2006 Executive Compensation Plan

During the fiscal year ended December 31, 2005, the executive officers of Fastenal Company ( the Company ) who were named in the Summary Compensation Table included in the Company s most recent proxy statement received the base salaries included in the table. These officers are eligible for annual increases in their base salaries; however there were no changes in base pay levels from 2005 to 2006.

On January 19, 2006 the Board of Directors of Fastenal Company (the Company ) approved a new Executive Compensation Plan ( the Plan ) effective beginning in 2006. The plan will provide executive officers of the Company the opportunity to earn cash bonuses based on corporate performance targets established at the beginning of the year. No bonus will be paid for performance below a minimum level. The Board of Directors, as in the past, designated for each officer a bonus target amount which, depending on the individual executive is based on either a percentage of growth in quarterly pre-tax earnings of the Company or based on the amount by which net income in each quarter exceeded a certain percentage of net sales in the quarter.
