefit.

In addition, the Registrant's Amended and Restated By-laws provide that (a) the Registrant shall, to the extent legally permissible, indemnify each of its directors and officers (including persons who act at its request as directors, officers or trustees of another organization or in any capacity with respect to any employee benefit plan) against all liabilities and expenses, except with respect to any matter as to which such director or officer shall have been adjudicated in any proceeding not to have acted in good faith in the reasonable belief that such individual's action was in the best interests of the Registrant or, to the extent that such matter relates to service with respect to any employee benefit plan, in the best interests of the participants or beneficiaries of such employee benefit plan; (b) the Registrant is authorized to pay expenses, including counsel fees, from time to time reasonably incurred by any director or officer in connection with the defense or disposition of any such action, suit or other proceeding in advance of the final disposition thereof upon receipt of an undertaking by such director or officer to repay to the Registrant the amounts so paid by the Registrant if it is ultimately determined that indemnification for such expenses is not authorized under the Amended and Restated Bylaws; (c) the right of indemnification under the Amended and Restated By-laws shall not be exclusive of or affect any other rights to which any director or officer may be entitled by contract or otherwise under law.

The Registrant has entered into indemnification agreements with its directors and executive officers providing for the indemnification of such director or executive officer, as applicable, to the extent legally permissible and the payment of expenses, including counsel fees reasonably incurred in connection with the defense or disposition of any action, suit or other proceeding in which such individual may be involved by reason of such individual being or having been a director or officer of the Registrant.

**Item 9. Undertakings**

## Edgar Filing: EMC CORP - Form S-8

The Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof;
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

- (4) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
